The Company's 2001 Annual Report to Stockholders and the Company's Annual Report for the year ended December 31, 2001 on Form 10-K (the "10-K") are being mailed to stockholders concurrently with this Proxy Statement. Neither the Company's 2001 Annual Report to Stockholders nor the 10-K are to be regarded as proxy soliciting material or as a communication by means of which any solicitation of proxies is to be made.

VOTING RIGHTS AND SOLICITATION

The close of business on April 8, 2002 was the record date (the "Record Date") for stockholders entitled to notice of and to vote at the 2002 Annual Meeting. As of the Record Date, Entravision had 70,023,078 shares of Class A common stock, par value \$0.0001 per share, 27,678,533 shares of Class B common stock, par value \$0.0001 per share, and 21,983,392 shares of Class C common stock, par value \$0.0001 per share, issued and outstanding. All of the shares of the Company's common stock outstanding on the Record Date are entitled to vote at the 2002 Annual Meeting. Holders of the Class A common stock and the Class C common stock of record entitled to vote at the 2002 Annual Meeting will have one vote for each share of Class A common stock and Class C common stock so held with regard to each matter to be voted upon by such stockholders. Holders of the Class B common stock of record entitled to vote at the 2002 Annual Meeting will have ten votes for each share of Class B common stock so held with regard to each matter to be voted upon by such stockholders.

All votes will be tabulated by the inspector of elections appointed for the 2002 Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Edgar Filing: ENTRAVISION COMMUNICATIONS CORP - Form DEF 14A

The holders of a majority in voting interest of the Class A common stock, Class B common stock and Class C common stock outstanding and entitled to vote at the 2002 Annual Meeting shall constitute a quorum for the transaction of business at the 2002 Annual Meeting. The holders of a majority in voting interest of the Class A common stock and the Class B common stock outstanding and entitled to vote at the 2002 Annual Meeting shall constitute a quorum for purposes of voting on Proposal 1A. The holders of a majority in voting interest of the Class C common stock outstanding and entitled to vote at the 2002 Annual Meeting shall constitute a quorum for purposes of voting on Proposal 1B.

The voting interest of shares of the Class A common stock, Class B common stock and Class C common stock represented in person or by proxy will be counted for purposes of determining whether a quorum is present at the 2002 Annual Meeting. Shares which abstain from voting as to a particular matter will be treated as shares that are present and entitled to vote for purposes of determining the voting interest present and entitled to vote with respect to any particular matter, but will not be counted as votes cast on such matter. If a broker or nominee holding stock in "street name" indicates on a proxy that it does not have discretionary authority to vote as to a particular matter, those shares will not be considered as present and entitled to vote with respect to such matter and will not be counted as a vote cast on such matter.

1

In voting with regard to the proposals to elect directors (Proposals 1A and 1B), stockholders may vote in favor of all the nominees, withhold their votes as to all nominees or withhold their votes as to a specific nominee. The vote required by Proposals 1A and 1B is governed by Delaware law and is a plurality of the votes cast by the holders of shares entitled to vote, provided a quorum is present. As a result, in accordance with Delaware law, votes that are withheld and broker non-votes will not be counted and will have no effect on the voting for election of directors. Pursuant to a Voting Agreement dated effective as of August 3, 2000 among Walter F. Ulloa, Philip C. Wilkinson, Paul A. Zevnik and Entravision (the "Voting Agreement"), Messrs. Ulloa, Wilkinson and Zevnik have agreed to vote all shares held by them in favor of the election of Messrs. Ulloa, Wilkinson and Zevnik and Darryl B. Thompson as Class A/B Directors. Messrs. Ulloa, Wilkinson and Zevnik have in the aggregate the right to cast 79.81% of the votes entitled to be cast in the election of each of Messrs. Ulloa, Wilkinson, Zevnik and Thompson as the Class A/B Directors.

In voting with regard to the proposal to ratify the appointment of independent auditors (Proposal 2), stockholders may vote in favor of the proposal or against the proposal or may abstain from voting. The vote required to approve Proposal 2 is governed by Delaware law, and the minimum vote required is a majority of the total votes cast on the proposal, provided a quorum is present. As a result, in accordance with Delaware law, abstentions and broker non-votes will not be counted and will have no effect. Pursuant to the Voting Agreement, Mr. Zevnik has agreed to cast his votes in the same manner as both Messrs. Ulloa and Wilkinson on matters, other than the election of directors, solely in instances when both Messrs. Ulloa and Wilkinson vote either affirmatively or negatively. In any instance in which Messrs. Ulloa and Wilkinson vote their shares in different manners, Mr. Zevnik will be free to vote his shares as he chooses. Messrs. Ulloa, Wilkinson and Zevnik have in the aggregate the right to cast 75.06% of the votes entitled to be cast on Proposal 2.

Under the rules of the New York Stock Exchange (the "Exchange") that govern most domestic stock brokerage firms, member brokerage firms that hold shares in "street name" for beneficial owners may, to the extent that such beneficial owners do not furnish voting instructions with respect to any or all proposals

Edgar Filing: ENTRAVISION COMMUNICATIONS CORP - Form DEF 14A

submitted for stockholder action, vote in their discretion upon proposals which are considered "discretionary" proposals under the rules of the Exchange. Member brokerage firms that have received no instructions from their clients as to "non-discretionary" proposals do not have discretion to vote on these proposals. Such broker non-votes will not be considered in determining whether a quorum exists at the 2002 Annual Meeting and will not be considered as votes cast in determining the outcome of any proposal.

Shares of the Company's common stock represented by proxies in the accompanying form which are properly executed and returned to the Company will be voted at the 2002 Annual Meeting in accordance with the stockholders' instructions contained therein. In the absence of contrary instructions, shares represented by such proxies will be voted FOR Proposals 1A or 1B, as applicable, and Proposal 2. Management does not know of any matters to be presented at the 2002 Annual Meeting other than those set forth in this Proxy Statement and in the Notice accompanying this Proxy Statement. If other matters should properly come before the 2002 Annual Meeting, the proxyholders will vote on such matters in accordance with their best judgment.

Any stockholder has the right to revoke his, her or its proxy at any time before it is voted at the 2002 Annual Meeting by giving written notice to the Secretary of the Company, and by executing and delivering to the Secretary a duly executed proxy card bearing a later date, or by appearing at the 2002 Annual Meeting and voting in person; provided, however, that under the rules of the Exchange, any beneficial owner whose shares are held in "street name" by a member brokerage firm may revoke his, her or its proxy and vote his, her or its shares in person at the 2002 Annual Meeting only in accordance with the applicable rules and procedures of the Exchange.

The entire cost of soliciting proxies will be borne by the Company. Proxies will be solicited principally through the use of the mails, but, if deemed desirable, may be solicited personally or by telephone, or special letter by officers and regular Company employees for no additional compensation. In addition, the Company has retained Mellon Investor Services, LLC, its transfer agent, to assist in the solicitation of proxies. The Company will bear all reasonable solicitation fees and expenses of Mellon Investor Services, LLC. Arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of the Company's common stock, and such persons may be reimbursed for their expenses.

EMPLOYMENT AND OTHER AGREEMENTS; CHANGE IN CONTROL ARRANGEMENTS

In August 2000, we entered into a five year employment agreement with Mr. Ulloa pursuant to which he serves as our Chairman and Chief Executive Officer. The agreement provides for a base salary of \$600,000 per year, with an annual increase of \$50,000 per year. Under the terms of the agreement, Mr. Ulloa is eligible to receive a cash bonus equal to: (i) 75% of his then-current base salary if our annual growth rate of earnings before

12

interest, taxes, depreciation and amortization ("EBITDA") (pro forma as defined by our Compensation Committee), exceeds 20% over the previous year, 63% of his then-current base salary if EBITDA growth rate exceeds 17% over the previous year and 50% of his then-current base salary if EBITDA growth rate exceeds 14% over the previous calendar year; and (ii) up to an additional 25% of his then-current base salary in the discretion of our Compensation Committee.

If Mr. Ulloa's employment is terminated by us without cause, by Mr. Ulloa for good reason or in connection with a change of control, he will be entitled to receive all accrued salary and bonuses through the date of termination, plus an amount equal to the greater of the sum of three times his then-current base salary plus three times his then-current maximum bonus or his salary or bonuses for the remainder of the term of his employment agreement, plus a continuation of all benefit coverages for a period of two years. In addition, upon any such termination event, all stock options then held by Mr. Ulloa will accelerate and become immediately exercisable, and any restrictions on restricted stock held by Mr. Ulloa shall lapse.

In August 2000, we entered into a five year employment agreement with Mr. Wilkinson pursuant to which he serves as our President and Chief Operating Officer. The agreement provides for a base salary of \$600,000 per year, with an annual increase of \$50,000 per year. Under the terms of the agreement, Mr. Wilkinson is eligible to receive a cash bonus equal to: (i) 75% of his then-current base salary if EBITDA exceeds 20% over the previous year, 63% of his then-current base salary if EBITDA growth rate exceeds 17% over the previous year and 50% of his then-current base salary if EBITDA growth rate exceeds 14% over the previous calendar year; and (ii) up to an additional 25% of his then-current base salary in the discretion of our Compensation Committee.

If Mr. Wilkinson's employment is terminated by us without cause, by Mr. Wilkinson for good reason or in connection with a change of control, he will be entitled to receive all accrued salary and bonuses through the date of termination, plus an amount equal to the greater of the sum of three times his then-current base salary plus three times his then-current maximum bonus or his salary or bonuses for the remainder of the term of his employment agreement, plus a continuation of all benefit coverages for a period of two years. In addition, upon any such termination event, all stock options then held by Mr. Wilkinson will accelerate and become immediately exercisable, and any restrictions on restricted stock held by Mr. Wilkinson shall lapse.

EMPLOYEE BENEFIT PLANS

2000 Omnibus Equity Incentive Plan

We have adopted our 2000 Omnibus Equity Incentive Plan (the "2000 Equity Incentive Plan") to provide an additional means to attract, motivate, reward and retain key personnel. The 2000 Equity Incentive Plan gives the

Edgar Filing: ENTRAVISION COMMUNICATIONS CORP - Form DEF 14A

administrator the authority to grant different types of stock incentive awards and to select participants. Our employees, officers, directors and consultants may be selected to receive awards under the 2000 Equity Incentive Plan.

Share Limits. A maximum of 11,500,000 shares of our Class A common stock may be issued under the 2000 Equity Incentive Plan. Options to purchase 7,727,501 shares of Class A common stock have been granted and were outstanding as of January 31, 2002. Each share limit and award under the 2000 Equity Incentive Plan is subject to adjustment for certain changes in our capital structure, reorganizations and other extraordinary events. Shares subject to awards that are not paid or exercised before they expire or are terminated are available for future grants under the 2000 Equity Incentive Plan.

Awards. Awards under the 2000 Equity Incentive Plan may be in the form of: (i) incentive stock options; (ii) non-qualified stock options; (iii) stock appreciation rights; (iv) restricted stock; or (v) stock units. Awards may be granted individually or in combination with other awards. Certain types of stock-based performance awards under the 2000 Equity Incentive Plan will depend upon the extent to which performance goals set by the

13

administrator are met during the performance period. Awards under the 2000 Equity Incentive Plan generally will be nontransferable, subject to exceptions such as a transfer to a family member or to a trust, as authorized by the administrator. Non-qualified stock options and other awards may be granted at prices below the fair market value of the common stock on the date of grant. However, non-qualified stock options may not be granted at prices below 85% of the fair market value on the date of grant. Restricted stock awards can be issued for nominal or the minimum lawful consideration. Incentive stock options must have an exercise price that is at least equal to the fair market value of the common stock, or 110% of fair market value of the common stock for any owner of more than 10% of our common stock, on the date of grant. These and other awards may also be issued solely or in part for services.

Administration. The 2000 Equity Incentive Plan is administered by the Compensation Committee. The administrator of the 2000 Equity Incentive Plan has broad authority to: (i) designate recipients of awards; (ii) determine or modify, subject to any required consent, the terms and provisions of awards, including the price, vesting provisions, terms of exercise and expiration dates; (iii) approve the form of award agreements; (iv) determine specific objectives and performance criteria with respect to performance awards; (v) construe and interpret the 2000 Equity Incentive Plan; and (vi) reprice, accelerate and extend the exercisability or term, and establish the events of termination or reversion of outstanding awards.

Change of Control. Upon a change of control event, any award may become immediately vested and/or exercisable, unless the administrator determines to the contrary. Generally speaking, a change of control event will be triggered under the 2000 Equity Incentive Plan: (i) in connection with certain mergers or consolidations of Entravision with or into another entity where our stockholders before the transaction own less than 50% of the surviving entity; (ii) if a majority of the Board changes over a period of two years or less; or (iii) upon a sale of all or substantially all of our assets if a change in ownership of more than 50% of our outstanding voting securities occurs. The administrator of the 2000 Equity Incentive Plan may also provide for alternative settlements of awards, the assumption or substitution of awards or other adjustments of awards in connection with a change of control or other reorganization of Entravision.

Edgar Filing: ENTRAVISION COMMUNICATIONS CORP - Form DEF 14A

Plan Amendment, Termination and Term. The Board may amend, suspend or discontinue the 2000 Equity Incentive Plan at any time, but no such action will affect any outstanding award in any manner materially adverse to a participant without the consent of the participant. Plan amendments will generally not be submitted to stockholders for their approval unless such approval is required by applicable law. The 2000 Equity Incentive Plan will remain in existence as to all outstanding awards until such awards are exercised or terminated. The maximum term of options, stock appreciation rights and other rights to acquire common stock under the 2000 Equity Incentive Plan is ten years after the initial date of award, subject to provisions for further deferred payment in certain circumstances. No award can be granted ten years after adoption of the 2000 Equity Incentive Plan by the Board.

Payment for Shares. The exercise price of options or other awards may generally be paid in cash or, subject to certain restrictions, shares of Class A common stock. Subject to any applicable limits, we may finance or offset shares to cover any minimum withholding taxes due in connection with an award.

Federal Tax Consequences. The current federal income tax consequences of awards authorized under the 2000 Equity Incentive Plan follow certain basic patterns. Generally, awards under the 2000 Equity Incentive Plan that are includable in the income of the recipient at the time of exercise, vesting or payment, such as non-qualified stock options, stock appreciation rights and restricted stock awards, are deductible by us, and awards that are not required to be included in the income of the recipient, such as incentive stock options, are not deductible by us. Generally speaking, Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") provides that a public company may not deduct compensation, except for compensation that is commission or performance-based paid to its chief executive officer or to any of its four other highest compensated officers to the extent that the compensation paid to such person exceeds \$1 million in a tax year. The regulations exclude from these limits compensation that is paid pursuant to a 2000 Equity Incentive Plan in

14

effect before the time that a company is publicly-held. We expect that compensation paid under the 2000 Equity Incentive Plan will not be subject to Section 162(m) of the Code in reliance on this transition rule, as long as such compensation is paid or stock options, stock appreciation rights and/or restricted stock awards are granted before the earlier of a material amendment to the 2000 Equity Incentive Plan or our annual stockholders meeting in the year 2004. In addition, we may not be able to deduct certain compensation attributable to the acceleration of payment and/or vesting of awards in connection with a change in control event should that compensation exceed certain threshold limits under Section 280G of the Code.

Non-Exclusive Plan. The 2000 Equity Incentive Plan is not exclusive. Under Delaware law, the Board may grant stock and performance incentives or other compensation, in stock or cash, under other plans or authority.

2001 Employee Stock Purchase Plan

On April 4, 2001, the Board adopted the Company's 2001 Employee Stock Purchase Plan (the "2001 Stock Purchase Plan") and reserved 600,000 shares of our Class A common stock for initial issuance under the 2001 Stock Purchase Plan, subject to stockholder approval. The following is only a summary of the 2001 Stock Purchase Plan and is qualified in its entirety by reference to its full text.

Edgar Filing: ENTRAVISION COMMUNICATIONS CORP - Form DEF 14A

Purpose. The purpose of the 2001 Stock Purchase Plan is to incentivize our employees by providing them with an opportunity to purchase shares of Class A common stock, subject to certain restrictions and limitations. These shares will be provided to our employees at a discount to the prevailing market price which will provide an incentive for employees to have an ownership interest in the Company at a minimal cost to us.

Administration. The 2001 Stock Purchase Plan is administered by a committee appointed by our Board. Unless our Board appoints a different committee, the committee consists of the members of the Compensation Committee. The committee has full power to administer and interpret the 2001 Stock Purchase Plan, and the decisions of the committee are final and binding upon all participants.

Shares Reserved for Issuance. Subject to the adjustments discussed below for changes in our capital structure or upon a corporate transaction, the maximum number of shares of Class A common stock that will be made available for sale under the 2001 Stock Purchase Plan is 600,000, plus an annual increase of 600,000 shares on the first day of each of the next ten calendar years beginning on January 1, 2002.

Eligibility. Any of our full-time employees or full-time employees of any of our subsidiaries designated by the committee who has completed at least six months of continuous service as an employee (subject to certain permitted interruptions of up to 90 days) as of an offering date is eligible to participate in the 2001 Stock Purchase Plan during the relevant offering period, subject to administrative rules established by the committee. Eligible employees become participants in the 2001 Stock Purchase Plan by filing with us at least ten business days prior to the applicable offering period a form authorizing payroll deductions.

Participation in an Offering. The 2001 Stock Purchase Plan is implemented by offering periods lasting for six months commencing on each of February 15 and August 15. The first offering period commenced on August 15, 2001. Shares of Class A common stock are purchased under the 2001 Stock Purchase Plan on the last day of each offering period, unless the participant withdraws or terminates employment earlier. To participate in the 2001 Stock Purchase Plan, each eligible employee must authorize payroll deductions pursuant to the 2001 Stock Purchase Plan in an amount up to 15% of the participant's compensation; however, no participant may purchase more than 25,000 shares during any offering period. On each purchase date, each participant who has elected to participate is automatically deemed to have elected to purchase shares of Class A common stock with the entire balance of the payroll deductions accumulated during the relevant offering period in the participant's payroll deduction account. In addition, no employee is eligible to purchase shares under the 2001 Stock Purchase Plan to the extent that, immediately after the purchase, that employee would own 5% or more of either the voting power or the value of all classes of our common stock, and no employee's rights to purchase our common stock

15

pursuant to the 2001 Stock Purchase Plan may accrue at a rate that exceeds \$25,000 per calendar year. For purposes of the 5% ownership test summarized above, stock that the participant may purchase under any outstanding option is treated as owned by the participant, as is stock owned by certain family members or entities owned by the participant.

Purchase Price, Shares Purchased. Shares of our Class A common stock may be purchased under the 2001 Stock Purchase Plan at a price equal to 85% of the fair market value of the Class A common stock on the offering date or the

Edgar Filing: ENTRAVISION COMMUNICATIONS CORP - Form DEF 14A

purchase date, whichever is less. The number of whole shares of our Class A common stock a participant purchases in each offering period is determined by dividing the total amount of payroll deductions withheld from the participant's compensation during that offering period by the purchase price.

Termination of Employment. Termination of a participant's employment for any reason, including death, immediately terminates his or her participation in the 2001 Stock Purchase Plan. In such event, the payroll deductions credited to the participant's account will be returned, without interest, and all existing stock held for the participant in the 2001 Stock Purchase Plan will be distributed, to him or her or, in the case of death, to the person or persons entitled to those deductions and stock.

Adjustments upon Changes in Capitalization, Merger or Sale of Assets. In the event that the common stock is changed by reason of any stock split, stock dividend, combination, recapitalization reclassification or other similar changes in our capital structure effected without the receipt of consideration, or in the event of a merger in which we are the surviving corporation, the committee may make appropriate proportional adjustments in the number of shares of stock subject to the 2001 Stock Purchase Plan.

Amendment and Termination of the Plan. The Board may terminate or amend the 2001 Stock Purchase Plan at any time, except that it may not increase the number of shares subject to the 2001 Stock Purchase Plan other than as described in the 2001 Stock Purchase Plan. The 2001 Stock Purchase Plan will continue until the purchase date that participants become entitled to purchase a number of shares of common stock greater than the number of reserved shares remaining available for purchase under the 2001 Stock Purchase Plan.

Withdrawal. Generally, a participant may withdraw from the 2001 Stock Purchase Plan at any time during an offering period prior to the purchase date. If a participant elects to withdraw, all of the participant's payroll deductions credited to the participant's payroll deduction account will be returned to the participant without interest, and the participant may not make any further contributions to the 2001 Stock Purchase Plan for the purchase of shares during that offering period. A participant's voluntary withdrawal during an offering period will not have any effect upon the participant's eligibility to participate in the 2001 Stock Purchase Plan during a subsequent offering period.

New Plan Benefits. Because benefits under the 2001 Stock Purchase Plan will depend on employees' elections to participate and the fair market value of common stock at various future dates, it is not possible to determine the benefits that will be received by executive officers and other employees if the 2001 Stock Purchase Plan is approved by the stockholders. Non-employee directors are not eligible to participate in the 2001 Stock Purchase Plan.

Federal Income Tax Consequences. The 2001 Stock Purchase Plan qualifies under the provisions of Sections 421 and 423 of the Code. Under these provisions, no income will be taxable to a participant until the shares purchased under the 2001 Stock Purchase Plan are sold or otherwise disposed of. Upon sale or other disposition of the shares, the participant will generally be subject to tax and the amount of the tax will depend upon, among other factors, the participant's holding period for the shares and the manner of disposition. If the shares are sold or otherwise disposed of in a taxable transaction occurring more than two years from the applicable offering date and more than one year from the date of transfer of the shares to the participant, then the participant generally will recognize ordinary income measured as the lesser of (i) the excess of the fair market value of the shares at the time of such sale or disposition over the purchase price, or (ii) an amount equal to 15%

of the fair market value of the shares as of the offering date. Any additional gain should be treated as long-term capital gain. If the shares are sold or otherwise disposed of before the expiration of this holding period, the participant will recognize ordinary income generally measured as the excess of the fair market value of the shares on the date the shares are purchased over the purchase price. Any additional gain or loss on a sale or disposition will be long-term or short-term capital gain or loss, depending on the holding period. As a general rule, we are not entitled to a deduction for amounts taxed as ordinary income or capital gain to a participant except to the extent ordinary income is recognized by participants upon a sale or disposition of shares prior to the expiration of the holding period(s) described above. In all other cases, no deduction is allowed to us.

The foregoing is only a very general summary of the effect of U.S. federal income taxation upon the participant and us with respect to the shares purchased under the 2001 Stock Purchase Plan. It does not discuss the tax consequences arising in the context of a participant's death or the income tax laws of any municipality, state or foreign country in which the participant's income or gain may be taxable or other tax matters may be relevant to particular participants.

Indemnification of Directors and Executive Officers and Limitation of Liability

Section 145 of the Delaware General Corporation Law authorizes a court to award, or a corporation's board of directors, to grant indemnity to directors and officers in terms sufficiently broad to permit indemnification for liabilities, including reimbursement for expenses incurred, arising under the Securities Act of 1933, as amended (the "Securities Act"). This indemnification may, however, be unenforceable as against public policy.

As permitted by Delaware law, our First Restated Certificate of Incorporation, as amended, includes a provision that eliminates the personal liability of our directors for monetary damages for breach of fiduciary duty as a director, except for liability: (i) for any breach of the director's duty of loyalty to us or our stockholders; (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law; (iii) under Section 174 of the Delaware law regarding unlawful dividends and stock purchase; or (iv) for any transaction from which the director derived an improper personal benefit.

As permitted by Delaware law, our First Restated Certificate of Incorporation provides that: (i) we are required to indemnify our directors and officers to the fullest extent permitted by Delaware law, so long as the person being indemnified acted in good faith and in a manner the person reasonably believed to be in or not opposed to our best interests, and with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was lawful; (ii) we are permitted to indemnify our other employees and agents to the extent that we indemnify our officers and directors, unless otherwise required by law; (iii) we are required to advance expenses to our directors and officers incurred in connection with a legal proceeding to the fullest extent permitted by Delaware law, subject to very limited exceptions; and (iv) the rights conferred in our First Restated Certificate of Incorporation are not exclusive. In addition, we have entered into indemnification agreements with each of our current directors and officers to give such directors and officers additional contractual assurances regarding the scope of indemnification set forth in our First Restated Certificate of Incorporation and to provide additional procedural protections. At present, there is no pending litigation or proceeding involving any of our directors, officers or employees regarding which indemnification is sought, nor are we

Edgar Filing: ENTRAVISION COMMUNICATIONS CORP - Form DEF 14A

aware of any threatened litigation that may result in claims for indemnification.

We maintain directors' and officers' liability insurance.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee during the 2001 fiscal year consisted of Messrs. Hobson and Thompson. No member of the Compensation Committee was at any time during the 2001 fiscal year or at any other time an officer or employee of the Company. No executive officer of the Company served on the compensation committee of another entity or any other committee of the board of directors of another entity performing similar functions during the 2001 fiscal year.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Reorganization. Effective August 2, 2000, the Company completed a reorganization. As a result of this reorganization, the beneficial ownership of Entravision immediately prior to the closing of our initial public offering was virtually identical to the beneficial ownership of Entravision Communications Company, L.L.C. ("ECC"), its predecessor. This reorganization occurred as follows:

- . Messrs. Ulloa, Wilkinson and Zevnik and each of their trusts and other related entities exchanged their direct and indirect ownership interests in ECC for newly-issued shares of Class B common stock;
- . each of the stockholders in the seven corporate member entities of ECC (other than Messrs. Ulloa, Wilkinson and Zevnik and their trusts and related entities) exchanged their shares in such corporate members for newly-issued shares of Class A common stock;
- . each of the remaining individuals, trusts and other entities holding direct membership interests in ECC exchanged such interests for newly-issued shares of Class A common stock; and
- . Univision exchanged its subordinated note and option in ECC for shares of Class C common stock.

Relationship with Univision. In December 1996, Univision invested \$10 million in ECC in exchange for a subordinated note and an option to acquire an approximate 25% ownership interest in ECC. The note was due December 30, 2021 and bore interest at 7.01% per year, for which Univision had agreed to compensate Entravision in an amount equal to the amount of annual interest due, in exchange for running Univision's programming.

In April 1999, Entravision acquired television stations KLUZ-TV and KLUZ-LP, Albuquerque, New Mexico, from Univision in exchange for \$1 million in cash and a 2% increase in Univision's option to acquire an ownership interest in ECC. In March 2000, Univision invested an additional \$110 million in ECC, which increased the subordinated note to an aggregate of \$120 million, and increased its option to the right to acquire a 40% ownership interest in ECC.

In connection with the reorganization, Univision exchanged its subordinated note and option for 21,983,392 shares of Class C common stock, or an approximate 19% ownership interest in Entravision. As long as Univision owns at least 30% of its initial Class C shares, it will have the right to vote as a separate class to elect two directors, to appoint a member to any Board

Edgar Filing: ENTRAVISION COMMUNICATIONS CORP - Form DEF 14A

committee and to approve material decisions involving Entravision, including any merger, consolidation or any other business combination, any dissolution and any transfer of the FCC licenses for any of our Univision-affiliated television stations.

Also, pursuant to our Univision network affiliation agreements, Univision acts as our national advertising sales representative for our television stations affiliated with Univision's primary network. Class C director Andrew Hobson is an Executive Vice President of Univision and Class C director Michael Wortsman is the Co-President of Univision Television Group Inc.

Univision also purchased 6,464,542 shares of Class A common stock directly from Entravision in our initial public offering, representing approximately 6% of our outstanding common stock. Univision has subsequently

18

purchased an additional 8,478,689 shares of Class A common stock in open market purchases, for an aggregate of approximately 32% of our outstanding common stock as of December 31, 2001.

Voting Agreement. Entravision has entered into the Voting Agreement with Messrs. Ulloa, Wilkinson, and Zevnik. This agreement will remain in effect with respect to each of Messrs. Ulloa, Wilkinson and Zevnik as long as each individual owns 30% of his initial Class B shares.

Transactions with Walter F. Ulloa. Mr. Ulloa and his spouse were the sole shareholders of Las Tres Campanas Television, Inc., formerly the FCC licensee of lower-power television stations KELV-LP and KNTL-LP, Las Vegas, Nevada. In 1997, Las Tres Campanas issued a note to a former shareholder in the principal amount of \$262,500. Entravision assumed the payment obligations of Las Tres Campanas under the note in exchange for Las Tres Campanas' agreement to contribute to the Company all of its assets, including the licenses to stations KELV-LP and KNTL-LP. In August 2001, we consummated a transaction with Mr. Ulloa and his spouse in which we acquired all of the outstanding shares of capital stock of Las Tres Campanas, reimbursed Mr. Ulloa for business expenses in the amount of \$173,455 and paid the balance of principal and unpaid interest under the note in the amount of \$92,319.

Transactions with Philip C. Wilkinson. In 1996, Cabrillo Broadcasting Corporation, a predecessor of Entravision, made a loan in the principal amount of \$159,000 to Mr. Wilkinson, which was used by Mr. Wilkinson to purchase equity in KSMS-TV, Inc., another predecessor of Entravision. As payment for this obligation, Mr. Wilkinson granted to us the right to acquire radio station KPWW-FM, Aspen, Colorado from a third party. The transaction was consummated in January 2002.

Transactions with Paul A. Zevnik. In October 1996, ECC made a loan to Mr. Zevnik evidenced by a promissory note in the principal amount of \$360,366 due and payable in full in October 2001, which was later extended to October 2002. Mr. Zevnik used the loan to purchase 10,313 Class A units of ECC, which were exchanged for 175,321 shares of Class B common stock at the closing of our initial public offering. As of December 31, 2001, the aggregate outstanding principal and interest on this loan was approximately \$474,000. The entire balance of principal and interest under the loan was paid in full by Mr. Zevnik in February 2002. Additionally, Mr. Zevnik is a partner in Zevnik Horton LLP, which represented us as legal counsel prior to July 2001.

Transactions with Amador S. Bustos. In connection with our acquisition of Z-Spanish Media, Amador Bustos, a director of the Company, and his affiliates

Edgar Filing: ENTRAVISION COMMUNICATIONS CORP - Form DEF 14A

received approximately 1,536,731 shares of Class A common stock.

We lease certain spaces situated on a broadcast tower located in Sacramento, California from Mr. Bustos and his spouse. The tower is used by radio stations owned and operated by Entravision in the Sacramento area. Entravision pays rent and maintenance in the aggregate amount of \$5,000 per year. The lease commenced in June 2001 and will expire in April 2019.

Pursuant to a second lease that expires in 2019, we also lease a corporate office building from Mr. Bustos in Sacramento, California for \$68,000 per year. Rent increases annually by five percent per year under this lease.

Transactions with Glenn Emanuel. In connection with our acquisition of Z-Spanish Media, Glenn Emanuel, the President of our Outdoor Division, received 285,253 shares of Class A common stock.

In August 1997, Mr. Emanuel executed a promissory note in favor of Vista in the principal amount of \$198,315 with an interest rate of 9.75% per year, which is due and payable in full on August 9, 2002. Mr. Emanuel used the loan to purchase shares of Vista's common and preferred stock. The loan is secured by the shares of Class A common stock received by Mr. Emanuel in connection with our acquisition of Z-Spanish Media. As of December 31, 2001 the outstanding balance of principal and interest under the loan was approximately \$282,000 including accrued interest.

19

Registration Rights. We have entered into an investor rights agreement with all of the holders of restricted stock at the time of our initial public offering and with the former stockholders of Z-Spanish Media that received Entravision stock in connection with our acquisition of Z-Spanish Media. The investor rights agreement provides these stockholders with rights to require us to register their stock with the SEC upon certain conditions.

Transactions with TSG Entities and Darryl B. Thompson. Darryl B. Thompson, a director of the Company, is an equityholder, officer and director of TSG Capital Fund II, L.P., TSG Capital Fund III, L.P., TSG Associates II, Inc. and TSG Associates III, L.P.

In April 2000, TSG Capital Fund III, L.P. invested \$90 million in ECC in the form of a convertible subordinated note. The note automatically converted at the closing of our initial public offering into 5,865,102 of Series A preferred stock.

In connection with our acquisition of Z-Spanish Media, TSG Capital Fund II, L.P., TSG Capital Fund III, L.P. and their affiliates received approximately \$169 million in cash and 3,552,902 shares of Class A common stock.

We have also entered into an investor rights agreement with TSG Capital Fund III, L.P. that provides TSG Capital Fund III, L.P. with rights to require us to register its shares of Series A preferred stock (upon conversion into Class A common stock) with the SEC upon certain conditions. Mr. Thompson is a principal of TSG Capital Fund III, L.P.

Mr. Thompson is also an officer, director and, indirectly, a principal stockholder, of Urban Brands, Inc., which purchased advertising space, for approximately \$150,000, on certain of the Company's billboards New York City. We received market rates for this sale in an arms-length transaction.

Class D Membership Units in ECC. ECC granted to each of Messrs. Ulloa and

Edgar Filing: ENTRAVISION COMMUNICATIONS CORP - Form DEF 14A

Wilkinson 6,050 Class D membership units for nominal consideration which were exchanged for 102,850 shares of Class B common stock at the closing of our initial public offering. The Class B common stock is held pursuant to restricted stock agreements that allow for repurchase of the shares for nominal consideration if Messrs. Ulloa and Wilkinson do not remain employed with Entravision with such restriction lapsing in one-third increments over three years. Such restriction also lapses upon a change in control.

ECC also granted to Mr. Zevnik 2,560 Class D membership units for nominal consideration, which were exchanged for 43,520 shares of Class B common stock at the closing of the initial public offering. The Class B common stock is held pursuant to a restricted stock agreement that allows for repurchase of the shares for nominal consideration if Mr. Zevnik does not remain as an officer or director of Entravision, with such restriction lapsing in one-third increments over three years. Such restriction also lapses upon a change in control.

In April 2000, ECC awarded to Jeanette Tully, our Chief Executive Officer, 14,161 Class D membership units, which were exchanged for 240,737 shares of Class A common stock at the closing of the initial public offering. Additionally, ECC also granted to Ms. Tully 500 Class D membership units for nominal consideration, which were exchanged for 8,500 shares of Class A common stock at the closing of the initial public offering. The 8,500 shares of Class A common stock are held pursuant to a restricted stock agreement that allows for repurchase of the shares for nominal consideration if Ms. Tully does not remain as an employee of Entravision, with such restriction lapsing in one-third increments over three years. Such restriction also lapses upon a change in control.

REPORT OF COMPENSATION COMMITTEE

The following Report of the Compensation Committee and the Performance Graph that follows do not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act, or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), except to the extent Entravision specifically incorporates this report or the performance graph by reference therein.

The Compensation Committee has furnished the following report on executive compensation for the 2001 fiscal year.

It is the duty of the Compensation Committee to review and determine the salaries and bonuses of executive officers of the Company, including the Chief Executive Officer, and to establish the general compensation policies for such individuals. The Compensation Committee also has the sole and exclusive authority to make discretionary option grants to the Company's executive officers under the 2000 Equity Incentive Plan.

The Compensation Committee believes that the compensation programs for the Company's executive officers should reflect the Company's performance and the value created for the Company's stockholders. In addition, the compensation programs should support the short-term and long-term strategic goals and values of the Company, reward individual contribution to the Company's success and align the interests of the Company's officers with the interests of the stockholders. The Company is engaged in a very competitive industry, and the Company's success depends upon its ability to attract and retain qualified executives through the competitive compensation packages it offers to such individuals.

Edgar Filing: ENTRAVISION COMMUNICATIONS CORP - Form DEF 14A

For the 2001 fiscal year, the Company's executive compensation program consisted of base salary only and no bonuses were considered or granted by the Compensation Committee. The Compensation Committee believes that the approach taken in the 2001 fiscal year best serves the short and long-term interests of the Company and its stockholders.

Factors. The principal factors that were taken into account in establishing each executive officer's compensation package for the 2001 fiscal year are described below. However, the Compensation Committee may in its discretion apply entirely different factors, such as different measures of financial performance, for future fiscal years.

Chief Executive Officer Compensation. In setting the base salary level payable for the 2001 fiscal year to the Company's Chief Executive Officer, Walter Ulloa, the Compensation Committee conducted a detailed performance evaluation for Mr. Ulloa. The performance evaluation took into consideration Mr. Ulloa's qualifications, the level of experience brought to his position and gained while in the position, the Company's goals for which Mr. Ulloa had responsibility, specific accomplishments to date and the importance of Mr. Ulloa's individual contributions to the achievement of the Company's goals and objectives set for the prior fiscal year. In addition, the Compensation Committee sought to provide him with a level of base salary which it believed, on the basis of its understanding of the salary levels in effect for other chief executive officers at similar-sized companies in the industry, to be competitive with those base salary levels.

In August 2000, we entered into a five year employment agreement with Mr. Ulloa. The agreement provides for a base salary of \$600,000 per year, with an annual increase of \$50,000 per year. Under the terms of the agreement, Mr. Ulloa is eligible to receive a cash bonus equal to (i) a percentage of his then-current base salary up to a maximum of 75% based upon the Company's growth rate of EBITDA and (ii) up to an additional 25% of his then-current base salary in the discretion of the Compensation Committee (see "Employment and Other Agreements; Change in Control Arrangements").

Other Executive Officer Compensation. In setting base salaries for executive officers other than the Chief Executive Officer, the Compensation Committee considered the salary levels for comparable positions at peer

21

group companies, the individual's personal performance and internal alignment considerations. The relative weight given to each factor varies with each individual in the sole discretion of the Compensation Committee. Each executive officer's (other than Messrs. Ulloa and Wilkinson) base salary is adjusted for each year on the basis of (i) the Compensation Committee's evaluation of the officer's personal performance for the year and (ii) the competitive marketplace for persons in comparable positions.

In August 2000, we entered into a five year employment agreement with Philip C. Wilkinson, our President and Chief Operating Officer, that provides for a base salary of \$600,000 per year, with an annual increase of \$50,000 per year. Under the terms of the agreement, Mr. Wilkinson is eligible to receive a cash bonus equal to (i) a percentage of his then current base salary up to a maximum of 75% based upon the Company's growth rate of EBITDA and (ii) up to an additional 25% of his then-current base salary in the discretion of the Compensation Committee (see "Employment and Other Agreements; Change in Control Arrangements").

Compliance with Code Section 162(m). Section 162(m) of the Code disallows a

Edgar Filing: ENTRAVISION COMMUNICATIONS CORP - Form DEF 14A

tax deduction to publicly-held companies for compensation paid to certain of their executive officers, to the extent that compensation exceeds \$1 million per covered officer in any fiscal year. The limitation applies only to compensation which is not considered to be performance-based. Non-performance based compensation paid to the Company's executive officers for the 2001 fiscal year did not exceed the \$1 million limit per officer, and the Compensation Committee does not anticipate that the non-performance based compensation to be paid to the Company's executive officers for the 2002 fiscal year will exceed that limit. Because it is unlikely that the cash compensation payable to any of the Company's executive officers in the foreseeable future will approach the \$1 million limit, the Compensation Committee has decided at this time not to take any action to limit or restructure the elements of cash compensation payable to the Company's executive officers. The Compensation Committee will reconsider this decision should the individual cash compensation of any executive officer ever approach the \$1 million level.

The Board did not modify any action or recommendation made by the Compensation Committee with respect to executive compensation for the 2001 fiscal year. It is the opinion of the Compensation Committee that the executive compensation policies and plans provide the necessary total remuneration program to properly align the Company's performance and the interests of the Company's stockholders through the use of competitive and equitable executive compensation in a balanced and reasonable manner, for both the short and long-term.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors, executive officers and holders of more than 10% of a registered class of the Company's equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of Class A common stock and other equity securities of the Company. Directors, executive officers and greater than 10% stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports they file. Based solely on its review of the copies of such forms received by it, or written representation from certain reporting persons that no Form 5s were required for those persons, the Company believes that all reporting requirements under Section 16(a) for the 2001 fiscal year were met in a timely manner by its directors, executive officers and greater than 10% beneficial owners, except that Mr. Zevnik made one late filing for the month of January 2001.

REPORT OF AUDIT COMMITTEE

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act or the Exchange Act, except to the extent Entravision specifically incorporates this report by reference therein.

The Audit Committee Charter was adopted by the Board on July 24, 2000, as amended on December 7, 2001, and reflects the standards set forth in SEC regulations and the rules of the Exchange.

The Audit Committee's primary duties and responsibilities are:

- . Serve as an independent objective party to monitor the Company's financial reporting process and internal control system.
- . Review and appraise the audit efforts of the Company's independent accountants.
- . Provide an open avenue of communication among the independent accountants, financial and senior management and the Board.

Edgar Filing: ENTRAVISION COMMUNICATIONS CORP - Form DEF 14A

The duties and responsibilities of a member of the Audit Committee are in addition to his or her duties as a member of the Board.

The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under its charter. The Audit Committee met nine times during the 2001 fiscal year.

In overseeing the preparation of Entravision's financial statements, the Audit Committee met with both management and Entravision's outside auditors to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Audit Committee that all financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee discussed the statements with both management and the outside auditors. The Audit Committee's review included discussion with the outside auditors of matters required to be discussed pursuant to Statements on Auditing Standards No. 61 and 90 (Communication with Audit Committees).

With respect to Entravision's outside auditors, the Audit Committee, among other things, discussed with McGladrey & Pullen, LLP matters relating to its independence, including the written disclosures made to the Audit Committee as required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

On the basis of these reviews and discussions, the Audit Committee recommended to the Board that the Board approve the inclusion of Entravision's audited financial statements in the 10-K for filing with the SEC.
