**Section 3 - Securities and Trading Markets**

**Item 3.02 - Unregistered Sales of Equity Securities**

On September 30, 2006, the registrant issued and sold 70,000 shares of its newly created Series D preferred stock, par value \$1.00 per share (the Series D Preferred Stock ) to Gulf Capital Services, Ltd., an affiliate of J. Mack Robinson, the chairman of the board of directors of the registrant and former president and chief executive officer of the registrant, for an aggregate purchase price of \$7,000,000 in a private placement exempt from registration under Section 4(2) of the Securities Act of 1933, as amended.

Shares of Series D Preferred Stock are convertible into shares of the registrant's common stock only in the event that (i) Mr. Robinson, together with any of his affiliates, should ever be deemed to beneficially own less than 50.1% of the registrant's outstanding common stock or (ii) the registrant or its affiliates enter into an agreement providing for the sale or transfer of all of the registrant's outstanding common stock to an unaffiliated third party, or a merger with a third party, such that after consummation of such a transaction, Mr. Robinson, together with any of his affiliates, would no longer beneficially own at least 50.1% of the registrant's outstanding common stock. Upon such an occurrence, each share of Series D Preferred Stock would be convertible, at the option of its holder, into shares of the registrant's common stock at the conversion rate of 25.06 shares of the registrant's common stock for each share of Series D Preferred Stock, subject to adjustments for certain subdivisions, combinations, dividends, distributions and diluting issues.

Pursuant to the Series D Statement:

dividends on the Series D Preferred Stock will be payable, at the registrant's option, in cash or in shares of the registrant's common stock, at an annual rate of 7.25%, prior to and in preference to any declaration and payment of any dividend on the registrant's common stock and any other class or series of capital stock of the registrant ranking junior to the Series D Preferred Stock in respect of dividends or distributions upon liquidation;

the Series D Preferred Stock will be convertible into shares of the registrant's common stock as described in Item 3.02 above;

the Series D Preferred Stock will be redeemable by the registrant, at its sole option, for \$100 per share, plus any accrued but unpaid dividends to the date of redemption; and

the Series D Preferred Stock will not have any voting rights except (i) as required by law and (ii) that for so long as shares of Series D Preferred Stock are outstanding, the registrant shall not, without first obtaining the vote or consent of the holders of at least a majority of the outstanding shares of Series D Preferred Stock, amend or repeal any provision of, or add any provision to, the Articles or the registrant's bylaws or otherwise materially and adversely affect the preferences, rights, privileges or powers of the Series D Preferred Stock.
