We intend to use approximately \$434 million of net proceeds from this offering to fund the Pending Acquisitions. We intend to use the remaining net proceeds from this offering to fund a portion of the consideration for our 2017 Notes and 2018 Notes purchased pursuant to the Tender Offers and pay related expenses. This offering is not contingent on the closing of either the Tender Offers or the Pending Acquisitions. To the extent the Pending Acquisitions or the Tender Offers are not consummated, or the applicable purchase prices are less than we currently estimate, we intend to use any remaining net proceeds from this offering for general corporate purposes.
