Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On August 13, 2013, the Board of Directors of Invacare Corporation (the "Company") adopted the Second Amended and Restated Code of Regulations of the Company (the "Amended Code"). The Amended Code amends several provisions of the existing Code of Regulations. These include provisions:

- Granting additional flexibility to the Chairman of a shareholders' meeting to establish procedures that he or she deems appropriate for the orderly conduct of that meeting, including the ability to adjourn the meeting to a later date;

- Updating existing provisions of the Company's Code of Regulations to reflect changes in the law permitting the use of electronic communications in a variety of circumstances and adding provisions accommodating the issuance of non-certificated shares;

- Updating and clarifying the information requirements with respect to nominations and business proposals submitted by shareholders for consideration at shareholders' meetings;

- Specifying that persons who are to receive compensation for their service as a Director from anyone other than the Company will not qualify for service as a Director of the Company, subject to certain exceptions;

- Authorizing the formation of Board committees consisting of one or more directors and clarifying that committees may create subcommittees; and

- Eliminating the requirement that the Company hold its annual shareholders' meeting within the first six months of the fiscal year.

The Amended Code also includes non-substantive changes and other technical changes intended to update or clarify certain provisions included therein. The amendments made in the Amended Code were effective upon their adoption by the Board.

The foregoing description is only a summary of certain changes made to the Company's Code of Regulations and is qualified in its entirety by reference to the Amended Code, a copy of which is attached hereto as Exhibit 3.1 and is incorporated herein by reference.
