Section 2 Financial Information

Item 2.01 Completion of Acquisition or Disposition of Assets

On December 1, 2005, Stifel Financial Corp. ("Stifel") completed its previously announced acquisition of substantially all of the Legg Mason Capital Markets business ("LM Capital Markets") from Citigroup, Inc. LM Capital Markets was part of Legg Mason Wood Walker, Inc. ("Legg Mason"), which Citigroup, Inc. acquired from Legg Mason Inc. in a substantially simultaneous closing. LM Capital Markets business acquired by Stifel includes the Investment Banking, Equity and Fixed Income Research, Equity Sales and Trading, and Taxable Fixed Income Sales and Trading Departments of Legg Mason.

Stifel paid \$19.2 million for certain net assets in connection with the transaction as well as an additional \$45.9 million payment made directly to Legg Mason for the securities inventory associated with the LM Capital Markets acquired by Stifel. In addition, Citigroup, Inc. may receive an earn-out of up to \$30.0 million based on the performance of the combined capital markets business of both Stifel's pre-closing Fixed Income and Equity Capital Markets business and the Legg Mason Capital Markets for calendar years 2006, 2007, and 2008. In connection with the transaction, Stifel hired certain members of management and other key employees of the LM Capital Markets for a combination of cash and equity compensation including restricted stock units.

On January 2, 2006, Stifel granted 1,807,510 restricted stock units to key associates of the Legg Mason Capital Markets business. The units were granted with a measurement price of \$37.59 per unit. The units primarily vest ratably over a three-year period and accordingly Stifel will incur an annual non-cash compensation charge of approximately \$23.0 million.

On January 23, 2006, Stifel completed a private placement of 1,052,220 shares of its common stock at \$25.00 per share. The shares were purchased by key associates of the Legg Mason Capital Markets business. Stifel was required to charge to compensation the difference between the \$25.00 per share and the fair value of \$34.27 per share. As a result, Stifel incurred a non-cash compensation charge of approximately \$9.8 million in the quarter ended March 31, 2006.
