Item 8.01.

Other Events.

Marshall & Ilsley Corporation (M&I) reported today (May 26, 2005) that based on information provided to M&I by the manager of a portion of its venture capital investments, M&I expects to recognize a pre-tax gain in the second quarter of 2005 on certain investments in the range of \$27-29 million. M&I may take actions, including, without limitation, reducing or refinancing its debt obligations, which may reduce or eliminate the impact of this gain on M&I's financial results for the second quarter of 2005. There can be no assurance that this gain will fall within the expected range or that the actions which may reduce or eliminate the impact of such gain will in fact occur.

This Current Report on Form 8-K contains forward-looking statements concerning M&I's future operations and financial results. Such statements are subject to important factors that could cause M&I's actual results to differ materially from those anticipated by the forward-looking statements. These factors include (i) the factors identified in

M&I's Annual Report on Form 10-K for the year ended December 31, 2004 under the heading Forward-Looking Statements, which factors are incorporated herein by reference, (ii) the uncertainty associated with complex accounting matters, and (iii) such other factors as may be described from time to time in M&I's SEC filings.

SIGNATURES
