DISCLOSURE CONTROLS AND PROCEDURES

Disclosure controls and procedures are designed to ensure that information required to be disclosed by Stantec Inc. (Stantec) in reports filed with securities regulatory agencies is recorded, processed, summarized and reported on a timely basis and is accumulated and communicated to Stantec s management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure.

An evaluation was carried out under the supervision of and with the participation of Stantec s management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of our disclosure controls and procedures (as defined in rules adopted by the U.S. Securities and Exchange Commission) as of December 31, 2005. Based on that evaluation, our Chief Executive Officer and Chief Financial Officer concluded that the design and operation of our disclosure controls and procedures were effective.

Internal controls over financial reporting are procedures designed to provide reasonable assurance that transactions are properly authorized, assets are safeguarded against unauthorized and improper use, and transactions are properly recorded and reported. A control system, no matter how well designed and operated, can provide only reasonable, not absolute, assurance with respect to the reliability of financial reporting and financial statement preparation.

Accordingly, Stantec s management, including our Chief Executive Officer and our Chief Financial Officer, does not expect that Stantec s internal controls over financial reporting will prevent or detect all errors and all fraud.

There has been no change in Stantec s internal controls over financial reporting during the year ended December 31, 2005 that materially affected, or that is reasonably likely to materially affect, Stantec s internal controls over financial reporting.

Stantec will continue to periodically review its disclosure controls and procedures and internal controls over financial reporting and may make modifications from time to time as considered necessary or desirable. Stantec has been undertaking a comprehensive review of its existing internal controls over financial reporting in preparation for the reporting and attestation requirements of Section 404 of the Sarbanes-Oxley Act of 2002 becoming effective. In connection with such review, modifications have been made to Stantec s disclosure controls and procedures and internal controls over financial reporting and modifications may, as appropriate, be made to Stantec s disclosure controls and procedures or internal controls over financial reporting in the future.

IDENTIFICATION OF THE AUDIT COMMITTEE

Stantec s audit committee is made up of the following three members: William (Bill) D. Grace (Chair), E. John (Jack) Finn and Robert R. Mesel.

AUDIT COMMITTEE FINANCIAL EXPERT

Stantec s Board of Directors has determined that it has at least one audit committee financial expert serving on its audit committee. The Board of Directors has determined that Mr. William D. Grace is an audit committee financial expert (as such term is defined in the rules and regulations of the Securities Exchange Commission) and is independent, as that term is defined by the New York Stock Exchange s corporate governance standards applicable to Stantec. The Securities and Exchange Commission has indicated that the designation of a person as an audit committee financial expert does not impose on such person any duties, obligations or liability that are greater than those imposed on such person as a member of the audit committee and the Board of Directors in the absence of such designation and does not affect the duties, obligations or liability of any other member of the audit committee or Board of Directors.

CODE OF ETHICS

Stantec has adopted a code of ethics, entitled Stantec Code of Ethics . The Code of Ethics applies to all directors, officers and employees of Stantec, including Stantec s principal executive officer, principal financial officer and principal accounting officer. Stantec s Board of Directors, through its corporate governance and compensation committee, reviews the operation of the Code of Ethics and any waivers thereof. The Code of Ethics is reviewed at least annually to ensure that it complies with all legal requirements and is in alignment with best practices. In the event that amendments

are needed, recommendations are made to the corporate governance and compensation committee and the Board of Directors for approval. The Code of Ethics is available on Stantec's website (www.stantec.com) in the Inside Stantec Governance section and is available in print to any shareholder upon written request to the Secretary of Stantec.

The Board of Directors has also adopted whistleblower procedures which allow officers and employees who feel that a violation of the Code of Ethics has occurred to report this violation on a confidential and anonymous basis. The procedures allow concerns regarding accounting, internal accounting controls or auditing matters to be reported on a confidential and anonymous basis as well.
