Form 425

May 05, 2011

Filed by Bank of Montreal
Pursuant to Rule 425 under the Securities Act of 1933
and deemed filed pursuant to Rule 14a-12 under the
Securities Exchange Act of 1934
Subject Company: Marshall & Ilsley Corporation
SEC Registration Statement No.: 333-172012

This filing, which includes information about HR programs for M&I employees, may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and comparable safe harbour provisions of applicable Canadian legislation, including, but not limited to, statements relating to anticipated financial and operating results, the companies' plans, objectives, expectations and intentions, cost savings and other statements, including words such as anticipate, believe, plan, estimate, expect, intend, will, should, may, and other expressions. Such statements are based upon the current beliefs and expectations of our management and involve a number of significant risks and uncertainties. Actual results may differ materially from the results anticipated in these forward-looking statements. Such factors include, but are not limited to: the possibility that the proposed transaction does not close when expected or at all because required regulatory, shareholder or other approvals and other conditions to closing are not received or satisfied on a timely basis or at all; the terms of the proposed transaction may need to be modified to satisfy such approvals or conditions; the anticipated benefits from the proposed transaction such as it being accretive to earnings, expanding our North American presence and synergies are not realized in the time frame anticipated or at all as a result of changes in general economic and market conditions, interest and exchange rates, monetary policy, laws and regulations (including changes to capital requirements) and their enforcement, and the degree of competition in the geographic and business areas in which M&I operates; the ability to promptly and effectively integrate the businesses of M&I and BMO; reputational risks and the reaction of M&I's customers to the transaction; diversion of management time on merger-related issues; increased exposure to exchange rate fluctuations; and those other factors set out on pages 29, 30, 61 and 62 of BMO's 2010 Annual Report. A significant amount of M&I's business involves making loans or otherwise committing resources to specific companies, industries or geographic areas. Unforeseen events affecting such borrowers, industries or geographic areas could have a material adverse effect on the performance of our integrated U.S. operations. Additional factors that could cause BMO Financial Group's and Marshall & Ilsley Corporation's results to differ materially from those described in the forward-looking statements can be found in the 2010 Annual Report on Form 40-F for BMO Financial Group and the 2010 Annual Report on Form 10-K of Marshall & Ilsley Corporation filed with the Securities and Exchange Commission and available at the Securities and Exchange Commission's Internet site (<http://www.sec.gov>). In connection with the proposed merger transaction, BMO has filed with the Securities and Exchange Commission a Registration Statement on Form F-4 and a definitive Proxy Statement/Prospectus, as well as other relevant documents concerning the proposed transaction. **Shareholders are urged to read the Registration Statement and the definitive Proxy Statement/Prospectus and any other relevant documents filed with the SEC, as well as any amendments or supplements to those documents, because they will contain important information.** A free copy of the definitive Proxy Statement/Prospectus, as well as other filings containing information about BMO and M&I, may be obtained at the SEC's Internet site (<http://www.sec.gov>). You can also obtain these documents, free of charge, from BMO at www.BMO.com under the tab About BMO Investor Relations and then under the heading Frequently Accessed Documents, from BMO Investor Relations at investor.relations@bmo.com or (416) 867-6642, from M&I by accessing M&I's website at www.MICorp.com under the tab Investor Relations and then under the heading SEC Filings, or from M&I at (414) 765-7814.

BMO and M&I and certain of their directors and executive officers may be deemed to be participants in the solicitation of proxies from the shareholders of M&I in connection with the proposed merger. Information about the directors and executive officers of BMO is set forth in the proxy statement for BMO's 2011 annual meeting of shareholders, as filed with the SEC on Form 6-K on February 25, 2011. Information about the directors and executive officers of M&I is set forth in M&I's annual report for the year ended December 31, 2010, as filed with the SEC on Form 10-K on March 1, 2011, and as amended by Form 10K/A filed with the SEC on April 29, 2011. Saving for retirement

The BMO/Harris Employees 401(k) Savings, Employee Share Purchase Plan (ESPP) and Retirement (Pension) Plan will help you build security for the future.

Participation in the Retirement (Pension) Plan is automatic, and you will receive credit based on your M&I service date. Participation in the 401(k) Savings and ESPP is voluntary; you'll need to enroll.

The following information is an overview of the plans. Full details are available at www.myaccessbenefits.com.

Note: After closing, as an M&I Retirement Program member, you can continue to access your account information and receive answers to your questions, including alternatives available to you with the transition of the M&I program, at www.miretirement.com or by calling 1-800-858-3829.

401(k) SAVINGS PLAN

The 401(k) Savings Plan is a smart way to save! The plan boosts your savings with matching bank contributions. It also enables you to defer taxes on both your contributions and investment earnings.

Your contributions to 401(k)

You can choose the contribution level that's right for you, from 1% to 25% of your pay.*

Contributions are automatically withdrawn from your pay and because they are pre-tax deductions, they reduce your taxable income so you save money on taxes each payday. You can change your contribution amount at any time.

Contributions are subject to annual dollar limits set by the IRS, which may change each year. The maximum pre-tax contribution for 2011 is \$16,500 (reduced by contributions made to the M&I Retirement Program). The IRS also sets a maximum of pay from which you can contribute, and that maximum is \$245,000 for 2011.

If you are at least age 50 or will reach age 50 during a given calendar year, you can make catch-up contributions for that year by contributing an additional 1% to 15% of your pay (to a maximum of \$5,500 in 2011). Since *catch-up* contributions do not receive a bank match, make sure to first maximize your *normal* contribution to take full advantage of the bank's contribution.

Enrolling in the 401(k) plan is easy!

You can pre-enroll as early as **May 16th** using the Personal Identification Number (PIN) you will receive in mid-May. Your PIN will be sent to you at your home address.

You can enroll in the 401(k) Savings Plan at any time; however, to ensure that your contributions continue uninterrupted, you are encouraged to pre-enroll so that contributions will automatically begin on the first pay period after closing.

To enroll

§ go to www.myaccessbenefits.com and select **401(k) Savings** under My Accounts or

§ call customer service at 1-800-738-2323 between 8 am-8 pm CT

See page 4 for further enrollment instructions.

Bank contributions

The bank matches your contributions dollar for dollar, up to the first 5% you save of your annual eligible pay.* Matching contributions are tax-deferred, just like your own contributions.

Vesting

All of your contributions and the matching bank contributions are vested immediately.

** Eligible pay includes your base annual pay plus overtime, shift differential and any variable pay related to your work performance.*

Investment fund choices

The 401(k) Savings Plan offers a choice of professionally-managed investment options including BMO stock. The plan allows you to create an investment program tailored to your personal needs, goals and risk tolerance. For information on plan funds and their past performance, visit www.myaccessbenefits.com.

Accessing your account While employed at BMO Financial Group, you will have access to the funds in your account through loans and withdrawals, subject to IRS rules and limits.

RETIREMENT (PENSION) PLAN

The Retirement Plan is the cornerstone of your retirement income. You will automatically join the plan the day after closing. You don't need to enroll. Your M&I service counts towards vesting and pay credits.

Your retirement account starts on your first day of work with BMO / Harris. Each month, your account will receive a **pay credit** and an **interest credit**:

Pay credits are based on your eligible pay, and points that are driven by your age and years of service with the bank:

| Points (age + service) | Pay credit % |
|-------------------------------|---------------------|
| Under 40 | 3.0% |
| 40-49 | 3.5% |
| 50-59 | 4.5% |
| 60-69 | 6.0% |
| 70 or more | 8.0% |

You will start to receive **interest credits** in your second year in the plan. Interest credits are based on the 10-year U.S. Treasury Bond Rate, with an annual minimum return of 5.03%, and are applied to your account balance as of December 31st of the previous year.

You become vested in the plan once you have three years of continuous service. Vesting means you own the benefit you have earned, and it becomes portable so you can take the account balance with you at any age, even if you leave the bank before retirement.

Additional details about these retirement plans are available at www.myaccessbenefits.com.

** Eligible pay includes your base annual pay plus overtime, shift differential and any variable pay related to your work performance.*

EMPLOYEE SHARE PURCHASE PLAN (ESPP)

The ESPP helps you invest in BMO Financial Group, by offering BMO common stock at a discounted price of 15% below market value. By buying shares, you're more than an employee – you're also a shareholder.

Your ESPP contributions

You can choose to make after-tax payroll deductions of 1-15% of your base pay. Your deductions will be used to buy shares at 85% of the market price.

Bank contributions

The bank contributes the difference between your cost for the shares and the actual market price. The bank's contributions and your after-tax contributions combined are subject to an annual limit of \$25,000.

Enrolling in ESPP

You can enroll online or by phone during the 15-day period prior to the start of any quarter in a calendar year (January, April, July, October).

You will be advised as to the first opportunity for enrollment, and will receive your PIN in the mail at home.
