Item 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITION

On May 16, 2013, Brady Corporation (the "Company") issued a press release announcing its fiscal 2013 third quarter financial results. A copy of the press release announcing the third quarter financial results is being furnished to the Securities and Exchange Commission as Exhibit 99.1 attached hereto and is incorporated herein by reference.

Item 2.06 MATERIAL IMPAIRMENTS

On May 15, 2013, the Company concluded that under generally accepted accounting principles a material impairment charge of approximately \$16 million will be recorded in the Company's third fiscal quarter ended April 30, 2013. The impairment charge relates to the Company's plan to divest the Company's Asia-based Die-Cut business, as announced by the Company on May 16, 2013. In conjunction with this plan of sale, the Company is reporting the financial results of the Die-Cut business, as well as the financial results of the three businesses disposed of within the last year, Etimark, Varitronics, and Brady Medical, as discontinued operations on the condensed consolidated statements of income for the third quarter ended April 30, 2013.

The assets of the Asia-based Die-Cut business are located within several countries in North and South Asia, and include property, plant and equipment, accounts receivable, inventory and intangible assets. Liabilities of the business include normal trade payables and accrued expenses. The Company took this action to focus on its core Identifications Solutions and Workplace Safety businesses. Under generally accepted accounting principles, the plan of divestiture requires the Company to report the Asia-based Die-Cut business as a disposal group held for sale at approximate fair value less cost to sell, which results in a non-cash write-down on the carrying value of the assets of approximately \$16 million, recorded in the Company's third quarter ended April 30, 2013. Future cash expenditures related to the disposal actions are expected to be immaterial.

The press releases issued by the Company relating to third quarter fiscal 2013 financial results and the plan to divest the Asia-based Die Cut business are furnished to the Securities and Exchange Commission as Exhibits 99.1 and 99.3, respectively, attached hereto and are incorporated herein by reference.

DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS;  
Item 5.02 APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS

On May 14, 2013, the Management Development and Compensation Committee of the Board of Directors of the Company approved the following modifications to the compensation arrangement with Scott Hoffman in connection with his recently announced appointment as President - Workplace Safety: (i) increase in annual base salary to \$300,000, with eligibility for an annual bonus at 70% of base salary; and (ii) authorization to enter into an amended Change of Control Agreement with Mr. Hoffman providing for the payment of two years of base salary and bonus.
