Item 1.01 Entry into a Material Definitive Agreement.

On November 11, 2010, Swift Energy Company (the Company) entered into an Underwriting Agreement (the Underwriting Agreement) with J.P. Morgan Securities LLC, acting on its own behalf and as representative of the several underwriters named therein (the Underwriters), for the public offering of 3,750,000 shares of the Company's common stock, par value \$.01 per share (the Common Stock) for \$36.60 per share (\$34.77 net of the underwriters discounts and commissions). The Underwriter has an over-allotment option to acquire an additional 562,500 shares of Common Stock. After deducting underwriting discounts and commissions and estimated offering expenses, the Company expects to realize net proceeds of approximately \$130.1 million for the offering, or approximately \$149.7 million if the Underwriters exercise in full their over-allotment option to acquire additional shares.

The Underwriting Agreement contains customary representations and warranties of the parties and indemnification and contribution provisions under which the Company and the Underwriter agree to indemnify each other against certain liabilities, including liabilities under the Securities Act. Also, under the terms of the Underwriting Agreement, the Company may not issue Common Stock or securities convertible into Common Stock for a period of 90 days after November 11, 2010, without the prior consent of the Underwriter.

The shares of Common Stock are registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to the Company's shelf registration statement on Form S-3 (Registration No. 333-159341), and the offering was made pursuant to a preliminary prospectus dated November 10, 2010, as supplemented by a final prospectus supplement dated November 11, 2010, which was filed November 12, 2010 with the Securities and Exchange Commission, pursuant to Rule 424(b) of the Securities Act. The closing of the offering is scheduled for November 17, 2010.

The foregoing description of the Underwriting Agreement is not complete and is qualified by reference to the complete document, which is filed as Exhibit 1.1 to this Form 8-K, and is incorporated herein by reference.
