On April 15, 2004, Arlin M. Adams, Esquire, the Chapter 11 Trustee (the Chapter 11 Trustee ) for the bankruptcy estates of Coram Healthcare Corporation ( CHC ) and its wholly-owned subsidiary, Coram, Inc. ( CI ) (CHC and CI are hereinafter collectively referred to as the Debtors ), filed the Chapter 11 Trustee s Second Amended Joint Plan Of Reorganization (the Second Amended Plan ) in the United States Bankruptcy Court for the District of Delaware (the Bankruptcy Court ) in the Debtors jointly administered bankruptcy cases. The Second Amended Plan, including Exhibit A Amended And Restated Plan Funding And Settlement Agreement, has been attached to this report as exhibit 99.1. The Trustee s Second Amended Plan remains subject to modification or amendment.

As previously reported on CHC s Current Report on Form 8-K, dated July 11, 2003, two competing proposed plans of reorganization have been filed in the Debtors bankruptcy cases. The plans of reorganization are proposed by (i) the Chapter 11 Trustee and (ii) the Official Committee of Equity Security Holders of Coram Healthcare Corporation. Such proposed plans of reorganization, as well as modifications and amendments thereto, can be found as exhibits to CHC s Current Reports on Form 8-K previously filed with the United States Securities and Exchange Commission.

The two competing proposed plans of reorganization remain subject to confirmation by the Bankruptcy Court. Hearings to consider confirmation of such proposed plans of reorganization and any objections thereto commenced on September 30, 2003 and are ongoing. The proceedings to consider confirmation are presently scheduled to conclude on June 11, 2004. No assurances can be given that either plan will ultimately be confirmed by the Bankruptcy Court.

*Note: Except for historical information, all other statements in this report are forward-looking within the meaning of the Private Securities Litigation Reform Act of 1995. The actual results of the Debtors and their operating subsidiaries (collectively the Company ) may vary materially from these forward-looking statements due to important risk factors, including the Company s historical lack of profitability; uncertainties associated with the outcomes of certain pending legal matters, including the bankruptcy proceedings; the Company s leveraged financial structure; the Company s ability to comply with certain governmental regulations; the Company s need to obtain additional financing or equity; the Company s limited liquidity; the Company s dependence upon its relationships with third party payers and the prices paid by such third party payers for the Company s services; and certain other factors. Risk factors are described in greater detail in CHC s Annual Reports on Form 10-K, Form 10-Q Quarterly Reports and Form 8-K Current Reports on file with the United States Securities and Exchange Commission.*
