## Section 3 – Securities and Trading Markets

## Item 3.01. Notice of De-listing or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

(a) We failed to file with the Securities and Exchange Commission when due on April 1, 2008 our Annual Report on Form 10-K for the year ended December 31, 2007 (the “Annual Report”). On April 2, 2007, we received a letter from the American Stock Exchange LLC (the “Exchange”) notifying us that, as required by Sections 134 and 1101 of the Amex Company Guide, the timely and complete filing of the Annual Report is a condition to the continued listing of our Common Stock on the Exchange. The Exchange further advised us that our failure to file the Annual Report is a material violation of our listing agreement with the Exchange and therefore, under Section 1003(d) of the Amex Company Guide, the Exchange is authorized to suspend and, unless prompt corrective action is taken, remove our Common Stock from the Exchange listing.

In order to maintain our Exchange listing, we must submit a plan by April 16, 2008 advising the Exchange of action we have taken or will take, that will bring us into compliance with Sections 134 and 1101 of the Amex Company Guide by no later than July 1, 2008. We intend to timely submit such a plan to the Exchange advising the Exchange that we expect to complete by the middle of April 2008 certain matters relating to the restatement of our financial statements described in Item 4.02. Non Reliance on Previously Issued Financial Statements on a Related Audit Report or Completed Interim Review of this Current Report on Form 8-K and will file the Annual Report thereby bringing us into compliance with Sections 134 and 1101 of the Amex Company Guide.

(b) On April 1, 2008, we notified the Exchange that we would not file the Annual Report when due on April 1, 2008, resulting in us being in non-compliance with our listing agreement with the Exchange. Reference is made to Item 3.01(a) of this Current Report for a description of the action we intend to take in response to our notice given to the Exchange of our non-compliance.

#### Section 4 – Matters Related to Accountants and Financial Statements

Item 4.02. Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

(a)(1) On April 1, 2008, our Board of Directors, based on the advice of our Audit Committee and outside consultants with the concurrence of our independent registered public accountants for the periods concluded that the financial statements in our Quarterly Reports on Form 10-Q for each of the three fiscal quarters ended September 30, 2007, the three fiscal years ended December 31, 2006 and each of the three fiscal quarters within those three fiscal years contained errors and should no longer be relied upon.

(2) The conclusion was reached on the basis that errors had been made in connection with our compliance with FAS 123R, FAS 123, and ITF 96-18 for the accounting and calculation for non-employee consultants for stock-based compensation for the periods as noted above. The calculations are currently being completed and reviewed.

Amendments to the Reports will be filed as soon as practicable.

(3) Our Audit Committee discussed with our independent registered public accountants for the periods covered by the Reports the matters discussed above and the firms concurred with our decisions.

#### Section 8 – Other Events

The press release was issued in compliance with the letter from the Exchange and the Amex Company Guide.

#### Section 9 – Financial Statements and Exhibits

Item 9.01. Financial Statements and Exhibits.

(a)(i) Press release dated April 1, 2008 announcing, among other things, the restatement of our financial statements for the periods as discussed above, as well as our preliminary estimates of certain financial statement items for the year ended December 31, 2007 (unaudited).
