VOTING

How You Can Vote

You may attend the Meeting and vote your shares in person. You also may choose to submit your proxies by any of the following methods:

- Voting by Mail.** If you choose to vote by mail, simply complete the enclosed proxy card, date and sign it, and return it in the postage-paid envelope provided. If you sign your proxy card and return it without marking any voting instructions, your shares will be voted in favor of each of the proposals presented at the Meeting.
- Voting by Telephone.** You may vote your shares by telephone by calling the toll-free telephone number provided on the proxy card. Telephone voting is available 24 hours a day, and the procedures are designed to authenticate votes cast by using a personal identification number located on the proxy card. The procedures allow you to appoint a proxy to vote your shares and to confirm that your instructions have been properly recorded. If you vote by telephone, you should not return your proxy card.
- Voting by Internet.** You may also vote through the Internet by signing on to the web site identified on the proxy card and following the procedures described in the web site. Internet voting is available 24 hours a day, and the procedures are designed to authenticate votes cast by using a personal identification number located on the proxy card. The procedures allow you to appoint a proxy to vote your shares and to confirm that your instructions have been properly recorded. If you vote through the Internet, you should not return your proxy card.

If you are a shareholder whose shares are held in street name (i.e., in the name of a broker, bank or other record holder) you must either direct the record holder of your shares how to vote your shares or obtain a proxy, executed in your favor, from the record holder to be able to vote at the Meeting.

How You May Revoke or Change Your Vote

You may revoke your proxy at any time before it is voted at the Meeting by any of the following methods:

- Submitting a later-dated proxy by mail, over the telephone or through the Internet.
- Sending a written notice, including by telegram or telecopy, to the Secretary of the Company. You must send any written notice of a revocation of a proxy so as to be delivered before the taking of the vote at the Meeting to:

Brandywine Realty Trust
401 Plymouth Road
Plymouth Meeting, Pennsylvania 19462
Attention: Brad A. Molotsky, Secretary

- Attending the Meeting and voting in person. Your attendance at the Meeting will not in and of itself revoke your proxy. You must also vote your shares at the Meeting. If your shares are held in the name of a bank, broker or other record holder, you must obtain a proxy, executed in your favor, from the record holder to be able to vote at the Meeting.

Record Date, Quorum and Vote Required

The record date for the determination of shareholders entitled to notice of and to vote at the Meeting is the close of business on March 28, 2003. The presence, in person or by proxy, of holders of the Company's Common Shares (Common Shares) and the Company's 8.75% Series B Senior Cumulative Convertible Preferred Shares

[Back to Contents](#)

(the "Series B Preferred Shares") representing a majority of all votes entitled to be cast at the Meeting will constitute a quorum for the transaction of business at the Meeting. All valid proxies returned will be included in the determination of whether a quorum is present at the Meeting. As of the Record Date, 35,679,948 Common Shares were issued and outstanding and 4,375,000 Series B Preferred Shares were issued and outstanding. Each Common Share and Series B Preferred Share is entitled to one vote on each matter to be voted on at the Meeting, and all such shares will vote as a single class on matters presented at the Meeting. Shareholders have no cumulative voting rights. As used below, the term "Shares" means, collectively, the Common Shares and Series B Preferred Shares.

Subject to the presence of a quorum, election of a Trustee nominated for election at the Meeting requires a plurality of all votes cast on the matter. Shares represented by Proxies marked "For" will be counted in favor of all nominees, except to the extent the Proxy withholds authority to vote for, or indicates a vote against, a specified nominee. Shares represented by Proxies marked "Abstain" or withholding authority to vote will not be counted in favor of any nominee. Because Trustees elected by shareholders are elected by a plurality vote, abstentions will not affect the election of the candidates receiving the most votes. IN THE ABSENCE OF SPECIFIC DIRECTION, SHARES REPRESENTED BY A PROXY WILL BE VOTED "FOR" THE ELECTION OF ALL NOMINEES.

ELECTION OF TRUSTEES

The Board of Trustees has nominated the following individuals for election as Trustees at the Meeting: Anthony A. Nichols, Sr., Gerard H. Sweeney, Donald E. Axinn, Walter D. Alessio, Robert C. Larson and Charles P. Pizzi. If elected, these individuals will serve as Trustees, together with D. Pike Aloian, who is separately elected as a Trustee by the holder of the Series B Preferred Shares. The Trustees have no reason to believe that any of the foregoing nominees will be unable or unwilling to be a candidate for election at the time of the Meeting. If any nominee is unable or unwilling to serve, the persons named in the proxy will use their best judgment in selecting and voting for a substitute candidate.

Each individual elected as a Trustee at the Meeting will serve until the next annual meeting of shareholders and until his successor is duly elected and qualified.

THE BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF EACH OF THE NOMINEES AS TRUSTEES.

Meetings of Trustees

The Trustees held six meetings in 2002. Each incumbent Trustee attended at least 75% of the meetings of the Board of Trustees and meetings held by all committees on which such Trustee served.

Compensation of Trustees

During 2002, the Company paid its Trustees who are not officers of the Company fees for their services as Trustees. These Trustees received an annual fee of \$35,000; a fee of \$1,000 for attendance at each meeting of the Board of Trustees; and \$500 for participation in each meeting of a committee of the Board of Trustees. Non-employee Trustees may elect to receive up to all of their annual fee in Common Shares. Trustees who are employees of the Company receive no separate compensation for services as a Trustee or committee member.

Corporate Governance

Consistent with its ongoing commitment to corporate governance, the Board, upon the recommendation of the Corporate Governance Committee, took the following actions during 2002:

- *Corporate Governance Principles:* Adopted Corporate Governance Principles. The Corporate Governance Principles reflect the Board's commitment to shareholder interests and address a variety of matters, such as: (i) Board and Board committee responsibilities; (ii) size, composition and operations of the Board and Board committees; (iii) Trustee independence; (iv) qualifications for election to the Board; (v) evaluation of Trustees; and (vi) share ownership requirements for Company executives.
- *Trustee Independence:* Confirmed the independence of each of the non-employee Trustees. In undertaking its annual review of Trustee independence, the Board considered transactions and relationships during the current and prior year between each Trustee and the Company and its affiliates, including those reported under "Certain Relationships and Related Transactions" below. As a result of its review, the Board affirmatively determined that all non-employee Trustees are independent of the Company and its management under the standards set forth in the Corporate Governance Principles and that the Audit Committee, Corporate Governance Committee and Compensation Committee are comprised exclusively of independent Trustees.
- *Lead Independent Trustee:* Appointed Mr. D'Alessio as the lead independent Trustee, with responsibility to preside at executive sessions of non-management Trustees. Shareholders and other parties interested in communicating directly with the lead Trustee or with the non-management Trustees as a group may do so by writing to Lead Trustee, Brandywine Realty Trust, 401 Plymouth Road, Plymouth Meeting, Pennsylvania 19462.
- *Share Ownership Requirements:* Adopted minimum share ownership requirements for Company executives. Officers are required to own, within five years of their election as an officer but no earlier than May 2007, Common Shares having a market value at least equal to the following multiples of their base salary: (i) six times for the President and Chief Executive Officer; (ii) four times for Senior Vice Presidents; and (iii) three times for Vice Presidents and other officers.
- *Code of Conduct:* Adopted a Code of Business Conduct and Ethics applicable to Company executives, employees and Trustees. The Code of Business Conduct and Ethics reflects and reinforces the Company's commitment to integrity in the conduct of its business. Any waiver of the Code for executive officers or Trustees may only be made by the Board or Audit Committee.
- *Audit Committee:* Expanded the charter of the Audit Committee, as reflected in [Exhibit A](#) to this Proxy Statement.
- *Corporate Governance Committee:* Vested exclusive authority in the Corporate Governance Committee to retain any search firm used to identify Trustee candidates.

[Back to Contents](#)

- *Compensation Committee*: Vested exclusive authority in the Compensation Committee to engage compensation consultants.
- *Website Disclosures*: Directed the posting on the Company's website (www.brandywinerealty.com) of the charters of each of the Audit, Corporate Governance, Compensation and Executive Committees, the Corporate Governance Principles and the Code of Business Conduct and Ethics. A copy of each of these documents may also be obtained upon request from the Company's Secretary.

In furtherance of its commitment to full and transparent disclosure of the Company's financial position and operating results, management has formed a "disclosure committee." This committee, which is comprised of Company executives with extensive knowledge of all aspects of the Company, meets regularly to ensure the quality and timeliness of the Company's public disclosures.

(1) Compensation is reportable in the year in which the compensable service was performed even if the compensation was paid in a subsequent year.

(2) Mr. Marr became an employee of the Company on August 15, 2002.

(3) Bonus amounts for 2002, which were approved by the Board of Trustees in accordance with the Company's executive compensation guidelines, were paid as follows: (i) 25% either in Common Shares or a Common Share equivalent in an investment account established under a deferred compensation plan, with each share

The portion of the Common Shares (or the Common Share equivalents) received as a result of the discounted purchase price is subject to transfer restrictions until December 31, 2004. Bonus amounts for 2001 and 2000 were approved and paid in a manner comparable to the manner described above for 2002 bonus amounts.

Restricted shares awarded in 2002 vest in five equal annual installments, with the first installment having vested on January 1, 2003. Gerard H. Sweeney	209,053	\$ 4,559,446

- (6) As of January 2, 2003: (i) 62.5% of the 1998 restricted share award to Mr. Sweeney had vested, and the remaining 37.5% vests in three equal annual installments commencing on January 2, 2004; (ii) 60.4% of the 2000 restricted share award to Mr. Sweeney had vested, and the balance vests on January 2, 2004; and (iii) 20% of the restricted share award to Mr. Sweeney in 2002 had vested, and the remaining 80% vests in four equal annual installments commencing on January 1, 2004.
- (7) The options are exercisable for Common Shares, and vest in three equal annual installments. The first one-third vested on January 1, 2003.
- (8) In February 2000, the Company loaned Mr. Nichols, Sr. \$1.0 million solely to enable him to purchase 64,000 Common Shares. The loan bears interest at the lower of the Company's cost of funds or a rate based on the dividend payable on the Common Shares, but not to exceed 10% per annum. The loan originally had a four-year term and was subject to forgiveness over a three-year period, with the amount of forgiveness tied to the Company's total shareholder return compared to the total shareholder return of a peer group of companies. The loan was also subject to forgiveness in the event of a change of control of the Company. Mr. Nichols may repay the loan at maturity by surrendering Common Shares valued at his initial per share purchase price (\$15.625). During 2001, one-third of the principal amount of the loan, together with accrued interest thereon, was forgiven, based on the Company's total shareholder return compared to the total shareholder return of the peer group companies. The replacement employment agreement that Mr. Nichols entered into with the Company, effective December 31, 2001, provided for the forgiveness of the outstanding balance of the loan as of December 31, 2001 (\$666,667), together with accrued interest, in equal amounts on April 1, 2002 and April 1, 2003 so long as Mr. Nichols was not in breach of the replacement agreement as of the applicable forgiveness date. Accordingly, as of the date of this Proxy Statement, the loan is no longer outstanding.
- (9) In February 2000, the Company loaned Mr. Sweeney \$1.5 million solely to enable him to purchase 96,000 Common Shares. The loan has a four-year term and bears interest at the lower of the Company's cost of funds or a rate based on the dividend payable on the Common Shares, but not to exceed 10% per annum. The loan is subject to forgiveness over a three-year period, with the amount of forgiveness tied to the Company's total shareholder return compared to the total shareholder return of a peer group of companies. The loan is also subject to forgiveness in the event of a change of control of the Company. Mr. Sweeney may repay the loan at maturity by surrendering Common Shares valued at his initial per share purchase price (\$15.625). During each of 2001 and 2002, one-third of the principal amount of the loan, together with accrued interest thereon, was forgiven in accordance with the terms of the loan, based on the Company's total shareholder return compared to the total shareholder return of the peer group companies.
- (10) Includes employer matching and profit sharing contributions to the Company's 401(k) retirement and profit sharing plan and deferred compensation plan.

(11) Represents a relocation allowance.

[Back to Contents](#)**2003 Restricted Share Awards**

On February 27, 2003, the Named Executive Officers were awarded an aggregate of 68,785 [restricted] Common Shares. The number of shares awarded to each of the executives was equal to the dollar value specified below divided by the closing price of the Common Shares on February 27, 2003 (\$19.90).

Name	Number of Shares	Dollar Value
Gerard H. Sweeney	40,830	\$ 812,517
Christopher P. Marr	10,365	\$ 206,263
Henry J. DeVuono	5,026	\$ 100,017
George D. Sowa	5,026	\$ 100,017
Brad A. Molotsky	7,538	\$ 150,006

The [restricted] Common Shares vest in five equal annual installments commencing on January 1, 2004, based on continued employment with the Company, subject to acceleration of vesting upon a change in control of the Company, death or disability. During the period the [restricted] Common Shares have not vested, the applicable executive is entitled to vote the shares and to receive distributions paid on Common Shares. Vesting of the [restricted] Common Shares is not subject to performance-based conditions.

Stock Options Granted to Executive Officers During Last Fiscal Year

During the year ended December 31, 2002, the Company did not award options or share appreciation rights to any of its employees other than as indicated in the table below.

Name	Number of Common Shares Underlying Options Granted (#)(1)	% of Total Options/SARs Granted to Employees in Fiscal Year	Exercise Price (\$/sh)	Expiration Date	Grant Date Present Value (\$)(2)
Gerard H. Sweeney President and Chief Executive Officer	100,000	100%	\$19.50	8/22/2005	\$251,300

(1) Options vest ratably over three years, subject to acceleration of vesting under certain circumstances, such as upon a change in control of the Company.

(2) The grant date present value for the options was determined using the Black-Scholes option pricing model. The assumptions used in calculating the Black-Scholes present value for the option grant were as follows: (a) a risk-free interest rate of 2.681% (based on the yield on a U.S. Treasury security with a maturity of five years (the life of the option)); (b) a dividend yield of 8.38%; (c) volatility of the Common Shares of 28.0% (based on the daily Common Share price for one year prior to the option grant); and (d) an option term of five years. The Black-Scholes option pricing model was developed for use in estimating the fair value of traded options that have no vesting restrictions and are fully transferable. The amount realized from an employee stock option ultimately depends on the market value of the Common Shares on the date of exercise.

Employment Agreements

Mr. Sweeney has entered into an employment agreement with the Company. In May 2002, the Board approved an extension of the term of the employment agreement through May 7, 2005. The revised employment agreement provides that if the term of Mr. Sweeney's employment is not extended upon expiration, the Company will be obligated to provide him with a severance benefit during the one-year period following expiration of the term equal to the sum of his prior year salary and bonus as well as health care benefits. The revised employment agreement does not alter the severance benefits to which Mr. Sweeney would be entitled if his employment is terminated by the Company prior to expiration of the term. Mr. Sweeney's agreement provides for an annual base salary of \$325,000. The agreement entitles Mr. Sweeney to a payment equal to three times the sum of his annual salary and bonus: (i) upon termination of his employment without cause, (ii) upon his resignation "for good reason" or (iii) upon his death. Resignation by Mr. Sweeney within six months following a reduction in his salary, an adverse change in his status or responsibilities, certain changes in the location of the Company's headquarters or a change in control of the Company would each constitute a resignation "for good reason."

Effective as of December 31, 2001, Mr. Nichols, Sr.'s then-existing employment agreement was terminated and replaced with a new agreement. The replacement agreement requires Mr. Nichols to provide advice on strategic planning, business development initiatives and special research projects. The agreement has a term that extends

through December 31, 2004 and provides for an annual salary equal to \$360,996. The aggregate annual salary payable during the term of the replacement agreement represents the total approximate amount that would have been paid to Mr. Nichols in combined salary and bonus during the term of his previous agreement. Under the replacement agreement, the Company: (i) accelerated the vesting restrictions on all restricted Common Shares awarded to Mr. Nichols in 1998 that remained unvested (99,010 shares at December 31, 2001); (ii) provided that all of the restricted Common Shares awarded to Mr. Nichols for 2000 will vest by January 1, 2004 if Mr. Nichols is in compliance with the replacement agreement on the applicable vesting dates; and (iii) agreed that options awarded to Mr. Nichols in 1998 and exercisable for an aggregate of 678,958 Common Shares (at exercise prices ranging from \$25.25 to \$29.04 per share) would remain outstanding through the original maximum term (January 2, 2008). The

[Back to Contents](#)

replacement agreement preserves the feature in Mr. Nichols' existing options that provides for conversion of the options into 79,208 Common Shares upon a change of control of the Company. In the event of the death or disability of Mr. Nichols, or a change of control of the Company, prior to expiration of the term of the replacement agreement, Mr. Nichols would be entitled to receive a payment equal to \$1,053,000.

Severance Agreements

The Company has entered into severance agreements with Messrs. Marr, DeVuono, Sowa and Molotsky. These agreements provide that, if such executive's employment is terminated (or constructively terminated) within one year following the effective date of a change of control of the Company, such executive will be entitled to salary continuation for a period of one and a half years, from the effective date of such executive's termination. The Company has entered into similar agreements with nine other officers of the Company.

401(k) Plan

The Company maintains a Section 401(k) and Profit Sharing Plan (the "401(k) Plan") covering eligible employees. The 401(k) Plan permits eligible employees to defer up to a designated percentage of their annual compensation, subject to certain limitations imposed by the Internal Revenue Code. The employees' elective deferrals are immediately vested and non-forfeitable upon contribution to the 401(k) Plan. The Company reserves the right to make matching contributions or discretionary profit sharing contributions. The 401(k) Plan is designed to qualify under Section 401 of the Code so that contributions by employees or the Company to the 401(k) Plan, and income earned on plan contributions, are not taxable to employees until withdrawn from the 401(k) Plan, and so that contributions by the Company, if any, will be deductible by the Company when made.

Deferred Compensation Plan

The Company's Executive Deferred Compensation Plan (the "EDCP") provides senior Company executives with the opportunity to defer a portion of their base salary and bonus on a tax-deferred basis. The Company reserves the right to make matching contributions on deferred amounts and to make a discretionary profit sharing contribution on compensation in excess of \$200,000. Participants elect the timing and form of distribution. Distributions are in the form of a lump sum or installments and can commence in-service, after a required minimum deferral period, or upon retirement. Participants elect the manner in which their accounts are deemed invested during the deferral period. One of the deemed investment options is a hypothetical investment fund consisting of Common Shares. Because the EDCP is a "nonqualified" deferred compensation plan, the Company is not obligated to invest deferred amounts in the selected manner or to set aside any deferred amounts in trust. In general, compensation subject to a deferral election, matching contributions and profit sharing contributions are not includible in a participant's taxable income for federal income tax purposes until the participant receives a distribution from the EDCP. The Company is not entitled to a deduction until such amounts are distributed.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee of the Board of Trustees is currently comprised of Charles P. Pizzi, Walter D'Allesio and D. Pike Aloian, none of whom is an executive of the Company. All actions taken by the Committee relating to 2002 compensation were ratified and approved by the entire Board (with interested members abstaining).

Certain Relationships and Related Transactions

Board Designation Rights. As part of the Company's acquisition of a portfolio of office, industrial and mixed-use properties from LFSRI and its affiliates in 1998, LFSRI obtained a contractual right to designate a nominee to serve on the Board, and the Company has agreed to use reasonable efforts to cause the nominee (currently Mr. Larson) to be elected to the Board. As part of the Company's issuance of Series B Preferred Shares to Five Arrows Realty Securities III L.L.C. in 1999, Five Arrows obtained the right to elect a Trustee to the Board. Mr. Aloian has been elected to the Board as the designee of Five Arrows.

[Back to Contents](#)

Employee Share Purchase Loans. In 1998, the Board authorized the Company to make loans totaling \$5.0 million to enable employees of the Company to purchase Common Shares. In 2001, the Board increased the loan authorization by \$2.0 million. The following executive officers participated in the loan program (with the principal balances shown at December 31, 2002): Mr. Sweeney (\$1,293,008), Mr. DeVuono (\$49,993), Mr. Rimikis (\$197,471), Ms. Yamarick (\$275,005), Mr. Nichols, Jr. (\$199,171), Mr. Sowa (\$74,832), Mr. Molotsky (\$520,399) and Mr. Harris (\$100,005). Proceeds of these loans were used solely to enable these executive officers to purchase Common Shares. The loans have five-year terms, are full recourse and are secured by the Common Shares purchased. Interest accrues on the loans at the lower of the interest rate borne on borrowings under the Company's revolving credit facility or a rate based on the dividend payments on the Common Shares and is payable quarterly. For the quarter ended December 31, 2002, this rate was 2.92% per annum. The principal of the loans is payable at the earlier of the stated maturity date and 90 days following termination of the applicable executive's employment with the Company.

Advisory Services. The Company engages various consulting and investment banking firms in the ordinary course of its business to provide it with advice on capital raising, mortgage financings, acquisitions, dispositions and joint ventures. Legg Mason Real Estate Services, Inc., of which Mr. D'Alessio is Chairman and Chief Executive Officer, and Lazard Freres & Co. LLC, of which Mr. Larson is a Managing Director, occasionally provide services to the Company. For the year ended December 31, 2002, the amounts paid by the Company to these two firms were less than \$100, in the case of Legg Mason, and \$31,388 in the case of Lazard.

Redemption of Units. In 1998, Mr. Axinn, a Trustee, acquired Class A units of limited partnership in Brandywine Operating Partnership, L.P. (the "Operating Partnership") in exchange for a contribution of a portfolio of properties to the Operating Partnership. The Operating Partnership is obligated to redeem, at the request of Mr. Axinn, each Class A unit for one Common Share or for the cash equivalent, at the option of the Company. As of the date of this Proxy Statement, Mr. Axinn owns 811,984 units. Mr. Axinn redeemed for cash 200,000 units during the second quarter of 2002 in accordance with the terms of the units.

Compensation Committee Report on Executive Compensation

Compensation Philosophy. The Compensation Committee's compensation policies with respect to the Company's executive officers are based on the principles that compensation should, to a significant extent, be reflective of the financial performance of the Company, and that a significant portion of executive officers' compensation should provide long-term incentives. The Compensation Committee seeks to set executive compensation at levels that are sufficiently competitive so that the Company may attract, retain and motivate high quality executives to contribute to the Company's financial success. In establishing overall compensation for executive officers, the Committee considers the Company's financial performance and industry position, compensation levels and practices at peer companies, general industry data and the recommendations of third-party consultants. The President and Chief Executive Officer of the Company establishes the base salaries for executives of the Company, other than for himself, and recommends to the Compensation Committee the annual compensation and long-term incentive awards for other Company executives. The Committee exercises judgment and discretion in the information it analyzes and considers.

The Company's compensation program for executives consists of three principal components:

- a base salary;
- a performance-based annual bonus, payable in cash and Common Shares (or Common Share equivalents under the deferred compensation plan); and
- periodic grants of equity-based compensation, such as restricted shares.

The Compensation Committee believes that this approach links a significant portion of executive compensation to personal performance and to Company performance. In addition, equity-based compensation such as restricted share awards link a significant portion of long-term compensation to share price appreciation realized by all of the Company's shareholders.

[Back to Contents](#)

Annual and Short-Term Compensation. The Compensation Committee adopted guidelines for determining 2002 year-end bonuses for the President and Chief Executive Officer and other senior executives of the Company. The guidelines established target bonus amounts. The target amounts are expressed as a percentage of an executive's base salary. The 2002 targeted bonus amounts were 125% of base salary, in the case of the President and Chief Executive Officer, and 50% to 75% of base salary for other Company executives. The guidelines provided that the 2002 bonus amounts would be based on a combination of Company performance measures and, in the case of executives other than the President and Chief Executive Officer, divisional performance measures. For the President and Chief Executive Officer, these measures, and their unadjusted weightings, were: (i) the Company's total shareholder return relative to a peer group of companies (20%); (ii) growth in the Company's per share funds from operations relative to a targeted level (30%); and (iii) achievement of the Company's capital recycling objectives (50%). Under the guidelines, for 2002, the Company's total shareholder return achievement exceeded 200%; the Company's growth in funds from operations relative to a target was 98.9%; and the Company met its capital recycling objectives. Application of these achievements to the unadjusted weightings for the three measures resulted in a bonus entitlement for the President and Chief Executive Officer equal to 119.67% of his maximum bonus entitlement (125% of base salary), or \$486,000. In further recognition of Mr. Sweeney's contributions to the Company, the Board authorized an additional \$64,000 bonus to Mr. Sweeney.

The guidelines provided that a minimum of 25% of the year-end bonus for each executive must be taken in Common Shares (or Common Share equivalents under the Company's deferred compensation plan). Additionally, executives have the ability to take all or a portion of the balance of the year-end bonus in Common Shares (or Common Share equivalents under the Company's deferred compensation plan) at a 15% discount to the market price of the Common Shares, with the additional shares acquired by virtue of the discount subject to vesting over a two-year period.

Long-Term Compensation. The Compensation Committee did not authorize any long-term compensation awards to Company executives in 2001. In 2002, the Compensation Committee requested a third party consultant to prepare for the Committee a report evaluating the annual and long-term incentive program for the Company's President and Chief Executive Officer and other senior executives. The Committee requested the report so that it could assess whether compensation of the Company's senior executives was at a level commensurate with their peers and structured to align their interests with the interests of shareholders generally. Following its receipt and assessment of this report, the Committee, in July 2002, recommended the award of restricted Common Shares to Company executives, with such shares subject to vesting over five years. Amounts awarded to the Named Executive Officers in 2002 are shown in the Summary Compensation Table. In March 2003, the Committee, taking into account a variety of factors, including its evaluation of a report prepared by a third party consultant, recommended the award of additional restricted Common Shares that would vest over a five-year period. Amounts awarded to Named Executive Officers in 2003 are shown above under the caption "2003 Restricted Share Awards."

IRS Limits on Deductibility of Compensation. Section 162(m) of the Internal Revenue Code limits the Company's tax deduction each year for compensation to each of the President and Chief Executive Officer and the four other highest paid executive officers to \$1 million. Section 162(m), however, allows a deduction without regard to amount for payments of performance based compensation which includes most share option and other incentive arrangements, the material terms of which have been approved by shareholders. Awards issued under the Company's Amended and Restated 1997 Long-Term Incentive Plan satisfy the requirements of Section 162(m) if the awards qualify as "performance-based compensation." Options under this plan that have an exercise price equal to grant date fair market value and that vest based solely on continued employment qualify as performance-based compensation. However, options exercisable for a total of 1,697,447 Common Shares awarded to Messrs. Nichols, Sr. and Sweeney do not qualify as performance-based compensation because the options were awarded subject to shareholder approval. Similarly, except for an aggregate of 27,360 Common Shares awarded to Messrs. Nichols, Sr. and Sweeney in 2000 (of which 10,640 are currently unvested) the "restricted" Common Shares awarded to the Named Executive Officers do not qualify as performance-based compensation because the restrictions applicable to the shares lapse based solely on continued employment. In addition, the outstanding principal balance of the forgivable loan (\$500,000 at December 31, 2002) made by the Company to Mr. Sweeney in February 2000 does not qualify as performance-based compensation. The Company believes that because it qualifies as a REIT under the Code and is not subject to Federal income taxes, the payment of compensation that does not satisfy the requirements of Section 162(m) would not have a material adverse financial consequence to the Company provided it distributes 100% of its taxable income.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Trustees. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. The Company's independent public accountants are responsible for expressing an opinion on the conformity of the Company's audited financial statements with accounting principles generally accepted in the United States.

In fulfilling its oversight responsibilities, the Audit Committee has reviewed the Company's audited financial statements for the year ended December 31, 2002, and discussed them with management and the independent public accountants, including the following aspects of the financial statements: (i) their quality, not just the acceptability of their accounting principles; (ii) the reasonableness of the significant judgments reflected in the financial statements; and (iii) the clarity of their disclosures. The Audit Committee has discussed with the Company's independent public accountants the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. The Audit Committee has also received the written disclosures and the letters from the Company's independent public accountants required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. The Audit Committee has discussed with the independent public accountants the independent public accountants' independence from the Company and its management. In addition, the Audit Committee has considered whether the independent public accountants' provision of non-audit services to the Company is compatible with maintaining the independent public accountants' independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Trustees that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission. The Audit Committee's recommendation was approved by the Board of Trustees.

This report is made by the undersigned members of the Audit Committee.

OTHER INFORMATION

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers, Trustees and persons who own more than 10% of the Common Shares to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, Trustees and greater than 10% shareholders are required by regulation to furnish the Company with copies of all Section 16(a) forms they file. Based solely on review of the copies of such forms furnished to the Company, or written representations that no Annual Statements of Beneficial Ownership of Securities on Form 5 were required to be filed, the Company believes that during the year ended December 31, 2002, its officers, Trustees and greater than 10% shareholders complied with all applicable Section 16(a) filing requirements.

Independent Public Accountants

KPMG LLP audited the Company's financial statements for the fiscal year ended December 31, 2002. Representatives of KPMG will be present at the Meeting to make any statement they may desire and to respond to questions from shareholders. KPMG has also been engaged to provide audit services to the Company for the quarter ended March 31, 2003. The Audit Committee has not yet determined the independent auditors for the balance of 2003. Arthur Andersen LLP previously served as the Company's independent auditors. Representatives of Arthur Andersen will not be present at the Meeting.

On May 23, 2002, the Company dismissed Arthur Andersen as its independent public accountants and appointed KPMG as its new independent public auditors. The decision to dismiss Arthur Andersen and to retain KPMG was approved by the Audit Committee.

Arthur Andersen's reports on the Company's consolidated financial statements as of and for the fiscal years ended December 31, 2001 and 2000 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

During the Company's two most recent fiscal years ended December 31, 2001, and the subsequent interim period through May 30, 2002, there were no disagreements between the Company and Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Arthur Andersen's satisfaction, would have caused them to make reference to the subject matter of the disagreement in connection with their reports.

None of the reportable events described under Item 304(a)(1)(v) of Regulation S-K occurred within the Company's two most recent fiscal years ended December 31, 2001 and the subsequent interim period through May 30, 2002.

The Company provided Arthur Andersen with a copy of the foregoing disclosures. A copy of Arthur Andersen's letter, dated May 30, 2002, stating their agreement with these statements is attached as Exhibit 16 to the Company's Form 8-K filed with the Securities and Exchange Commission on May 30, 2002.

During the Company's two most recent fiscal years ended December 31, 2001, and the subsequent interim period through May 30, 2002, neither the Company nor anyone acting on behalf of the Company consulted with KPMG regarding any of the matters or events set forth in Item 304(a)(2) of Regulation S-K.

Audit Fees

Aggregate fees billed by KPMG for audit services during the year ended December 31, 2002 were \$364,000. Aggregate fees billed by Arthur Andersen for audit services during the years ended December 31, 2002 and December 31, 2001 were \$159,000 and \$242,500, respectively.

[Back to Contents](#)**Financial Information Systems Design and Implementation Fees**

For the years ended December 31, 2002 and December 31, 2001, the Company did not make any payments to KPMG or Andersen for services relating to financial information systems design and implementation.

All Other Fees

Aggregate fees billed by KPMG for services during the year ended December 31, 2002 (other than as set forth above under Audit Fees) were as follows:

Recurring and non-recurring tax services	\$ 241,700
Executive compensation services	\$ 7,350
Other accounting services	<input type="checkbox"/>

Aggregate fees billed by Andersen for services during the years ended December 31, 2002 and December 31, 2001 (other than as set forth above under Audit Fees) were as follows:

	<u>2002</u>	<u>2001</u>
Recurring and non-recurring tax services	\$ 85,275	\$ 534,725
Executive compensation services	\$ 25,275	\$ 20,575
Other accounting services	<input type="checkbox"/>	\$ 25,000

All non-audit services were reviewed with the Audit Committee, which concluded that the provision of such services by KPMG and Andersen, as applicable, was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

The Audit Committee reviews and discusses with the independent auditor the proposed scope of services of the independent auditor for each fiscal year and the proposed fees for such services. Commencing in 2003, for additional services proposed to be performed by the independent auditors during the year, management will seek approval of such services by the Audit Committee.

Other Business

The Company knows of no business which will be presented at the Meeting other than as set forth in this Proxy Statement. However, if other matters should properly come before the Meeting, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment on such matters.

Expenses of Solicitation

The expense of solicitation of proxies on behalf of the Trustees, including printing and postage, will be paid by the Company. Request will be made of brokerage houses and other custodians, nominees and fiduciaries to forward the solicitation material, at the expense of the Company, to the beneficial owners of Common Shares held of record by such persons. In addition to being solicited through the mails, proxies may also be solicited personally or by telephone by Trustees and officers of the Company. In addition, the Company has employed D. F. King & Co., Inc. to solicit proxies for the Meeting. The Company has agreed to pay \$4,500, plus out-of-pocket expenses of D. F. King & Co., Inc., for these services.

Shareholder Proposals for the 2004 Annual Meeting of Shareholders

Shareholders are entitled to present proposals for action at a forthcoming meeting if they comply with the requirements of the proxy rules promulgated by the Securities and Exchange Commission. Proposals of shareholders of the Company intended to be presented for consideration at the Company's 2004 Annual Meeting of Shareholders must be received by the Company no later than December 5, 2003 in order to be included in the proxy statement and form of proxy related to that meeting.

[Back to Contents](#)

If a shareholder intends to timely submit a proposal at the 2004 Annual Meeting, which is not required to be included by the Company in the proxy statement and form of proxy relating to that meeting, the shareholder must provide the Company with notice of the proposal no later than February 18, 2004. If such shareholder fails to do so, or if such shareholder fails to give timely notice of his intention to solicit proxies, the proxy holders will be allowed to use their discretionary voting authority when the proposal is raised at the 2004 Annual Meeting.

AUDIT COMMITTEE CHARTER

BRANDYWINE REALTY TRUST

Purpose

The Audit Committee (the "Committee") of Brandywine Realty Trust (the "Company") shall assist the Board of Trustees (the "Board") of the Company in overseeing (1) the integrity of the Company's financial statements; (2) the Company's compliance with legal and regulatory requirements; (3) the independence and qualifications of the Company's independent auditors; and (4) the performance of the Company's internal audit function and independent auditors. The Committee also prepares the report required by the Securities and Exchange Commission (the "SEC") to be included in the Company's annual proxy statement.

The Committee shall be comprised of at least three trustees, each of whom shall be independent, as such term is defined in the Corporate Governance Principles of the Board. Each Committee member shall be financially literate. The term "financial literacy" shall mean familiarity with the Company's financial statements, including its balance sheet, income statement and cash flow statement, and general knowledge of key business and financial risks and related controls or control processes. At least one member of the Committee shall have accounting or related financial management expertise, which shall mean a background in finance, accounting or auditing, acquired through past employment experience, professional training, or other comparable experience. Additionally, a trustee may not serve simultaneously on the audit committees of more than three (3) public companies.

The members of the Committee shall be appointed for a one year term by the Board annually upon the recommendation of the Corporate Governance Committee of the Board. Should any member of the Committee cease to be independent, such member shall immediately resign his or her membership on the Committee.

Compensation of Committee Members

Members of the Committee shall not receive any compensation from the Company other than trustees' fees (including equity-based awards), which may include amounts paid to trustees for service on committees and as chairs of committees of the Board.

The Committee shall have sole authority to select and replace the Company's independent auditor, and to approve all audit and non-audit services (to the extent non-audit services are allowed by law) with the independent auditor, as well as all engagement fees and terms with respect thereto. The Committee may consult with Company management regarding the foregoing, but the Committee's sole authority with respect thereto shall not be delegated. The Committee shall be directly responsible for oversight of the work performed by any public accounting firm (including the resolution of disagreements between any such accounting firm and Company management regarding financial reporting) for the purpose of preparing or issuing an audit report or related work, and such accounting firms shall report directly to the Committee.

Outside Advisors

Approval by a majority of the members present at a meeting at which a quorum is present shall constitute approval by the Committee. The Company's independent auditor and internal auditor, if any, shall attend at least two of the Committee's meetings each year. The Committee may request members of management or others (including the Company's investment bankers or financial analysts who follow the Company) to attend meetings and to provide pertinent information as necessary. The Committee shall meet with Company management (including the chief financial officer), the internal auditors (or other personnel responsible for the internal audit function) and with the Company's independent auditors in separate private sessions periodically but not less than two times per year.

Duties and Responsibilities

Based in part on its review of this report, the Committee shall evaluate the qualifications, performance and independence of the independent auditor, and such evaluation shall include a specific review of the lead partner of the independent auditor. In making its evaluation, the Committee may take into account the opinions of Company management and the Company's internal auditor (or other personnel responsible for the internal audit function). The Committee shall present its conclusions with regard to the independent auditor to the full Board.
- Review and discuss with the independent auditor the proposed scope of services of the independent auditor for each fiscal year, including a review of the independent auditor's audit procedures and risk assessment process in establishing the scope of the services, proposed fees, and the reports to be rendered.
- Review and discuss all reports required by law or regulation to be provided to the Committee by the independent auditor and Company management, including a report from the independent auditor of (1) all critical accounting policies and practices used by the Company; (2) all alternative treatments of financial information within generally accepted accounting principles that have been discussed by the independent auditor with Company management, ramifications of the use of such alternative treatments, and the treatment preferred by the independent auditors; and (3) other material written communications between the independent auditors and Company management, such as any management letter or schedule of unadjusted differences.
- Review and discuss with Company management and the independent auditor such accounting policies (and changes therein) of the Company, including any financial reporting issues which could have a material impact on the Company's financial statements (including but not limited to the use of alternative GAAP methods and off-balance sheet structures), as are deemed appropriate for review by the Committee prior to any interim or year-end filings with the SEC or other regulators.
- Review and discuss with Company management the effect of accounting and regulatory initiatives on the financial statements of the Company.

- Make a periodic, but not less than annual, self-assessment of the Committee, including a review of this charter, using assessment tools available through third parties or developed internally.

[Back to Contents](#)

The Committee shall also undertake such additional activities within the scope of its primary function as the Committee from time to time determines.

Limitation of Audit Committee's Role

The Audit Committee does not plan or conduct audits, nor does it determine that the Company's financial statements and disclosures are complete, accurate and in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibility of Company management and the independent auditor.
