**Item 4.01. Changes in Registrant's Certifying Accountant**

On October 31, 2005, the Company's auditors, Ernst & Young LLP (E&Y), advised the Company that E&Y will resign as the Company's independent registered public accounting firm effective upon the filing by the Company of its Form 10-Q quarterly report for the quarter ended September 30, 2005. E&Y included in its report on the Company's financial statements for the years ended December 31, 2004 and 2003, a going-concern qualification, stating that the Company has incurred recurring operating losses and deficiencies in working capital and shareholders' equity, and these conditions raise substantial doubt about the Company's ability to continue as a going concern.

In connection with the audits of the Company's financial statements for each of the two years ended December 31, 2004 and 2003 and for the interim periods subsequent to December 31, 2004, there were no disagreements with E&Y on any matters of accounting principles or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to the satisfaction of E&Y, would have caused E&Y to make reference to the matter in their report.

The Company has requested E&Y to furnish it a letter addressed to the Commission stating whether it agrees with the above statements. A copy of that letter, dated November 4, 2005 is filed as Exhibit 16 to this Form 8-K.

There were no reportable events as that term is described in paragraph a(1)(v) of Item 304 under Regulation S-K.

The Company is currently seeking a replacement to E&Y to act as the Company's independent registered public accounting firm. The Company will announce the engagement of such accountants when such engagement is finalized.
