Post-Effective Amendment No. 1 in this proceeding, as filed on October 27, 2005, is hereby amended as follows:

1. Item 3 - Applicable Statutory Provisions, is amended and restated to read as follows:

3.1 General. Sections 6(a), 7, 9(a), 10, 12(b), 12(f) and 13(b) of the Act are applicable to the transactions approved under the Prior Order.

3.2 Compliance with Rules 53 and 54. The transactions proposed herein are also subject to Rules 53 and 54. Under Rule 53(a), the Commission shall not make certain specified findings under Sections 7(d) and 12 of the Act in connection with a proposal by a holding company to issue securities for the purpose of acquiring the securities of or other interest in an EWG, or to guarantee the securities of an EWG, if each of the conditions in paragraphs (a)(1) through (a)(4) thereof are met, provided that none of the conditions specified in paragraphs (b)(1) through (b)(3) of Rule 53 exists. Rule 54 provides that the Commission shall not consider the effect of the capitalization or earnings of subsidiaries of a registered holding company that are EWGs or FUCOs in determining whether to approve other transactions if Rule 53(a), (b) and (c) are satisfied. These standards are currently met.

Rule 53(a)(1): As of September 30, 2005, National's "aggregate investment" in EWGs and FUCOs was \$46,119,253, or approximately 5.9% of National's average "consolidated retained earnings" for the four quarters ended September 30, 2005 (\$785,193,000).

Rule 53(a)(2): National will maintain books and records enabling it to identify investments in and earnings from each EWG and FUCO in which it directly or indirectly acquires and holds an interest. National will cause each domestic EWG in which it acquires and holds an interest, and each foreign EWG and FUCO that is a majority-owned subsidiary, to maintain its books and records and prepare its financial statements in conformity with U.S. GAAP. All of such books and records and financial statements will be made available to the Commission, in English, upon request.

Rule 53(a)(3): No more than 2% of the employees of Distribution (National's sole domestic public utility subsidiary) will, at any one time, directly or indirectly, render services to EWGs and FUCOs.

Rule 53(a)(4): National will submit a copy of the Application or Declaration in this proceeding and each amendment thereto, and will submit copies of any Rule 24 certificates required hereunder, as well as a copy of Item 9 of National's Form U5S and Exhibits G and H thereof, to each of the public service commissions having jurisdiction over the retail rates of Distribution.

In addition, National states that the provisions of Rule 53(a) are not made inapplicable to the authorization herein requested by reason of the occurrence or continuance of any of the circumstances specified in Rule 53(b).

2. Item 4 - Regulatory Approvals, is amended and restated to read as follows:

The New York Public Service Commission and the Pennsylvania Public Utility Commission have jurisdiction over and have authorized Distribution's utilization of interest rate hedges through December 31, 2008. No other state commission, and no federal commission, other than the Commission, has jurisdiction over any of the other proposed transaction.
