On July 25, 2008 the Company entered into an addendum to the employment agreement that provided that Mr. McCubbin's employment agreement shall be extended by one year and provided for an additional one year extension. The agreement provides for (1) a base salary of \$119,000 per year, which was increased to \$180,000 in 2008, (2) a home office/automobile expense allowance of \$500 per month to cover such expenses incurred in the pursuit of our business; (3) reimbursement for additional actual business expenses consistent with our existing policies that have been incurred for our benefit; (4) paid medical and other benefits consistent with our existing policies with respect to our key executives, as such policies may be amended from time to time in the future; and (5) performance incentive bonuses as may be granted annually at the discretion of the Compensation Committee of the Board of Directors.

The employment agreement also contained termination and change of control provisions as a result of (a) Mr. McCubbin's death or permanent disability which renders Mr. McCubbin unable to perform his duties hereunder (as determined by the Company in its good faith judgment), (b) Mr. McCubbin's resignation upon the expiration of the Employment Period, provided that Mr. McCubbin gives at least 90 days prior written notice to the Company, (c) the termination of his employment at the convenience of the Board of Directors of the Company by unanimous consent (excluding the consent of Mr. McCubbin if he is also a director of the Company at that time) with at least 90 days notice to be provided by the Company to Mr. McCubbin prior to the expiration of the Employment Period, (d) a change in control of more than 50% of the outstanding shares of the Company, (e) a sale or other disposition of a majority of the Company's base IT Staff Augmentation business, (f) the insolvency of the Company, or (g) a termination by the Company for Cause.

permanent disability of Mr. McCubbin, \$50,000 shall be paid to Mr. McCubbin or his estate and all granted but unvested stock options shall be immediately vested and the period of exercise extended for an additional 2 years. In the event of Mr. McCubbin's resignation, no termination payments or accelerated vesting of stock options shall occur. In the event of termination at the election of the Company, then \$125,000 will be due and payable by the Company to Mr. McCubbin as a severance payment, which payment will be paid in 12 equal installment payments of \$10,416.66 each over the immediately subsequent 12 months following such date of termination and all awarded but unvested stock options shall be immediately vested and the period of exercise extended for the then remaining term of the option as provided under the option agreement. In the event of a termination occurring as a result of a change in control of more than 50% of the outstanding shares of the Company, then \$250,000 will be payable by the Company to Mr. McCubbin as a severance payment, which payment will be paid in one lump-sum payment within 30 days of the date of such termination and all awarded but unvested stock options shall be immediately vested and the period of exercise extended for the then remaining term of the option as provided under the option agreement. In the event of termination as a result of a sale or other disposition of a majority of the Company's base IT Staff Augmentation business, then \$250,000 will be payable by the Company to Mr. McCubbin as a severance payment, which payment will be paid in one lump-sum payment within 30 days of the date of such termination and all awarded but unvested stock options shall be immediately vested and the period of exercise extended for the then remaining term of the option as provided under the option agreement. In the event of a change of control of more than 50% of the outstanding shares of the Company that allows for the continuance of employment under this agreement, then a \$100,000 lump sum payment is immediately due to Mr. McCubbin, and any future payments under this agreement for termination as a result of a change of control greater than 50% of the outstanding shares of the Company or in the event of termination as a result of a sale or other disposition of a majority of the Company's base IT Staff Augmentation business shall result in a \$150,000 payment to Mr. McCubbin. In the event of the insolvency of the Company while Mr. McCubbin is employed by the Company as Chief Financial Officer or similar position of control, then all obligations under this Agreement will immediately terminate except that the Company shall pay to Mr. McCubbin a termination payment of \$50,000 on such date of termination of employment and no further compensation or other payments beyond the insolvency date will be due or payable to Mr. McCubbin by the Company. In the event of a termination for Cause, no payments will be due or payable by the Company to Mr. McCubbin. Cause shall mean (i) the repeated failure or refusal of Mr. McCubbin to follow the lawful directives of the Company or its designee (except due to sickness, injury or disabilities), (ii) gross inattention to duty or any other willful, reckless or grossly negligent act (or omission to act) of Mr. McCubbin, which, in the good faith judgment of the Company, materially injures the Company, including the repeated failure to follow the policies and procedures of the Company, (iii) a material breach of this Agreement by Mr. McCubbin which is not cured by Employee within a 60 day period following formal notification by the Company, or (iv) the commission by Mr. McCubbin of an act of financial dishonesty against the Company that results in the conviction of a felony.

The Company was not a participant in any related person transactions since the beginning of the Company's last fiscal year and no such transactions are currently proposed with the exception that the Company in January 2008 completed the closing of the acquisition of all the issued and outstanding membership interests of iSYS, LLC from Mr. Jin Kang, the sole owner-member of iSYS, pursuant to the terms of a Membership Interest Purchase Agreement, dated as of January 2, 2008, between the Company, iSYS, and Jin Kang. The Company's Corporate Governance Guidelines state that the Board intends that, at all times, a substantial majority of its directors will be considered independent under relevant NYSE AMEX and SEC guidelines. The Corporate Governance and Nominating Committee conducts an annual review of the independence of the members of the Board and its Committees and reports its findings to the full Board. Based on the report and recommendation of the Corporate Governance Committee, the Board has determined that each of the non-employee directors Messrs. Taubman, Ritter, Norwood, and Guenther satisfies the independence criteria set forth in the applicable NYSE AMEX listing standards and SEC rules. Each Board Committee consists entirely of independent, non-employee directors.

For a director to be considered independent, the Board must determine that the director does not have any direct or indirect material relationships (including vendor, supplier, consulting, legal, banking, accounting, charitable and family relationships) with WidePoint, other than as a director and shareholder. NYSE AMEX listing standards also impose certain per se bars to independence, which are based upon a director's relationships with WidePoint currently and during the three years preceding the Board's determination of independence.

Edgar Filing: WIDEPOINT CORP - Form 10-K/A
