**DOLPHIN COMMENTS ON *infoUSA* LETTER TO SHAREHOLDERS**

STAMFORD, CONNECTICUT, April 26, 2006 - Dolphin Limited Partnership I, L.P. and Dolphin Financial Partners, L.L.C. which together own 2,000,000 shares, or 3.6% of the outstanding shares of *infoUSA* Inc. (NASDAQ : IUSA) said today that the April 26th letter to *infoUSA*'s shareholders is nothing but a blatant attempt to distract from the real issue: the *infoUSA* Board's lack of ability to rein in its chairman. This is why Dolphin has proposed three new highly qualified and independent directors to serve on the *infoUSA* Board. These directors have no ties to Dolphin or *infoUSA*. We urge shareholders to visit [www.iusaccountability.com](http://www.iusaccountability.com) to learn more.

Dolphin said today that the accusations about Dolphin and Donald T. Netter are absurd. Dolphin has a long history of creating shareholder value. As Mr. Netter has said publicly, "At no time was I or any director who became associated with Damon after its acquisition accused of, or found to have committed, any inappropriate act by the government after a three-year investigation."

Dolphin finds it shocking that even with a 40 percent head start, Mr. Vinod Gupta finds it necessary to resort to these smear tactics. Dolphin, with a \$25 million investment in *infoUSA*, remains committed to the interests of all shareholders.
