INTRODUCTION

General Electric Company, a New York corporation (the “Company” or the “Registrant” or “we”), registered on a Registration Statement on Form S-8 (File no. 333-158069) filed on March 17, 2009 (the “Original Registration Statement”), as amended by Post-Effective No. 1 filed on November 8, 2011 (“Amendment No. 1”), 10,000,000 shares of the Company’s common stock, par value \$0.06 per share (the “Common Stock”), to be offered and sold under certain existing and future benefit and compensation plans of the Company and its affiliates that co-filed the Original Registration Statement or that are added to the Original Registration Statement through post-effective amendments thereto (the “Plans”), and an indeterminate amount of interests in each of the Plans. As amended hereby, the following amounts of shares of Common Stock have been registered under the Registration Statement with respect to the Plans:
