Operating Officer, respectively, of Obsidian.

The obligations of Messrs. Durham and Whitesell to cause the transaction to be closed are subject to various conditions, including the final settlement of the currently pending litigation bought by Markpoint on April 29, 2002, against Champion and Obsidian. See Item 5 of this Report for a description of the status of the pending litigation with Markpoint.

### ITEM 5. OTHER EVENTS AND REGULATION FD DISCLOSURE.

As previously reported by Obsidian, Markpoint initiated litigation on April 29, 2002, seeking to collect subordinated debt in the principal amount of \$1,250,000 which Markpoint asserted was owed to it by Champion and guaranteed by Obsidian. The parties have agreed to settle the matter by:

- o Champion paying Markpoint \$675,000 in cash and Obsidian issuing to Markpoint 32,143 shares of Obsidian Series D preferred stock (the "Settlement Shares") and agreeing to repurchase the Settlement Shares for \$675,000, if the Settlement Shares do not have an aggregate trading value of at least \$675,000 during a specified period; and
- o Markpoint releasing all claims against Obsidian and all claims against, or interest in, Champion.

Definitive settlement documents have not been agreed upon or executed by the parties and, thus, the final settlement of the matter and the termination of the litigation have not yet occurred.
