Item 2.02 Results of Operations and Financial Condition.

This information set forth under Item 2.02. Results of Operations and Financial Condition, including the Exhibits attached hereto, shall not be deemed filed for purposes of Section 18 of the Securities and Exchange Act of 1934, as amended (the Exchange Act) or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, regardless of any general incorporation language in such filing.

On August 6, 2009, Hanmi Financial Corporation (Hanmi Financial) issued a press release announcing its financial results for the three months ended June 30, 2009. A copy of the press release is attached as Exhibit 99.1 to this Form 8-K.

Item 4.02(a) Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On August 3, 2009, the Audit Committee of Hanmi Financial concluded, based upon the recommendation of management and the findings of a recent bank regulatory examination, that Hanmi Financial's previously filed unaudited consolidated financial statements as of and for the three months ended March 31, 2009, as reported in its Quarterly Report on Form 10-Q, can no longer be relied upon due to an understatement of its allowance for loan losses. As a result, Hanmi Financial intends to promptly amend its Form 10-Q for the quarter ended March 31, 2009, as well as other previously filed regulatory reports for the first quarter of 2009, as soon as practicable. Hanmi Bank (the Bank), Hanmi Financial's wholly-owned subsidiary, also intends to promptly amend its Call Report for the three months ended March 31, 2009 to reflect this same adjustment.

The allowance for loan losses will be increased to reflect an adjustment to the qualitative reserve factors that the Bank utilized in calculating its allowance for loan losses as of March 31, 2009. The increases in the qualitative reserve factors will reflect first quarter trends in delinquent, classified and non-performing loans in the Bank's loan portfolio raised as part of the recent bank regulatory examination. The restatement also will reflect certain loan grading changes that also occurred as a result of the recent regulatory examination. As a result of these findings, Hanmi Financial's management concluded that the Bank's allowance for loan losses as of March 31, 2009 should be increased by \$21.0 million, through a charge to provision for credit losses, to reflect these matters.

The decision to restate the unaudited consolidated financial statements as of and for the three months ended March 31, 2009 was approved by the Audit Committee of the Board of Directors of Hanmi Financial on August 3, 2009. The Audit Committee and members of Hanmi Financial's executive management discussed the matters disclosed in this Item 4.02(a) with KPMG LLP, its independent registered public accounting firm.

Management is also assessing the effect of this restatement on its internal controls over financial reporting and disclosure controls and procedures. Management does not expect to reach a conclusion on its internal controls over financial reporting and disclosure controls and procedures until the completion of the restatement process.

A copy of the press release addressing the matters described above is attached as Exhibit 99.1 to this Current Report on Form 8-K.
