Item 2.02. Results of Operations and Financial Condition.

On May 4, 2011, Wright Medical Group, Inc. issued a press release announcing, among other things, preliminary financial results for the first quarter ended March 31, 2011 and containing information concerning a conference call to discuss such results. A copy of the press release is set forth in Exhibit 99.1 hereto and is incorporated herein by reference.

The information in this Current Report, including exhibits attached hereto, is being furnished and shall not be deemed filed for the purposes of Section 18 of the Securities and Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section. The information in this Current Report, including exhibits attached hereto, shall not be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, except as may otherwise be expressly stated in such filing.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 4, 2011, the Company announced that Thomas L. McAllister has been appointed interim General Counsel and Secretary by the Board of Directors, replacing Raymond C. Kolls, Senior Vice President, General Counsel and Secretary, effective May 4, 2011.

Mr. McAllister, age 44, has been our Assistant General Counsel since 2005 and held various other legal positions from 2002 – 2005. Prior to joining us, Mr. McAllister practiced law for approximately ten years. The Board has not yet established any compensation arrangements for Mr. McAllister's service as interim General Counsel and Secretary. Mr. Kolls resigned from the Company without good reason effective May 3, 2011. Because Mr. Kolls' resignation was without good reason the Company has no obligations to him other than payment of accrued obligations. In general, the Company will be obligated to pay Mr. Kolls accrued salary earned through May 3, 2011 and the value of accrued but untaken vacation, and to reimburse him for unreimbursed business expenses, but Mr. Kolls is not entitled to severance pay under any employment or separation pay agreement or otherwise.

In addition, Alicia M. Napoli, Vice President, Clinical & Regulatory Affairs, and Cary P. Hagan, Sr. Vice President, Commercial Operations – Europe, Middle East and Africa, also resigned from the Company without good reason effective May 3 and 4, 2011, respectively.

Item 8.01. Other Information

In December 2007, we received a subpoena from the United States Department of Justice (DOJ) through the United States Attorney's Office for the District of New Jersey (USAO) requesting documents for the period January 1998 through the present related to any consulting and professional service agreements with orthopaedic surgeons in connection with hip or knee joint replacement procedures or products. This subpoena was served shortly after several of our knee and hip competitors agreed to resolutions with the DOJ after being subjects of investigations involving the same subject matter.

On September 29, 2010, our wholly-owned subsidiary, Wright Medical Technology, Inc. (WMT) entered into a 12-month Deferred Prosecution Agreement (DPA) with the USAO and a Civil Settlement Agreement (CSA) with the United States. Under the DPA, the USAO agreed not to prosecute WMT in connection with the matter if WMT satisfies its obligations during the 12 month term of the DPA. Pursuant to the CSA, WMT settled civil and administrative claims relating to the matter for a payment of \$7.9 million without any admission by WMT. In conjunction with the CSA, WMT also entered into a five year Corporate Integrity Agreement (CIA) with the Office of the Inspector General of the United States Department of Health and Human Services (OIG). The DPA and the CIA were filed as Exhibits 10.27 and 10.26, respectively, to the Company's quarterly report filed on October 29, 2010. The DPA has also been posted to the Company's website.

Pursuant to the DPA, an independent monitor has been retained to review and evaluate WMT's compliance with its obligations under the DPA. As a result of the work of the independent monitor and WMT's compliance program, the Board of Directors became aware of facts indicative of possible compliance issues. At the direction of the Nominating, Compliance and Governance Committee of the Board of Directors of WMT's parent, Wright Medical Group, Inc. (WMGI), WMGI and WMT have conducted an internal investigation with the assistance of outside counsel. The Board of Directors of WMGI received a report from outside counsel. On May 4, 2011, pursuant to Paragraph 20 of the DPA, WMT provided written notice to the independent monitor and the USAO of credible

evidence of serious wrongdoing. The same notice was also provided to OIG. The Board of WMGI also took a number of measures to enhance WMT's compliance environment. WMT and the independent monitor continue their investigative activities pursuant to the DPA, and communications between WMT, the independent monitor, the USAO and OIG are ongoing.

WMT could receive a letter pursuant to Paragraph 50 of the DPA stating that the USAO believes that WMT has knowingly and willfully breached one or more material provisions of the DPA. Pursuant to the DPA WMT would have the opportunity to make a presentation within three weeks of receipt of such a letter that could address whether any breach has occurred, whether any breach was knowing or willful, materiality, and whether any breach has been cured.

Pursuant to the DPA, we expect that the USAO would not take any further action until consideration of WMT's presentation.

The DPA and CIA impose certain obligations on WMT to maintain compliance with U.S. healthcare regulatory laws. Our failure to do so could expose us to significant liability including, but not limited to, extension of the term of the DPA by up to 6 months, exclusion from federal healthcare program participation, including Medicaid and Medicare, which would have a material adverse effect on our financial condition, results of operations and cash flows, potential prosecution, including under the previously-filed criminal complaint, civil and criminal fines or penalties, and additional litigation cost and expense. If not extended, our obligations under the DPA expire as of September 29, 2011, while our obligations under the CIA expire as of September 29, 2015.

In addition to the USAO and OIG, other governmental agencies, including state authorities, could conduct investigations or institute proceedings that are not precluded by the terms of the settlements reflected by the DPA and the CIA. In addition, the settlement with the USAO and OIG could increase our exposure to lawsuits by potential whistleblowers under the federal false claims acts, based on new theories or allegations arising from the allegations made by the USAO. The costs of defending or resolving any such investigations or proceedings could have a material adverse effect on our financial condition, results of operations and cash flows.

Integrity Agreement through September 2015, and any items identified during the course of the Company's quarter-end accounting close processes. Our failure to comply with the Deferred Prosecution Agreement or the Corporate Integrity Agreement could expose us to significant liability including, but not limited to, extension of the term of the DPA by up to 6 months, exclusion from federal healthcare program participation, including Medicaid and Medicare, which would have a material adverse effect on our financial condition, results of operations and cash flows, potential prosecution, including under the previously-filed criminal complaint, civil and criminal fines or penalties, and additional litigation cost and expense.
