Item 1.01 Entry into a Material Definitive Agreement.

On September 19, 2011, Raven Drilling, LLC, a wholly-owned subsidiary of Abraxas Petroleum, entered into a loan agreement with RBS Asset Finance, Inc., as lender, which we refer to as the rig loan agreement. The rig loan agreement provides for interim borrowings payable to Raven Drilling or certain vendors until the final amount of the loan is determined. The rig loan agreement further provides for multiple notes in quantities of not less than \$100,000 each with a maximum total of \$7.0 million. The net proceeds will be used to re-finance the purchase and refurbishment of the Oilwell 2000 hp diesel electric drilling rig (the "Collateral") that the Company purchased in July 2011. We expect to complete the refurbishment and to deploy the rig to McKenzie County, North Dakota in the Williston Basin to drill Bakken / Three Forks wells in the fourth quarter of 2011.

Outstanding amounts under the interim borrowings will bear interest at LIBOR plus 3.50% and outstanding amounts under each note will bear interest at the four-year interest swap rate plus 3.50%, as determined at closing of each note. Upon closing of each note, interest only is due for the first 18-months (approximately) and thereafter, each note will amortize in full over the remaining life of each note. Interest and principal, when required, is payable monthly. Subject to earlier prepayment provisions and events of default, the stated maturity date of each note will be 60 months after the closing of each note.

Abraxas Petroleum has guaranteed Raven Drilling's obligations under the rig loan agreement and associated notes. Obligations under the rig loan agreement are secured by a first priority perfected security interest, subject to certain permitted encumbrances, in the Collateral.

The full text of the rig loan agreement is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated into this Item 1.01 by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

To the extent required by Item 2.03 of Form 8-K, the information set forth under Item 1.01 above hereby is incorporated into this Item 2.03 by reference.
