As of October 19, 2004 there were 12,802,059 shares of Common Stock of Research Frontiers Incorporated outstanding. The aggregate market value of the voting and non-voting common equity held by non-affiliates was \$167,334,645 computed in accordance with the rules of the SEC by reference to the closing price of the Company common stock as of June 30, 2003 which was \$13.98. In making this computation, all shares known to be owned by directors and executive officers of the Company and all shares known to be owned by other persons holding in excess of 5% of the Company's common stock have been deemed held by affiliates of the Company. Nothing herein shall prejudice the right of the Company or any such person to deny that any such director, executive officer, or stockholder is an affiliate.

EXPLANATORY NOTE

Research Frontiers Incorporated (the "Company") is filing this Amendment No. 1 to its Annual Report on Form 10-K for the fiscal year ended December 31, 2003 for the sole purpose of amending and restating Part II, Item 9A to clarify the disclosure regarding our disclosure controls and procedures and our internal controls, and to refile certain exhibits. Except for the information set forth in this Amendment No. 1, no other information included in the Company's original Annual Report on Form 10-K for the fiscal year ended June 31, 2004 is hereby updated or amended.

Item 9A. Controls and Procedures.

We maintain a system of controls and procedures designed to provide reasonable assurance as to the reliability of the financial statements and other disclosures included in this report, as well as to safeguard assets from unauthorized use or disposition. We evaluated the effectiveness of the design and operation of our disclosure controls and procedures under the supervision and with the participation of management, including our Chief Executive Officer and Chief Financial Officer, as of the end of the fiscal year ending December 31, 2003. Based upon that evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures are effective in timely alerting them to material information required to be included in our periodic Securities and Exchange Commission filings. There were no changes that occurred during the quarterly period ended December 31, 2003 that materially affected, or are reasonably likely to material affect, our internal control over financial reporting.
