Item 1.01. Entry into Material Definitive Agreement.

On September 25, 2009, Resolute Energy Corporation (the Company) announced that it has closed the business combination transaction (the Transaction) contemplated by the Purchase and IPO Reorganization Agreement, dated as of August 2, 2009, by and among the Company, Hicks Acquisition Company I, Inc. (HACI), Resolute Holdings Sub, LLC (Holdings Sub), Resolute Subsidiary Corporation, Resolute Aneth, LLC (Aneth), Resolute Holdings, LLC (Holdings), and HH-HACI, L.P., as amended (the Acquisition Agreement). As a result of the Transaction, HACI became a wholly-owned subsidiary of the Company.

HACI held special meetings on September 25, 2009 of its stockholders and holders of the warrants issued in its initial public offering (the public warrant holders). At the stockholders meeting, HACI stockholders, among other things, approved the Transaction and amendments to HACI's certificate of incorporation to provide for its perpetual existence and to permit HACI to enter into a business combination transaction with an energy company.

Warrant Agreement Amendment

At the warrant holders meeting, the public warrant holders approved an amendment to the warrant agreement that governs the HACI warrants in order to allow each public warrant holder to elect to receive in the Transaction, for each outstanding warrant that was issued in HACI's initial public offering, either (i) the right to receive \$0.55 in cash or (ii) a new warrant exercisable for one share of the Company's common stock, subject to adjustment and proration as described in the definitive proxy statement/prospectus (the Proxy Statement/Prospectus) included in the Company's Registration Statement on Form S-4, declared effective by the SEC on September 14, 2009.

The preceding summary of the warrant agreement amendment is qualified in its entirety by reference to the complete text of the amendment, a form of which is included as Annex C to the Proxy Statement/Prospectus.

Warrant Agreement

On September 25, 2009, in connection with the closing of the Transaction, the Company entered into a new warrant agreement with Continental Stock Transfer & Trust Company, setting forth the terms and conditions of the new warrants to purchase shares of the Company's common stock. Pursuant to the agreement, certain warrants entitle the holders thereof to exercise Company common stock at an exercise price of \$13.00 per share for five years from the closing of the Transaction, subject to certain redemption rights by the Company (public warrants), certain warrants entitle the holders thereof to purchase Company common stock at a price of \$13.00 per share for five years from the closing of the Transaction, and are subject to certain transfer restrictions and redemption by the Company in limited circumstances (sponsors warrants), and certain warrants entitle the holders thereof to purchase Company common stock at a price of \$13.00 per share that will be exercisable at any time prior to five years from the closing of the Transaction in the event that the closing sale price of the Company common stock exceeds \$13.75 per share for 20 trading days in any 30 trading day period beginning 90 days after the closing of the Transaction, and are subject to certain transfer restrictions and redemption by the Company in limited circumstances (founders warrants). The public warrants, sponsors warrants and founders warrants are subject to other customary adjustments and limitations.

The preceding summary of the new warrant agreement is qualified in its entirety by reference to the complete text of the agreement, a form of which is included as Annex D to the Proxy Statement/Prospectus.

Registration Rights Agreement

Hicks, Holdings, Natural Gas Partners VII, L.P., NGP-VII Income Co-Investment Opportunities, L.P. and the executive officers and directors of the Company (the holders). Pursuant to the agreement, the holders are entitled to certain demand and piggyback rights to cause the Company to register securities issued in the Transaction under the Securities Act of 1933, as amended, subject to certain customary conditions and limitations, including the right of the underwriters to limit the number of securities included in any underwritten offering. The Company will pay certain expenses in connection with any registration effected pursuant to the agreement, but the holders will pay the underwriting commissions and fees associated with the sale of their respective securities in any underwritten offering.
