PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON OCTOBER 5, 2001

GENERAL QUESTIONS AND ANSWERS

Q: WHEN IS THE PROXY STATEMENT BEING MAILED?

A: This Proxy Statement is first being mailed on or about August 31, 2001 to our stockholders by our Board of Directors to solicit proxies for use at the Annual Meeting.

Q: WHEN IS THE ANNUAL MEETING AND WHERE WILL IT BE HELD?

A: The Annual Meeting will be held on Friday, October 5, 2001, at 10:30 a.m. central daylight savings time at the Four Seasons Resort and Club, 4150 North MacArthur Boulevard, Irving, Texas.

Q: WHO MAY ATTEND THE ANNUAL MEETING?

A: All of our stockholders may attend the Annual Meeting.

Q: WHO IS ENTITLED TO VOTE?

A: Stockholders as of the close of business on August 27, 2001 are entitled to vote at the Annual Meeting. Each share of our common stock is entitled to one vote.

Q: ON WHAT AM I VOTING?

A: You will be voting on:

- o The election of two members to our Board of Directors for terms expiring in 2004 (or expiring in 2002 if the proposal to amend our Restated Certificate of Incorporation is adopted by our stockholders at the Annual Meeting);
- o The adoption of an amendment to the Restated Certificate of Incorporation of Michaels, which would eliminate division of our Board of Directors into three classes;
- o The approval of the Michaels Stores, Inc. 2001 General Stock Option

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

Plan; and

- o Such other business as may properly come before the Annual Meeting or any adjournments thereof.

Q: HOW DO I VOTE?

A: You may vote by either attending the Annual Meeting or signing and dating each proxy card you receive and returning it in the enclosed prepaid envelope. We encourage you to complete and send in your proxy card.

All shares represented by valid proxies, unless the stockholder otherwise specifies, will be voted:

- o "FOR" the election of each of the persons identified in "Proposal No. 1: Election of Two Directors" as nominees for election as directors;
- o "FOR" the adoption of the amendment to the Restated Certificate of Incorporation;
- o "FOR" the approval of the Michaels Stores, Inc. 2001 General Stock Option Plan; and
- o At the discretion of the proxy holders with regard to any other matter that may properly come before the Annual Meeting.

If you properly specify how your proxy is to be voted, your proxy will be voted accordingly. If you sign and send in your proxy but do not indicate how you want to vote, your proxy will be counted as a vote in favor of each of the proposals.

Q: IF I ABSTAIN FROM VOTING OR WITHHOLD AUTHORITY TO VOTE ON ANY PROPOSAL, WILL MY SHARES BE COUNTED IN THE VOTE?

A: If you abstain from voting on Proposal No. 1 (election of two directors) or Proposal No. 3 (approval of the 2001 General Stock Option Plan) or if you elect to withhold authority to vote on either of those proposals, your shares will not be counted in the vote for that proposal. However, if you abstain from voting or if you elect to withhold authority to vote on Proposal No. 2 (amendment to the Restated Certificate of Incorporation), your shares effectively will count as votes against that proposal.

Q: IF MY SHARES ARE HELD IN "STREET NAME" BY MY BROKER, WILL MY BROKER VOTE MY SHARES FOR ME?

A: Your broker has limited discretion to vote street name shares without your instructions. For example, your broker could vote your shares without your instructions on Proposal No. 1 (election of two directors) and Proposal No. 3 (approval of the 2001 General Stock Option Plan). Your broker likely will not vote on Proposal No. 2 (amendment to the Restated Certificate of Incorporation) without your instructions. To be sure your shares are voted, you should instruct your broker to vote your shares using the instructions provided by your broker. If you do not instruct your broker on how to vote your shares, your shares may not be counted in the vote on Proposal No. 1 or Proposal No. 3 and effectively will be counted as votes against Proposal No. 2.

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

Q: CAN I CHANGE MY VOTE AFTER I MAIL MY PROXY?

A: Yes. You can change your vote at any time before your proxy is voted at the Annual Meeting. You may revoke your proxy by:

- o delivering no later than 5:00 p.m. central daylight savings time on October 4, 2001, written notice of revocation to Computershare Investor Services, L.L.C., 1601 Elm Street, Suite 4340, Dallas, Texas 75201, or
- o attending the Annual Meeting and voting in person. Your attendance alone will not revoke your proxy. You must also vote in person at the Annual Meeting.

If you instruct a broker to vote your shares, you must follow your broker's directions for changing those instructions.

Q: WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

A: If you receive more than one proxy card, it is because your shares are in more than one account. You will need to sign and return all proxy cards to ensure that all your shares are voted.

Q: WHO WILL COUNT THE VOTE?

A: Representatives of Computershare Investor Services, L.L.C, our transfer agent, will tabulate the votes and act as inspectors of election.

2

Q: WHAT CONSTITUTES A QUORUM?

A: As of August 27, 2001, the record date, 32,398,956 shares of our common stock were issued and outstanding. A majority of the issued and outstanding shares, present or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. If you submit a properly executed proxy card, then your shares will be counted as part of the quorum. Votes that are withheld and broker non-votes will be counted towards a quorum but will be excluded from any vote.

Q: WHAT IS THE REQUIRED VOTE FOR ELECTION OF EACH DIRECTOR?

A: The required vote for election of each director is a plurality of the votes of the shares of common stock having voting power present or represented by proxy at the Annual Meeting.

Q: WHAT IS THE REQUIRED VOTE FOR ADOPTION OF THE AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION?

A: The amendment must be approved by the holders of a majority of the total number of outstanding shares of our common stock. As a result, abstentions from this vote, withheld authority to vote and broker non-votes effectively will be votes against this proposal.

Q: WHAT IS THE REQUIRED VOTE FOR APPROVAL OF THE MICHAELS STORES, INC. 2001 GENERAL STOCK OPTION PLAN?

A: The Michaels Stores, Inc. 2001 General Stock Option Plan must be approved by the holders of a majority of the total number of outstanding shares of our common stock having voting power present or represented by proxy at

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

the Annual Meeting and actually voted on the proposal. If you abstain or if you withhold authority to vote on the proposal, your shares will not be considered to have been actually voted on the proposal. Broker non-votes will not be considered to have been actually voted on the proposal.

Q: HOW MUCH DID THIS PROXY SOLICITATION COST?

A: We have hired Morrow & Co., Inc. to assist us in the distribution of proxy materials and solicitation of votes at a cost of approximately \$10,000, plus out-of-pocket expenses. We will reimburse brokerage firms and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to the owners of our common stock. Our officers and regular employees may also solicit proxies, but they will not be specifically compensated for these services.

PROPOSAL NO. 1: ELECTION OF TWO DIRECTORS

Our Board of Directors has five members, a majority of whom are independent directors. Our Board is presently divided into three classes, with each of two classes consisting of two directors and one class consisting of one director. Members of each class of directors generally serve for a term of three years. A director serves until the annual meeting of stockholders in the year in which his or her term expires or until a successor is elected and qualified.

EFFECTIVE JULY 26, 2001, OUR BOARD APPROVED AND RECOMMENDED TO OUR STOCKHOLDERS THAT THEY APPROVE AN AMENDMENT TO OUR RESTATED CERTIFICATE OF INCORPORATION. THE AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION WILL ELIMINATE THE DIVISION OF OUR BOARD INTO THREE CLASSES. IF OUR STOCKHOLDERS VOTE TO ADOPT THE AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION AT THE ANNUAL MEETING, ALL CURRENT DIRECTORS, INCLUDING DIRECTORS ELECTED AT THE ANNUAL MEETING, WILL HOLD OFFICE FOR A TERM EXPIRING AT THE ANNUAL MEETING OF STOCKHOLDERS IN 2002. THEREAFTER, EACH OF THE DIRECTORS WILL SERVE FOR A ONE-YEAR TERM OR UNTIL HIS OR HER SUCCESSOR IS DULY ELECTED AND QUALIFIED OR UNTIL THE EARLIER OF HIS OR HER RESIGNATION, DEATH OR REMOVAL. SEE PROPOSAL NO. 2 IN THIS PROXY STATEMENT.

The terms of Messrs. Charles J. Wyly, Jr. and Richard E. Hanlon expire at this Annual Meeting, and our Board has nominated each of them for re-election at the Annual Meeting as a director to serve for a three-year term expiring at our annual meeting of stockholders in 2004 or until his successor is elected and qualified. In order to be elected a director, a nominee must receive a plurality of the votes of the shares of common stock having voting power present or represented by proxy at the Annual Meeting.

The nominees have indicated their willingness to serve as members of the Board if elected; however, in case any nominee becomes unavailable for election to the Board for any reason not presently known or contemplated, the proxy holders have discretionary authority to vote the proxy for a substitute nominee or nominees. Proxies cannot be voted for more than two nominees. The following table sets forth information as to the nominees for election at the Annual Meeting and each of the directors whose term of office will continue

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

after the Annual Meeting, including their ages, present principal occupations, other business experiences during the last five years, membership on committees of the Board and directorships in other publicly-held companies.

EMPLOYMENT, SEVERANCE AND CHANGE OF CONTROL AGREEMENTS

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

In March 2001, Michaels entered into a new employment agreement with R. Michael Rouleau, the President and Chief Executive Officer of Michaels. The employment agreement is for a term expiring on January 31, 2006 with provisions for annual automatic one-year extensions unless Michaels gives notice of non-extension 120 days prior to any expiration date. Under the employment agreement, Mr. Rouleau is entitled to receive an annual base salary of \$675,000, or such higher amount as the Board of Directors or Compensation Committee shall determine, and standard executive officer benefits. Additionally, he is allowed to participate in a bonus plan in any year in which a bonus plan is established. For fiscal 2000, Mr. Rouleau received a bonus of \$267,500 pursuant to a bonus plan based upon the attainment by Michaels of certain performance goals. Upon a change of control of Michaels or if Michaels terminates Mr. Rouleau's employment (other than for cause) prior to the expiration of the employment agreement, Mr. Rouleau is entitled to continue to receive his base salary and other benefits until January 31, 2006. If Mr. Rouleau's employment is terminated for any reason, at any time, all unvested options then held by him will immediately become fully exercisable and Mr. Rouleau will be entitled to the value of any unvested interest he may have in our 401(k) Plan.

13

Michaels has an agreement with Douglas B. Sullivan, an executive officer of Michaels, which provides for his employment by Michaels to age 65 upon a change of control of Michaels for a salary not less than his annual salary immediately preceding the change of control and allows him to participate in bonuses with other key management personnel of Michaels. This agreement (i) is currently for a term expiring on April 5, 2004 with provisions for annual automatic one-year extensions unless Michaels gives notice of non-extension six months prior to any extension date and, upon a change of control, an additional extension of twelve months and (ii) requires Michaels to pay to Mr. Sullivan, if his employment is terminated on or prior to his 65th birthday and within one year of a change of control, a sum equal to his salary and bonus during the twelve-month period immediately preceding termination.

In connection with his resignation as President and Chief Operating Officer of Michaels on March 26, 2001, John C. Martin entered into a separation agreement with Michaels. Under this agreement, Mr. Martin remained a non-officer employee of Michaels through May 12, 2001 at his base salary as President and Chief Operating Officer, and he then became entitled to receive severance payments totaling \$463,500. Under the terms of his severance arrangement, 200,000 unexercised options granted to him under our 1997 Stock Option Plan terminated effective June 11, 2001.

COMPENSATION AND STOCK OPTION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Until September 2000, Sam Wyly and Charles J. Wyly, Jr. were members of the Compensation Committee and, as such, were primarily responsible for determining executive compensation for fiscal 2000. Since September 2000, the Compensation Committee has consisted of Richard E. Hanlon, Richard C. Marcus and Elizabeth A. VanStory. The Board as a whole and the members of the 1997 Stock Option Committee have authority to make decisions related to stock option grants under our 1997 Stock Option Plan to executive officers and directors. During fiscal 2000, we paid to C&S Aviation, Ltd., a partnership of which Charles J. Wyly, Jr. and Sam Wyly are managing members, \$170,957 for the rental of an airplane. We paid \$82,825 in fiscal 2000 to Sterling Commerce, Inc. for the purchase of services and software. Charles J. Wyly, Jr. and Sam Wyly served as directors of Sterling Commerce, Inc., until its acquisition in 2000 by another company.

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

and were, until September 2000, members of our Compensation Committee. Sam Wyly and Charles J. REPORT OF THE COMPENSATION AND STOCK OPTION COMMITTEES

WHAT IS OUR COMPENSATION PHILOSOPHY?

The objectives of our executive compensation program are to:

- o attract and retain highly qualified and productive people;
- o motivate employees to high levels of performance;
- o differentiate individual pay based on performance;
- o ensure external competitiveness and internal equity; and
- o align company, employee and stockholder interests.

We do not believe in "bargain rate" executive compensation. Instead, we believe that outstanding executives should be compensated generously, both in cash compensation in amounts sufficient to preempt other opportunities for such executives and in stock option awards which align such executives' interests with the interests of the stockholders and stimulate focus on long-term stockholder value enhancement.

HOW IS COMPENSATION DETERMINED?

In determining base pay, the Compensation Committee considers an individual's experience and prior performance as well as our operating

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

performance and the attainment of planned financial and strategic initiatives. The experience, performance and attainment of initiatives are evaluated by the Compensation Committee on a subjective basis and no particular weight is given to any particular factor.

In determining executive bonuses, the Compensation Committee provides financial incentives to those members of management who can make an important contribution to our success by tying the bonuses to the attainment of certain financial objectives which may be different from individual to individual. Each participating executive is entitled to a bonus equal to a certain percentage of that executive's salary based upon the attainment of such objectives.

In determining compensation through stock option awards, the 1997 Stock Option Committee (or the Board as a whole) makes discretionary grants, based upon the level of responsibility and performance of the individual grantee.

HOW ARE OUR INCENTIVE COMPENSATION PROGRAMS USED TO FOCUS MANAGEMENT ON INCREASING STOCKHOLDER VALUE?

We maintain stock option plans for our executive officers, directors and key employees. We believe that the grant of options aligns executive and stockholder long-term interests by creating a strong and direct link between executive compensation and stockholder return. The grant of options also allows executives to develop and maintain a long-term ownership position in our common stock.

HOW HAVE WE RESPONDED TO THE IRS LIMITS ON DEDUCTIBILITY OF COMPENSATION?

Options granted under our 1997 Stock Option Plan are intended to meet the performance based compensation exception to the annual \$1,000,000 limitation on the tax deduction we may claim for compensation of certain executives. However, our executive bonus program does not meet the exception to the IRS deduction limitation.

HOW IS THE CEO COMPENSATED?

As our Chief Executive Officer, Mr. Rouleau received a base salary of \$632,308 during fiscal year 2000. Mr. Rouleau's incentive compensation for fiscal year 2000, in the form of a bonus, was based upon the attainment of

15

specified financial objectives. With respect to fiscal year 2000, Mr. Rouleau received \$267,500 in a cash bonus. Mr. Rouleau also received stock options for 100,000 shares of common stock.

HOW ARE THE OTHER EXECUTIVE OFFICERS COMPENSATED?

Our other executive officers usually receive a base salary, annual cash bonuses, long-term incentive compensation in the form of stock options and various benefits. As described above, the Compensation Committee annually reviews the compensation for our executive officers and determines the compensation for each executive based upon the executive's performance, our attainment of certain financial and strategic objectives and other factors. The 1997 Stock Option Committee also evaluates the executive officers' performance in determining whether to grant any stock options to the executives.

PROPOSAL NO. 2:
 ADOPTION OF AN AMENDMENT
 TO THE RESTATED CERTIFICATE OF INCORPORATION

Effective July 26, 2001, our Board approved the amendment to the Restated Certificate of Incorporation attached as Appendix A to this Proxy Statement. Our Board is currently divided into three classes, with each of two

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

classes consisting of two directors and one class consisting of one director. Members of each class generally serve for three-year terms.

The amendment to the Restated Certificate of Incorporation will eliminate division of our Board into three classes. Following adoption of the amendment to the Restated Certificate of Incorporation by our stockholders at the Annual Meeting and filing of a certificate of amendment with the Delaware Secretary of State, all current directors will hold office for a term expiring at our annual meeting of stockholders in 2002. Thereafter, each of the directors will serve for a one-year term or until his or her successor is duly elected and qualified or until the earlier of his or her resignation, death or removal.

The Board believes it is in the best interest of Michaels and its stockholders to adopt the amendment to the Restated Certificate of Incorporation and to eliminate classification of the Board. Classification (or staggered election) of boards of directors has been a widely-used corporate governance provision to make it more difficult for companies to be the subject of "take-overs." These kinds of provisions, however, also act as an impediment to the stockholders' ability to make changes in board membership when the stockholders are dissatisfied with the performance of the board of directors. Your Board of Directors believes that modern corporate governance best practices encourages the elimination of staggered board membership as an arbitrary impediment to changing stewardship of a company and that our stockholders should have the right to vote on performance of all our directors each year.

THE BOARD RECOMMENDS A VOTE FOR APPROVAL OF THE AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION.

PROPOSAL NO. 3:

APPROVAL OF THE MICHAELS STORES, INC. 2001 GENERAL STOCK OPTION PLAN

On July 23, 2001, the Board of Directors adopted our 2001 Employee Stock Option Plan authorizing the grant of options exercisable for up to 1,000,000 shares of our common stock. The terms of our 2001 Employee Stock Option Plan do not permit options under that plan to be granted to our executive officers and directors. Substantially all of the options available for grant to our executive officers and directors under our 1997 Stock Option Plan have been issued. As a result, the Board approved the Michaels Stores, Inc. 2001 General Stock Option Plan, attached as Appendix B to this Proxy Statement, and directed that it be submitted to the stockholders for approval at the Annual Meeting. The Plan authorizes the grant of options exercisable for up to 1,500,000 shares of our common stock to our officers, directors and employees, but we expect that options under the Plan will be granted principally, if not exclusively, to our executive officers (currently 13 persons) and directors (currently five persons) who are not eligible for grants under our 2001 Employee Stock Option Plan. We are seeking your approval to adopt the Michaels Stores, Inc. 2001 General Stock Option Plan and to ensure that compensation pursuant to the Plan will not be subject to the limits on deductibility by Michaels under Section 162(m) of the Internal Revenue Code of 1986.

The Board believes that it is in the best interests of Michaels to attract and retain the best available talent and encourage the highest level of performance by our directors and executive officers. The Plan is designed to provide incentive to directors and executive officers and is intended to align the interests of each of them with those of our stockholders. The Board has directed that, to the extent permitted by applicable law, all proceeds to Michaels from the exercise of options granted under the Plan be used to repurchase shares of our common stock under our current stock repurchase plan (except where the use of proceeds for that purpose would conflict with fiduciary obligations of directors or officers or there is a compelling need to use the proceeds for other corporate purposes).

SUMMARY OF THE MICHAELS STORES, INC. 2001 GENERAL STOCK OPTION PLAN

GENERAL. The purpose of the Plan is to attract and retain the best available talent and encourage the highest level of performance by our directors, executive officers and other eligible employees and to provide each of them with incentives to put forth maximum efforts for the success of our business. All stock options granted under the Plan will be non-statutory stock options.

SHARES AVAILABLE UNDER THE PLAN. Subject to adjustments described below, the number of shares that may be issued upon exercise of all stock options granted under the Plan may not exceed 1,500,000. Any shares of common stock which were subject to stock options that are forfeited, surrendered or expire for any reason will again be available for issuance under the Plan.

ELIGIBILITY. Our directors and any executive officer or other employee of Michaels or its subsidiaries who is selected by the 2001 General Stock Option Plan Committee is eligible to receive stock options under the Plan, but we believe that options under this Plan will be granted principally, if not exclusively, to our executive officers and directors.

STOCK OPTION GRANTS. Stock options granted to a participant under the Plan entitle him or her to purchase shares of our common stock at a price no less than fair market value at the time of the grant. The exercise price is payable (i) in cash at the time of exercise, (ii) by transfer of shares of our common stock owned by the participant for at least six months having an aggregate market value per share on the day before the date of exercise equal to the aggregate exercise price, (iii) by deferred payment from the proceeds of sale of some or all of the shares to which the exercise relates or (iv) by other forms of consideration acceptable to the Committee.

The maximum number of shares of our common stock with respect to which stock options may be granted to a participant during a single calendar year may not exceed 150,000 shares. If, however, the participant is a newly-hired employee who has never been employed by either Michaels or any of its subsidiaries, that employee may be granted stock options exercisable for up to an additional 350,000 shares. A participant who is a director and also an executive officer or other employee of Michaels or any of its subsidiaries may be granted stock options both as a director and as an executive officer or other employee.

Generally, each stock option granted under the Plan will expire one calendar day prior to the fifth anniversary of the date of grant except in the case of retirement, death or disability, as described below. However, upon a change of control (as defined in the Plan), each outstanding stock option will immediately vest and be fully exercisable and will remain exercisable until the term of the stock option expires. If, however, a proposed merger, consolidation, reorganization or sale of assets which constitutes the change of control is abandoned by Michaels, then all stock options that vested and became fully exercisable as a result of the change of control, and which have not been exercised, will revert to the exercise terms existing prior to acceleration.

STOCK OPTION GRANTS TO EXECUTIVE OFFICERS AND OTHER EMPLOYEES. Each grant made to any executive officer or other employee will specify the number of shares of common stock for which the option is granted, which will be determined in accordance with guidelines adopted by the Committee. Each stock option granted to an executive officer or other employee will vest 1/3 on each of the first three anniversary dates following the date of grant. If the executive

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

officer or other employee is terminated by reason of retirement (at or after age 60), long-term disability (as determined by the Committee) or death, each outstanding stock option granted to such executive officer or other employee, to the extent not vested, will immediately vest and become fully exercisable. Thereafter, the stock option will expire (i) in the case of retirement or long-term disability, one calendar day prior to the fifth anniversary of such retirement or disability, or (ii) in the case of death, one calendar day prior to the third anniversary of death. If the employment of the executive officer or other employee is terminated for any other reason, the unvested portion of each outstanding stock option granted to the executive officer or other employee will terminate immediately and the vested portion will expire 30 days after such termination.

STOCK OPTION GRANTS TO DIRECTORS. Each grant made to any director in that capacity will be automatic pursuant to a "formula plan" as set forth in the Plan. Upon first election to the Board, and immediately following each annual meeting of stockholders thereafter, a director will receive a grant of options exercisable for 17,500 shares of common stock. Each stock option granted to a director will vest immediately upon the date of grant. In

19

the event of the death of the director prior to the exercise or expiration of an option, the unexercised and unexpired stock option will expire one calendar day prior to the third anniversary of the director's death.

ADMINISTRATION AND AMENDMENTS TO THE PLAN. The Plan is to be administered by the 2001 General Stock Option Plan Committee unless the Board of Directors expressly assumes the administration pursuant to a resolution. The Committee is required to be composed of at least two members of the Board, and such committee members are intended at all times to qualify as "outside directors" within the meaning of Section 162(m) of the Internal Revenue Code and "Non-Employee Directors" as defined in Securities and Exchange Commission Rule 16b-3. The Board resolutions adopting the Plan establish an initial 2001 General Stock Option Plan Committee of Richard E. Hanlon (Chairman), Richard C. Marcus and Elizabeth A. VanStory. Any actions taken by the Committee may be taken by a majority of the members present at any meeting at which a quorum is present or by unanimous written consent. The Committee is authorized to interpret the Plan and any related agreements and other documents and such interpretation will be final and conclusive.

The Plan may be amended at any time by the Board of Directors or any authorized committee, including the 2001 General Stock Option Plan Committee, without the consent of our stockholders except where consent of the stockholders is required by applicable law or applicable rules and regulations of a national securities exchange. Subject to the terms of the Plan, the Committee may, without the consent of the option holder, amend any option agreement or otherwise take any action to (i) expand or limit the payment methods, (ii) waive any condition or restriction applicable to the stock option or to the exercise of such stock option, or (iii) expand the events that would constitute a change of control. Unless approved by our stockholders, none of the Board, the 2001 General Stock Option Plan Committee or any other committee of the Board may authorize the amendment of any outstanding stock option to reduce the option exercise price. No stock option may be cancelled and replaced with stock options having a lower option exercise price without the approval of our stockholders. The Plan does not permit acceleration of vesting or extension of the expiration date of an option except as described above.

TRANSFERABILITY. Any option grant under the Plan may be made subject to such transfer restrictions as the Committee may determine.

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

ADJUSTMENTS. The maximum number of shares that may be issued upon exercise of stock options and the price per share applicable thereto are subject to adjustment in the event of stock dividends, stock splits, combinations of shares, recapitalizations, mergers, consolidations, spin-offs, reorganizations, liquidations, issuances of rights or warrants and similar events. If any such transaction or event occurs, the Board or the Committee may, in its discretion, provide in substitution for any and all outstanding stock options, such alternative consideration as it, in good faith, may determine to be equitable under the circumstances and may require the surrender of all stock options so replaced. If the Board and the Committee disagree on any adjustments, the Board's determination will be final and conclusive.

PLAN BENEFITS. Under the present guidelines adopted by the Committee and the provisions of the Plan, the following table shows the value and number of shares of common stock covered by anticipated annual option grants under the Plan to our Chief Executive Officer, each of the other Named Executives, all other current executive officers as a group, each director (including directors who are executive officers) and all other employees as a group. Option grants under the Plan to executive officers are expected to commence in July, 2002 (except grants to newly-hired executive officers, if any). Automatic option grants to directors would commence immediately after the Annual Meeting to which this Proxy Statement relates.

FEDERAL INCOME TAX CONSEQUENCES

The following is a brief summary of certain federal income tax consequences relating to grants of stock options under the Plan based on federal income tax laws currently in effect. This summary is not intended to be complete and does not describe state, local or foreign tax consequences.

TAX CONSEQUENCES TO PARTICIPANTS. In general, no income will be recognized by a participant at the time a stock option is granted. At the time of exercise of the stock option, the participant will recognize ordinary income if the shares are not subject to a substantial risk of forfeiture (as defined in Section 83 of the Internal Revenue Code). The amount of such income will be equal to the difference between the option exercise price and the fair market value of the shares on the date of exercise. At the time of the sale of the shares of common stock acquired pursuant to the exercise of a stock option, appreciation (or depreciation) in value of the shares after the date of exercise will be treated as either short-term or long-term capital gain (or loss) depending on how long the shares have been held. Long-term capital gains may be eligible for reduced rates if applicable holding period requirements are satisfied.

TAX CONSEQUENCES TO MICHAELS. To the extent that a participant recognizes ordinary income as described above, Michaels or the subsidiary for which the participant performs services will be entitled to a corresponding deduction provided that, among other things, the income meets the test of reasonableness, is an ordinary and necessary business expense, is not an "excess parachute payment" within the meaning of Section 280G of the Internal Revenue Code and is not disallowed by the \$1 million limitation on certain executive compensation under Section 162(m) of the Internal Revenue Code.

THE BOARD RECOMMENDS A VOTE FOR APPROVAL OF THE MICHAELS STORES, INC. 2001 GENERAL STOCK OPTION PLAN.

INDEPENDENT AUDITORS

We have engaged Ernst & Young LLP as independent auditors to audit and report to our stockholders on our financial statements for fiscal 2001. During fiscal 2000, there were no disagreements with Ernst & Young LLP on any matter of accounting principle or practice, financial statement disclosure or auditing scope or procedure, which, if not resolved to the satisfaction of Ernst & Young LLP, would have caused them to make a reference to the subject matter of the disagreement in connection with its reports.

Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

FISCAL 2000 INDEPENDENT AUDITORS' FEES

We paid Ernst & Young LLP \$444,000 in aggregate fees for the audit of our fiscal 2000 annual financial statements and reviews of our financial statements included in our reports on Form 10-Q for that year.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

We did not pay any fees to Ernst & Young LLP for professional services rendered in fiscal 2000 with respect to financial information systems design and implementation.

We paid Ernst & Young LLP \$355,000 in aggregate fees for all other services rendered by it during fiscal year 2000.

AUDIT COMMITTEE REPORT

On May 31, 2000, the Board of Directors adopted a new Audit Committee Charter. This Charter requires our Audit Committee to undertake a variety of activities designed to assist our Board in fulfilling its oversight role regarding our auditors' independence, our financial reporting process, our systems of internal control and our compliance with applicable laws, rules and regulations. The Charter also makes it clear that the independent auditors are ultimately accountable to the Board and the Audit Committee, not management.

The Audit Committee is currently composed of three outside directors who are not officers or employees of Michaels. All members of the Audit Committee are independent as defined by the listing standards of the National Association of Securities Dealers, Inc.

The Audit Committee has reviewed and discussed with our management and Ernst & Young LLP, our independent auditors, the audited financial statements of Michaels contained in our Annual Report on Form 10-K for the fiscal year ended February 3, 2001. The Audit Committee has also discussed with our independent auditors the matters required to be discussed pursuant to SAS No. 61 and SAS No. 90 (Codification of Statements on Auditing Standards, COMMUNICATION WITH AUDIT COMMITTEES).

The Audit Committee has also received and reviewed the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committees") and has discussed with Ernst & Young LLP their independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended February 3, 2001, as filed with the Securities and Exchange Commission.

The Audit Committee considered whether, and concluded that, the provision by Ernst & Young LLP of the services referred to under "All Other Fees" is compatible with maintaining the independence of Ernst & Young LLP.

This report is submitted by the members of the Audit Committee of the Board of Directors.

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

(b) "Board" means the Board of Directors of the Company.

(c) "Change of Control" means the first to occur of the events described in (i) through (v) below, unless a majority of the Directors in office immediately prior to such event has adopted a resolution prior to or promptly following the occurrence of any such event stipulating, conditionally, temporarily or otherwise, that any such event will not result in a "Change of Control":

(i) the Company enters into an agreement providing for the merger, consolidation or reorganization of the Company into or with another corporation or other entity, and the consummation of such merger, consolidation or reorganization would result in less than 2/3 of the total combined voting power of the then-outstanding securities entitled to vote generally in the election of directors or persons who serve similar functions of the surviving or resulting entity ("Voting Stock") of such corporation or entity immediately after such transaction being held in the aggregate by the holders of Voting Stock of the Company immediately prior to such event;

(ii) the Company enters into an agreement to sell or otherwise transfer all or substantially all of its assets to another corporation, entity or person, and, if such transfer is to another corporation or entity, the consummation of such sale or transfer would result in less than 2/3 of the total combined voting power of the then-outstanding Voting Stock of such corporation or entity immediately after such sale or transfer being held in the aggregate by the holders of Voting Stock of the Company immediately prior to such event;

(iii) there is a report filed on Schedule 13D or Schedule TO (or any successor schedule, form or report), each as promulgated pursuant to the Act, disclosing that any person (as the term "person" is used in Section 13(d)(3) or Section 14(d)(2) of the Act) has become the beneficial owner (as the term "beneficial owner" is defined under Rule 13d-3 or any successor rule or regulation promulgated under the Act) of securities representing 1/3 or more of the total combined voting power of the then-outstanding Voting Stock of the Company;

Notwithstanding the foregoing provisions of Paragraph 2(c) (iii) or Paragraph 2(c) (iv), unless otherwise determined in a specific case by majority vote of the Board, a "Change of Control" will not be deemed to have occurred for purposes of Paragraph 2(c) (iii) or Paragraph 2(c) (iv) solely because (A) the Company, (B) a Subsidiary or (C) any employee benefit plan of the Company or any Subsidiary, either files or becomes obligated to file a report or a proxy statement under or in response to Schedule 13D, Schedule TO, Form 8-K or Schedule 14A (or any successor schedule, form or report or item therein) under the Act disclosing beneficial ownership by it of shares of Voting Stock of the Company, whether in excess of 1/3 of the total combined voting power of the then-outstanding Voting Stock of the Company or otherwise, or because the Company reports that a change of control of the Company has occurred or will occur in the future by reason of such beneficial ownership or any increase or decrease thereof.

(p) "Subsidiary" means any corporation, partnership, limited liability company, joint venture, trust or other entity in which the Company owns or controls, directly or indirectly, not less than 50% of the total combined voting power or equity interests represented by all classes of stock or other equity interests issued by such corporation, partnership, limited liability company, joint venture, trust or other entity.

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

forfeited or surrendered or that expire for any reason will again be available for issuance under the Plan.

4. INDIVIDUAL LIMITATION ON STOCK OPTIONS. The maximum aggregate number of shares of Common Stock with respect to which Stock Options may be granted to any Participant during any single calendar year will not exceed 150,000 shares; PROVIDED, HOWEVER, that Stock Options with respect to up to an additional 350,000 shares may be granted to a Participant who has not previously been employed by the Company or any of its Subsidiaries upon such Participant's initial employment by the Company or any of its Subsidiaries.

5. GRANTS OF STOCK OPTIONS.

(a) GENERAL. Each grant of Stock Options under this Plan may utilize any or all of the authorizations, and will be subject to all of the requirements, set forth below.

(i) Each grant will specify the number of shares of Common Stock to which it pertains.

(ii) Each grant will specify the Option Price, which will not be less than 100% of the Market Value per Share on the Date of Grant.

(iii) Except as otherwise provided in Paragraphs 5(b)(iii), 5(b)(iv) and 5(c)(iv), each Stock Option granted to a Participant will expire at 5:00 p.m. Dallas, Texas, time, on the calendar day immediately preceding the fifth anniversary of the Date of Grant.

(iv) Successive grants may be made to the same Participant whether or not any Stock Options previously granted to such Participant remain unexercised.

(v) Grants may be made to the same Participant, in the same year or otherwise, under both Paragraph 5(b) and Paragraph 5(c) (I.E., grants may be made to a Participant for such Participant's service both as a Director under Paragraph 5(c) and as an executive officer or other employee of the Company or a Subsidiary under Paragraph 5(b)).

(vi) Each grant may be made subject to such transfer restrictions as the Stock Option Committee may determine.

(vii) Each grant will be evidenced by a stock option agreement executed on behalf of the Company by an officer of the Company and delivered to the Participant and containing such further terms and provisions, consistent with the Plan, as the Stock Option Committee may approve.

(viii) Notwithstanding any other provision of this Paragraph 5, upon a Change of Control each outstanding Stock Option will vest and be fully exercisable and will remain

B-3

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

transfer of all or substantially all of the assets of the Company described in Paragraph 2(c)(ii) is abandoned by the Company, then, on the date of such abandonment, each Stock Option that vested and became fully exercisable pursuant to this Paragraph 5(a)(viii) but that has not been exercised will revert to the exercise terms such Stock Option had prior to acceleration of vesting under this Paragraph 5(a)(viii) and thereafter vest and become exercisable in accordance with the terms of the Plan.

(ix) The periods for vesting of a Stock Option granted under the Plan may not be accelerated in deviation from the terms set forth in Paragraph 5(b) or 5(c), as applicable, and the expiration date for a Stock Option granted under the Plan may not be extended beyond the terms set forth in this Paragraph 5.

(b) GRANTS TO EXECUTIVE OFFICERS AND OTHER EMPLOYEES.

(i) The Stock Option Committee may from time to time authorize grants of Stock Options to executive officers and other employees of the Company and its Subsidiaries upon such terms and conditions as such committee may determine consistent with Paragraph 5(a) above, and the Board may, but will not be required to, ratify such grants from time to time. The number of shares of Common Stock for which a Stock Option granted under this Paragraph 5(b) is exercisable, and the period or periods of continuous service by the Participant with the Company or any Subsidiary that are necessary before such Stock Option or portions thereof become exercisable, will be determined, and the grant thereof will be made, in accordance with Paragraph 5(b)(ii) and the guidelines (the "Guidelines") adopted by the Stock Option Committee from time to time. The Stock Option Committee may amend, or provide for exemptions to or deviations from, the Guidelines.

(ii) Each Stock Option granted to a Participant pursuant to this Paragraph 5(b) will vest 1/3 on the first anniversary of the Date of Grant, 1/3 on the second anniversary of the Date of Grant and 1/3 on the third anniversary of the Date of Grant.

(iii) Notwithstanding any other provision of this Plan, on the date on which a Participant's employment is terminated by reason of the Participant's retirement at or after the age of 60, long-term disability (as determined by the Stock Option Committee in good faith) or death (the date of such retirement, disability or death, as the case may be, being referred to herein as the "Employee Termination Date"), each outstanding Stock Option granted to the Participant pursuant to this Paragraph 5(b) will immediately vest, to the extent not vested, and become fully exercisable on the Employee Termination Date and will expire (A) in the case of retirement or long-term disability, at 5:00 p.m., Dallas, Texas, time, on the calendar day immediately preceding the fifth anniversary of the Employee Termination Date, and (B) in the case of death, at 5:00 p.m., Dallas, Texas, time, on the calendar day immediately preceding the third anniversary of the Employee Termination Date.

(iv) Notwithstanding any other provision of this Plan, on the date on which a Participant's employment is

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

terminated by reason other than retirement at or after the age of 60, long-term disability (as determined by the Stock Option Committee in good faith) or death, the unvested portion of each outstanding Stock Option granted to such Participant pursuant to this Paragraph 5(b) will terminate immediately, and the vested portion of each such Stock Option will expire at 5:00 p.m., Dallas, Texas, time, on the 30th calendar day following the date of such termination.

(c) GRANTS TO DIRECTORS.

(i) Grants of Stock Options to employee and non-employee Directors of the Company, commencing with the annual meeting of stockholders of the Company in 2001, will be automatic pursuant to a "formula plan" for grants of Stock Options under the Plan, such formula plan to consist of the provisions set forth in Paragraphs 5(c)(ii), 5(c)(iii) and 5(c)(iv).

(ii) On the date of first election to the Board, if such election is not at an annual meeting of the stockholders of the Company, and immediately after each annual meeting of the

B-4

stockholders of the Company, each Director will be granted a Stock Option to purchase 17,500 shares of Common Stock.

(iii) Each Stock Option granted to a Director pursuant to this Paragraph 5(c) will fully vest on the Date of Grant.

(iv) Notwithstanding any other provision of this Plan, on the date of a Director's death, any unexpired Stock Option granted to such Director pursuant to this Paragraph 5(c) unexercised on the date of such Director's death will expire at 5:00 p.m., Dallas, Texas, time, on the calendar day immediately preceding the third anniversary of the Director's death.

6. PAYMENT. The Option Price will be payable (i) in cash or by check acceptable to the Company, (ii) by the transfer to the Company of shares of Common Stock owned by the Participant for at least six months (or, with the consent of the Stock Option Committee, for less than six months) having an aggregate Market Value per Share on the business day immediately preceding the date of exercise equal to the aggregate Option Price, (iii) by deferred payment from the proceeds of sale through a bank or broker of some or all of the shares to which such exercise relates, (iv) in any other form of valid consideration acceptable to the Stock Option Committee or (v) by a combination of such methods of payment; PROVIDED, HOWEVER, that the payment method described in clause (ii) will not be available at any time that the Company is prohibited from purchasing or acquiring such shares of Common Stock.

7. ADJUSTMENTS. The Stock Option Committee or the Board will make or provide for such adjustments in the maximum number of shares specified in Paragraph 3 and Paragraph 4, in the number of shares of Common Stock covered by outstanding Stock Options granted hereunder, in the Option Price applicable to any such Stock Options, and/or in the kind of shares covered thereby (including shares of another issuer), as such committee or the Board, as applicable, in its

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

sole discretion, exercised in good faith, may determine is equitably required to prevent dilution or enlargement of the rights of Participants that otherwise would result from any stock dividend, stock split, combination of shares, recapitalization or other change in the capital structure of the Company, merger, consolidation, spin-off, reorganization, partial or complete liquidation, issuance of rights or warrants to purchase securities or any other corporate transaction or event having an effect similar to any of the foregoing. Moreover, if any such transaction or event occurs, the Stock Option Committee or the Board, each in its sole discretion, may provide in substitution for any or all outstanding Stock Options under this Plan such alternative consideration as the Stock Option Committee or the Board, as applicable, may determine in good faith to be equitable in the circumstances and may require in connection with such substitution the surrender of all Stock Options so replaced. In the event the Stock Option Committee shall disagree with the Board with respect to the foregoing adjustments, the Board's determination will be final and conclusive. Any fractional shares resulting from the foregoing adjustments will be eliminated.

8. WITHHOLDING OF TAXES. To the extent that the Company is required to withhold federal, state, local or foreign taxes in connection with any benefit realized by an optionee under the Plan, and the amounts available to the Company for such withholding are insufficient, it will be a condition to the realization of such benefit that the optionee make arrangements satisfactory to the Company for payment of the balance of such taxes required or requested to be withheld. In addition, if permitted by the Stock Option Committee or the Board, an optionee may elect to have any withholding obligation of the Company satisfied with shares of Common Stock (i) owned by the Participant for at least six months (or, with the consent of the Stock Option Committee or the Board, for less than six months) or (ii) that would otherwise be transferred to the optionee on exercise of the Stock Option.

9. ADMINISTRATION OF THE PLAN.

(a) Unless administration of the Plan has been expressly assumed by the Board pursuant to a resolution of the Board, the Plan will be administered by the Stock Option Committee. For purposes of any action taken by the Stock Option Committee, a majority of the members will constitute a quorum, and the action of the members present at any meeting at which a quorum is present, or acts unanimously approved in writing, will be the acts of the Stock Option Committee.

(b) The Stock Option Committee has the full authority and discretion to administer the Plan and to take any action that is necessary or advisable in connection with the administration of the Plan, including without limitation the authority and discretion to interpret and construe any provision of the Plan or of any agreement, notification or document evidencing the grant of a Stock Option. The interpretation and construction by the Stock Option Committee of any such provision and any determination by the Stock

B-5

Option Committee pursuant to any provision of the Plan or of any such agreement, notification or document will be final and conclusive. No member of the Stock Option Committee will be liable for any such action or determination made in good faith.

10. AMENDMENTS, ETC.

(a) To the extent not inconsistent with Paragraph 5, the Stock

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

Option Committee may, without the consent of the optionee, amend any agreement evidencing a Stock Option granted under the Plan, or otherwise take action, to expand or limit the payment methods under Paragraph 6, to waive any condition or restriction applicable to such Stock Option or to the exercise of such Stock Option, or to expand the events that would constitute a Change of Control of the Company under Paragraph 2(c) and may, with the consent of the optionee, amend any such agreement in any other respect.

(b) The Plan may be amended from time to time by the Board or any duly authorized committee thereof (including, without limitation, the Stock Option Committee). In the event any law, or any rule or regulation issued or promulgated by the Internal Revenue Service, the Securities and Exchange Commission, the National Association of Securities Dealers, Inc., any stock exchange or market upon which the Common Stock is listed for trading, or any other governmental or quasi-governmental agency having jurisdiction over the Company, the Common Stock or the Plan, requires the Plan to be amended, or in the event Rule 16b-3 is amended or supplemented (E.G., by addition of alternative rules) or any of the rules under Section 16 of the Act are amended or supplemented, in either event to permit the Company to remove or lessen any restrictions on or with respect to Stock Options, the Board and any duly authorized committee thereof (including, without limitation, the Stock Option Committee) reserves the right to amend the Plan to the extent of any such requirement, amendment or supplement, and all Stock Options then outstanding will be subject to such amendment.

(c) None of the Board, the Stock Option Committee or any other committee of the Board may authorize the amendment of any outstanding Stock Option to reduce the Option Price without the further approval of the stockholders of the Company. Furthermore, no Stock Option may be cancelled and replaced with Stock Options having a lower Option Price without further approval of the stockholders of the Company. This Paragraph 10(c) is intended to prohibit the repricing of "underwater" Stock Options and will not be construed to prohibit the adjustments provided for in Paragraph 7.

(d) If the Stock Option Committee determines, with the advice of legal counsel, that any provision of the Plan would prevent the grant of any Stock Option intended to qualify as performance-based compensation within the meaning of Section 162(m) of the Code from so qualifying, such Plan provision with respect to such grant will be invalid and cease to have any effect without affecting the validity or effectiveness of any other provision of the Plan with respect to such grant or otherwise.

(e) The Plan may be terminated at any time by action of the Board. The termination of the Plan will not adversely affect the terms of any outstanding Stock Option.

(f) The Plan will not confer upon any Participant any right with respect to continuance of employment or other service with the Company or any Subsidiary, nor will it interfere in any way with any right the Company or any Subsidiary would otherwise have to terminate a Participant's employment or other service at any time.
