PROXY STATEMENT

SOLICITATION OF PROXIES

The accompanying Proxy is solicited on behalf of the Board of Directors of Rimage Corporation (the Company or Rimage) for use at the Annual Meeting of Shareholders to be held on May 19, 2004, at 3:30 p.m. at the Minneapolis Marriott Southwest, 5801 Opus Parkway, Minnetonka, Minnesota, and at any adjournments thereof (the Meeting). The mailing of this proxy statement to shareholders of the Company commenced on or about April 15, 2004.

Cost and Method of Solicitation

This solicitation of proxies to be voted at the Meeting is being made by the Board of Directors of the Company. The cost of this solicitation of proxies will be borne by the Company. In addition to solicitation by mail, officers, directors and employees of the Company may solicit proxies by telephone or in person. The Company may also request banks and brokers to solicit their customers who have a beneficial interest in the Company's common stock registered in the names of nominees and will reimburse such banks and brokers for their reasonable out-of-pocket expenses.

Voting

The total number of shares outstanding and entitled to vote at the Meeting as of April 9, 2004 consisted of 9,267,982 shares of common stock, \$.01 par value. Each share of common stock is entitled to one vote. Only shareholders of record at the close of business on April 9, 2004 will be entitled to vote at the Meeting.

All shareholders are cordially invited to attend the Meeting in person. Whether or not you expect to attend the Meeting, please complete, date, sign and return the enclosed proxy as promptly as possible (or follow instructions to grant a proxy to vote by means of telephone) in order to ensure your representation at the Meeting. A return envelope (which is postage prepaid if mailed in the United States) is enclosed for that purpose. Even if you have given your proxy, you may still vote in person if you attend the Meeting. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote at the Meeting, you must bring to the Meeting a letter from the broker, bank or other nominee confirming your beneficial ownership of the shares. Additionally, in order to vote at the Meeting, you must obtain from the record holder a proxy issued in your name.

If you sign and return the proxy card on time, the individuals named on the proxy card will vote your shares as you have directed. If you just sign and submit your proxy card without voting instructions, your shares will be voted **FOR** each director nominee and **FOR** the other proposals.

Quorum and Voting Requirements

A quorum, consisting of a majority of the shares of common stock entitled to vote at the Meeting, must be present, in person or by proxy, before action may be taken at the Meeting.

Each director nominee will be elected, and each other proposal will be approved, by the affirmative vote of the holders of a majority of shares of common stock present at the Meeting, either in person or by proxy, and entitled to vote.

You may either vote **FOR** or **WITHHOLD** authority to vote for each nominee for the Board of Directors. You may vote **FOR**, **AGAINST** or **ABSTAIN** on any other proposal. If you withhold authority to vote for the election of one of the directors, it has the same effect as a vote against that director. If you abstain from voting on any of the other proposals, it has the same effect as a vote against the proposal.

If you hold your shares in street name and do not provide voting instructions to your broker, your shares will not be voted on any proposal on which your broker does not have discretionary authority to vote (a broker non-vote). Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers are not counted or deemed to be present or represented for the purpose of determining whether shareholders have approved that matter, but they are counted as present for the purpose of determining a quorum at the Meeting.

So far as the management of the Company is aware, no matters other than those described in this Proxy Statement will be acted upon at the Meeting. In the event that any other matters properly come before the Meeting calling for a vote of shareholders, the persons named as proxies in the enclosed form of proxy will vote in accordance with their best judgment on such other matters.

Revoking a Proxy

You may change your vote and revoke your proxy at any time before it is voted by:

- Sending a written statement to that effect to the Secretary of the Company;
- Submitting a properly signed proxy card with a later date; or
- Voting in person at the Meeting.

Edgar Filing: RIMAGE CORP - Form DEF 14A

All shares represented by valid, unrevoked proxies will be voted at the Meeting and any adjournment(s) or postponement(s) thereof. The Company's principal offices are located at 7725 Washington Avenue South, Minneapolis, Minnesota 55439, and its telephone number is (952) 944-8144.

Edgar Filing: RIMAGE CORP - Form DEF 14A

However, the Company encourages all Board members to attend all meetings, including the Annual Meeting of Shareholders. Five of the six directors then serving attended the 2003 Annual Meeting of Shareholders.

Description of Committees of the Board of Directors

The Board of Directors has established a Compensation Committee, an Audit Committee and a Governance Committee. The composition and function of these committees are set forth below.

Compensation Committee. The Compensation Committee operates under a written charter and reviews and approves the compensation and other terms of employment of the Company's Chief Executive Officer and other senior management of the Company. Among its other duties, the Compensation Committee oversees all significant aspects of the Company's compensation plans and benefit programs, including succession plans for executive officers. The Compensation Committee annually reviews and approves corporate goals and objectives for the chief executive officer's compensation and evaluates the chief executive officer's performance in light of those goals and objectives. The Compensation Committee also administers the Company's 1992 Stock Option Plan. The current members of the Compensation Committee are Messrs. Steven M. Quist (Chair), James L. Reissner and Lawrence M. Benveniste. During 2003, the Compensation Committee met six times.

Governance Committee. The Governance Committee operates under a written charter and is charged with the responsibility of identifying, evaluating and approving qualified candidates to serve as directors of the Company,

5

ensuring that the Company's board and governance policies are appropriately structured, developing and recommending a set of corporate governance guidelines, overseeing Board orientation, training and evaluation, and establishing an evaluation process for the Chief Executive Officer. The current members of the Governance Committee are Thomas F. Madison (Chair), Philip D. Hotchkiss and Steven M. Quist. During 2003, the Governance Committee met three times.

The charter of the Governance Committee requires that this Committee consist of no fewer than two board members who satisfy the independence requirements of the Nasdaq Stock Market. Each member of the Company's Governance Committee meets these requirements. A copy of the current charter of the Governance Committee is attached to this proxy statement as Appendix A and is available in the Investor Relations section of the Company's website at <http://www.rimage.com>.

Audit Committee. The Audit Committee assists the board by reviewing the integrity of the Company's financial reporting processes and controls; the qualifications, independence and performance of the independent auditors; and compliance by the Company with certain legal and regulatory requirements. The Audit Committee has the sole authority to retain, compensate, oversee and terminate the independent auditors. The Audit Committee reviews the Company's annual audited financial statements, quarterly financial statements and filings with the Securities and Exchange Commission. The Audit Committee reviews reports on various matters, including critical accounting policies of the Company, significant changes in the Company's selection or application of accounting principles and the Company's internal control processes. The Audit Committee also pre-approves all audit and non-audit services performed by the independent auditor.

The Audit Committee operates under a written charter adopted by the Board of Directors on May 10, 2000 and most recently amended on February 16, 2004. A copy of the current charter of the Audit Committee is attached to this proxy statement as Appendix B. The Company's Audit Committee presently consists of four directors: James Reissner (Chair), Lawrence M. Benveniste, Philip D. Hotchkiss and Thomas F. Madison. During 2003, the Audit Committee met nine times.

The Board of Directors has determined that all members of the Audit Committee are independent directors under the rules of the Nasdaq Stock Market and the rules of the Securities and Exchange Commission. The Company's Board of Directors has reviewed the education, experience and other qualifications of each of the members of its Audit Committee. After review, the Board of Directors has determined that each of Messrs. Reissner, Benveniste and Madison meet the Securities and Exchange Commission definition of an audit committee financial expert. A report of the Audit Committee is set forth below.

Director Nominations

The Governance Committee will consider candidates for board membership suggested by its members, other board members, as well as management and shareholders. Shareholders who wish to recommend a prospective nominee should follow the procedures set forth in Section 3.14 of the Company's Amended and Restated Bylaws as described in the section of this Proxy Statement entitled "Shareholder Proposals for Nominees."

Criteria for Nomination to the Board. The Governance Committee is responsible for identifying, evaluating and approving qualified candidates for nomination as directors. The Committee has not adopted minimum qualifications that nominees must meet in order for the Committee to recommend them to the Board of Directors, as the Committee believes that each nominee should be evaluated based on his or her merits as an individual, taking into account the needs of the Company and the Board of Directors. The Governance Committee evaluates each prospective nominee against the standards and qualifications set out in the Company's Governance Guidelines, including:

- Background, including demonstrated high personal and professional ethics and integrity; and the ability to exercise good business judgment and enhance the Board's ability to manage and direct the affairs and business of the Company;
- Commitment, including the willingness to devote adequate time to the work of the Board and its committees, and the ability to represent the interests of all shareholders and not a particular interest group;

6

- Board skills needs, in the context of the existing makeup of the Board, and the candidate's qualification as independent and qualification to serve on Board committees;
- Diversity, in terms of knowledge, experience, skills, expertise, and other characteristics that contribute to the Board's diversity; and
- Business experience, which should reflect a broad experience at the policy-making level in business, government and/or education.

The Committee also considers such other relevant factors as it deems appropriate. The Governance Committee will consider persons recommended by the shareholders using the same standards used for other nominees.

Process for Identifying and Evaluating Nominees. The process for identifying and evaluating nominees to the Board of Directors is initiated by identifying a slate of candidates who meet the criteria for selection as a nominee and have the specific qualities or skills being sought based on input from members of the Board and, if the Governance Committee deems appropriate, a third-party search firm. The Governance Committee evaluates these candidates by reviewing the candidates' biographical information and qualifications and checking the candidates' references. One or more Governance Committee members will interview the prospective nominees in person or by telephone. After completing the evaluation, the Governance Committee makes a recommendation to the full Board of the nominees to be presented for the approval of the shareholders or for election to fill a vacancy.

Board Nominees for the 2004 Annual Meeting. The nominees for this 2004 Meeting were selected by the Governance Committee in February 2004. With the exception of Mr. Hotchkiss, all nominees were elected by shareholders at the Company's 2003 Annual Meeting. Mr. Hotchkiss was recommended to the Governance Committee as a nominee by Mr. Aldrich, the Company's Chief Executive Officer and a director, Mr. Suden, the Company's Chief Technology Officer and a director, and Mr. Madison, a director. The Company has not engaged a third-party search firm to assist it in identifying potential director candidates, but the Governance Committee may choose to do so in the future.

Shareholder Proposals for Nominees. The Governance Committee will consider written proposals from shareholders for nominees for director. Any such nominations should be submitted to the Governance Committee c/o the Secretary of the Company and should include the following information: (a) all information relating to such nominee that is required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (b) the name and record address of the shareholder and of the beneficial owner, if any, on whose behalf the nomination will be made, and (c) the class and number of shares of the corporation owned by the shareholder and beneficially owned by the beneficial owner, if any, on whose behalf the nomination will be made. As to each person the shareholder proposes to nominate, the written notice must also state: (a) the name, age, business address and residence address of the person, (b) the principal occupation or employment of the person and (c) the class and number of shares of the corporation's capital stock beneficially owned by the person. To be considered, the written notice must be submitted in the time frame described in the Bylaws of the Company and in the section of this Proxy Statement entitled "Shareholder Proposals for 2005 Annual Meeting" below.

Communications with Directors

Shareholders may communicate with members of the Board by sending an e-mail to chair.director@rimage.com or by directing the communication in care of the Governance Committee Chair c/o Corporate Secretary, at the address set forth on the front page of this Proxy Statement. All communications will be received and processed by the Corporate Secretary. You will receive a written acknowledgement from the Corporate Secretary upon receipt of your communication.

Retirement Savings Plan

Rimage adopted a profit sharing and savings plan in 1991 under Section 401(k) of the Internal Revenue Code, which allows employees to contribute the lesser of (i) up to 70% of their pre-tax income to the 401(k) Plan or (ii) \$12,000 (\$14,000 if age 50 years or older). The 401(k) Plan includes a discretionary matching contribution by the Company. These discretionary contributions by the Company totaled \$191,086, \$171,290 and \$167,715 in 2003, 2002 and 2001, respectively.

Directors Fees

Non-employee directors currently receive an annual retainer of \$18,000. In addition, the Non-Executive Chairman receives an additional annual retainer of \$12,000. Non-employee directors also receive \$1,500 for each meeting of the Board of Directors that they attend in person and \$1,000 for each telephonic meeting that they attend. The chair of each committee of the Board of Directors also receives an additional \$500 per committee meeting attended.

Additionally, under the Company's Amended and Restated 1992 Stock Option Plan (the "Plan"), each non-employee director of the Company receives a non-qualified option to purchase 5,000 shares of common stock, or such other number of shares, not to exceed 15,000 shares, as

determined from time to time by the Compensation Committee, at each Annual Meeting of Shareholders at which such director is elected or re-elected. The exercise price of all options automatically granted to non-employee directors under the Plan is equal to the fair market value of the Company's common stock on the date of such annual meeting. All options automatically granted to non-employee directors under the Plan are fully exercisable six months from the date of grant. Options under the Plan are not transferable. An option granted to a non-employee director under the Plan expires at the earlier of (a) ten years from the date of grant or, (b) if the optionee ceases to be a director due to willful misconduct, as of the date of misconduct.

At the 2003 Annual Meeting of Shareholders held on May 21, 2003, Messrs. Madison, Quist, Reissner and Benveniste, the non-employee directors elected or re-elected at that meeting, each received an option to purchase 5,000 shares of the Company's common stock under the Plan. Additionally, Mr. Hotchkiss received an option to purchase 5,000 shares of the Company's common stock upon his appointment to the Board of Directors on June 1, 2003. In April 2004, the Compensation Committee increased the number of shares underlying the option automatically granted to non-employee directors from 5,000 shares to 7,500 shares. Therefore, non-employee directors elected or re-elected at this 2004 Annual Meeting of shareholders will receive an automatic grant of an option to purchase 7,500 shares.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Rimage leases approximately 43,000 square feet of office, manufacturing and warehouse space from 7725 Washington Avenue Corporation, pursuant to a lease dated September 1998. One of the Company's principal shareholders and a former director, Richard F. McNamara, and Mr. Ronald Fletcher, a former director of the Company, are the only two shareholders in 7725 Washington Avenue Corporation. Beginning January 1, 2004, the lease for this facility is month-to-month and rent is approximately \$42,000 per month, including a pro rata share of operating costs.

REPORT OF THE COMPENSATION COMMITTEE

This is a report of the Compensation Committee of the Board of Directors of the Company, which is comprised of Mr. Quist (Chair), Mr. Reissner and Mr. Benveniste, each of whom is a non-employee director. This report shall not be deemed incorporated by reference into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934 and shall not otherwise be deemed to be filed under either such Act.

The Compensation Committee reviews and makes recommendations to the Board of Directors regarding the salaries, compensation and benefits of executive officers and senior management of the Company.

The Company's policy with respect to the compensation of executive officers is based upon the following principles: (1) executive base compensation levels should be established by comparison of job responsibility to similar positions in comparable companies and be adequate to retain highly-qualified personnel and (2) variable compensation should be established to provide incentive to improve performance and shareholder value. In determining executive officers' annual compensation, the Compensation Committee considers the overall performance of the Company, as well as the particular executive officer's position at the Company and the executive officer's performance on behalf of the

Edgar Filing: RIMAGE CORP - Form DEF 14A

Company. Rather than applying a formulaic approach to determining annual compensation, the Compensation Committee uses various surveys of executive compensation for companies of a similar size in comparable industries as a basis for determining competitive levels of cash compensation.

During 2003, salaries of executive officers, including the Company's Chief Executive Officer, were set at levels that the Committee believes approximate the salaries of similarly situated individuals at comparable companies. Mr. Aldrich's base salary was \$240,462 in 2003 and \$221,000 in 2002.

Executive officers are also eligible for discretionary cash incentive compensation, which the Board of Directors awards based upon the Company's overall performance and the contribution to such performance made by the executive officers' areas of responsibility. For 2003, the Compensation Committee established performance goals upon which cash incentive compensation would be established. Based upon realization of such goals, the Compensation Committee and the Board granted Mr. Aldrich incentive compensation of \$145,580 for 2003. The Compensation Committee has established specific performance goals for 2004 upon which cash incentive compensation will be based.

The Company provides long-term incentive to its executives, and ties a portion of executive compensation to Company performance, through grants of stock options under the Company's Amended and Restated 1992 Stock Option Plan. In 2003, Mr. Aldrich was granted options to purchase 20,000 shares of the Company's common stock for his contribution to the Company's performance during fiscal years 2002 and 2003.

The Compensation Committee believes that the objectives of the Company's compensation policy in providing fixed compensation to management adequate to avoid attrition and providing variable compensation in amounts and forms that encourage generation of value for shareholders were achieved during 2003.

The Company's common stock is quoted on The Nasdaq National Market. The Securities and Exchange Commission requires that the Company include in this Proxy Statement a line graph presenting comparing cumulative, five-year stockholder returns on an indexed basis with a broad market index and either a nationally-recognized industry standard or an index of peer companies selected by the Company. The Company has chosen to use the Nasdaq National Market Index (US) as its broad market index and the Nasdaq Computer Manufacturer Stocks Index as its index of peer companies. The Company is discontinuing use of the Nasdaq Non-Financial Stocks Index as it believes the Nasdaq Computer Manufacturer Stocks Index is more closely tied to its peer companies. Thus, the Nasdaq Non-Financial Stocks Index is presented for comparative purposes only.

The following graph shows changes during the period from December 31, 1999, to December 31, 2003, in the value of \$100 invested in: (1) the Nasdaq National Market Index (US); (2) Nasdaq Computer Manufacturer Stocks Index; (3) Nasdaq Non-Financial Stocks Index and (4) the Company's common stock. REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The following report of the Audit Committee shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the 1934 Securities Exchange Act, as amended, except to the extent that the Company specifically incorporates it by reference in such filing.

significant changes in the Company's selection or application of accounting principles and the Company's internal control processes. The Audit Committee also pre-approves all audit and non-audit services performed by the independent auditor.

In accordance with its Charter, the Audit Committee has reviewed and discussed the Company's audited financial statements with management. The Audit Committee has discussed with KPMG LLP, the Company's independent accountants, the matters required to be discussed by SAS No. 61 (Codification of Statements on Accounting Standards) which includes, among other items, matters related to the conduct of the audit of the Company's financial statements. OTHER BUSINESS

At the date of this Proxy Statement, management knows of no other business that may properly come before the Meeting. However, if any other matters properly come before the meeting, the persons named in the enclosed form of proxy will vote the proxies received in response to this solicitation in accordance with their best judgment on such matters.
