- (b) The Registrant's Reports of Foreign Private Issuer on Form 6-K, filed with the Securities and Exchange Commission on January 31, 2002 and February 7, 2002;

All documents subsequently filed by the Registrant or the Bayer Corporation Share Incentive Plan pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act after the date of this Registration Statement and prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part thereof from the date of filing such documents.

Any statement contained in a document all or a portion of which is incorporated or deemed to be incorporated by reference in this Registration Statement shall be deemed to be modified or superceded for purposes of this Registration Statement to the extent that a statement contained herein

3

or in any other subsequently filed document which is or is deemed to be incorporated by reference herein modifies or supercedes such statement. Any such statement so modified or superceded shall not be deemed, except as so modified or superceded, to constitute a part of this Registration Statement.

ITEM 4. DESCRIPTION OF SECURITIES.

The Ordinary Shares are registered pursuant to Section 12(b) of the Exchange Act and, therefore, the description of the Ordinary Shares is omitted.

The Warrants to receive American Depositary Shares that will be issued to participants in the Bayer Corporation Share Incentive Plan (the "Plan") are not registered pursuant to Section 12 of the Exchange Act; accordingly, a description of the Warrants is set forth below.

Each Warrant represents the right to receive a variable number (0 to 100) of American Depositary Shares issuable on deposit of the Registrant's Ordinary Shares. Participants in the Plan will receive one Warrant for every twenty American Depositary Shares deposited under the Plan as of the commencement date of the applicable award cycle. The initial award cycle

Edgar Filing: BAYER AKTIENGESELLSCHAFT - Form S-8

commences on May 15, 2002. No Warrants are currently outstanding.

The Warrants are exercisable for a two-year period following a holding period of three years, during which neither the Warrants nor the underlying deposited American Depositary Shares may be withdrawn from participants' accounts under the Plan. For participants in the initial award cycle, the exercise period commences on May 15, 2005 and terminates on May 14, 2007. Except during blackout periods prescribed by the Registrant's insider trading policies, the Warrants may be exercised during the applicable exercise period as long as one of two minimum performance thresholds is met at the time of exercise. If neither performance measure is achieved during the exercise period, the Warrants may not be exercised. Participants must exercise a minimum of five Warrants at a time. Participants who hold less than five Warrants may exercise all of their Warrants at one time. Only participants in the Plan may exercise Warrants, except that in the event of a participant's death, the participant's beneficiary may exercise Warrants held by the participant during the applicable exercise period.

At the end of the applicable exercise period, unexercised Warrants expire and participants lose all rights to them. Participants in the Plan will forfeit Warrants granted to them if they voluntarily leave the employment of Bayer Corporation or a participating employer for reasons other than death, disability or retirement and their departure occurs during the applicable holding period of an award cycle. Participants whose employment is terminated by Bayer Corporation or a participating employer for reasons determined by Bayer Corporation not to be business related or not for cause will lose all rights to their Warrants if their termination occurs during the applicable holding period of an award cycle. Warrants of participants whose employment is terminated for cause by Bayer Corporation or a participating employer will be forfeited.

The number of American Depositary Shares that may be received upon the exercise of a Warrant will be based upon the performance of the Registrant's Ordinary Shares during the three-year holding period and continuing until the date of exercise. The two performance measures are absolute performance and relative performance. The absolute performance measure awards one American Depositary Share per Warrant for each 3% of the performance of the Registrant's Ordinary Shares at the time of exercise, subject to a minimum performance level of 30%. The relative performance measure awards one American Depositary Share per Warrant for each one percentage point that the performance of the Registrant's Ordinary Shares exceeds the performance of the Composite Index of the Dow Jones EURO STOXX 50(SM) at the time of exercise. A maximum of fifty American Depositary Shares per Warrant

4

may be awarded under each performance measure, for a maximum total of one hundred American Depositary Shares per Warrant. At least one of the two performance measures must be achieved at the time of exercise. The administrator of the Plan may determine, in consultation with the Registrant, to settle exercised Warrants by cash payment. If no American Depositary Shares remain available for distribution upon termination of the Plan, exercised Warrants may also be settled by cash payment. In either case, a cash payment shall be determined by multiplying the number of American Depositary Shares that would have been awarded upon exercise of a participant's Warrants by the closing trading price of American Depositary Shares as reported on the New York Stock Exchange on the date of exercise. German law requires the Registrant to obtain stockholder approval for the acquisition of the Registrant's securities for distribution pursuant to the Plan, and such stockholder approval is valid for only eighteen months.

Edgar Filing: BAYER AKTIENGESELLSCHAFT - Form S-8

Participants in the Plan have no voting rights with respect to the Warrants. Neither German law nor the Articles of Association (Satzung) of the Registrant impose any limitations on the rights of U.S. residents or nonresidents of Germany to hold Warrants.

Under German tax law, the Registrant is required to withhold tax on dividends payable to holders of American Depositary Shares issuable on deposit of the Registrant's Ordinary Shares in an amount equal to 20% of the gross amount paid to resident and nonresident stockholders plus the solidarity surcharge of 5.5% thereon (equal to 1.1% of the gross amount). The German withholding tax is partially refunded under the Convention between the United States of America and the Federal Republic of Germany for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion With Respect to Taxes on Income and Capital and to Certain Other Taxes to reduce the withholding tax to 15% of the gross amount of the dividend.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

Not applicable.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

German law does not provide for the indemnification of controlling persons, directors or officers of the Registrant. The Articles of Association (Satzung) of the Registrant provide that the Registrant may purchase liability insurance for members of the Supervisory Board to cover their legal liability arising from their activities as members of the Supervisory Board. The Articles of Association (Satzung) of the Registrant do not provide for any arrangement pursuant to which any member of the Board of Management or any officer of the Registrant is indemnified or insured in any manner against liability which he may incur in his capacity as such. The Registrant maintains, at its own expense, liability insurance for members of the Supervisory Board and the Board of Management and officers of the Registrant.

ITEM 7. EXEMPTION FROM REGISTRATION CLAIMED.

Not applicable.

ITEM 8. EXHIBITS.

- 4.1 Articles of Association (Satzung) of the Registrant as amended to date (in English translation) (incorporated by reference to Exhibit 1.1 to Amendment No. 2 to the Registrant's Registration Statement on Form 20-F, filed with the Securities and Exchange Commission on January 15, 2002).

The Ordinary Shares being registered hereby are not original issuance securities. Pursuant to Form S-8, Part II, Item 8(a), an opinion of counsel as to the legality of the Ordinary Shares is accordingly not required. Pursuant to Form S-8, Part II, Item 8(b), the Bayer Corporation Share Incentive Plan is not subject to the requirements of ERISA, and no action will be taken to qualify said plan under Section 401 of the Internal Revenue Code of 1986, as amended.

ITEM 9. UNDERTAKINGS.

(a) The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in the Registration Statement;

Provided, however, That the undertakings set forth in paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Securities and Exchange Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

Edgar Filing: BAYER AKTIENGESELLSCHAFT - Form S-8

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report on Form 20-F pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
