PROXY STATEMENT

The Board of Directors of Henry Schein, Inc. (the Company) has fixed the close of business on April 7, 2006 as the record date for determining the holders of the Company's common stock, par value \$0.01, entitled to notice of, and to vote at, the 2006 Annual Meeting of Stockholders (the Annual Meeting). As of that date, 88,261,837 shares of common stock were outstanding, each of which entitles the holder of record to one vote. The Notice of Annual Meeting, this Proxy Statement and the enclosed form of proxy are being mailed to stockholders of record of the Company on or about April 13, 2006. A copy of our 2006 Annual Report to Stockholders is being mailed with this Proxy Statement, but is not incorporated herein by reference.

The presence, in person or by proxy, of the holders of a majority of the shares eligible to vote is necessary to constitute a quorum in connection with the transaction of business at the Annual Meeting. Abstentions and broker non-votes (i.e., proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons eligible to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) are counted as present for purposes of determining the presence or absence of a quorum for the transaction of business.

Abstentions and broker non-votes will have no effect on the election of directors (Proposal 1), which is by plurality vote.

Abstentions will, in effect, be votes against the ratification of the selection of the independent registered public accounting firm (Proposal 2), as this item requires the affirmative vote of a majority of the shares present and eligible to vote on such items. Broker non-votes will not be considered votes cast on Proposal 2 and the shares represented by broker non-votes with respect to this proposal will be considered present but not eligible to vote on this proposal.

We will pay the expense of this proxy solicitation. In addition to solicitation by mail, proxies may be solicited in person or by telephone or other means by our directors or employees without additional compensation. We will reimburse brokerage firms and other nominees, custodians and fiduciaries for costs incurred by them in mailing proxy materials to the beneficial owners of shares held of record by such persons.

The enclosed proxy is solicited by the Board of Directors of the Company. It may be revoked at any time prior to its exercise by giving written notice of revocation to the Secretary of the Company at Henry Schein, Inc., 135 Duryea Road, Melville, New York 11747, by executing a subsequent proxy and delivering it to the Secretary of the Company or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy.

CORPORATE GOVERNANCE

Board of Directors Meetings and Committees

During the fiscal year ended December 31, 2005 (fiscal 2005), the Board of Directors held seven meetings. The Board of Directors has affirmatively determined that Messrs. Alperin, Brons, Kabat, Laskawy, and Matthews, and Drs. Sullivan and Hamburg are independent, as defined under Rule 4200 of the Nasdaq Stock Market, Inc. (Nasdaq). The Board of Directors has an Audit Committee, Compensation Committee, Nominating and Governance Committee and a Strategic Advisory Committee. During fiscal 2005, the Audit Committee held four meetings, the Compensation Committee held eight meetings, the Nominating and Governance Committee held two meetings and the Strategic Advisory Committee held four meetings. During fiscal 2005, each director, other than Marvin Schein (who attended five of seven, or 71% of Board of Director meetings), attended 75% or more of the aggregate number of meetings of the Board of Directors and committees on which such directors served. Each of the committees of the Board of Directors acts pursuant to a separate written charter adopted by the Board of Directors.

Independent directors, as defined under Nasdaq s Rule 4200, meet at regularly scheduled executive sessions without members of management present.

Audit Committee

The Audit Committee currently consists of Messrs. Alperin, Kabat and Laskawy. All of the members of the Audit Committee are independent directors as defined under Nasdaq s Rule 4200. The Board of Directors has determined that each of the members of the Audit Committee are audit committee financial experts, as defined under the rules of the Securities and Exchange Commission (SEC) and, as such, each satisfy the requirements of Rule 4350 of the Nasdaq.

The Audit Committee oversees (i) our accounting and financial reporting processes, (ii) our audits and (iii) the integrity of our financial statements on behalf of the Board of Directors, including the review of our consolidated financial statements and the adequacy of our internal controls. In fulfilling its responsibility, the Audit Committee has direct and sole responsibility, subject to stockholder approval, for the appointment, compensation, oversight and termination of the independent registered public accounting firm for the purpose of preparing or issuing an audit report or related work. Additionally, the Audit Committee oversees those aspects of risk management and legal and regulatory compliance monitoring processes, which may impact our financial reporting. The Audit Committee meets at least four times each year and periodically meets separately with our management, internal auditor and the independent registered public accounting firm to discuss the results of their audit or review of the Company s consolidated financial statements, their evaluation of our internal controls, the overall quality of the Company s financial reporting, our critical accounting policies and to review and approve any related party transactions. We maintain procedures for the receipt, retention and the handling of complaints, which the Audit Committee established. The Audit Committee operates under a charter available on our Internet website at www.henryschein.com, under the Corporate Information-Corporate Governance caption.

Table of Contents

Compensation Committee

The Compensation Committee currently consists of Messrs. Alperin, Kabat and Matthews. Generally, the Compensation Committee reviews and approves (i) all incentive and equity-based compensation plans, including, without limitation, stock option, restricted stock and restricted unit plans in which officers or employees may participate, (ii) the Company's ERISA and other employee and executive benefits plans, and all related policies, programs and practices and (iii) arrangements with executive officers relating to their employment relationships with the Company, including, without limitation, employment agreements, severance agreements, supplemental pension or savings arrangements, change in control agreements and restrictive covenants. In addition, the Compensation Committee has overall responsibility for approving and evaluating the Company's compensation and benefit plans, policies and programs. All of the members of the Compensation Committee are independent directors as defined under Nasdaq's Rule 4200, non-employee directors as defined under the SEC's rules and outside directors as defined under Section 162(m) of the Internal Revenue Code of 1986, as amended, (the Code). The Compensation Committee operates under a charter available on our Internet website at www.henryschein.com, under the Corporate Information-Corporate Governance caption.

Nominating and Governance Committee

The Nominating and Governance Committee currently consists of Messrs. Alperin, Laskawy and Sullivan. The purpose of the Nominating and Governance Committee is to identify individuals qualified to become Board of Directors members, recommend to the Board of Directors the persons to be nominated by the Board of Directors for election as directors at the annual meeting of stockholders, determine the criteria for selecting new directors and oversee the evaluation of the Board of Directors and management. In addition, the Nominating and Governance Committee reviews and reassesses our corporate governance procedures and practices and recommends any proposed changes to the Board of Directors for its consideration. All of the members of the Nominating and Governance Committee are independent directors as defined under Nasdaq's Rule 4200. The Nominating and Governance Committee operates under a charter available on the Company's Internet website at www.henryschein.com, under the Corporate Information-Corporate Governance caption.

The Nominating and Governance Committee will consider for nomination to the Board of Directors candidates suggested by stockholders, provided that such recommendations are delivered to the Company, together with the information required to be filed in a proxy statement with the SEC regarding director nominees and each such nominee's consent to serve as a director if elected, no later than the deadline for submission of stockholder proposals. Our policy is to consider nominations to the Board of Directors from stockholders who comply with the procedures set forth in the Company's Certificate of Incorporation for nominations at the Company's Annual Meeting of Stockholders and to consider such nominations using the same criteria it applies to evaluate nominees recommended by other sources. To date, we have not received any recommendations from stockholders requesting that the Nominating and Governance Committee consider a candidate for inclusion among the Committee's slate of nominees in the Company's proxy statement.

In evaluating director nominees, the Nominating and Governance Committee currently considers the following factors:

the needs of the Company with respect to the particular talents, expertise and diversity of its directors;

the knowledge, skills, reputation and experience of nominees, including experience in business or finance, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board of Directors;

familiarity with businesses similar or analogous to the Company; and

experience with accounting rules and practices, and corporate governance principles.

The Nominating and Governance Committee may also consider such other factors that it deems are in the best interests of the Company and its stockholders.

Table of Contents

The Nominating and Governance Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board of Directors with that of obtaining a new perspective. If any member of the Board of Directors does not wish to continue in service or if the Nominating and Governance Committee or the Board of Directors decides not to re-nominate a member for re-election, the Nominating and Governance Committee identifies the desired skills and experience of a new nominee, and discusses with the Board of Directors suggestions as to individuals that meet the criteria.

With the goal of increasing the effectiveness of the Board of Directors and its relationship to management, the Nominating and Governance Committee evaluates the Board of Director's performance as a whole. The evaluation process, which occurs at least annually, includes a survey of the individual views of all directors, which are then shared with the full Board of Directors. In addition, each of the committees performs a similar annual self-evaluation.

Strategic Advisory Committee

The Strategic Advisory Committee currently consists of Messrs. Brons, Laskawy, Matthews and Drs. Sullivan and Hamburg. The purpose of the Strategic Advisory Committee is to provide advice to the Board of Directors and to our management regarding the monitoring and implementation of our corporate strategic plan, as well as general strategic planning. All of the members of the Strategic Advisory Committee are independent directors as defined under Nasdaq's Rule 4200. The Strategic Advisory Committee operates under a charter available on our Internet website at www.henryschein.com, under the Corporate Information-Corporate Governance caption.

Stockholder Communications

Stockholders who wish to communicate with the Board of Directors may do so by writing to the Corporate Secretary of the Company at Henry Schein, Inc., 135 Duryea Road, Melville, New York 11747. The office of the Corporate Secretary will receive the correspondence and forward it to the Chairman of the Nominating and Governance Committee or to any individual director or directors to whom the communication is directed, unless the communication is unduly hostile, threatening, illegal, does not reasonably relate to the Company or its business or is similarly inappropriate.

Our policy is to encourage our Board of Directors members to attend the Annual Meeting of Stockholders, and twelve of our thirteen directors attended the 2005 Annual Meeting of Stockholders.

Corporate Governance Guidelines

The Board of Directors has adopted Corporate Governance Guidelines, a copy of which are available on our Internet website at www.henryschein.com, under the Corporate Information-Corporate Governance caption. Our Corporate Governance Guidelines address topics such as (i) role of the Board of Directors, (ii) director responsibilities, (iii) Board of Directors composition, (iv) definition of independence, (v) committees, (vi) selection of Board of Directors nominees, (vii) orientation and continuing education of directors, (viii) executive session of independent directors, (ix) management development and succession planning, (x) Board of Directors compensation, (xi) attendance of directors at Annual Meeting, (xii) Board of Directors access to management and independent advisors, (xiii) annual evaluation of Board of Directors and Committees, (xiv) submission of director resignations and (xv) communicating with the Board of Directors.

Among other things, the Company's Corporate Governance Guidelines provide that it is the Board of Directors policy to periodically review issues related to the selection and performance of the Chief Executive Officer. At least annually, the Chief Executive Officer must report to the Board of Directors on the Company's program for management development and on succession planning. In addition, the Board of Directors and

Table of Contents

Chief Executive Officer shall periodically discuss the Chief Executive Officer's recommendations as to a successor in the event of the sudden resignation, retirement or disability of the Chief Executive Officer.

The Company's Corporate Governance Guidelines also provide that it is the Board of Directors' policy that, in light of the increased oversight and regulatory demands facing directors, directors must be able to devote sufficient time to carrying out their duties and responsibilities effectively. Accordingly, directors should not serve on more than five other boards of public companies in addition to our Board of Directors; provided that any director in excess of such limit shall reduce their service to the limit by May 31, 2006.

Additionally, the Board of Directors believes that, to align the interests of our executive officers and directors with our stockholders, the executive officers and directors should have a financial stake in the Company. In March 2006, the Board of Directors adopted a policy requiring each executive officer to own, no later than three years from the effective date of the policy, equity in the Company equal to a minimum of three times such executive officer's annual base salary. Each director should own, no later than three years from the effective date of the policy, equity in the Company equal to a minimum of 100% of such director's annual retainer. Newly appointed executive officers and directors will have three years from the date of their appointment to comply with the stock ownership policy. The Board of Directors will evaluate whether exceptions should be made for any executive officer or director on whom this requirement would impose a financial hardship or for other appropriate reasons as determined by the Board of Directors. Equity includes: shares of any class of capital stock; shares of vested restricted stock; unexercised vested options, warrants or rights to acquire shares of capital stock; and securities that are convertible into shares of capital stock; provided that an amount equal to at least 20% of such director's or executive officer's annual base salary or annual retainer, as the case may be, must be owned by such director or executive officer in the form of shares of common stock. Further, executive officers may only sell up to one-half of the equity value above the ownership requirement.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to our Chief Executive Officer, Chief Financial Officer and Controller. The Code of Business Conduct and Ethics is posted on our Internet website at www.henryschein.com, under the Corporate Information-Corporate Governance caption. We intend to disclose on our website any amendment to, or waiver of, a provision of the Code of Business Conduct and Ethics that applies to the Chief Executive Officer, Chief Financial Officer or Controller.

Compensation of Directors

Directors who are employees of the Company receive no compensation for service as directors. In addition, Marvin H. Schein receives no compensation for service as a director but received compensation under his consulting agreement with the Company, as described under the heading "Certain Relationships and Related Transactions." Directors other than Mr. Schein who are not officers or employees of the Company receive such compensation for their services as the Board of Directors may determine from time to time. In fiscal 2005, Messrs. Alperin, Brons, Kabat, Laskawy and Matthews and Drs. Hamburg and Sullivan each received a \$40,000 annual retainer, an additional \$2,000 for each Board of Directors meeting attended and \$1,500 for each committee meeting attended and a \$5,000 retainer for service as a Committee Chairperson, except for the Audit Committee Chairperson who received a \$7,500 retainer. On March 9, 2005, each of Messrs. Alperin, Kabat, Laskawy and Matthews and Drs. Hamburg and Sullivan received options to purchase 15,000 shares of our common stock at an exercise price of \$39.43 per share under our 1996 Non-Employee Director Stock Incentive Plan. Additionally, on April 8, 2005, Mr. Brons received options to purchase 15,000 shares of our common stock at an exercise price of \$37.45 per share under our 1996 Non-Employee Director Stock Incentive Plan.

Since January 2004, non-employee directors have been eligible to defer all or a portion of certain eligible director fees under our Non-Employee Director Deferred Compensation Plan in the form of cash and are deemed to be invested in our common stock in the form of a unit measurement, called a phantom share. A phantom share is the equivalent to one share of our common stock. Shares of our common stock available for

issuance under the Non-Employee Director Deferred Compensation Plan are funded from shares of our common stock that are available under our 1996 Non-Employee Director Stock Incentive Plan, and such an award under the Non-Employee Director Deferred Compensation Plan constitutes an Other Stock-Based Award under the 1996 Non-Employee Director Stock Incentive Plan.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table presents certain information regarding beneficial ownership of our common stock as of April 7, 2006 by (i) each person we know is the beneficial owner of more than 5% of the outstanding shares of common stock, (ii) each director of the Company, (iii) each nominee for director of the Company, (iv) our Chief Executive Officer and each of the other four most highly paid executive officers (based on salary and bonus for fiscal 2005) serving as of December 31, 2005 (the Named Executive Officers) and (v) all directors and executive officers as a group.

return on the contributions is generally based on the investment performance of the matching contributions held in our 401(k) Savings Plan. Employment Agreements***Chief Executive Officer***

The Company and Stanley M. Bergman entered into an employment agreement, dated as of January 1, 2003, as amended on December 16, 2005 (the "Employment Agreement"), providing for his continued employment as our Chairman of the Board of Directors and Chief Executive Officer until December 31, 2008, subject to successive three-year extensions as provided in the Employment Agreement. Mr. Bergman's annual base salary is set in accordance with the terms of Mr. Bergman's Employment Agreement. In addition, the Employment Agreement provides for incentive compensation to be determined by the Compensation Committee or the Board of Directors. The Employment Agreement also provides that Mr. Bergman will be entitled to participate in all benefit, welfare, perquisite, equity or similar plans, policies and programs generally available to our senior executive officers. We provide Mr. Bergman with the use of an automobile and expenses related thereto and other miscellaneous benefits and in certain termination events, Mr. Bergman is entitled to use of the automobile for a limited period after termination. If Mr. Bergman's employment with us is terminated: (i) by us without cause, (ii) by Mr. Bergman for good reason, (iii) as a result of his disability or (iv) as a result of a non-renewal of the employment term by us, Mr. Bergman will receive all amounts then owed to him as salary and deferred compensation and all benefits accrued and owed to him or his beneficiaries under the then applicable benefit plans, programs and policies of the Company. In addition, Mr. Bergman will receive, as severance pay, a lump sum equal to 200% of his then annual base salary plus 200% of Mr. Bergman's average annual incentive compensation paid or payable with respect to the immediately preceding three fiscal years, and a payment equal to the account balance or accrued benefit Mr. Bergman would have been credited with under each pension plan maintained by us if we had continued contributions until the end of the year of the termination, less Mr. Bergman's vested account balance or accrued benefits under each pension plan. If Mr. Bergman resigns within one year following a change in control of the Company or if Mr. Bergman's employment is terminated by us without cause within one year following a change in control or during a specified period in advance of a change in control, Mr. Bergman will receive, as severance pay, in lieu of the foregoing, 300% of his then annual base salary plus 300% of Mr. Bergman's incentive compensation paid or payable with respect to whichever of the immediately preceding two fiscal years of the Company ending prior to the date of termination was higher, and a payment equal to the account balance or accrued benefit Mr. Bergman would have been credited with under each pension plan maintained by us if we had continued contributions thereunder until the expiration of the full term of the Employment Agreement, less Mr. Bergman's vested account balance or accrued benefits under each pension plan upon a change in control, all unvested outstanding stock options and shares of restricted stock shall become fully vested. If the payments described in the preceding sentence or any other amounts owed to Mr. Bergman are subject to the excise tax imposed by Section 4999 of the Code, we will pay Mr. Bergman an additional amount such that the amount retained by him, after reduction for such excise tax, equals the amounts described in the preceding sentence prior to imposition of the excise tax. Unless the Employment Agreement is terminated for cause or pursuant to Mr. Bergman's voluntary resignation, we will continue the participation of Mr. Bergman and his family in the health and medical plans, policies and programs in effect with respect to our senior executive officers and their families after the termination or expiration of the Employment Agreement, with coverage for Mr. Bergman and his spouse continuing until their respective deaths, and coverage for his children continuing until the earlier of the date they reach the age of 28 or when they complete graduate studies. Mr. Bergman is also subject to restrictive covenants while he is employed by us and for specified periods of time thereafter.

Other Named Executive Officers

We have entered into change in control agreements with the Named Executive Officers, other than Mr. Bergman, that provide that if the executive's employment is terminated by us without cause or by the

executive for good reason within two years following a change in control of the Company, we will pay and provide the executive with: (i) severance pay equal to 300% of the sum of the executive's then base salary and target bonus, (ii) a pro rata annual incentive award at a target level for the year in which termination occurs, (iii) immediate vesting of all outstanding stock options and non-qualified retirement benefits, (iv) elimination of all restrictions on any restricted or deferred stock awards, (v) settlement of all deferred compensation arrangements in accordance with the applicable plan and (vi) continued participation in all of our welfare plans for 24 months (provided that such coverage will terminate when the executive receives substantially equivalent coverage from a subsequent employer) at the same level of participation for each executive on the termination date. Notwithstanding the foregoing, if an executive's employment is terminated by us without cause or by the executive for good reason, in either case, (a) within 90 days prior to a change in control or (b) after the first public announcement of the pendency of the change in control, the executive will be entitled to the benefits described above. In the event any payments to the executive become subject to the excise tax imposed by Section 4999 of the Code, we will pay the executive an additional amount such that the amount retained by the executive after reduction for such excise tax equals the amount to be paid to the executive prior to imposition of the excise tax.

Certain Relationships and Related Transactions

In September 1994, the Company and Marvin Schein, a director and stockholder of the Company, amended and restated the terms of a consulting agreement (the Consulting Agreement), providing for Mr. Schein's consulting services to us from time to time with respect to the marketing of dental supplies and equipment. The Consulting Agreement provides Mr. Schein with a current compensation of \$308,250 per year, which annual compensation will increase by \$25,000 every fifth year. The next compensation increase is due to take effect on August 1, 2007. The Consulting Agreement also provides that Mr. Schein will participate in all benefit, compensation, welfare and perquisite plans, policies and programs generally available to either our employees or our senior executive officers (excluding our 1994 Stock Incentive Plan, as amended) that Mr. Schein's spouse and his children (until they reach the age of 21) will be covered by our health plan and that we will provide Mr. Schein with the use of an automobile and expenses related thereto. In connection with his consulting services, we provide Mr. Schein with the use of an office and related services, some of which may be for personal use. We estimate the cost to us of such office and services in the aggregate is less than \$10,000 annually.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee has responsibility for the philosophy, competitive strategy, design and administration of the Company's compensation program for its executive officers (including the Named Executive Officers). The Committee seeks to ensure that the executive officer compensation program is competitive in level and structure with the programs of comparably sized businesses, is supportive of the Company's financial and operating objectives, reflects individual responsibilities and performance and is aligned with the financial interests of the stockholders. The Committee has retained the services of an independent executive compensation consulting firm for advice regarding the competitive structure and administration of its executive officer compensation program.

Philosophy and Program Components

The Company's executive officer compensation program is designed to enable the Company to attract and retain the caliber of officers needed to ensure the Company's continued growth and profitability, and to compensate them based on their responsibilities and performance, the Company's performance and on the longer term value they create for the stockholders in a manner consistent with competitive practices. The components of the executive officer compensation program consist of base salary, annual bonuses paid under the Company's annual Performance Incentive Plan (PIP), or, with respect to Mr. Bergman, under the Company's Section 162(m) Cash Bonus Plan (formerly known as the 2001 Section 162(m) Cash Bonus Plan), automobile allowances and periodic discretionary equity grants (including the use of stock options and restricted stock with cliff and performance vesting) and participation in our Supplemental Executive Retirement Plan (SERP) and other benefits and perquisites.

The Company measures the competitiveness of its executive officer compensation program relative to the practices of other companies with annual revenues comparable to those of the Company and with companies in its industry. These include but are not limited to the Peer Group cited in the stock performance graph. The Committee generally seeks to set salaries approximating the 50th percentile range of salaries at such comparable companies. The Committee also seeks to structure annual PIP award opportunities so that an officer's salary plus annual bonus will fall within the 50th to 75th percentile range of competitive practices, depending on both the Company's achievement of annual financial performance targets established by the Committee, in consultation with the Company's senior management, at the start of the year and the individual achievements of the officer, as evaluated against pre-established goals and objectives. Similarly, equity grants are made with reference to equity granting practices for companies with comparable annual revenues.

Base Salary

The Company annually reviews officer salaries and makes adjustments as warranted based on competitive practices, the Company's performance and the individual's responsibilities and performance. Salary increases are generally approved and implemented during the first quarter of the calendar year. The 2005 annual salaries of the Named Executive Officers, excluding Mr. Bergman, the Company's Chief Executive Officer, were increased by an average of 4.7% over annualized 2004 levels.

Annual Incentive Compensation

Annual incentive compensation for each of the Company's executive officers, other than Mr. Bergman, for each year is paid under the PIP for such year, the components of which are designed to reward the achievement of pre-established corporate, business unit and individual performance goals so as to compensate the Company's senior officers for both their individual performance and business unit financial results. At the beginning of each year, the Chief Executive Officer recommends to the Committee which officers should participate in the PIP for that year and, upon approval by the Committee, such officers are notified of their participation. The Chief Executive Officer recommends to the Committee, the PIP's performance goals for executive officers, subject to the Committee's approval, and determines such goals for participants who are not executive officers.

Table of Contents

PIP awards for 2005 performance for the Named Executive Officers, other than Mr. Bergman, were established at the beginning of 2005 and were based on (i) the Company's 2005 earnings per share measured against pre-established standards (the 2005 EPS Target), (ii) achievement of financial goals in their respective areas of responsibility and (iii) achievement of individual objectives. During the first quarter of 2006, the Chief Executive Officer reviewed the relevant financial and operating performance achievements of the Company and its business units, as well as the individual performance of the participating officers, against the PIP performance goals that had been previously established and submitted proposed PIP awards for the participating officers to the Committee for approval.

On February 16, 2006, the Committee, in exercising its discretion under the 2005 PIP, excluded certain losses attributable to the Company's hospital operations (which was put up for sale by the Company during the third quarter of 2005) and the loss on the disposal of an immaterial non-core subsidiary from the calculation of EPS.

PIP payments for 2005 for the four Named Executive Officers, other than Mr. Bergman, averaged 81.7% of salary. PIP awards for these individuals appear in the Summary Compensation Table in the column captioned Bonus.

Equity Based Awards

The Company and the Committee believe that equity based awards are an important factor in aligning the long-term financial interest of the officers and stockholders. The Committee continually evaluates the use of equity based awards and intends to continue to use such awards in the future as part of designing and administering the Company's compensation program. Options granted in February 2005 are shown above under the caption Option Grants in Fiscal 2005. Beginning in 2006, the Committee will grant both stock options and performance-contingent restricted stock awards to executive officers. The use of such awards provides award values consistent with past awards while using fewer shares overall, and links equity awards to the attainment of financial goals over multiple year performance periods.

Other Benefits and Perquisites

The Company's executive compensation program also includes other benefits and perquisites. These benefits include annual matching contributions to executive officers' 401(k) plan accounts, annual contributions to SERP accounts, company-paid medical benefits, automobile allowances and life insurance coverage. The Company annually reviews these other benefits and perquisites and makes adjustments as warranted based on competitive practices, the Company's performance and the individual's responsibilities and performance. The Committee has approved these other benefits and perquisites as a reasonable component of the Company's executive officer compensation program.

The Chief Executive Officer

Mr. Bergman's salary of \$869,010 was set in accordance with the employment agreement between Mr. Bergman and the Company. The employment agreement also provides that Mr. Bergman's bonus shall be expressed as a percentage of Base Salary in amounts determined by the Committee and based on performance criteria consistent with such performance and based on criteria as are applicable to other Company senior management. The Committee awarded Mr. Bergman an annual bonus of \$1,200,984 with respect to 2005 performance which was based, on pre-established performance goals set under the Company's Section 162(m) Cash Bonus Plan. In making its bonus determination, the Committee certified the achievement of the 2005 PIP performance goals that were set in March 2005 and evaluated the Company's 2005 EPS Target, the average bonuses earned by the Company's executive officers (including the Named Executive Officers) in relation to their target bonus opportunities, and the organization's strategic accomplishments during the year. On December 16, 2005, the Company's Board of Directors approved an amendment to Mr. Bergman's employment agreement. The amendment extended the employment term for an additional three-year period ending on December 31, 2008. The employment term may thereafter be extended for successive three-year periods on advance notice from either party. The amendment also increased

Deductibility of Executive Compensation

Section 162(m) of the Code prohibits the Company from deducting annual compensation in excess of \$1 million paid to any of the Named Executive Officers, unless such compensation is performance-based and paid pursuant to criteria approved by the stockholders. The Committee's general policy is to preserve the federal income tax deductibility of compensation by qualifying such compensation for the performance-based compensation exception to the limitation on deductibility under Section 162(m) of the Code. The Committee may, however, approve compensation that may not be deductible if the Committee determines that such compensation is in the best interests of the Company. The stockholders approved the extension of the Company's Section 162(m) Cash Bonus Plan at the 2005 Annual Meeting. Each year the Committee determines which key employees shall participate in the Section 162(m) Cash Bonus Plan.

The companies in the Peer Group are Dentsply International Inc., Fisher Scientific International Inc., MSC Industrial Direct Co., Inc., Omnicare, Inc., Owens & Minor, Inc., Patterson Companies, Inc., PSS World Medical, Inc., Sybron Dental Specialties, Inc. and W.W. In 2005, our Compensation Committee approved changes to the companies in the Peer Group Index. Accredo Health, Incorporated, D&K Healthcare Resources, Inc. and Priority Healthcare Corporation were removed because they were acquired in 2005. Caremark Rx, Inc. was removed because its market capitalization was approximately 47% of the total market capitalization of the peer group companies. Dentsply International, Fisher Scientific International and Sybron Dental Specialties were added because they are believed to be competitors and/or comparable companies.

The graph also compares the cumulative total stockholder return to the former Peer Group Index.

If the stockholders do not ratify the selection of BDO Seidman, another independent registered public accounting firm will be selected by the Board of Directors.

Representatives of BDO Seidman will be present at the Annual Meeting, will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders in attendance.

Audit Fees

The following table summarizes fees billed to us for fiscal 2005 and for the fiscal year ended December 25, 2004:

	Fiscal 2005	Fiscal 2004
Audit Fees <i>Annual Audit and Quarterly Reviews</i>	\$ 3,327,550	\$ 3,523,339

Tax Fees:		
<i>Tax Advisory Services</i>	655,580	265,067
<i>Tax Compliance, Planning and Preparation</i>	964,520	898,355
All Other Fees		
Total Fees	\$ 5,002,510	\$ 4,995,711

In the above table, in accordance with the SEC's definitions and rules, audit fees are fees that the Company paid to BDO Seidman for the audit of our annual financial statements including in the Form 10-K and review of financial statements included in the Form 10-Qs; for the audit of our internal control over financial reporting with the objective of obtaining reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects; for the attestation of management's report on the effectiveness of internal control over financial reporting; and for services that are normally provided by the independent accountant in connection with statutory and regulatory filings or engagements. Audit-related fees are fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and internal control over financial reporting, including services in connection with employee benefit plan audits, consultation on acquisitions and, in 2004, services related to a debt offering memorandum. Tax fees are fees for tax advisory services, including tax planning and strategy, tax audits and acquisition consulting, tax compliance, tax planning and tax preparation. There were no all other fees in fiscal 2004 or fiscal 2005.

The Audit Committee has determined that the provision of all non-audit services by BDO Seidman is compatible with maintaining such accountant's independence.

All fees paid by us to BDO Seidman were approved by the Audit Committee in advance of the services being performed by such independent accountants.

Pursuant to the rules and regulations of the SEC, before our independent registered accounting firm is engaged to render audit or non-audit services, the engagement must be approved by the Audit Committee or entered into pursuant to the Audit Committee's pre-approval policies and procedures. The policy granting pre-approval to certain specific audit and audit-related services and specifying the procedures for pre-approving other services is set forth in the Amended and Restated Charter of the Audit Committee, previously filed.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors, including the Company's internal control over financial reporting, the quality of its financial reporting and the independence and performance of the Company's independent registered public accounting firm. The Audit Committee is responsible for establishing procedures for the receipt, retention and treatment of complaints received by the Company about accounting, internal control over financial reporting or auditing matters and confidential and anonymous submission by employees of the Company of concerns about questionable accounting or auditing matters. On an ongoing basis, the Audit Committee reviews all related party transactions, if any, for potential conflicts of interest and all such transactions must be approved by the Audit Committee.

The Audit Committee is composed of three independent directors as that term is defined by the listing standards of the Nasdaq Stock Market, Inc. ("Nasdaq") and who satisfy the other requirements of such listing standards, including, without limitation, the requirement that one director qualify as an audit committee financial expert. The Audit Committee operates under a written charter adopted by the Board of Directors, and that is in accordance with the Sarbanes-Oxley Act of 2002 and the rules of the U.S. Securities and Exchange Commission ("SEC") and Nasdaq listing standards relating to corporate governance and audit committees. The Audit Committee reviews and reassesses its charter on a periodic and as required basis.

Management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's disclosure controls and procedures as well as its system of internal control over financial reporting. The Company is responsible for evaluating the effectiveness of its disclosure controls and procedures on a quarterly basis and for performing an annual assessment of its internal control over financial reporting, the results of which are reported in the Company's annual 10-K filing with the SEC.

The Company's independent registered public accounting firm audits the annual financial statements prepared by management, expresses an opinion as to whether those financial statements fairly present the consolidated financial position, results of operations and cash flows of the Company and its subsidiaries in conformity with accounting principles generally accepted in the United States and discusses with management any issues that they believe should be raised with management. Effective in 2004, the independent registered public accounting firm also audits, and expresses an opinion on, management's process to assess the Company's internal control over financial reporting as well as on the design and operating effectiveness of those controls.

The independent registered public accounting firm's ultimate accountability is to the Board of Directors of the Company and the Audit Committee, as representatives of the Company's stockholders.

The Audit Committee pre-approves audit, audit related and permissible non-audit related services provided by the Company's independent registered public accounting firm. During fiscal 2005, audit and audit related fees consisted of annual financial statement and internal control audit services, accounting consultations, employee benefit plan audits and other quarterly review services. Non-audit related services approved by the Audit Committee consisted of tax compliance, tax advice and tax planning services.

The Audit Committee meets with management regularly to consider, among other things, the adequacy of the Company's internal control over financial reporting and the objectivity of its financial reporting. The Audit Committee discusses these matters with the appropriate Company financial personnel and internal auditors. In addition, the Audit Committee has discussions with management concerning the process used to support certifications by the Company's Chief Executive Officer and Chief Financial Officer that are required by the SEC and the Sarbanes-Oxley Act to accompany the Company's periodic filings with the SEC.

On an as needed basis, the Audit Committee meets privately with both the independent registered public accounting firm and the Company's internal auditors, each of whom has unrestricted access to the Committee. The Audit Committee also appoints the independent registered public accounting firm, approves in advance its engagements to perform audit and any non-audit services and the fee for such services, and periodically reviews its performance and independence from management. In addition, when appropriate, the Audit

Committee discusses with the independent registered public accounting firm plans for audit partner rotation as required by the Sarbanes-Oxley Act.

The Audit Committee reviewed the Company's audited financial statements for fiscal 2005 as well as the process and results of the Company's assessment of internal control over financial reporting. The Audit Committee has also met with management, the internal auditors and BDO Seidman, LLP (BDO Seidman), the Company's independent registered public accounting firm, to discuss the financial statements and internal control over financial reporting. Management has represented to the Audit Committee that the financial statements were prepared in accordance with accounting principles generally accepted in the United States, that internal control over financial reporting was effective and that no material weaknesses in those controls existed as of the fiscal year-end reporting date, December 31, 2005.

The Audit Committee has received from BDO Seidman the written disclosures and the letter required by Independence Standards Board Standard No. 1 (*Independence Discussions with Audit Committees*) and discussed with BDO Seidman their independence from the Company and its management. The Audit Committee also received reports from BDO Seidman regarding all critical accounting policies and practices used by the Company, generally accepted accounting principles that have been discussed with management, and other material written communications between BDO Seidman and management. There were no differences of opinion reported between BDO Seidman and the Company regarding critical accounting policies and practices used by the Company. In addition, the Audit Committee discussed with BDO Seidman all matters required to be discussed by Statement on Auditing Standards No. 61, as amended (*Communication with Audit Committees*). Finally, the Audit Committee has received from, and reviewed with, BDO Seidman all communications and information concerning its audit of the Company's assessment of internal control over financial reporting as required by the Public Company Accounting Oversight Board Auditing Standard No. 2.

Based on these reviews, activities and discussions, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for fiscal 2005.
