**IT'S NOW UP TO YOU TO HOLD THE FULL *infoUSA* BOARD AND MR. VINOD GUPTA
ACCOUNTABLE**

SIGN, DATE AND RETURN THE *BLUE* PROXY CARD TODAY!

May 2, 2006

Dear Fellow *infoUSA* Stockholder:

As you know, Dolphin, which owns 2.0 million shares or 3.6% of *infoUSA*'s stock, has nominated a slate of highly qualified, independent candidates for election as Directors at the upcoming Annual Meeting on May 26, 2006. These nominees have only agreed to serve to benefit you and are committed to building shareholder value at *infoUSA* by ensuring that the full Board represents the interests of *all* shareholders and holds top management accountable.

Dolphin's nominees are independent and have *no* ties to Dolphin, *infoUSA* or its management.

CONSIDER THE *REAL* ISSUES AND FACTS

DO NOT BE MISLED BY *infoUSA* AND MR. VINOD GUPTA

**AND THEN VOTE THE *BLUE* PROXY CARD TO PROTECT THE VALUE OF YOUR INVESTMENT IN
*infoUSA***

We believe that the value of our and your investment is harmed by the full Board's failure to hold top management accountable, particularly Mr. Vinod Gupta, Chairman, CEO and 40% shareholder. That's why we have gone to great lengths to bring you the real issues and facts and to provide you with a real alternative: three highly qualified, independent nominees. It is now up to you to hold the full Board and Mr. Vinod Gupta accountable by voting **FOR** our slate.

We believe the full Board and Mr. Vinod Gupta have not been upfront with you. Their letters fail to address the critical issues that we have raised with them over the past eight months and have presented to you. Instead of responding to these real issues, they have tried to change the subject by stooping to absurd, irrelevant personal attacks.

Here are just some of the real issues and facts that they haven't addressed:

POOR Profitability (EBITDA) Has Gone Nowhere From 2001 to 2005 PERFORMANCE

The Share Price Has Dropped 13% Since *infoUSA* Missed 1st Quarter Analyst Expectations

The Board's April 17 letter to shareholders, signed by Mr. Vinod Gupta, extols the Company's performance. However, *just four days later*, on April 21 *infoUSA* missed analyst expectations for 1st quarter earnings, knocking 13% off your investment, as of the close on May 1. If you are a long-term *infoUSA* shareholder, you know *infoUSA*'s history of negative earnings surprises.

**TAKING Mr. Vinod Gupta Made An Opportunistic \$11.75 Offer in 2005 To
ADVANTAGE Acquire Your Shares *Just 5 Days* After An Earnings Warning
OF YOU Knocked 20% Off Your Investment**

Then Mr. Vinod Gupta Voted To Terminate The Special Board Committee After The Committee Rejected His Offer And Stated It Would Be In Your Best Interests To "Explore A Range Of Strategic Alternatives"

The facts speak for themselves. *Three months* after publicly stating that he believed *infoUSA* stock was *worth more than \$18 per share*, Mr. Vinod Gupta opportunistically offered to acquire your shares for \$11.75 per share. This offer came *just 5 days* after *infoUSA* lowered its earnings forecast. The Board formed a Special Committee to consider the offer and to "*solicit, negotiate, approve or reject alternate proposals*".

After the Special Committee rejected the offer and publicly stated it would be in your best interests to "explore a range of strategic alternatives", Mr. Vinod Gupta voted with other members of the Board that Dolphin believes were conflicted, including current nominee Dr. Haddix, to terminate the Special Committee that was trying to deliver more value to you. The other *infoUSA* nominee, Dr. Raval, failed to take a stand for you and abstained. A detailed time line of these events, with supporting documentation, is available on our website: www.IUSAccountability.com.

**LACK OF Vinod Gupta Is the Only Shareholder Exempt from *infoUSA*'s
FAIRNESS Shareholder Rights Plan**

infoUSA adopted a shareholder rights plan in 1997 that seeks to deter opportunistic offers detrimental to shareholder interests by preventing anyone from acquiring more than 15% of *infoUSA* stock. The full Board, however, continues to allow Mr. Vinod Gupta and his affiliates to be the *only* shareholders exempt from the plan provisions. **It seems to us that Mr. Vinod Gupta is the one shareholder the plan should apply to, based on the opportunistic offer he made in 2005 and his continued purchases of shares and exercises of options granted him by the Board.**

ACCOUNTABILITY The Full Board Has Allowed Mr. Vinod Gupta to Use Your Money For Private Jets, An 80 Foot Yacht, A Skybox, Private Residences, Real Estate, Luxury Cars

As detailed in our proxy statement previously sent you, Mr. Vinod Gupta and his affiliates have engaged in over \$16 million in related party transactions with *infoUSA* since 1998. Dolphin believes that not all of these transactions were for valid business purposes, a belief reinforced by a report of the chairman of the *infoUSA* audit committee (see below). Instead of simply putting an end to these related party transactions, *infoUSA* spent more of your money to acquire the assets from Mr. Vinod Gupta and his affiliates.

We believe that the Board's failure to take effective action to curb these abuses is demonstrated by the 2004 "in-depth" investigation into such expenditures by Dr. Raval, Chairman of the Audit Committee and current Company nominee. Dr. Raval's memorandum describing his investigation can be found on our website: <http://www.IUSAccountability.com/index.php>. We urge you to read it.

**TAKING Mr. Gupta has received 3.2 Million Options Since 1998
ADVANTAGE
OF YOU Significant Dilution for You. An "Incentive" For Mr. Vinod Gupta?**

The full Board has granted Mr. Vinod Gupta 3.2 million options, an additional 6% of *infoUSA*'s shares, since 1998. Option grants are designed to incentivize employees to build additional shareholder value and thereby outweigh their dilutive effect. Isn't Mr. Vinod Gupta just taking money out of your pocket because he already owns such a large amount of *infoUSA* stock?

These option grants and their exercise, however, have diluted your interests and make it more difficult for unaffiliated shareholders to gain representation on the Board. In fact, **Mr. Gupta exercised 1.2 million options just before the record date for this Annual Meeting, with the result that he now has the right to vote 40% of *infoUSA*'s stock.**

**GIVEN THE ACTIONS OF MR. VINOD GUPTA AND THE FULL BOARD, CAN YOU TRUST
ANYTHING THEY SAY?**

CONSIDER THE *REAL* ISSUES AND FACTS

**AND THEN VOTE THE *BLUE* PROXY CARD TO PROTECT THE VALUE OF YOUR INVESTMENT IN
*infoUSA***

Your vote is extremely important, no matter how many or how few shares you own, since Mr. Vinod Gupta, *infoUSA*'s Chairman and CEO, who is seeking re-election at the meeting, owns 40% of the shares entitled to vote.

We strongly urge you to sign, date and return the enclosed **BLUE** proxy card with a vote **FOR** our nominees and our proposal to amend the bylaws to prohibit for three years the re-nomination or appointment by the Board of a director who has been voted down by the shareholders.

This is an opportunity to make a statement to the full Board that these kinds of actions are not acceptable to you! It's now up to you to hold the full Board and Mr. Vinod Gupta accountable.

Even if you have already voted a White proxy card, *you have every right to change your mind*. Simply sign, date and return the enclosed **BLUE** proxy card. Remember, only your latest dated proxy card counts!

Thank you for your support.

Very truly yours,

/s/ Donald T. Netter
