Item 2.02. Results of Operations and Financial Condition

Item 7.01. Regulation FD Disclosure

First Horizon has recognized pretax expense of \$11.6 million in third quarter 2015 related to an arbitration matter

On October 26, 2015, First Horizon National Corporation (“FHN”) disclosed in a Current Report on Form 8-K that an arbitration panel had reached a decision in a pending matter, but that FHN had not received that decision. The case was brought by two former customers of FTN Financial Securities Corp. (“FTN”), led by First United Bank & Trust, relating to purchases of PreTSL securities from FTN in 2006 and 2007.

Late on October 30, 2015, FHN was advised by FINRA, which administered the arbitration, that the panel found in favor of the claimants and awarded them approximately \$11.6 million. After considering the terms of the award, FHN has recognized a pre-tax expense of \$11.6 million for the third quarter of 2015 related to this matter. The expense will be recognized as a litigation and regulatory matter in other non-interest expense in the consolidated income statement and within the Fixed Income segment.

Because FHN did not learn the outcome of this matter until October 30, 2015, the financial information included in FHN’s earnings release dated October 16, 2015, and in Exhibit 99.2 to FHN’s Current Report on Form 8-K filed October 23, 2015, did not reflect this additional expense. FHN’s Quarterly Report on Form 10-Q for the period ended September 30, 2015, will reflect the financial effects of this award.

Revised summary financial results are included in Exhibit 99.1 to this Form 8-K. In the near future FHN expects to revise its third quarter 2015 financial supplement, originally issued on October 16, 2015, to reflect the expense and related impacts. The revised supplement will be posted in the Investor Relations section of FHN’s website www.fhnc.com.
