The Prospectus and the Summary Prospectus (as applicable) are hereby supplemented as follows:

On October 19, 2009, Morgan Stanley, the parent company of Van Kampen Investments Inc., announced that it had reached a definitive agreement to sell substantially all of its retail asset management business to Invesco Ltd. (Invesco). The transaction (Transaction) affects the part of the asset management business that advises funds, including the Van Kampen family of funds. The Transaction is subject to certain approvals and other conditions to closing, and is currently expected to close on or about June 1, 2010.

In connection with the Transaction, the Fund's Board of Trustees/Directors (the Board) has approved, subject to shareholder approval, that the Fund be transitioned to the Invesco mutual fund platform by transferring the assets and liabilities of the Fund to a newly formed fund (the Acquiring Fund) advised by an affiliate of Invesco that has substantially the same investment objectives, principal investment strategies and risks as the Fund (the Reorganization). The proposed Reorganization was approved by shareholders of the Fund at a special meeting of shareholders held on May 11, 2010. It is expected that both the Transaction and the Reorganization will close on or about June 1, 2010 at which time shareholders of the Fund will receive shares of the Acquiring Fund in exchange for their shares of the Fund. Upon completion of the Reorganization, the Fund will dissolve pursuant to a plan of dissolution adopted by the Board.
