Item 8.01 Other Events.

Effective May 28, 2010, Scott W. Kraus, our Vice President of Sales, adopted a pre-arranged trading plan (the Trading Plan) to sell shares of our common stock. The Trading Plan was designed to comply with Rule 10b5-1 under the Securities Exchange Act of 1934, as amended, and our policies regarding stock transactions. Under Rule 10b5-1, directors, officers and other persons who are not in possession of material non-public information may adopt a pre-arranged plan or contract for the sale of a registrant's securities under specified conditions and at specified times to achieve prudent and gradual asset diversification over time.

The Trading Plan provides that Mr. Kraus will sell shares held by him personally or in his IRA over approximately three years beginning June 28, 2010. Shares to be sold are currently owned by Mr. Kraus or will be purchased through the exercise of vested stock options held by Mr. Kraus. The Trading Plan allows for the sale of (i) a maximum of 49,275 shares of common stock already owned by Mr. Kraus, which includes 27,181 shares of restricted stock that remain subject to a risk of forfeiture, and (ii) up to 38,820 shares of common stock underlying vested stock options. All shares will be sold under the Trading Plan in the open market at prevailing market prices, subject to minimum price thresholds and vesting restrictions. Mr. Kraus will have no control over the actual timing of the stock sales under the Trading Plan. Sales pursuant to the Trading Plan are expected to begin as early as June 28, 2010 and will terminate no later than June 28, 2013, unless terminated sooner in accordance with the Trading Plan's terms.

All stock sales under the Trading Plan will be disclosed publicly in accordance with applicable securities laws, rules and regulations through appropriate filings with the U.S. Securities and Exchange Commission.

We do not undertake to report other Rule 10b5-1 plans that may be adopted by any of our officers or directors in the future, or to report any modifications or termination of any publicly announced plan or to report any plan adopted by an employee who is not an executive officer, except to the extent required by law.
