(e) On May 18, 2016, Lake Shore Savings Bank (the “Bank”), a wholly-owned subsidiary of Lake Shore Bancorp, Inc. (the “Company”), entered into an amended and restated joinder agreement with Rachel A. Foley, Chief Financial Officer and Treasurer of the Company and the Bank, and a joinder agreement with Jeffery Werdein, Executive Vice President of the Company and the Bank in connection with their participation in the Lake Shore Savings Bank Executives Amended and Restated Supplemental Benefit Plan II (the “SERP”). Mr. Werdein is a new participant in the SERP.

Under the SERP and the joinder agreements, the executives will generally be entitled to an annual benefit equal to 2% of the executive’s average final pay multiplied by years of service (not to exceed twenty years of service) payable over a period of fifteen years with payments generally commencing after the executive terminates employment and after the executive attains age sixty-five. If the executive has a termination of employment within twenty-four months following a change in control, the executive will be treated as having attained age sixty-five for purposes of calculating the annual benefit, and payments will commence on the first day of the month following such termination of employment and continue for a period of fifteen years.

In addition, on May 18, 2016, the Bank entered into an amended and restated supplemental executive retirement plan with Daniel P. Reininga, President and Chief Executive Officer of the Company and the Bank (the “Amended SERP”), effective May 18, 2016. The terms of the Amended SERP are generally similar to the prior plan except the annual benefit increased from \$137,501 to \$152,011.

The foregoing descriptions of the joinder agreements and the Amended SERP do not purport to be complete and are qualified in their entirety by reference to the joinder agreements and the Amended SERP attached hereto as Exhibits 10.1, 10.2 and 10.3, respectively, of this Current Report on Form 8-K, and are incorporated by reference into this Item 5.02.
