PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
June 15, 2006

To Our Shareholders:

This Proxy Statement is furnished to the holders of the common stock ("Common Stock") and Series D 9.50% Cumulative Convertible Preferred Stock ("Series D Preferred Stock") of Dynex Capital, Inc. (the "Company") in connection with the solicitation by the Company's Board of Directors of proxies to be used at the Annual Meeting of Shareholders of the Company to be held at the Park Central Hotel located at 870 Seventh Avenue at 56th Street, New York, New York on Thursday, June 15, 2006, at 9:00 a.m. Eastern Time. The Annual Meeting is being held for the purposes set forth in the accompanying notice of Annual Meeting of Shareholders. This Proxy Statement, the accompanying proxy card and the notice of Annual Meeting are being provided to shareholders beginning on or about May 5, 2006.

GENERAL INFORMATION

Solicitation

The enclosed proxy is solicited by the Board of Directors of the Company. The costs of this solicitation will be borne by the Company. Proxy solicitations will be made by mail, and also may be made by personal interview, telephone and telegram by directors and officers of the Company. Brokerage houses and nominees will be requested to forward the proxy soliciting material to the beneficial owners of shares of Common Stock and Series D Preferred Stock and to obtain authorization for the execution of proxies. The Company will, upon request, reimburse such parties for their reasonable expenses in forwarding these proxy materials to such beneficial owners.

Voting Rights

Common Stock. Holders of shares of Common Stock at the close of business on April 28, 2006, the record date, are entitled to notice of, and to vote at, the Annual Meeting. On that date, 12,163,391 shares of Common Stock were outstanding. Each share of Common Stock outstanding on the record date is entitled to one vote for each of four directors to be elected by the holders of shares of Common Stock and one vote on any other matter presented to such holders at the Annual Meeting. The presence, in person or by proxy, of holders of shares of Common Stock entitled to cast a majority of all the votes entitled to be cast constitutes a quorum for the transaction of business at the Annual Meeting.

Series D Preferred Stock. Holders of shares of Series D Preferred Stock at the close of business on April 28, 2006, the record date, are entitled to notice of, and to vote at, the Annual Meeting, voting as a single class to elect two directors to the Company's Board of Directors. The holders of Series D Preferred Stock are not entitled to vote on any other matter. There were 4,221,539 shares of Series D Preferred Stock outstanding as of April 28, 2006.

Voting of Proxies - Common Stock

A proxy card, indicating COMMON STOCK shares, is being sent to the holders of shares of Common Stock (the “common proxy”). Shares of Common Stock represented by a properly executed common proxy received in time for the Annual Meeting will be voted in accordance with the choices specified in such common proxy. If no instructions are indicated on the common proxy, the shares of Common Stock will be voted FOR the election of the nominees named in this Proxy Statement as common shareholder directors.

Voting of Proxies—Series D Preferred Stock

A proxy card, indicating SERIES D PREFERRED STOCK shares, is being sent to holders of shares of Series D Preferred Stock (the “preferred proxy”). Shares of Series D Preferred Stock represented by a properly completed and executed preferred proxy received in time for the Annual Meeting will be voted in accordance with the choices specified in such preferred proxy. If a preferred proxy is not completed in accordance with its instructions or no choices are specified on the preferred proxy, the shares of Series D Preferred Stock represented by such preferred proxy will not be voted.

Revocability of Proxy

The giving of the enclosed proxy does not preclude the right to vote in person should the shareholder giving the proxy so desire. A proxy may be revoked at any time prior to its exercise by delivering a written statement to the Secretary of the Company that the proxy is revoked, by presenting to the Company a later-dated proxy executed by the person executing the prior proxy, or by attending the Annual Meeting and voting in person.

Quorum

The following principles of Virginia law apply to the voting of shares of capital stock at the Annual Meeting. The presence in person or by proxy of shareholders entitled to vote a majority of the outstanding shares of Common Stock will constitute a quorum for all matters upon which holders of shares of Common Stock are entitled to vote. The presence in person or by proxy of shareholders entitled to vote a majority of the outstanding shares of Series D Preferred Stock will constitute a quorum for the matter upon which holders of shares of Series D Preferred Stock are entitled to vote. Shares represented by proxy or in person at the Annual Meeting, including shares represented by proxies that reflect abstentions, will be counted as present in the determination of a quorum. An abstention as to any particular matter, however, does not constitute a vote “for” or “against” such matter. “Broker non-votes” (*i.e.*, where a broker or nominee submits a proxy specifically indicating the lack of discretionary authority to vote on a matter) will be treated in the same manner as abstentions.

Other Matters

The management and the Board of Directors of the Company know of no other matters to come before the Annual Meeting other than those stated in the notice of the Annual Meeting. However, if any other matters are properly presented to the shareholders for action, it is the intention of the proxy holders named in the enclosed proxy to vote in their discretion on all matters on which the shares represented by such proxy are entitled to vote.

Annual Report on Form 10-K

The Company’s Annual Report on Form 10-K, including financial statements for the year ended December 31, 2005, which is being mailed to shareholders together with this Proxy Statement, contains financial and other information about the activities of the Company, but is not incorporated into this Proxy Statement and is not to be considered a part of these proxy soliciting materials.

PROPOSAL ONE

ELECTION OF DIRECTORS

General

Common Stock Directors. Three directors of the Company are to be elected by the holders of shares of Common Stock at the Annual Meeting to serve until the next annual meeting and until their successors are elected and duly qualified. On the recommendation of the Nominating & Corporate Governance Committee, the Board of Directors has nominated Thomas B. Akin, Daniel K. Osborne and Eric P. Von der Porten for election by the holders of shares of Common Stock to the Board of Directors at the Annual Meeting. Unless otherwise indicated, a common proxy representing shares of Common Stock will be voted FOR the election of Messrs. Akin, Osborne and Von der Porten to the Board of Directors. Each common stock director nominee has agreed to serve if elected. In the event any common stock director nominee shall unexpectedly be unable to serve, each common proxy will be voted for such other person as the Board of Directors may designate. Selected biographical information regarding each common stock director nominee is set forth below.

Series D Preferred Stock Directors. Pursuant to Section 10 of Article IIID of the Company's Articles of Incorporation, as amended, the holders of shares of Series D Preferred Stock are entitled to elect two directors to the Board of Directors of the Company. Except as otherwise provided in the Company's Articles of Incorporation, each such director will serve until the next annual meeting of the shareholders of the Company and until their successors are elected and duly qualified. Leon A. Felman and Barry Igdaloff have been nominated for election by holders of shares of Series D Preferred Stock to the Board of Directors at the Annual Meeting. Each preferred stock director nominee has agreed to serve if elected. Selected biographical information regarding each preferred stock director nominee is set forth below.

Vote Required

Common Stock Directors. The three directors to be elected by the holders of shares of Common Stock will be elected by a favorable vote of a plurality of the shares of Common Stock represented and entitled to vote with respect to each common stock director, in person or by proxy, at the Annual Meeting. Accordingly, abstentions or broker non-votes as to the election of the common stock directors will not affect the election of candidates receiving the plurality of votes. Unless instructed to the contrary, the shares represented by each common proxy will be voted FOR the election of each of the three common stock director nominees named below. Although it is anticipated that each common stock director nominee will be able to serve as a director, should any nominee become unavailable to serve, the shares represented by each common proxy will be voted for another person or persons designated by the Company's Board of Directors. In no event will a common proxy be voted for more than three common stock directors.

Series D Preferred Stock Directors. The two directors to be elected by the holders of shares of Series D Preferred Stock will be elected by a favorable vote of a plurality of the shares of Series D Preferred Stock represented and entitled to vote with respect to each preferred stock director, in person or by proxy, at the Annual Meeting. Accordingly, abstentions or broker non-votes as to the election of the preferred stock directors will not affect the election of candidates receiving the plurality of votes. If a preferred proxy is not completed in accordance with its instructions or no choices are specified on the preferred proxy, the shares of Series D Preferred Stock represented by such preferred proxy will not be voted. Although it is anticipated that each preferred stock director nominee will be able to serve as a director, should any nominee become unavailable to serve, the shares represented by each preferred proxy will not be voted for another person or persons. In no event will a preferred proxy be voted for more than two directors.

CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS

General

The business and affairs of the Company are managed under the direction of the Board of Directors in accordance with the Virginia Stock Corporation Act and the Company's Articles of Incorporation and Bylaws. Members of the Board are kept informed of the Company's business through discussions with the Chairman of the Board and chief executive officer (or, in his absence, the principal executive officer) and other officers, by reviewing materials provided to them and by participating in meetings of the Board and its committees. The corporate governance practices followed by the Company are summarized below.

Corporate Governance Guidelines

The Board of Directors has adopted Corporate Governance Guidelines that set forth the practices of the Board with respect to its size, criteria for membership and selection to the Board, committees of the Board, meetings and access to management, director compensation, director orientation and continuing education, an annual performance evaluation of the Board, director responsibilities, an annual review of performance of the president and chief executive officer (or, in his absence, the principal executive officer) and management succession and ethics and conduct. The Guidelines are available on the Company's web page at www.dynexcapital.com. A printed copy is available to any shareholder upon written request to the Secretary of the Company, 4551 Cox Road, Suite 300, Glen Allen, Virginia 23060.

The Board of Directors in its business judgment has determined that all of its members are independent as defined by New York Stock Exchange listing standards. In reaching this conclusion, the Board considered whether the Company and its subsidiaries conduct business and have other relationships with organizations of which certain members of the Board or members of their immediate families are or were directors or officers. Consistent with the New York Stock Exchange listing standards, the Company's Corporate Governance Guidelines establish categorical standards under which a director will not be considered to have a material relationship with the Company if:

- during each of the current fiscal year and three most recent fiscal years, neither the director nor any immediate family member of the director received more than \$100,000 per year in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided that such compensation is not contingent on continued service);
- during each of the current fiscal year and three most recent fiscal years, the director is not, and was not, an executive officer or an employee, or whose immediate family member is not, or was not, an executive officer of another company that made payments to, or received payments from, the Company for property or services in an amount which, in any single fiscal year, exceeded the greater of \$1,000,000 or 2% of such other company's consolidated gross revenues; or
- the director serves as an executive officer of a charitable organization to which during each of the three preceding fiscal years the Company made charitable contributions that did not exceed the greater of \$1,000,000 or 2% of such charitable organization's consolidated gross revenues.

None of the Company's directors, their immediate family members, or organizations in which they are a partner, shareholder or officer, are engaged in relationships with the Company not meeting the criteria set forth above.

Code of Ethics

The Board of Directors has approved a Code of Business Conduct and Ethics for directors, officers and employees of the Company and each of its subsidiaries, including the Company's chief executive officer (or, in his absence, the principal executive officer) and principal financial officers. The Code addresses such topics as compliance with applicable laws, conflicts of interest, use and protection of Company assets, confidentiality, dealings with the press and communications with the public, accounting and financial reporting matters, fair dealing, discrimination and harassment and health and safety. It is available on the Company's web page at

www.dynexcapital.com. A printed copy of the Code is available to any shareholder upon written request to the Secretary of the Company at the address set forth above.

Board and Committee Meeting Attendance

In 2005, there were five meetings of the Board of Directors. Each director attended 75% or more of the total aggregate number of meetings of the Board and of the committees on which he served.

Executive Sessions

Executive sessions where non-employee directors meet on an informal basis are scheduled either before or after regularly scheduled Board meetings. At least once a year the Board schedules an executive session including only independent directors. Thomas B. Akin, the Chairman of the Board, serves as chairman for executive sessions.

Communications with Directors

Any director may be contacted by writing to him c/o the Secretary of the Company at the address set forth above. Communications to the non-management directors as a group may be sent to the Chairman of the Board c/o the Secretary of the Company at the same address. The Company promptly forwards, without screening, all such correspondence to the indicated director(s).

Committees of the Board

The Board of Directors has a standing Audit Committee, Compensation Committee and Nominating & Corporate Governance Committee.

Audit Committee

The Audit Committee assists the Board of Directors in fulfilling the Board's oversight responsibility to the shareholders relating to the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the qualifications, independence and performance of the Company's independent auditor and the performance of the internal audit function. The Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditor engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services for the Company. The Committee operates under a written charter last amended by the Board in June 2004. The Audit Committee Charter is available on the Company's web page at www.dynexcapital.com.

The members of the Audit Committee are Messrs. Von der Porten (Chairman), Felman, Igdaloff and Osborne, all of whom the Board in its business judgment has determined are independent as defined by regulations of the Securities and Exchange Commission and the New York Stock Exchange listing standards. The Board of Directors also has determined that all of the Committee members are financially literate as defined by the New York Stock Exchange listing standards and that Mr. Igdaloff qualifies as an audit committee financial expert as defined by regulations of the Securities and Exchange Commission.

The Audit Committee met ten times in 2005. For additional information regarding the Committee, see "Audit Information - Audit Committee Report" on page 18 of this Proxy Statement.

Compensation Committee

The Compensation Committee performs the responsibilities of the Board of Directors relating to compensation of the Company's executives. The Committee's responsibilities include reviewing and approving corporate goals and objectives relevant to compensation of the Company's chief executive officer (or, in his absence, the principal executive officer), evaluating the chief executive officer's performance in light of those goals and objectives and determining and approving the chief executive officer's compensation level based on this evaluation; reviewing and approving the compensation for senior executive officers, including their corporate goals and objectives; producing a report on executive compensation as required by the rules of the Securities and Exchange Commission to be included in the Company's annual proxy statement; reviewing and approving any employment-related agreement, other compensation arrangement, or transaction with senior management; making recommendations to the Board with respect to annual and long-term incentive compensation and equity-based plans; administering the Company's equity-based, deferral and other compensation plans approved by the Board from time to time; reviewing any significant changes in the Company's tax-qualified employee benefit plans; and reviewing annually with the chief executive officer succession planning and management development activities and strategies. The Committee operates under a written charter last amended by the Board in June 2004. The Charter of the Compensation Committee is available on the Company's web page at www.dynexcapital.com. A printed copy is available to any shareholder upon written request to the Secretary of the Company at the address set forth above.

The members of the Compensation Committee are Messrs. Davenport (Chairman), Akin and Felman, all of whom the Board in its business judgment has determined are independent as defined by the New York Stock Exchange listing standards. The Committee met two times in 2005. For additional information regarding the Committee, see "Management of the Company and Executive Compensation—Compensation Committee Report" on page 12 of this Proxy Statement.

Nominating & Corporate Governance Committee

The Nominating & Corporate Governance Committee develops qualifications for director candidates, recommends to the Board of Directors persons to serve as directors of the Company and monitors developments in, and makes recommendations to the Board concerning corporate governance practices. The Committee acts as the Company's nominating committee. The Committee operates under a written charter last amended by the Board in June 2004. The Charter of the Nominating & Corporate Governance Committee is available on the Company's web page at www.dynexcapital.com. A printed copy is available to any shareholder upon written request to the Secretary of the Company at the address set forth above.

The members of the Nominating & Corporate Governance Committee are Messrs. Felman (Chairman), Davenport, and Von der Porten, all of whom the Board in its business judgment has determined are independent as defined by the New York Stock Exchange listing standards. The Committee met two times in 2005.

The Nominating & Corporate Governance Committee considers candidates for the Board based upon several criteria, including but not limited to their broad-based business and professional skills and experience, concern for the long-term interest of the Company's shareholders, personal integrity and judgment, and knowledge and experience in the Company's industry. The Committee further considers each candidate's independence, as defined by the New York Stock Exchange listing standards. All candidates must have time available to devote to Board duties and responsibilities.

The Nominating & Corporate Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Committee will regularly assess the appropriate size of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Committee will consider various potential candidates for director. Candidates may come to the

attention of the Committee through current Board members, professional search firms, shareholders or other persons. These candidates are evaluated at regular or special meetings of the Committee and may be considered at any point during the year.

Shareholders entitled to vote for the election of directors may submit candidates for consideration by the Nominating & Corporate Governance Committee if the Company receives timely written notice, in proper form, for each such recommended director nominee. If the notice is not timely and in proper form, the nominee will not be considered by the Committee. Under the regulations of the Securities and Exchange Commission, any shareholder

desiring to recommend a nominee to be acted upon at the 2007 annual meeting of shareholders must cause such nominee to be received, in proper form, by the Secretary of the Company no later than January 12, 2007 in order for the nominee to be considered for inclusion in the Company's Proxy Statement for that meeting. Any nominees that are received after that date may be considered by the Nominating & Corporate Governance Committee outside of the proxy statement process.

In evaluating nominations, the Nominating & Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board.

Annual Meeting Attendance

The Company encourages members of the Board of Directors to attend the annual meeting of shareholders. All of the directors attended the 2005 annual meeting of shareholders.

Directors' Compensation

Each director receives an annual fee of \$25,000, plus \$1,000 for each meeting of the Board of Directors and Audit Committee he attends and \$750 for each meeting of all other committees he attends. The Chairman of the Board receives an additional annual fee of \$15,000, so long as he is not an employee of the Company, and the Chairman of the Audit Committee receives an additional fee of \$3,000.

Directors are reimbursed expenses related to their attendance at Board of Director or committee meetings.

In addition, the independent directors will receive annually a grant of stock options for 5,000 shares of common stock, under the Company's 2004 Stock Incentive Plan. The stock options will be fully-vested at the grant date, will have a five-year term and will be granted at a strike price at 10% above the market price on the date of grant. The grant date will be the first Friday following each year's Annual Meeting of Shareholders.
