MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors has delegated various responsibilities and authority to different Board committees as described below. Committees regularly report on their activities and actions to the full Board of Directors. The Board of Directors has three standing committees: the Compensation Committee, the Audit Committee and the Nominating and Corporate Governance Committee. The Board of Directors has appointed only independent directors to such committees. Each committee has a written charter adopted by the Board of Directors under which it operates. Copies of each charter are posted on our website at www.arkrestaurants.com.

Ms. Allen (Chairperson) and Messrs. Shulman and Zankel currently serve as members of the Compensation Committee of the Board. The Board of Directors has determined that all of the members of the Compensation Committee are independent under Nasdaq listing standards. The duties of the Compensation Committee are to recommend to the Board remuneration for officers of the Company, to administer the Company's stock option plan and to recommend the establishment of and to monitor a compensation and incentive program for all executives of the Company. The Board of Directors adopted a written charter under which the Compensation Committee operates. The Compensation Committee held five meetings in 2006.

Messrs. Lewin (Chairperson) and Stainman and Ms. Allen currently serve as members of the Audit Committee of the Board of Directors. The Audit Committee is responsible for, among other things, and engaging the independent auditors, receiving and reviewing the recommendations of the independent auditors, reviewing consolidated financial statements of the Company, meeting periodically with the independent auditors and Company personnel with respect to the adequacy of internal accounting controls, resolving potential conflicts of interest and reviewing Company's accounting policies. The Board of Directors has determined that all of the members of the Audit Committee meet the independence criteria for audit committees and have the qualifications set forth in the listing standards of Nasdaq and Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Board of Directors has also designated Ms. Allen as an audit committee financial expert within the meaning of Item 401(h) of Regulation S-K under the Exchange Act and the Board of Directors has determined that she has the financial sophistication required under the listing standards of Nasdaq. The Board of Directors reviews and assesses the adequacy of the charter of the Audit Committee on an annual basis. A copy of the charter of the Company's Audit Committee is posted on our website. Copies of the Company's Audit Committee charter are available, free of charge, upon request directed to us at our principal offices, Attention: Robert Towers. Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

Committee held one meeting in 2006. The Nominating and Corporate Governance Committee approved the nomination of the candidates reflected in Proposal One, which candidates were approved by the Board of Directors. In 2006, the Company did not employ a search firm or pay fees to other third parties in connection with seeking or evaluating board candidates.

The duties of the Nominating and Corporate Governance Committee are to recommend to the Board nominees to the Board of Directors and its standing committees. Although the Nominating and Corporate Governance Committee has not established minimum qualifications for director candidates, it will consider, among other factors:

6

- o Judgment
- o Skill
- o Diversity
- o Experience with businesses and other organizations of comparable size
- o The interplay of the candidate's experience with the experience of other Board members
- o The extent to which the candidate would be a desirable addition to the Board and any committees of the Board

The Nominating and Corporate Governance Committee will consider all director candidates recommended by stockholders. Any stockholder who desires to recommend a director candidate may do so in writing, giving each recommended candidate's name, biographical data and qualifications, by mail addressed to the Chairman of the Nominating and Corporate Governance Committee, in care of Ark Restaurants Corp., 85 Fifth Avenue, New York, New York 10003. Members of the Nominating and Corporate Governance Committee will assess potential candidates on a regular basis.

STOCK OPTION PLAN

The Company's 2004 Stock Option Plan (the "Plan"), as amended, is the only equity compensation plan currently in effect and it was approved by the shareholders. The Plan permits the Company to grant options to purchase up to 450,000 shares of the Company's common stock. These options may be granted as incentive stock options, designed to meet the requirements of Section 422 of the Internal Revenue Code, or they may be "non-qualified" options that do not meet the requirements of that section.

The purpose of the Plan is to encourage stock ownership by the employees, directors, officers, independent contractors and advisors of the Company and its subsidiaries and thereby enhance their proprietary interest in the Company. The Compensation Committee determines which of the eligible directors, officers, employees, consultants and advisors receive stock options, the terms of the options, including applicable vesting periods, the number of shares for which options are granted, and the manner in which options may be exercised. The Compensation Committee also determines the exercise price of each option. With

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

respect to incentive stock options, the option price may not be less than 100% of the fair market value on the date of the grant; with respect to non-qualified stock options, the exercise price may not be less than 85% of the fair market value on the date of the grant. In making such determinations, the Compensation Committee may take into account the nature and period of service of eligible employees, their level of compensation, their past, present and potential contributions to the Company and such other factors as Compensation Committee deems relevant.

The Company, with the approval of the shareholders, terminated the 1996 Stock Option Plan. This action terminated the 257,000 authorized but unissued options under the plan but it did not affect any of the options previously issued under the plan.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION (1)

The Compensation Committee, consisting of Messrs. Shulman and Zankel and Ms. Allen, determines the compensation of the President and sets policies for and reviews with the President the compensation awarded to the other principal executives.

The Company's current executive officers consist of the President, Michael Weinstein, and Messrs. Pascal, Towers, Gordon and Stewart. The three elements of their compensation have been salary, bonus and stock options.

The President is the founder, Chairman and Chief Executive Officer of the Company. He owns over 1,000,000 shares of Company stock (including exercisable options), approximately 29.9% of the outstanding shares. The Compensation Committee believes he is substantially motivated, both by reason of stock ownership and commitment to the Company, to act on behalf of all shareholders to optimize overall corporate performance.

The President's annual salary was increased from \$695,781 in fiscal 2004,

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

to \$739,016 in fiscal 2005 and \$776,652 in fiscal 2006. The President was also paid a bonus of \$55,000 in fiscal 2004 and \$48,927 in fiscal 2005. In December 2004 he received an option to purchase 25,000 shares of Common Stock. The Compensation Committee believes the compensation paid to the President to be comparable or less than that generally paid to chief executive officers at comparable companies.

The Compensation Committee relies extensively on the views of the President in determining salaries paid to Messrs. Pascal, Towers, Gordon and Stewart. Their salary levels are believed to be competitive with amounts paid to executives with comparable qualifications, experience and responsibilities at companies of comparable size and also reflect assessments of past performance and expectations concerning future contributions to the Company and its business.

It is through the use of stock options that the Company has endeavored to relate corporate performance and compensation of the executives other than Mr. Weinstein. The Board believes that stock ownership is a major incentive in building shareholder wealth and aligning the interests of employees and shareholders. In December 2004, Messrs. Towers, Pascal, Gordon and Stewart each received options to purchase 17,500 shares of Common Stock.

All options granted were granted at an exercise price equal to the market price on the date of grant.

This report is respectfully submitted by the Compensation Committee of the Board of Directors.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has recommended, and the Board of Directors has approved, the appointment of J.H. Cohn LLP, an independent registered public accounting firm, to audit our financial statements for the fiscal year ending September 29, 2007. It is proposed that shareholders ratify the appointment by the Board of J.H. Cohn LLP as independent auditors for the Company for the fiscal year ending September 29, 2007. The Company expects representatives of J.H. Cohn LLP to be present at the Meeting and available to respond to appropriate questions submitted by shareholders. Approval by the shareholders of the appointment of independent auditors is not required, but the Board deems it desirable to submit this matter to

December 31, 2006

The Board of Directors
Ark Restaurants Corp.

Fellow Directors:

The primary purpose of the Audit Committee is to assist the Board of Directors in its general oversight of the Corporation's financial reporting process. The Audit Committee conducted its oversight activities for Ark Restaurants Corp. and subsidiaries ("Ark") in accordance with the duties and responsibilities outlined in the audit committee charter. The Audit Committee annually reviews the NASD standard of independence for audit committees and its most recent review determined that the committee meets that standard.

Ark management is responsible for the preparation, consistency, integrity and fair presentation of the financial statements, accounting and financial reporting principles, systems of internal control, and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations. The Corporation's independent auditors, J.H. The Audit Committee, with the assistance and support of the Chief Financial Officer of Ark, has fulfilled its objectives, duties and responsibilities as stipulated in the audit committee charter and has provided adequate and appropriate independent oversight and monitoring of Ark's systems of internal control for the fiscal year ended September 30, 2006.

These activities included, but were not limited to, the following significant accomplishments during the fiscal year ended September 30, 2006:

- o Reviewed and discussed the audited financial statements with management and the external auditors.
- o Received written disclosures and letter from the external auditors

Edgar Filing: ARK RESTAURANTS CORP - Form DEF 14A

required by Independence Standards Board Standard No. 1, and discussed with the auditors their independence.

In reliance on the Committee's review and discussions of the matters referred to above, the Audit Committee recommends the audited financial statements be included in Ark's Annual Report on Form 10-K for the fiscal year ended September 30, 2006, for filing with the Securities and Exchange Commission.

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission (the "Commission") and the NASDAQ/National Market System. Officers, directors and greater than ten percent shareholders are required by the Commission's regulations to furnish the Company with copies of all Forms 3, 4 and 5 they file.

Based solely on the Company's review of the copies of such forms it has received, the Company believes that all of its officers, directors and greater than ten percent beneficial owners complied with all filing requirements applicable to them with respect to transactions during fiscal 2006.

VOTING PROCEDURES

Pursuant to Commission rules, a designated blank space is provided on the proxy card to withhold authority to vote for one or more nominees for director. Votes withheld in connection with the election of one or more of the nominees for director will not be counted in determining the votes cast and will have no effect on the vote. With respect to the tabulation of votes cast on the selection of independent auditors (Proposal 2), abstentions will not be considered as present and voting with respect to that specific proposal.

Under the rules of the National Association of Securities Dealers (NASD), brokers who hold shares in street name for customers have the authority to vote on certain items when they have not received instructions from beneficial owners. Brokers that do not receive instructions are entitled to vote upon the election of directors, the selection of independent auditors and other routine matters. With respect to other matters, brokers do not have authority under NASD rules to vote on their own initiative unless they have received instructions from beneficial owners. This is commonly referred to as a "broker non-vote."
