The Reporting Persons initially acquired Shares in connection with the Issuer's Restructuring, and acquired additional Shares in the Private Placement for investment purposes, because they believed the securities were undervalued and represented an attractive investment opportunity.

The Reporting Persons have engaged and may continue to engage in discussions with management, the Issuer's board of directors, other shareholders of the Issuer and other relevant parties, including representatives of any of the foregoing, concerning the Reporting Persons' investment in the Issuer, including, without limitation, matters concerning the business, operations, governance, board composition, director candidates, management, capitalization (including, without limitation, implementing a share buyback program involving open market purchases, private transactions and/or some form of tender offer) and strategic plans of the Issuer. The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors, including, without limitation, the outcome of any discussions referenced above, the financial position and strategic direction, actions taken by management or the board of directors of the Issuer, price levels of the Shares, other investment opportunities available to the Reporting Persons, conditions in the securities market and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate, including, without limitation, proposing or nominating director candidates to the board of directors of the Issuer, proposing changes in the operations, governance, capitalization (including, without limitation, implementing a share buyback program involving open market purchases, private transactions and/or some form of tender offer), use of capital, financial metrics, capital allocations, corporate structure, including acquisitions or dispositions of the Issuer, purchasing additional, or selling some or all of, their Shares, engaging in short selling of or any hedging or similar transactions with respect to the Shares and/or otherwise changing their intention with respect to any and all matters referred to in Item 4 of Schedule 13D. The Reporting Persons may, at any time and from time to time, review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect to their investment in the Shares.
