The description of our Common Stock, \$1.00 par value per share, excluding that of the associated Preferred Stock Purchase Rights, set forth under the caption "Description of the Common Stock," included in the prospectus dated September 25, 1998, of Union Oil Company of California and us (File Nos. 333-58415 and 333-58415-01), together with the description of our now associated Preferred Share Purchase Rights included in our Current Report on Form 8-K dated January 5, 2000, as they have been amended as set forth in our Current Reports on Form 8-K dated (date of earliest event reported) March 27 and August 2, 2002. The descriptions of the 6.25% Trust Convertible Preferred Securities of Unocal Capital Trust, (the "Trust Convertible Preferred Securities"), the guarantee thereof by us, and our 6.25% Convertible Junior Subordinated Debentures (as the rights and terms of which may materially limit or qualify the rights evidenced by, or amounts payable with respect to, our common stock) set forth under the captions "Description of the Trust Convertible Preferred Securities," "Description of the Guarantee," "Description of the Convertible Debentures," and "Effect of Obligations under the Convertible Debentures and the Guarantee" in the prospectus dated August 7, 1996, included in the Registration Statement on Form S-4 of Unocal and Unocal Capital Trust (File Nos. 333-09137 and 333-09137-01), as amended by Pre-Effective Amendment No. 1.

All documents filed by Unocal pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Prospectus and to be a part hereof from the date of filing of such documents.

Item 5. Interests of Named Experts and Counsel.

Legal matters in connection with the issuance and sale of the securities offered hereby will be passed upon by Charles O. Strathman, Esq., Vice President and Chief Legal Officer of the Company. As of December 30, 2002, Mr. Strathman owned beneficially 8,429 shares of Common Stock. He also held options to purchase 73,305 shares of common stock at prices ranging from \$26.3750 to \$38.8125, with expiration dates ranging from 2004 to 2012. In addition, Mr. Strathman held 12,751 performance share units, which could be paid out in up to 25,502 shares of common stock four years after their award dates, depending upon our total return to stockholders.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law authorizes Unocal to indemnify directors and officers in certain circumstances against liabilities, including expenses, incurred while acting in such capacities; provided, generally, that any such indemnified director or officer acted in good faith and in a manner he or she reasonably believed to be in the best interests of the corporation and, in the case of a criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful. The Bylaws of Unocal provide for the indemnification of directors and officers to the maximum extent permitted by the Delaware General Corporation Law.

In addition, Unocal has provided in its Restated Certificate of Incorporation that it shall eliminate the personal liability of its directors to the fullest extent permitted by the Delaware General Corporation Law and Unocal has entered into indemnification agreements with each of its directors and officers providing for additional indemnification. Unocal has policies of directors' and officers' liability insurance which insure directors and officers against the costs of defense, settlement or payment of a judgment under certain circumstances.

Item 8. Exhibits.

The Exhibit Index lists the exhibits that are filed as part of this registration statement.

Item 9. Undertakings.

a. The undersigned Registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - a. To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");
 - b. To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing,

Edgar Filing: UNOCAL CORP - Form S-8

any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the calculation of Registration Fee table in the effective registration statement;

- c. To include any material information with respect to the plan distribution not previously disclosed in this statement or any material change to such information in this registration statement;
2. Provided, however, that the undertakings set forth in paragraphs (a) and (b) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Act of 1934 (the "Exchange Act") that are incorporated by reference in this registration statement.
3. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
4. To remove from registration by means of a post-effective amendment, any of the securities being registered which remain unsold at the termination of the offering.
- b. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- c. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
