The Board of Directors of the Company met fifteen (15) times during the year 2003, and has various committees including an Executive Committee, Compensation Committee, Nominating Committee and an Audit Committee. The members of the committees are appointed by the Board of Directors.

Executive Committee

The Executive Committee has general supervision over the affairs of the Company between meetings of the Board of Directors. The members of the Executive Committee include John R. H. Blum, Gordon C. Johnson DVM, John F. Perotti, Walter C. Shannon, Jr., and Michael A. Varet. The Executive Committee did not meet separately from the Board during the year 2003.

Compensation Committee

The Company established a Compensation Committee during the year 2002, which is responsible for reviewing the Company's general compensation strategy; establishing salaries and reviewing benefit programs, including pensions and incentive compensation plans; and advising the Board of Directors and making recommendations with respect to such plans. The members of the Compensation Committee include Nancy F. Humphreys, Gordon C. Johnson DVM, Holly J. Nelson and Walter C. Shannon, Jr. The Compensation Committee met thirteen (13) times during the year 2003.

Nominating Committee

The Company established a Nominating Committee during the year 2002, which is responsible for assisting the Board of Directors in identifying and evaluating potential nominees for a Directorship, and recommending qualified nominees to the Board for consideration. The Nominating Committee selects the Director nominees to stand for election at the Company's Annual Meetings of Shareholders. While the Nominating Committee does not have a formal charter or written policy, the Company's Bylaws included provisions for director qualifications and procedures from shareholder nominations. A copy of the Company's Bylaws is available on the Company's web site at www.salisburybank.com. In addition, the Nominating Committee's process for identifying and evaluating nominees for director, including nominees recommended by shareholders, has historically operated informally and without any differences in the manner in nominees recommended by shareholders are evaluated. However, the Company's Bylaws provide that if the Nominating Committee or Board proposes a nominee age 72 or greater, then such nomination requires two-thirds approval by the full Board.

The Nominating Committee and the Board of Directors consider factors such as those summarized below in evaluating Director candidates and believe that the Company's Bylaws and the qualifications and considerations such as those enumerated below provide adequate guidance and flexibility in evaluating

Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

candidates.

- o Sound business judgment and financial sophistication in order to understand the Company's financial and operating performance, and to provide strategic guidance to management.
- o Business management experience.

8

- o Integrity, commitment, honesty and objectivity.
- o A general familiarity with (i) prudent banking principles; (ii) bank operations/technology; (iii) pertinent laws, policies and regulations; (iv) markets and trends affecting the financial services industries; and (v) local economic and business opportunities.
- o Strong communication skills in order to function effectively with the Company's constituencies.
- o A financial interest in the Company as a shareholder, however, generally, candidates should not have relationships with the Company or the Bank which would disqualify the candidate from being considered independent.
- o Generally, candidates should be involved in philanthropic, education, business, or civic leadership positions.
- o Generally, candidates should be familiar with the geographic areas served by the Company.
- o Candidates should evidence a willingness and commitment to devote sufficient time and energy to prepare for and attend Board and Committee meetings and to diligently perform the duties and responsibilities of service as a Director.
- o Candidates should not have interests which conflict with those of the Company or the Bank.

The Company has not paid a fee to any third party or parties to identify or assist in identifying or evaluating potential nominees. The Board and Nominating Committee does not discriminate on the basis of sex, race, color, gender, national origin, religion or disability in the evaluation of candidates.

The members of the Nominating Committee are John R. H. Blum, Louise F. Brown and Gordon C. Johnson, DVM. All such members are "independent" in accordance with the independence standards of the American Stock Exchange. The Committee did not meet separately from the Board during the year 2003. All nominees for elections as directors at the 2004 Annual Meeting were nominated by the Nominating Committee and Board of Directors.

Audit Committee

Subject to the Audit Committee Charter, attached hereto as Appendix A, the Audit Committee provides assistance to the Board of Directors in fulfilling its responsibility to the shareholders, potential shareholders, and investment community relating to corporate accounting, reporting practices of the Company, and the quality and integrity of the financial reports of the Company. In so doing, it is the responsibility of the Audit Committee to appoint the

Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

independent auditors for the Company and to maintain free and open means of communication between the directors, the independent auditors, the internal auditors, and the financial management of the Company.

The responsibilities of the Audit Committee are governed by the Company's Audit Committee Charter which was adopted by the Company's Board of Directors. Its members are Louise F. Brown, Nancy F. Humphreys, Gordon C. Johnson, DVM, Holly J. Nelson and Michael A. Varet. The Audit Committee met seven (7) times during the year 2003. As of the date of this Proxy Statement, each of the members of the Audit Committee is an "independent director" in accordance with the listing standards of the American Stock Exchange. While no member of the Audit Committee qualifies as an "audit committee financial expert" as such term is defined by federal securities laws and regulations. The Board of Directors believes the members of the Audit Committee bring range of education, business and professional experience that is beneficial to the audit committee function of the Company and the Bank and enable the Audit Committee to fulfill its responsibility.

9

Fees

During 2003, each director received an annual retainer of \$3,000. In addition, directors received \$500 for each Board of Directors meeting attended and \$250 for each committee meeting attended. Director Perotti received no additional compensation for his service as director or member of any Board committee during 2003. During 2001, the Board of Directors and Shareholders approved a Directors Stock Retainer Plan which, beginning in 2002, provides each non-employee director with up to 120 shares of restricted common stock as a component of their compensation.

Director Attendance

During 2003 no director attended fewer than 75% of the aggregate of (1) the total number of meetings of the Company's Board of Directors which he/she was entitled to attend, and (2) the total number of meetings held by all committees of the Company's Board of Directors on which he/she served. The Company does not maintain an attendance policy for directors at the Company's Annual Meetings. All Directors of the Company attended the Company's Annual Meeting on April 26, 2003.

Board of Directors' Communications with Shareholders

While the Company's Board of Directors does not have a formal process for shareholders to send communications to the Board, the volume of such communications has historically been de minimus. Accordingly, the Board considers the Company's informal process to be adequate to address the Company's needs. Historically, such informal process has functioned as follows: A Board recipient of a shareholder communication would forward same to the Chairman and Chief Executive Officer for appropriate discussion by the Board and the formulation of an appropriate response. Shareholders may forward written communications to the Board by addressing such comments to the Board of Directors of Salisbury Bancorp, Inc., 5 Bissell Street, P. O. Box 1868, Lakeville, Connecticut 06039.

Compensation Committee Report

In the fourth quarter of 2002, a Compensation Committee was established consisting solely of outside Directors. The full Board of Directors of the Company review and approve this Committee's recommendations.

Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

The goal of this Committee is to more closely align performance with compensation. Recognizing that recruiting, retaining and rewarding top talent is essential to the ultimate success of the Institution, the Committee is working on designing an incentive program that incorporates bank wide, departmental and individual goals and objectives.

A rigorous budget process setting clearly defined targets for bank wide performance and return for shareholder equity was the first task of the Committee. In addition, goals were established for 2003 for company wide, departmental and individual performance with methodology pre-determined for base salary increases and annual incentives in the form of a cash bonus (short term incentives). Developing appropriate long term incentives for key executive officers was also a task before the Committee for 2003.

In 2002, the Company retained a compensation consulting firm to: aid in the architecture of this plan; to help establish clearly defined goals; to perform peer group analysis on different forms of compensation to ensure that Salisbury Bank remains competitive; and, to make clear to the Committee the myriad of long term incentives that are available in our peer group market place. The Company contracted to work with the consulting firm in 2003.

10

In establishing levels of remuneration, the compensation committee takes into consideration an individual's performance, level of expertise, responsibilities, length of service to the Company and comparable levels of remuneration paid to executives of other companies of comparable size and development within the industry. The individual interested executive does not participate in the review, discussion or decisions of the compensation committee regarding this remuneration.

Insurance

In addition to the cash compensation paid to the executive officers of the Company and the Bank, the executive officers receive group life, health, hospitalization and medical insurance coverage. However, these plans do not discriminate in scope, term, or operation, in favor of officers or directors of the Company and the Bank and are available generally to all full-time employees.

Pension Plan

The Bank maintains a non-contributory defined pension plan for officers and other salaried employees of the Bank who become participants after attaining age 21 and completing one (1) year of service.

Pension benefits are based upon average salary (determined as of each January 1st) during the highest five (5) consecutive years of services prior to attaining normal retirement age. The amount of the annual benefit is 2% of Average Salary offset by .65% of Social Security wage base as provided under the 1994 Act per year of service (to a maximum of 25 years) plus one-half of 1% of Average Salary for each year of service over 25 years (to a maximum of ten years). This benefit formula may be modified to conform with changes in the pension laws.

The present average salary (using last five years of salary only) and years of service to date of Messrs. Perotti, Cantele, Clinton and Ms. Johnstone are: Mr. Perotti: \$198,564 with 31 years of service; Mr. Cantele: \$114,308 with 22 years of service; Mr. Clinton: \$90,366 with 17 years of service; and Ms. Johnstone: \$101,191 with 16 years of service. The above table shows estimated annual retirement benefits payable at normal retirement date as a straight life annuity for various average salary and service categories. The offset of social security was included in the table based on a participant being 65 years of age in 2002.

Supplemental Retirement Arrangement

In 1994, the Bank entered into a supplemental retirement arrangement (the "Supplemental Retirement Agreement") with John F. Perotti. Following disability or retirement at the earlier of the age of 65, or after thirty (30) years of service to the Bank, Mr. Perotti will receive monthly payments of \$1,250 (adjusted annually to reflect the lesser of a five percent (5%) increase or "The Monthly Consumer Price Index for All Urban Consumers, United States City Average, All Items" published by the Bureau of Labor Statistics) for a period of ten (10) years. These payments are in addition to any payments under the Bank's retirement plan. The Supplemental Retirement Agreement includes provisions which would prevent Mr. Perotti from working for a competitor in the proximity of the Bank.

Directors Stock Retainer Plan

The shareholders of the Company voted to approve the "Directors Stock Retainer Plan of Salisbury Bancorp, Inc." (the "Plan") at the 2001 Annual Meeting of Shareholders. The Plan provides non-employee directors of the Company with shares of restricted stock of the Company as a component of their

Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

compensation for services as non-employee directors. The maximum number of shares of stock that may be issued pursuant to the Plan shall not exceed 15,000. The first grant date under the plan was April 26, 2002. The "annual stock retainer" consisted of 120 shares of restricted common stock for each non-employee director who served for twelve months and a prorated number of shares to reflect the number of months served for any new non-employee director. The total number of restricted shares issued was 840. The next grant date under this plan will immediately precede the 2004 Annual Meeting of Shareholders.

Change in Control Agreements

The Bank entered into change in control agreements in 2003 with the following Officers of the Bank: John F. Perotti, Richard J. Cantele, Jr., John F. Foley, Todd M. Clinton, Diane E. R. Johnstone, Joseph C. Law, Lana M. Hobby, William C. Lambert, Sharon A. Pilz and Geoffrey A. Talcott. The agreements provide that if following a "change-in-control" of the Company or Bank, an Officer is terminated under certain defined circumstances, or is reassigned, within a period of twelve (12) months following the change in control, such Officer will be entitled to a lump sum payment equal to his or her twelve (12) month compensation based upon the most recent aggregate base salary paid to the Officer in the twelve (12) month period immediately preceding the date of change in control. In addition, the Bank entered into a change in control agreement in 2003 with Elizabeth Summerville, who recently joined the Bank, which provides that if following a "change in control" of the Company or Bank, the Officer is terminated under certain defined circumstances, or is reassigned, within a period of twelve (12) months following the change in control, such Officer will be entitled to a lump sum payment equal to her six (6) month compensation based upon the most recent aggregate base salary paid to the Officer in the twelve (12) month period immediately preceding the date of the change in control. In no event shall such payments be made in an amount which would cause them to be deemed non-deductible to the Bank by reason of the operation of Section 280G of the Internal Revenue Code.

401(k) Plan

The Bank offers a 401(k) profit sharing plan. This plan began in the year 2000. Each Plan Year, the Bank will announce the amount of the matching contributions, if any. The amount of the matching contributions is directly related to the employees' 401(k) salary deferral contribution. For the Plan Year that began January 1, 2002, all eligible participants received a matching contribution equal to fifty percent (50%) of their 401(k) salary deferral contribution to the Plan; however, it is limited to two percent (2%) of the plan compensation not to exceed \$4,000. The Plan expense was \$49,484 for 2003.
