Item 4.01. Changes in Registrant's Certifying Accountant.

Effective July 18, 2006 the Audit Committee of the Trustees of North European Oil Royalty Trust (the "Trust") dismissed Ernst & Young LLP ("E&Y LLP") as the Trust's independent auditors and appointed Weiser LLP as the Trust's independent auditors.

With respect to the audits of the Trust's consolidated financial statements for the fiscal years ended October 31, 2005 and 2004 and the subsequent interim periods through April 30, 2006 and through the date hereof, there were no disagreements with E&Y LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of E&Y LLP, would have caused E&Y LLP to make reference to the subject matter of the disagreements in connection with its report. Further, the audit reports of E&Y LLP on the consolidated financial statements of the Trust for the years ended October 31, 2005 and 2004 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or, except as noted in the following sentence, as to accounting principles. E&Y LLP noted in its opinion that the Trust's financial statements have been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles. In the opinion of the Trustees and the Trust's management the use of the cash basis provides a more meaningful presentation to unit owners of the results of operations of the Trust.

The Trust has requested E&Y LLP to furnish a letter, pursuant to Item 304(a)(3) of Regulation S-K, addressed to the Securities and Exchange Commission stating whether it agrees with the statements above. A copy of that letter, dated July 21, 2006, is included as Exhibit 16 to this Form 8-K.

During the Trust's two most recent fiscal years ended October 31, 2005 and 2004, and in the subsequent interim period through the date of this Current Report on Form 8-K, neither the Trust nor anyone acting on its behalf consulted with Weiser LLP regarding (1) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Trust's financial statements or (2) any of the matters or events set forth in Item 304(a)(2)(ii) of Regulation S-K.
