Item 2.02 Results of Operations and Financial Condition

On August 30, 2004, Dycom Industries, Inc. ("Dycom") issued a press release with respect to its conference call to be held on August 31, 2004. The press release is attached hereto as Exhibit 12.1 and is incorporated in its entirety by reference herein.

On August 31, 2004, Dycom held a tele-conference call to review its results and to address its outlook.

In addition to presenting net income and earnings per share, Dycom has presented net income and earnings per share for the year ended July 31, 2004 excluding the adjustment for gain on sale of long term accounts receivable, and

a charge related to a reserve recorded in connection with an ongoing employment tax audit. Dycom believes that the information presented, excluding this one time gain and charge, is beneficial to investors because it depicts the results of recurring operations excluding the effects of the sale of accounts receivable and a charge that is not a regular part of Dycom's business.
