TOP SHIPS ANNOUNCES DELIVERY OF THE LATEST DRYBULK VESSEL

ATHENS, GREECE (May 5, 2008) ... TOP Ships Inc. (NasdaqGS:TOPS) announced that it has taken delivery of the M/V ASTRALE, a 75,933 dwt Panamax drybulk vessel, built in 2000 in Japan. The vessel has been financed with secured bank debt.

The M/V ASTRALE is the last drybulk vessel to be delivered under agreements entered into by the Company in 2007, all of which were delivered between the fourth quarter 2007 and the second quarter 2008. The ASTRALE has entered into a time-charter employment for a period of one year at a gross rate of \$72,000 per day.

About TOP Ships Inc.

TOP Ships Inc., formerly known as TOP Tankers Inc., is an international provider of worldwide seaborne crude oil and petroleum products and of drybulk transportation services. The Company operates a combined tanker and drybulk fleet as follows:

- a fleet of 17 tankers, consisting of 9 double-hull Suezmax tankers and 8 double-hull Handymax tankers, with a total carrying capacity of approximately 1.7 million dwt, of which 83% are sister ships. Twelve of the Company's 17 tankers are on time charter contracts with an average initial term of over two years with all but three of the time charters including profit sharing agreements above their base rates. In addition, the Company has ordered six newbuilding product tankers, which are expected to be delivered in the first half of 2009.
- a fleet of five drybulk vessels. Four of the Company's five drybulk vessels have period charter contracts for an average period of 20 months.

Forward Looking Statement

Certain statements and information included in this release constitute “forward-looking statements” within the meaning of the Federal Private Securities Litigation Reform Act of 1995. The Private Securities Litigation Reform Act of 1995 provides safe harbor protections for forward-looking statements in order to encourage companies to provide prospective information about their business. Forward-looking statements reflect our current views with respect to future events and financial performance and may include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts.

The Company desires to take advantage of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and is including this cautionary statement in connection with this safe harbor legislation. The words “believe,” “anticipate,” “intends,” “estimate,” “forecast,” “project,” “plan,” “potential,” “will,” “may,” “should,” “expect,” “pen expressions identify forward-looking statements. The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, our management’s examination of historical operating trends, data contained in our records and other data available from third parties. Although we believe that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond our control, we cannot assure you that we will achieve or accomplish these expectations, beliefs or projections.

In addition to these important factors, other important factors that, in our view, could cause actual results to differ materially from those discussed in the forward-looking statements include possible shareholder objections to the settlement of the class action, possible shareholder opt outs from the settlement, possible disapproval of the Court of the settlement, possible shareholder class appeals of the settlement and adverse outcomes on appeal, general market conditions, including fluctuations in charter rates and vessel values, changes in the demand for our vessels, potential liability from pending or future litigation, general domestic and international political conditions, and other factors. Please see our filings with the Securities and Exchange Commission for a more complete discussion of these and other risks and uncertainties.

TOP SHIPS ISSUES 7.3 MILLION SHARES IN PRIVATE PLACEMENT

ATHENS, GREECE (April 24, 2008) ... TOP Ships Inc (NasdaqGS:TOPS), announced today that it has privately placed 7.3 million common unregistered shares for aggregate gross proceeds of \$51 million with various investors. The 7.3 million shares were sold for \$7.00 per share, which represents a discount of 15.5 percent based on the closing share price of \$8.28 on April 23, 2008.

Of the shares placed, 2.9 million shares were placed with Sphinx Investment Corp., a company privately controlled by George Economou.

The Company expects to issue the privately placed shares in multiple transactions between April 30 and May 7, 2008. The Company expects to use the proceeds for acquisitions and general corporate purposes.

About TOP Ships Inc.

TOP Ships Inc., formerly known as TOP Tankers Inc., is an international provider of worldwide seaborne crude oil and petroleum products and of drybulk transportation services. The Company operates a combined tanker and drybulk fleet as follows:

- a fleet of 17 tankers, consisting of 9 double-hull Suezmax tankers and 8 double-hull Handymax tankers, with a total carrying capacity of approximately 1.7 million dwt, of which 83% are sister ships. Twelve of the Company's 17 tankers are on time charter contracts with an average initial term of over two years with all but three of the time charters including profit sharing agreements above their base rates. In addition, the Company has ordered six newbuilding product tankers, which are expected to be delivered in the first half of 2009.
- a fleet of four drybulk vessels with delivery of one additional drybulk vessel expected during April or in early May 2008. When this vessel is delivered, four of the Company's five drybulk vessels will have period charter contracts for an average period of 20 months.

Forward Looking Statement

Certain statements and information included in this release constitute “forward-looking statements” within the meaning of the Federal Private Securities Litigation Reform Act of 1995. The Private Securities Litigation Reform Act of 1995 provides safe harbor protections for forward-looking statements in order to encourage companies to provide prospective information about their business. Forward-looking statements reflect our current views with respect to future events and financial performance and may include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts.

The Company desires to take advantage of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and is including this cautionary statement in connection with this safe harbor legislation. The words “believe,” “anticipate,” “intends,” “estimate,” “forecast,” “project,” “plan,” “potential,” “will,” “may,” “should,” “expect,” “pen” expressions identify forward-looking statements. The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, our management’s examination of historical operating trends, data contained in our records and other data available from third parties. Although we believe that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond our control, we cannot assure you that we will achieve or accomplish these expectations, beliefs or projections.

In addition to these important factors, other important factors that, in our view, could cause actual results to differ materially from those discussed in the forward-looking statements include the strength of world economies and currencies, general market conditions, including fluctuations in charter rates and vessel values, failure of a seller to deliver one or more vessels or of a buyer to accept delivery of one or more vessels, inability to procure acquisition financing, default by one or more charterers of our ships, changes in the demand for crude oil and petroleum products, changes in demand for dry bulk shipping capacity, changes in our operating expenses, including bunker prices, drydocking and insurance costs, the market for our vessels, availability of financing and refinancing, changes in governmental rules and regulations or actions taken by regulatory authorities, potential liability from pending or future litigation, general domestic and international political conditions, potential disruption of shipping routes due to accidents or political events, vessels breakdowns and instances of off-hires and other factors. Please see our filings with the Securities and Exchange Commission for a more complete discussion of these and other risks and uncertainties.
