Item 1.01 Entry into a Material Definitive Agreement

On September 20, 2006, Superior Industries International, Inc. (Superior), as seller, entered into an Asset Purchase Agreement (Agreement) with Saint Jean Industries, Inc., a Delaware corporation, as buyer, and the buyer's parent, Saint Jean Industries, SAS, a French simplified joint stock company, for substantially all the assets of Superior's aluminum suspension components business in Heber Springs, Arkansas, and the associated real estate. Pursuant to the Agreement, upon closing scheduled for September 28, 2006, Superior will receive from the buyer \$17.0 million, including a \$2.0 million promissory note, subject to post-closing adjustments and indemnification obligations. The \$2.0 million promissory note is due in two equal installments on the 24 and 36 month anniversary date of the closing, and bears interest at LIBOR plus 1%, adjusted quarterly. In addition, the buyer will assume selected liabilities of the business. The consummation of the transactions contemplated by the Agreement is subject to customary conditions to closing.

The assets being sold have been designated as held for sale on the financial statements of Superior. Superior expects no material adjustment to the reserve recorded in the fourth quarter of 2005 in connection with this transaction.

The description of the terms and conditions of the Agreement set forth herein does not purport to be complete and is qualified in its entirety by reference to the full text of the Agreement which will be filed with our next Quarterly Report on Form 10-Q.
