Syngenta announces commencement of tender offer to acquire Devgen NV

Syngenta today announced the commencement of its tender offer for all outstanding shares and warrants in Devgen. The intention to launch the offer was announced on September 21, 2012.

The acceptance period for the tender offer opens on November 14 and is scheduled to close on December 5 at 16:00 (Central European Time). The results of the tender offer will be published on December 12 and, if the offer is successful, settlement will take place on December 17, 2012.

Syngenta has offered €16 for each Devgen share and a price for warrants calculated according to market principles set forth in the prospectus issued by Syngenta. The bid has been recommended by the Board of Directors of Devgen and is supported by a number of major shareholders holding approximately 48 percent of all shares. Devgen is listed on the NYSE Euronext Brussels exchange; delisting is planned on completion of the transaction.

The prospectus relating to the tender offer and the Devgen Board memorandum of response recommending the offer were approved by the Belgian Financial Markets and Services Authority on November 8, 2012. The terms and conditions of the offer and the related acceptance procedures are described in the prospectus, which is available at no cost at the counters of the receiving and paying agent, KBC Bank NV or KBC Securities NV (or via +32(0)3 283 29 70).
