Item 1. Security and Company.

Novo Nordisk A/S, a publicly quoted Danish Company, (**Buyer**) hereby amends and supplements its Report on Schedule 13D, originally filed on November 14, 2001 (as amended and supplemented, the **Schedule 13D**) with respect to the shares of Common Stock, no par value (the **Shares**) of Aradigm Corporation, a California Corporation (the **Issuer**). As described more fully below, this Schedule 13D also relates to the Issuer's Series A Convertible Preferred Stock (the **Preferred Shares**). The Preferred Shares are convertible into Shares on the basis of four Shares for each Preferred Share. In addition, the Preferred Shares are entitled to vote on an as if converted basis on all matters submitted to a vote of holders of Shares. In that event the Preferred Shares vote together with the Shares as one class. In addition, the certificate of designation for the Preferred Shares requires the approval of the holders of Preferred Shares voting as a separate class in the case of certain corporate actions and a separate class vote of Preferred Shares will be required in order to consummate the transactions described below. Unless otherwise indicated, all further references to Shares in this Schedule 13D include Preferred Shares on the assumption that all Preferred Shares had been converted into Shares. The Issuer's principal executive offices are located at 3929 Point Eden Way, Hayward, California, 94545.

Unless otherwise indicated, each capitalized term used but not defined herein shall have the meaning assigned to such term in the Schedule 13D.

(6,847,757 Shares) a Delaware corporation (**NN Pharmaceuticals**) whose principal business office is located at 100 College Road, Princeton, New Jersey 08540. Novo Nordisk Delivery Technologies Inc. was formed to enter into the Voting Agreement and the Restructuring Agreement (as described in Item 4 of this Schedule 13D) and therefore its primary business is to develop insulin delivery technologies for the United States and worldwide diabetes markets. The Voting Agreements relate to 7,251,121 Shares owned by certain holders of Shares and Preferred Shares. Novo Nordisk Delivery Technologies, Inc. is a wholly-owned subsidiary of Novo Nordisk Holdings, Inc. (**NN Holdings**). NN Holdings is a Delaware corporation whose principal place of business is Brandywine Plaza, Suite 282, 103 Foulk Road, Wilmington, DE 19803. Novo A/S is a wholly-owned subsidiary of Novo Nordisk Foundation (the **Foundation**), a self-governing and self-owned foundation whose principal business office is located at Brogårdsvej 70, Post Box 71, DK-2820 Gentofte, Denmark. Page 3 of 15

The name, address, present principal occupation or employment and citizenship of each director and executive officer of each of Buyer, NN Pharmaceuticals, NN North America, Novo Nordisk Delivery Technologies, Inc., NN Holdings, Novo A/S and the Foundation is set forth on Schedule A.

During the last five years, Buyer has not, and to the best of Buyer's knowledge, none of Novo Nordisk Delivery Technologies, Inc. NN Holdings, NN Pharmaceuticals, NN North America, Novo A/S, the Foundation or any of the persons listed on Schedule A attached hereto has, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

See Item 4 below for a description of the Voting Agreement and the Restructuring Agreement.

Item 4. Purpose of Transaction.

The response set forth in item 4 is hereby amended and supplemented with the following:

As described below, the Buyer has plans or proposals that relate to or would result in a sale or transfer of a material amount of assets of the Issuer.

On September 28, 2004, Issuer, Buyer and Novo Nordisk Delivery Technologies, Inc. entered into a Restructuring Agreement (the "**Restructuring Agreement**", a copy of which is attached hereto as Exhibit 2 and incorporated herein by reference). The Restructuring Agreement provides for the sale or transfer of a material amount of assets by the Issuer to the Buyer including (i) all of the Issuer's right, title and interest in, to and under certain equipment used in the development and manufacture of insulin development technologies, and certain permits and documents associated therewith, which equipment and associated assets have a current book value of approximately \$55,000,000, (ii) the assignment of Issuer's leasehold interest in two of Issuer's three buildings along with associated leasehold improvements and the temporary sublease of part of the third of Issuer's three buildings, (iii) the offer of employment by Novo Nordisk Delivery Technologies, Inc. to approximately 130 employees of the Issuer who have been dedicated to the Issuer's and Buyer's insulin pulmonary delivery development program and (iv) the licensing of certain of the Issuer's intellectual property rights relating to the development and manufacture of insulin delivery technology.

There are various conditions to effectiveness of, and closing of the transactions contemplated by, the Restructuring Agreement including (i) the approval of such transactions by the holders of Shares and Preferred Shares voting together as one class, (ii) the approval of such transactions by the holders of the Preferred Shares voting separately as a class, (iii) the approval of such transactions by a majority of the Shares and Preferred Shares, voting together as a class but without counting votes cast by Buyer and NN Pharmaceuticals, (iv) the agreement by a substantial number of Issuer's employees to transfer their employment and services to Novo Nordisk Delivery Technologies, Inc., (v) termination or expiration of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended and (vi) other customary closing conditions for transactions of the nature contemplated by the Restructuring Agreement.

Upon effectiveness of the Restructuring Agreement, the Issuer, the Buyer and NN Pharmaceuticals will enter into an Amended and Restated Stock Purchase Agreement (the "**Amended and Restated Stock Purchase Agreement**", a copy of which is attached hereto as Exhibit 3 and incorporated herein by reference), which will amend and restate the Stock Purchase Agreement. Pursuant to the Stock Purchase Agreement, Issuer was granted the right, subject to certain conditions, to issue and sell to Buyer certain of Issuer's Shares and to require Buyer to purchase such Shares. Such right is not granted in the Amended and Restated Stock Purchase Agreement and will therefore be extinguished. Pursuant to the Amended and Restated Stock Purchase Agreement, the Buyer and NN Pharmaceuticals agree not to sell any of the Shares of the Issuer held by it for a period of time described in Section 1.3(a) of the Amended and Restated Stock Purchase Agreement. This period of time will generally last until the earlier of (i) the first marketing of insulin delivery products currently being developed by the Issuer and Buyer, (ii) a

tender offer for all of the Issuer's Shares which is recommended by Issuer's board of directors, (iii) termination of the amended and restated license agreement between Issuer and Buyer relating to the development of certain insulin delivery products which is to become effective upon effectiveness of the Restructuring Agreement, (iv) certain insolvency events affecting the Issuer or a material change in the Issuer's business activities incompatible with accepted ethical standards within the pharmaceutical industry and (v) January 1, 2009. However, notwithstanding the preceding sentence, the Buyer and NN Pharmaceuticals may sell or grant options to buy Shares to employees of Novo Nordisk Technologies, Inc. who are former employees of the Issuer and further transfers of Shares are allowed in certain other limited circumstances.

Finally, as in the original Stock Purchase Agreement, the Buyer has agreed under the Amended and Restated Stock Purchase Agreement that neither Buyer nor its affiliates will, at any Shareholder elections of Issuer directors, vote any Shares to elect any person who is employed by Buyer or any of its affiliates including current and past directors and officers, current employees, advisors and sales agents.

Simultaneous with the execution of the Restructuring Agreement, Novo Nordisk Delivery Technologies, Inc. and certain owners of Shares and Preferred Shares including V. Bryan Lawlis, Jr., President and Chief Executive Officer of Issuer, Thomas C. Chesterman, Senior Vice President and Chief Financial Officer of Issuer, Babatunde A. Otulana, M.D., Vice President for Clinical and Regulatory Affairs of Issuer, Richard Thompson, Chairman and a member of the board of directors of Issuer, Igor Gonda, a director of Issuer, Virgil D. Thompson, a director of Issuer and New Enterprise Associates 10, Limited Partnership (["NEA"]) (collectively, the ["Voting Agreement Shareholders"]) entered into a Voting Agreement, dated September 28, 2004 (the ["Voting Agreement"], a copy of which is attached hereto as Exhibit 3 and incorporated herein by reference). All of the Voting Agreement Shareholders own Shares apart from NEA which owns 1,033,057 Preferred Shares in addition to its 2,489,585 Shares. Pursuant to the Voting Agreement the Voting Agreement Shareholders agree to vote to approve the Restructuring Agreement and other related agreements and transactions and to grant Novo Nordisk Delivery Technologies, Inc. an irrevocable proxy to vote their 7,251,121 Shares in support of such agreements and transactions. The scope of the Voting Agreement and the proxy is limited to the matters described therein and does not require the Voting Agreement Shareholders to vote in any way on any matter except as set forth above. Pursuant to the Voting Agreement, for all Shares registered in their respective names or beneficially owned by them (whether owned as of the date of the Voting Agreement or thereafter) the Voting Agreement Shareholders agree not to sell any Shares during the term of the Voting Agreement.

The Voting Agreement terminates on the earlier of: (i) the consummation of the various transactions contemplated by the Restructuring Agreement, (ii) the date on which Restructuring Agreement is terminated pursuant to Article 11 thereof and (iii) January 31, 2005.

Item 5. Interest in Securities of the Issuer.

(a) For the purposes of Rule 13d-3 promulgated under the Securities Exchange Act of 1934, as amended (the ["Exchange Act"]), Buyer may be deemed to beneficially own 15,119,490 Shares, or approximately 21.68% of the outstanding Shares.

(b) By virtue of the Voting Agreement (the details of which are set forth in Item 4 of this Schedule 13D), Buyer may be deemed to have the shared power to vote or direct the vote of the 3,118,893 Shares and 1,033,057 Preferred Shares (convertible into 4,132,228 Shares) held by the Voting Agreement Shareholders for the limited purposes described in Item 4 of this Schedule 13D. Each of Buyer, Novo Nordisk Delivery Technologies, Inc., NN Holdings, NN Pharmaceutical, NN North America, Novo A/S and the Foundation disclaims beneficial ownership of all such securities of the Issuer owned by the Voting Agreement Shareholders. By virtue of the relationship described in Item 2 of this Schedule 13D, Buyer may be deemed to have the sole power to vote or direct the vote and sole power to dispose or direct the disposition of and vote of the 1,020,612 Shares held by it directly and the shared power to direct the disposition of and vote of the 6,847,757 Shares held by NN Pharmaceuticals.

(c) None of Buyer, any of the persons named in Item 2 or any of the persons set forth on Schedule A, has effected any transaction in the Shares during the past 60 days.

(d) Not applicable.
