The notice contains instructions on how to access the proxy statement and the annual report over the Internet, as well as instructions on how to request a paper copy of our proxy materials, if you so desire.

We look forward to seeing you at the meeting.

PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS

To be Held on Wednesday, June 9, 2010

ANNUAL MEETING INFORMATION

This proxy statement contains information related to the annual meeting (the “Annual Meeting”) of stockholders of GSE Systems, Inc. (the “Company”) to be held on Wednesday, June 9, 2010 at 11:00 a.m. local time at our headquarters located at 1332 Londontown Blvd., Suite 200, Sykesville, Maryland 21784. The notice of the Annual Meeting will be mailed to stockholders on or about April 30, 2010.

WHY DIDN'T I RECEIVE PAPER COPIES OF THE PROXY MATERIALS IN THE MAIL?

Under rules recently adopted by the Securities and Exchange Commission (“SEC”), we are now primarily furnishing proxy materials to our stockholders on the Internet, rather than mailing paper copies of the Proxy Statement and the Annual Report to each shareholder. If you received only an Important Notice Regarding the Availability of Proxy Materials (the “Notice”) by mail, you will not receive a paper copy of these proxy materials unless you request one. Instead, the Notice will instruct you on how you may vote your shares. The Notice will also instruct you as to how you may access your proxy card to vote over the Internet. If you received a Notice by mail or electronic mail and would like to receive a paper copy of our proxy materials, free of charge, please follow the instructions included in the Notice.

HOW MANY VOTES DO I HAVE?

Stockholders who owned GSE Systems Common Stock (“Common Stock”) at the close of business on April 13, 2010 (the “Record Date”) are entitled to one vote for each share of common stock they held on that date, in all matters properly brought before the Annual Meeting.

On the Record Date, there was one class of stock issued and outstanding, the Common Stock. On that date there were 18,935,366 shares of Common Stock outstanding. Each share of Common Stock is entitled to one vote.

The Company will continue its long-standing practice of holding the votes of all stockholders in confidence from directors, officers and employees except: (a) as necessary to meet applicable legal requirements and to assert and defend claims for or against the Company; (b) in case of a contested proxy solicitation; or (c) if a stockholder makes a written comment on the proxy card or otherwise communicates his/her vote to management.

WHAT PROPOSALS WILL BE ADDRESSED AT THE ANNUAL MEETING?

We will address the following proposals at the Annual Meeting:

1. Election of three Class III directors; and

2. Ratification of the selection of KPMG LLP as the Company's independent registered public accountants.

Our Board has taken unanimous affirmative action with respect to each of the foregoing proposals and recommends that the stockholders vote FOR each of the proposals.

WHO MAY VOTE ON THESE PROPOSALS?

All of the holders of record of GSE Systems Common Stock at the close of business on April 13, 2010 will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, the Company had 18,935,366 shares of Common Stock outstanding and entitled to vote.

HOW DO I VOTE?

If you are a holder of record (that is, if your shares are registered in your name with Continental Stock Transfer & Trust Company, our transfer agent (the "Transfer Agent")), there are four ways to vote:

Telephone Voting: You may vote by calling the toll-free telephone number indicated on the Notice or if you received a proxy card, by following the instructions on the proxy card. Please follow the voice prompts that allow you to vote your shares and confirm that your instructions have been properly recorded.

Internet Voting: You may vote by logging on to the website indicated on the Notice, or if you received a proxy card, by following the instructions on the proxy card. Please follow the website prompts that allow you to vote your shares and confirm that your instructions have been properly recorded.

Return Your Proxy Card By Mail: If you received your proxy materials by mail, you may vote by completing, signing and returning the proxy card in the postage-paid envelope provided with this proxy statement. The proxy holders will vote your shares according to your directions. If you sign and return your proxy card without specifying choices, your shares will be voted by the persons named in the proxy in accordance with the recommendations of the Board of Directors as set forth in this proxy statement.

Vote at the Meeting: You may cast your vote in person at the annual meeting. Written ballots will be passed out to anyone who wants to vote in person at the meeting.

Telephone and Internet voting for shareholders of record will be available 24 hours a day and will close at 11:59 p.m. local time on June 8, 2010. Internet or telephone voting is convenient, provides postage and mailing cost savings and is recorded immediately, minimizing the risk that postal delays may cause votes to arrive late and therefore not be counted.

Even if you plan to attend the Annual Meeting, you are encouraged to vote your shares by proxy. You may still vote your shares in person at the Annual Meeting even if you have previously voted by proxy. If you are present at the Annual Meeting and desire to vote in person, your vote by proxy will not be counted.

WHAT IF I HOLD MY SHARES IN "STREET NAME?"

You should follow the voting directions provided by your broker or nominee. You may complete and mail a voting instruction card to your broker or nominee or, in most cases, submit voting instructions by telephone or the Internet to your broker or nominee. If you provide specific voting instructions by mail, telephone or the Internet, your broker or nominee will vote your shares as you have directed.

WILL MY SHARES BE VOTED IF I DO NOT PROVIDE MY PROXY?

If you are the stockholder of record and you do not vote or provide a proxy, your shares will not be voted.

Your shares may be voted if they are held in street name, even if you do not provide the brokerage firm with voting instructions. Brokerage firms have the authority under the NYSE Amex Stock Exchange rules to vote shares for which their customers do not provide voting instructions on certain “routine” matters.

The proposal to ratify the selection of KPMG as our independent registered public accounting firm for fiscal 2010 is considered a “routine” matter for which brokerage firms may vote unvoted shares.

WHY WOULD THE ANNUAL MEETING BE POSTPONED?

The Annual Meeting will be postponed if a quorum is not present at the Annual Meeting on June 9, 2010. The presence in person or by proxy of at least a majority of the shares of Common Stock outstanding as of the Record Date, will constitute a quorum and are required to transact business at the Annual Meeting. If a quorum is not present, the Annual Meeting may be adjourned until a quorum is obtained.

Shares that abstain from voting as to a particular matter will not be counted as votes in favor of such matter, and also will not be counted as votes cast or shares voting on such matter. Accordingly, abstentions will not be included in vote totals and will not affect the outcome of the voting for either proposal. Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved that matter, but they are counted as present for the purposes of determining the existence of a quorum at the Annual Meeting.

A broker non-vote occurs when a broker submits a proxy card with respect to Securities held in a fiduciary capacity (typically referred to as being held in “street name”), but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such Securities on routine matters, but not on non-routine matters. Routine matters include increases in authorized common stock for general corporate purposes and ratification of auditors. Non-routine matters include the election of directors and amendments to stock plans.

CAN I CHANGE MY MIND AFTER I VOTE?

Yes. If you are a stockholder of record, you may change your vote or revoke your proxy at any time before it is voted at the Annual Meeting by:

- submitting a new proxy by telephone or via the Internet after the date of the earlier voted proxy;
- signing another proxy card with a later date and returning it to us prior to the Annual Meeting; or
- attending the Annual Meeting and voting in person.

If you hold your shares in street name, you may submit new voting instructions by contacting your broker, bank or other nominee. You may also vote in person at the Annual Meeting if you obtain a legal proxy from your broker, bank or other nominee.

WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?

Proposal 1: Election of Directors

A plurality of the eligible votes cast is required to elect director nominees. A nominee who receives a plurality means he has received more votes than any other nominee for the same director's seat. There are three nominees for the three Class III seats. A withheld vote will not affect the required plurality. Abstentions shall not be considered to be votes cast.

Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm

The approval of Proposal 2 requires the affirmative vote of a majority of the votes cast, voting in person or by proxy. Abstentions will not be counted as votes cast. Accordingly, abstentions will not affect the outcome of the voting for this proposal.

ARE THERE ANY DISSENTERS' RIGHTS OF APPRAISAL?

The Board is not proposing any action for which the laws of the State of Delaware, the Certificate of Incorporation, as amended, or the By-Laws, as amended, of GSE Systems provide a right of a stockholder to dissent and obtain appraisal of or payment for such stockholder's shares.

WHO BEARS THE COST OF SOLICITING PROXIES?

The Company will bear the cost of preparing, assembling and mailing the Notice and requested proxy materials and of reimbursing brokers, nominees, fiduciaries and other custodians for out-of-pocket and clerical expenses of transmitting the Notice and requested copies of the proxy material to the beneficial owners of our shares. A few of our officers and employees may participate in the solicitation of proxies without additional compensation. We estimate that the costs associated with solicitations of the proxies requested by this proxy statement will be approximately \$30,000.

WHERE ARE GSE SYSTEMS' PRINCIPAL EXECUTIVE OFFICES?

The principal executive offices of GSE Systems are located at 1332 Londontown Blvd., Suite 200, Sykesville, MD 21784 and our telephone number is (410) 970-7800.

HOW CAN I OBTAIN ADDITIONAL INFORMATION ABOUT GSE SYSTEMS?

To the best of our knowledge, no directors or officers have an interest, direct or indirect, in any other matters to be acted upon at the Annual Meeting except as described herein.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires any person who was one of our executive officers, directors or who owned more than ten percent (10%) of any publicly traded class of our equity securities at any time during the fiscal year (the "Reporting Persons"), to file reports of ownership and changes in ownership of equity securities of the Company with the SEC and the NYSE AMEX Stock Exchange. These Reporting Persons are required by the SEC's regulation to furnish the Company with copies of all Section 16(a) filings.

Based solely upon a review of Forms 3 and Forms 4 and amendments thereto furnished to GSE Systems during the most recent fiscal year, and Forms 5 and amendments thereto with respect to its most recent fiscal year, or written representations from certain Reporting Persons that such filings were not required, we believe that Ms. Quinn filed one late Form 4 in 2009.

NOMINEES TO THE BOARD OF DIRECTORS

Jerome I. Feldman, John V. Moran, and George J. Pedersen are the Class III nominees standing for re-election to the Board. See "Information about Directors and Executive Officers" above for information relating to their respective business experience.

THE BOARD OF DIRECTORS

The Board oversees the business affairs of GSE Systems and monitors the performance of management. The Board elects executive officers of the Company. In 2009, there were 9 directors. The Board held six meetings during the fiscal year ended December 31, 2009. During the 2009 fiscal year, only one of the then-serving directors attended less than one hundred percent (100%) of the aggregate of (1) the total number of meetings of the Board (held during the period for which he/she was a director) and (2) the total number of meetings held by all committee(s) of the Board on which he/she served (during the periods that he/she served). Mr. Pedersen's attendance was 75%.

GSE Systems' Certificate of Incorporation provides that the Board shall be divided into three classes that serve staggered three-year terms and are as nearly equal in number as possible. The stockholders elect at least one class of directors annually. Each class generally serves for a period of three years, although a director may be elected for a shorter term in order to keep the number of directors in each class approximately equal.

All of the current Class III directors are standing for re-election for a three-year term at the Annual Meeting. Only one of the Class III nominees standing for election, Mr. Pedersen, will be deemed "independent" as that term is defined by the SEC. The Class I Directors will stand for re-election at the next Annual Meeting and the Class II directors will stand for re-election at the Annual Meeting in two years.

The Class III Incumbent Directors whose terms will expire in 2010 are Messrs. J. Feldman, Moran and Pedersen. If duly elected, the Class III Director Nominees shall have terms which will expire in 2013. Messrs. Glashow, Hagenruber and Michael Feldman are presently serving Class I Directors whose terms will expire in 2011. The Class II Incumbent Directors whose terms expire in 2012 are Messrs. Lewis and Tawes and Ms. Quinn.

CORPORATE GOVERNANCE

The Board has the responsibility for establishing broad corporate policies and for the overall performance of the Company, although it is not involved in day-to-day operating details. Members of the Board are kept informed of the Company's business by various reports and documents sent to them as well as by operating and financial reports made at Board and Committee meetings.

The non-management directors meet periodically in executive session. The executive sessions of non-management directors are to be presided over by the director who is the Chairman of the committee responsible for the issue being discussed. Any director may request an executive session of non-management directors to discuss any matter of concern. The Board has provided the means by which stockholders may send communications to the Board or to individual members of the Board. Such communications should be directed to the Secretary of the Company, 1332 Londontown Blvd., Suite 200, Sykesville, MD 21784 who will forward them to the intended recipients.

The Board reviews the independence of its members on an annual basis. No directors will be deemed to be independent unless the Board affirmatively determines that the director in question has no material relationship with the Company, directly or as an officer, stockholder, member or partner of an organization that has a material relationship with the Company. The Board has not adopted any categorical standards of directors' independence; however, the Board employs the standards of independence of the NYSE AMEX ("AMEX") rules currently in effect. As a result of its Annual Review, the Board determined that Dr. Sheldon L. Glashow, Dr. Roger Hagenhuber, Joseph W. Lewis, George J. Pedersen, Jane Bryant Quinn and Orrie Lee Tawes, III meet AMEX independence standards and that all of the members of the Audit Committee are independent.

BOARD LEADERSHIP STRUCTURE

Mr. Feldman currently serves as Chairman of the Board of Directors. Mr. Moran currently serves as Chief Executive Officer of the Company. The Company believes it is the Chairman's responsibility to lead the Board of Directors and Chief Executive Officer's responsibility to lead the day-to-day operations of the Company. As directors continue to have more oversight responsibility than ever before, we believe it is beneficial to have a Chairman who is responsible for leading the Board, which allows the Chief Executive Officer to focus on running the Company. This separation of responsibilities ensures that there is no duplication of effort between the Chairman and Chief Executive Officer. We believe this separation of leadership provides strong leadership for our Board, while also positioning our Chief Executive Officer as the leader of the Company in the eyes of our customers, employees and shareholders.

BOARD'S ROLE IN OVERSIGHT

While the Board oversees risk management, Company management is charged with managing risk. The Board and the Audit Committee monitor and evaluate the effectiveness of the internal controls at least annually. Management communicates with the Board, Board Committees and individual Directors on the significant risks identified and how they are being managed. Directors are free to, and indeed often do, communicate directly with senior management. The Board implements its risk oversight function both as a whole and through Committees. The Audit Committee oversees risks related to the Company's financial statements, the financial reporting process, and accounting matters. The Audit Committee oversees the internal audit function and the Company's ethics programs. The Audit Committee members meet separately with the Company's Head of Internal Audit and representatives of KPMG LLP, the Company's independent registered public accounting firm. The Compensation Committee evaluates the risks and rewards associated with the Company's compensation philosophy and programs.

BOARD MEMBER ATTENDANCE AT ANNUAL MEETINGS

The Company encourages but does not require all of its directors to attend the Annual Meeting of Stockholders. Two directors, Messrs. Moran and Jerome I. Feldman, attended the 2009 annual meeting of stockholders.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board has four standing committees: the Executive Committee, the Nominating Committee, the Audit Committee and the Compensation Committee. Nominating Committee. The Nominating Committee consists of Messrs. Glashow and Pedersen. All members of the Nominating Committee are “independent” directors as that term is defined by applicable SEC rules and the NYSE Amex listing standards. The Nominating Committee selects and recommends nominees for election as directors. Although the Nominating Committee does not have a formal policy regarding diversity, in considering director candidates, the Nominating Committee considers such factors as it deems appropriate to assist in developing a board and committees that are diverse in nature and comprised of members which have various types of experience (industry, professional, public service). Each director nominee is evaluated in the context of the full Board’s qualifications as a whole, with the objective of establishing a Board that can best perpetuate our success and represent stockholder interests through the exercise of sound business judgment. Each director nominee will be evaluated considering the relevance to us of the director nominee’s skills and experience, which must be complimentary to the skills and experience of the other members of the Board. The Nominating Committee met once during fiscal year 2009. The Nominating Committee Charter is available on our website at www.gses.com.

Audit Committee. The Audit Committee consists of Messrs. Hagengruber, Glashow and Lewis (Chairman), each of whom is “independent” as defined by applicable SEC rules and the NYSE Amex listing standards. In addition, the Board has determined that Mr. Lewis is an “audit committee financial expert” as defined by applicable SEC rules and established by NYSE Amex. The Audit Committee operates under a written charter adopted by the Board. Management is responsible for the Company's internal controls and preparing the Company's consolidated financial statements. The Company's independent registered public accountants are responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Committee is responsible for overseeing the conduct of these activities and appointing the Company's independent accountants. The Audit Committee makes recommendations concerning the engagement of independent registered public accountants, reviews with the independent registered public accountants the plans and results of the audit engagement, approves professional services provided by the independent registered public accountants, reviews the independence of the independent registered public accountants and reviews the adequacy of the Company's internal accounting controls. The Audit Committee met five times during fiscal year 2009. See “Report of the Audit Committee” below. The Audit Committee Charter is attached to this proxy as Exhibit A and available on our website at www.gses.com

Compensation Committee. The Compensation Committee consists of Messrs. Tawes, Pedersen (Chairman) and Ms. Quinn. Messrs. Pedersen, Tawes and Ms. Quinn are “independent” directors as that term is defined by applicable SEC rules and the NYSE Amex listing standards. The Compensation Committee is responsible for determining compensation for the Company's executive officers and for administering and granting awards under the Company's Long-Term Incentive Plan. The Compensation Committee met once during fiscal year 2009. See “Report of the Compensation Committee” below. The Compensation Committee Charter is available on our website at www.gses.com.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Michael D. Feldman is a member of our Board of Directors and is Executive Vice President in charge of International Sales and Marketing. He is also the son of Jerome I. Feldman, the Chairman of the Board. The Company entered into an employment agreement with Michael Feldman effective January 1, 2009. See the discussion of this employment agreement under “Employment Contracts and Termination of Employment” below.

In June 2008, Mr. Eberle was involved in a management buyout of MXL with Mr. Jerome I. Feldman, Chairman of the Board of the Company. Mr. Eberle owns 12% of MXL and Mr. Feldman owns 25% of MXL.

It is the Company's policy that any transactions with related parties are to be reviewed and approved by the Company's Audit Committee, with the exception of officer compensation which is approved by the Compensation Committee. In 2009, there were no related party agreements that required Audit Committee approval. The Compensation Committee approved Michael Feldman's employment agreement.

The Audit Committee operates under a written charter adopted by the Board.

AUDIT COMMITTEE PRE-APPROVAL OF AUDIT AND NON-AUDIT SERVICES

The Audit Committee pre-approves all audit and permissible non-audit services provided to the Company by the independent registered public accountants. These services may include audit services, audit-related services, tax services and other services. The Audit Committee has adopted policies and procedures for the pre-approval of services provided by the independent registered public accountants. Such policies and procedures provide that management shall submit to the Audit Committee a schedule of audit and non-audit services for approval as part of the annual plan for each fiscal year. In addition, the policies and procedures provide that the Audit Committee also may pre-approve particular services not in the annual plan on a case-by-case basis. Management must provide a detailed description of each proposed service and the projected fees and costs (or a range of such fees and costs) for the service. The policies and procedures require management to provide quarterly updates to the Audit Committee regarding services rendered to date and services yet to be performed.

As permitted under the Sarbanes-Oxley Act of 2002, the Audit Committee may delegate pre-approval authority to its Chairman, for audit and permitted non-audit services. Any service pre-approved by the Audit Committee or its Chairman must be reported to the Audit Committee at the next scheduled quarterly meeting. In addition, the pre-approval procedures require that all proposed engagements of KPMG LLP for services of any kind be directed to the Company's Chief Financial Officer before they are submitted for approval prior to the commencement of any service.

The following table presents fees for professional audit services rendered by KPMG LLP for the audit of the Company's annual financial statements for fiscal 2009 and fees billed for other services rendered by KPMG LLP, together with a comparison of the fees for audit services and other services rendered by KPMG LLP in fiscal 2008. There were no other fees for the last two years except as outlined in the above table.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Committee consists entirely of independent directors in accordance with the NYSE Amex requirements. The Committee is responsible for overseeing and administering the Company's compensation program for its executive officers and for granting awards under and administering the Company's Long-Term Incentive Plan. The Compensation Committee bases its decisions on both individual performance and the Company's financial results. All compensation decisions are made solely by the Compensation Committee; however, the Compensation Committee may consult with the Chairman of the Board and the Company's Chief Executive Officer as part of its decision making process when examining their respective compensation packages. However, the Chief Executive Officer, as required by the NYSE Amex, may not be present during voting or deliberations as to his compensation. In the event compensation to an officer or director of the Company may result or be deemed to result from a related party transaction, the Company's Audit Committee or a majority of the Independent Directors may review the proposed compensation arrangement.

Philosophy. The compensation program for the executive officers of the Company is developed and administered by the Board of Directors and its Compensation Committee. Overall compensation policies regarding other officers and employees of the Company are established by the Compensation Committee, but the specific compensation program for such persons is developed and administered by Company management. The key goals of the Company's compensation program are: (1) to attract, retain and reward talented and productive executive officers and other employees who can contribute (both short and long-term) to the success of the Company; (2) provide incentives for executive officers for superior performance; (3) and to align compensation and interests of the executive officers with those of the Company and reward executive officers according to their contribution to the Company's success.

Implementation Guidelines. To implement the general compensation philosophy described above, the Company's executive compensation program has three primary components: (i) a base salary, (ii) bonus awards, and (iii) long-term incentive awards. The factors and criteria to be considered with respect to each of these components are set forth below.

Base Salary.

The range of the base salary for an executive or other employee position will generally be established based on competitive salaries for positions with a similar scope of responsibilities and job complexities. The Company subscribes to a compensation data survey which provides salary data based upon business focus, executive job descriptions, geographic location and size of the company, but does not identify the component companies by name. The level of base salary within the range of competitive salaries, generally between the 50th and 75th percentile for executives in similar positions, will be determined on the basis of individual performance, experience and other relevant factors, such as demonstrated leadership, job knowledge and management skills. Such determination will be made by the Compensation Committee, with regard to the Company's executive officers, and by management with regard to all other officers and employees consistent with the general overall compensation policies established by the Compensation Committee.

Base salaries will be targeted within the appropriate competitive range, although higher compensation may be paid if necessary or appropriate to attract or retain unusually qualified executives. Annual or other base salary adjustments will be based on individual performance as well as other market factors. Base salary payments made in 2009 were made to compensate ongoing performance throughout the year.

Bonus Awards.

The bonus award is intended to focus the efforts of the executives and other employees on performance objectives in accordance with the business strategy of the Company.

The Compensation Committee will administer incentive awards for the Company's executive officers. The Compensation Committee will review and assess the extent to which the overall Company performance goals have been met during the year and make such awards to the Company's executive officers. Management of the Company will be responsible for awarding bonus amounts to other officers and employees of the Company, taking into account the general compensation philosophy of the Company.

No performance bonuses were awarded to any of the named executive officers in 2009.

Long-Term Incentive Awards.

The third element of the Company's compensation program is provided through the Company's Long-Term Incentive Plan (the "Plan"), which is designed to align the interests of the officers and employees with those of stockholders. The Plan is intended to focus the efforts of officers and employees on performance which will increase the value of the Company for its stockholders.

Pursuant to the Plan, the Compensation Committee may grant incentive stock options within the meaning of the Internal Revenue Code of 1986, as amended, and may grant, among other types of awards, non-statutory stock options to purchase shares of common stock. The Compensation Committee also may grant stock appreciation rights and award shares of restricted stock and incentive shares in accordance with the terms of the Plan. Subject to the terms of the Plan, the Compensation Committee will have discretion in making grants and awards under the Plan. The Compensation Committee may, however, consider the recommendations of management with respect to such grants

and awards.

Total direct compensation to the Company's executive officers (base salary, bonus awards and long-term incentive awards) will be targeted within the appropriate competitive range, although higher compensation may be paid if necessary to attract or retain unusually qualified executives.

In 2009, no options were granted to the named executive officers. In general, the Compensation Committee's decisions concerning the specific compensation elements for individual executive officers were made within the broad framework previously described and in light of each executive officer's level of responsibility, performance, current salary, prior year bonus and other compensation awards. In all cases, the Compensation Committee's specific decisions regarding 2009 executive officer compensation were ultimately based upon the Compensation Committee's judgment about the individual executive officer's performance and potential future contributions, and about whether each particular payment or award would provide an appropriate reward and incentive for that executive officer to contribute to, and enhance, the Company's performance.

Retirement and Other Benefits

The Company has always encouraged its employees to save for retirement and, as such, has always offered a 401(k) savings plan. The 401(k) savings plan is a tax-qualified retirement savings plan pursuant to which all U.S. employees, including the named executive officers, are able to contribute up to the limit prescribed by the Internal Revenue Code on a before-tax basis. The Company matches 50% of contributions up to 4% of eligible compensation to all 401(k) plan participants, up to a maximum per participating employee of \$4,900 per annum.

In 2009, the named executive officers were eligible to participate in the Company's health and welfare programs that are generally available to other Company employees, including medical, dental, basic life, short-term and long-term disability, employee assistance, flexible spending, and accidental death & dismemberment. In addition, the named executive officers receive supplemental life insurance coverage of two times annual salary, not to exceed \$625,000 of coverage in combination with the basic life coverage. The premiums for the supplemental insurance are paid by the Company.

Termination Benefits.

The Company has entered into Employment Agreements with the named executive officers that provide for specified benefits upon termination. See the discussion of their Employment Agreements under "Employment Contracts and Termination of Employment."

EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT

Mr. Moran, the Company's CEO, entered into a two-year employment agreement with the Company as of May 1, 2008 (the "Moran Employment Agreement").

In recognition of the scope of Mr. Moran's responsibilities as the Company's CEO and based on comparison to peer organizations with similar activities and risk profiles, the Company agreed to pay Mr. Moran a base salary of \$260,000 commencing May 1, 2008. Based upon Mr. Moran leadership with respect to the Company generating substantial new orders and attaining record backlog levels, the Compensation Committee increased Mr. Moran base salary to \$280,000 effective May 1, 2009. The Board may grant Mr. Moran an annual performance bonus at the close of each fiscal year. The 2009 fiscal year target bonus was \$154,500; however, Mr. Moran was not awarded a bonus for 2009.

Mr. Moran's Employment Agreement also provides that the Company will provide him an automobile at its expense and that the Company shall pay for all related maintenance, gas and insurance expenses incurred for that automobile. Mr. Moran is also entitled to receive vacation and participate in the Company's employee benefits plan to include the Company's medical and 401(k) plans. In addition, Mr. Moran is entitled to reimbursement by the Company for all reasonable expenses incurred by him in connection with this employment such as business travel and customer entertainment expenses.

The Company may terminate the Employment Agreement for cause provided it gives written notice indicating the reason for termination and that Mr. Moran has the opportunity to be heard by the Company's Board. In the event of termination for cause, Mr. Moran shall continue to receive his full salary through the date of termination. In the event of disability, Mr. Moran will continue to receive his full salary (less any sum payable under the Company's disability benefit plan) until his employment is terminated.

If the Company shall terminate Mr. Moran's employment in breach of the terms of his Employment Agreement, then the Company shall pay his full salary and provide his benefits through the term of his Employment Agreement. Additionally, all options to purchase the Company's common stock granted to the officer under the Company's option plan or otherwise shall immediately become fully vested and shall terminate on such date as they would have terminated if the officer's employment by the Company had not terminated. Assuming there was one year remaining in Mr. Moran's contract at the date of termination, his termination benefit would total approximately \$299,000; \$280,000 for salary continuance which would be paid on a bi-weekly basis and \$19,000 for the cost of his benefits.

On April 30, 2010, the Company entered into a new employment agreement (the "New Agreement") with its Chief Executive Officer, Mr. John V. Moran. The New Agreement commences on May 1, 2010 through October 31, 2010, at which time Mr. Moran will retire from the Company, resign as a member of the Board of Directors and become a consultant to the Company. In addition, on April 30, 2010, the Company entered into a consulting agreement (the "Consulting Agreement") with Mr. Moran which will commence on November 1, 2010 and end on October 31, 2013. Both the New Agreement and the Consulting Agreement were approved by the Board of Directors of the Company.

During the term of the New Agreement, Mr. Moran will be paid a base salary of \$300,000 and a \$30,000 retention bonus for working until October 31, 2010. In addition, Mr. Moran shall be provided with an automobile of his choice (comparable to the one currently provided to him by the Company) at the Company's expense. The Company shall pay for all maintenance, gas and insurance expenses incurred in connection with the automobile. The Company shall provide Mr. Moran an allowance for a club membership in an amount not exceeding \$4,000 for any calendar year. Mr. Moran is also entitled to receive vacation in accordance with the Company's policy for its senior executives. He is also entitled to participate in the Company's employee benefits plan for its senior executives or employees to include the Company's medical and 401(k) plans. In addition, Mr. Moran is entitled to reimbursement by the Company for all

reasonable expenses incurred by him in connection with this employment. Reimbursable expenses include, but are not limited to, business travel and customer entertainment expenses.

25

The Company may terminate the New Agreement for cause. Examples of “cause” include (i) willful and continued failure to perform contractual duties after the Company has communicated its demand for substantial performance; (ii) willfully engaging in misconduct which has a material adverse effect on the Company’s reputation, operations, prospects or business relations; (iii) conviction for any felony or entry of a plea of “no contest” for a crime of moral turpitude; (iv) or breach of the terms and conditions of the New Agreement. Notice of termination must be in writing and must state the reason for termination and Mr. Moran (with his attorney) shall have the opportunity to be heard by the Company’s Board of Directors. In the event of termination for cause, Mr. Moran shall continue to receive his full salary through the date of termination. In the event of disability, Mr. Moran will continue to receive his full salary (less any sum payable under the Company’s disability benefit plan) until his employment is terminated. Termination of employment due to the death or disability of the employee shall not constitute a breach of the New Agreement.

Under the terms of the Consulting Agreement, Mr. Moran shall receive a consulting fee equal to \$130,000 per annum for the first year of the Consulting Agreement and \$100,000 per annum for the remaining two years of the Consulting Agreement. In addition, Mr. Moran shall be provided with an automobile of his choice (comparable to the one currently provided to him by the Company) at the Company’s expense. The Company shall pay for all maintenance, gas and insurance expenses incurred in connection with the automobile. The Company shall provide Mr. Moran an allowance for a club membership in an amount not exceeding \$4,000 for any calendar year. Mr. Moran shall be eligible to participate in any employee benefits plan of the Company available by its terms to consultants.

The Company may terminate the Consulting Agreement for Cause. Cause is defined as (i) fraud, misappropriation or theft or (ii) breach of any of the terms of the Consulting Agreement.

On April 30, 2010, the Company’s Board of Directors appointed James Eberle, Chief Operating Officer of the Company and entered into approved an employment agreement (the “Eberle Employment Agreement”) with Mr. Eberle. The Eberle Employment Agreement will run from June 1, 2010 until May 31, 2012. Mr. Eberle shall receive a base annual salary of \$200,000. On the anniversary date of the Eberle Employment Agreement, the Company shall increase the base salary by an amount equal to the greater of (i) three percent (3%) and (ii) an amount equal to the percentage increase in the Consumer Price Index over the preceding twelve (12) month period.

For each year the Eberle Agreement is in effect, the Compensation Committee of the Board of Directors and the Company’s Chief Executive Officer shall determine the bonus amount for the most recently completed fiscal year and payment shall be made by March 15 of the subsequent year. The bonus is performance based and the performance goals shall be as jointly agreed to Mr. Eberle and the Chief Executive Officer and approved by the Board of Directors. For the 2010, Mr. Eberle’s target bonus is \$50,000. For each year of the Eberle Employment Agreement, the Company’s Board of Directors shall increase the bonus target by an amount equal to the greater of (i) three percent (3%) and (ii) an amount equal to the percentage increase in the Consumer Price Index over the preceding twelve (12) month period.

Mr. Eberle shall be entitled to receive an automobile allowance of \$7,200 per year and reimbursement for gas and insurance in connection with such automobile. Mr. Eberle shall also receive an allowance for a club membership of \$4,000 per year. The Company shall pay the monthly medical and dental insurance premiums for Mr. Eberle in connection with Company-provided health insurance plans. Mr. Eberle is entitled to receive vacation in accordance with the Company’s policy for its senior executives and may participate in other Company sponsored benefit plans including life insurance and 401(k) retirement plans. Mr. Eberle is entitled to reimbursement by the Company for all reasonable expenses incurred by him in connection with his employment. Reimbursable expenses include, but are not limited to, business travel and customer entertainment expenses.

Notice of termination must be in writing and must state the reason for termination and Mr. Eberle (with his attorney) shall have the opportunity to be heard by the Company’s Board of Directors. In the event of termination for cause, Mr. Eberle shall continue to receive his full salary through the date of termination. In the event of disability, Mr. Eberle will continue to receive his full salary (less any sum payable under the Company’s disability benefit plan) until his employment is terminated. Termination of employment due to the death or disability shall not constitute a breach of the Eberle Employment Agreement.

If the Company shall terminate Mr. Eberle’s employment in breach of the terms of the Eberle Employment Agreement, then the Company shall pay the officer his full salary and provide his benefits for one year from the date of Termination. Additionally, all options to purchase the Company's common stock granted to Mr. Eberle under the Company's option plan or otherwise shall immediately become fully vested and shall terminate on such date as they would have terminated if Mr. Eberle's employment by the Company had not terminated.

In the event a Change of Control occurs and Mr. Eberle is either (1) not offered employment by the Successor Company or (2) employment is offered upon conditions that result in his decision to terminate employment for Good Reason (as defined in the Eberle Agreement); then the following shall occur. He shall receive continuation of salary and bonus programs (average of prior two-years bonus), and all benefits (including medical, dental and life insurance coverage and any other Company-provided benefits, including car and club allowances that he is receiving as of the Effective Date) from the Date of Termination of employment for a period of twelve months.

PROPOSALS RECOMMENDED FOR CONSIDERATION BY STOCKHOLDERS

PROPOSAL 1: ELECTION OF DIRECTORS

Currently there are nine directors serving on the Board. The Board is divided into three classes that serve staggered three-year terms and are equal in number. The stockholders elect at least one class of directors annually. Each class generally serves for a period of three years, although a director may be elected for a shorter term in order to keep the number of directors in each class approximately equal. This practice is in accordance with the Company's Certificate of Incorporation.

All of the directors were previously elected by the stockholders.

The terms of Jerome I. Feldman, John V. Moran, and George J. Pedersen will expire at the 2010 annual meeting. These directors have been nominated by the Company's Nominating Committee to stand for reelection at the meeting to hold office until 2013 and until their successors are elected and qualified. Biographical information, including professional background and business-related experience, for each of the nominees and incumbent directors is contained in the section captioned "Information About Executive Officers and Directors."

The proxies solicited hereby, unless directed to the contrary, will be voted for election of the nominees. All of the nominees have consented to being named in this proxy statement and to serve if elected. The Board has no reason to believe that any of the nominees will not be a candidate or will be unable to serve, but if either occurs proxies may be voted for such substituted nominee or nominees as the board, in its discretion, may designate.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF JEROME I. FELDMAN,
JOHN V. MORAN, AND GEORGE J. PEDERSEN

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM

Upon the recommendation of the Audit Committee, and subject to stockholder approval, the Board has appointed the firm of KPMG LLP as independent registered public accountants of the Company for the current fiscal year. The Board has been advised by KPMG LLP that neither the firm nor any member of the firm has a direct or indirect financial interest in the Company or its subsidiaries.

KPMG LLP became the Company's independent registered public accountants on March 17, 2000.

A representative of KPMG LLP is expected to be present at the annual meeting and will have an opportunity to make a statement if he/she desires to do so and will be available to respond to appropriate questions from stockholders.

For a description of the Audit Committee's pre-approval policies and procedures pursuant to 17 CFR 210.2-01(c)(7)(i), see the section captioned "Audit Committee Pre-Approval of Audit and Non-Audit Services".

Ratification of the appointment of the independent registered public accountants requires the affirmative vote of a majority of the votes cast by the holders of the shares of common stock voting in person or by proxy at the annual meeting. The stockholder's ratification of the appointment of KPMG LLP will not impact the Audit Committee's responsibility pursuant to its charter to appoint, replace and discharge the independent auditors. If the stockholders do not ratify the appointment of KPMG LLP, the Board of Directors will reconsider the appointment.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR
RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS INDEPENDENT REGISTERED PUBLIC
ACCOUNTANTS
