**Item 1.01. Entry Into A Material Definitive Agreement.**

On July 2, 2007, Insignia Systems, Inc. (the Company), and Valassis Sales and Marketing Services, Inc. (Valassis), entered into Amendment No. 2 (the Amendment) to the Exclusive Reseller Agreement between the parties. The Amendment extends the term of the strategic alliance between the parties to December 31, 2017. The Amendment also expands the strategic alliance to increase the role of Valassis in developing and expanding the Company's participating retailer network. Valassis received a five-year warrant to acquire 800,000 shares of Insignia's common stock at a price of \$4.04 and will be paid a cash commission by the Company on the revenue the Company realizes from POPS programs the consumer packaged goods manufacturers conduct in the new retail chains.

**Item 3.02. Unregistered Sales of Equity Securities.**

In connection with the Amendment, the Company granted Valassis a five-year warrant to purchase 800,000 shares of common stock with an exercise price equal to \$4.04. The grant was exempt from registration under Section 4(2) of the Securities Act, because it was made to one purchaser with a pre-existing business relationship with the Company, who had access to current public information about the Company, there was no general solicitation or advertising in connection with the transaction, and the securities are subject to restrictions on transfer.
