PROXY STATEMENT

**ANNUAL MEETING OF SHAREHOLDERS
SEPTEMBER 8, 2004**

INTRODUCTION

We will hold the Annual Meeting of Shareholders of Uroplasty, Inc. on Wednesday, September 8, 2004 at 5:00 p.m. (CDT) at our principal executive office located at 2718 Summer Street N.E., Minneapolis, Minnesota 55413, or at any adjournment or adjournments thereof, for the purposes set forth in the Notice of Annual Meeting of Shareholders.

We enclose a proxy card for your use. Our Board of Directors solicits you to **SIGN AND RETURN THE PROXY CARD IN THE REPLY ENVELOPE**. We will bear the cost of soliciting proxies, including the preparation, assembly and mailing of the proxies and soliciting material, as well as the cost of forwarding such material to beneficial owners of our common stock. Our directors, officers and regular employees may, without compensation other than their regular compensation, solicit proxies in person, in writing or by any form of telecommunication. We may reimburse brokerage firms and others for expenses in forwarding proxy materials to the beneficial owners of common stock.

Any shareholder giving a proxy may revoke it at any time prior to its use at our Annual Meeting either by giving a written notice of revocation to our Secretary, by filing a duly executed proxy bearing a later date with our Secretary or by appearing at the Annual Meeting and filing a written notice of revocation with our Secretary prior to use of the proxy. Proxies will be voted as specified by shareholders.

We expect to first mail this proxy material to shareholders on or about August 12, 2004.

OUR BOARD OF DIRECTORS RECOMMENDS YOU VOTE FOR THE PROPOSALS IN OUR NOTICE OF MEETING.

VOTING OF SHARES

Only holders of Common Stock of record at the close of business on July 30, 2004 are entitled to vote at the Annual Meeting. On July 30, 2004, we had 4,659,865 shares of Common Stock outstanding. Each share of our Common Stock entitles the holder to one vote on each matter to be voted on at our

Table of Contents

Annual Meeting.

The presence at our Annual Meeting, in person or by proxy, of the holders of a majority of our outstanding shares of Common Stock entitled to vote at the meeting (2,329,933 shares) is required for a quorum for the transaction of business.

If a stockholder abstains from voting on any matter, the abstention will be counted for purposes of determining whether a quorum is present at the Annual Meeting of Stockholders for the transaction of business as well as shares entitled to vote on that particular matter. Accordingly, an abstention on any matter will have the same effect as a vote against that matter.

A non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions from the beneficial owner. Broker non-votes on a matter are counted as present for purposes of establishing a quorum for the meeting, but are not considered entitled to vote on that particular matter. Consequently, non-votes do not have the same effect as a negative vote on the matter.

The election of a nominee for Director and any other proposals that may come before the Annual Meeting described in this Proxy Statement require the approval of a majority of the shares present and entitled to vote in person or by proxy on that matter.

PROPOSAL 1

ELECTION OF DIRECTORS

Nomination

As permitted by Minnesota law, our Articles of Incorporation require the dividing of our Board of Directors into three classes, with each class containing as nearly as possible one-third of the total, and each class having a term of three years. The term of office of each class is staggered so that in any one year the term of only one class expires.

Our Board of Directors has nominated the individuals named below to serve as Directors for the term of three years, until the Annual Meeting of the shareholders in the year in which their term expires or until their successors have been elected and qualified. The nominees are members of the current Board.

The Board recommends a vote FOR the election of the nominees listed below. In the absence of other instructions, the proxies will be voted FOR the election of the nominees named below. If the Board should learn the nominees will be unable to serve by reason of death, incapacity or other unexpected occurrence prior to the Annual Meeting, the proxies which otherwise would have been voted for the nominee will be voted for such substitute nominee as selected by the Board. The Board has no reason to believe the nominees will be unable to serve.

Mr. Humphries also served as President and CEO of Optical Sensors, Inc., a medical start-up company, where he guided the company from start-up through its initial public offering. Mr. Humphries has served on numerous private and public Boards of Directors, including the Board of Directors of the Health Industry Manufacturers Association (HIMA, now AdvaMed). Currently he serves on the Board of Directors of LifeSpex Medical, Inc., UroMetrics Medical, Inc., Micropure Medical, Inc., Inlet Medical, Inc., Universal Hospital Services, Inc., Ascent Private Equity, L.L.C., and Ascent Medical Technology Fund, L.P. His term expires in 2006.

Corporate Governance

Our business and affairs are managed by our Board, which met five times during the fiscal year ended March 31, 2004. Each of our Directors attended all meetings of the Board and all committees on which they served during fiscal 2004. We encourage all Board members to attend our Annual Meeting of stockholders, and each attended the fiscal 2003 Annual Meeting.

Compensation Committee. The members of our Compensation Committee are Messrs. Pitlor, Maxwell, Jamison and Humphries. The function of the Compensation Committee is to set the compensation for officers, to set the terms of and grants of awards under our stock option plans and to act on other matters relating to compensation as the committee deems appropriate. The Compensation Committee met one time during fiscal 2004.

Audit Committee. The members of our Audit Committee are Messrs. Maxwell and Jamison. The Audit Committee assists the board by reviewing the integrity of our financial reporting processes and controls, the qualifications, independence and performance of our independent auditors and our compliance with certain legal and regulatory requirements. Our Audit Committee has the sole authority to retain, compensate, oversee and terminate our independent auditors. The Audit Committee reviews our annual audited financial statements, quarterly financial statements and filings with the Securities and Exchange Commission. The Audit Committee reviews reports on various matters, including our critical accounting policies, significant changes in our selection or application of accounting principles and our internal control processes. The Audit Committee also pre-approves all audit and non-audit services performed by our independent auditors. A copy of the Charter of the Audit Committee currently in effect is attached to this Proxy Statement as Appendix A. During fiscal 2004, the Audit Committee met four times. A report of the Audit Committee is set forth below.

Our Board of Directors has determined that both members of the Audit Committee are independent directors under the rules of the Nasdaq Stock Market and the Securities and Exchange Commission. In their capacities serving other companies, neither of the Audit Committee members has acted as an accounting or financial officer or independent public accountant or has actively supervised the direct activities of these functions. Accordingly, the Board of Directors has determined that neither of the Audit Committee members satisfies the SEC requirements of an audit committee financial expert. Nevertheless, because of our small size at this juncture, the Board of Directors has not sought to attract a new Audit Committee member whose specific experience would qualify the individual as an audit committee financial expert.

Table of Contents

Board Nominations. We have no standing nominating committee or specific policies or procedures for nomination of board candidates. Our most recent director addition, Mr. Humphries, was identified by our Chief Executive Officer and interviewed by all of our other Board members. If the Board determines to seek additional candidates in the future, it may create a nominating committee. The Board expects that it, or any nominating committee, would identify and qualify new candidates for directors based primarily on the following criteria:

judgment, character, expertise, skills and knowledge useful to the oversight of our business,

diversity of viewpoints, backgrounds, experiences and other demographics,

business or other relevant experience and

the extent to which the interplay of the candidate's expertise, skills, knowledge and experience with that of other directors will build a Board of Directors that is effective, collegial and responsive to our needs.

If the Board considers additional director candidates in the future, the Board intends to consider the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met in order for a candidate to be recommended as a nominee. However, the Board does believe that all its members should have (i) the highest character and integrity, (ii) sound business judgment and an inquiring mind as well as expertise that adds to the composition of the Board of Directors, (iii) professional experience, education and interest in, and capacity for understanding the complexities of, our operations, (iv) a reputation for working constructively with others, (v) sufficient time to devote to Board of Directors matters and (vi) no conflict of interest that would interfere with performance as a director.

The Board plans to consider any future candidates for the Board of Directors from any reasonable source, including stockholder recommendations. The Board may, but has no current plans to, hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. No such consultants or search firms have been used in connection with this year's election and, accordingly, no fees have been paid to consultants or search firms in the past year.

Although we have no formal procedures for stockholders to nominate persons to serve as directors, stockholders wishing to submit nominations should notify us at our principal executive offices located at 2718 Summer Street N.E., Minneapolis, Minnesota 55413. To be considered by the Board, nominations must be in writing and addressed to our Secretary and must be received by us on or before the deadline for the receipt of stockholder proposals. See

Shareholder Proposals for 2005 Annual Meeting. Candidates, or the nominating person, must also submit a brief biographical sketch of the candidate, a document indicating the candidate's willingness to serve if elected and evidence of the nominating person's ownership of our stock. The Board intends to evaluate each candidate, including incumbents, based on the same criteria.

Code of Ethics. We have adopted a Code of Ethics that applies to all of our directors, officers and employees, including our Chief Executive Officer, Chief Financial Officer, Controller and other finance organization employees. The Code of Conduct is publicly available as an exhibit to our Annual

Table of Contents

Report on Form 10-KSB. We plan to disclose any substantive amendments to the Code of Ethics or grant of any waiver from a provision of it to the Chief Executive Officer, the Chief Financial Officer or the Controller in a report on Form 8-K.

Stockholder Communications with the Board of Directors. We do not have a formal policy by which stockholders may communicate directly with directors, but any stockholder who wishes to send communications to the Board of Directors should deliver such communications to the attention of the Chairman of our Audit Committee at our principal executive offices located at 2718 Summer Street N.E., Minneapolis, Minnesota 55413. The Audit Committee chairman will relay to the full Board of Directors all stockholder communications he receives that are addressed to the Board of Directors.

Director Compensation

Mr. Pitlor receives \$2,000 per month as consulting fees from us under an annually renewable consulting agreement dated January 2, 2002. A consulting firm of which Mr. Humphries is President receives \$6,000 per month as consulting fees under an annually renewable consulting agreement dated April 1, 2003. Additionally, non-employee Board members receive \$500 per Board meeting and \$500 per Audit Committee meeting attended. In addition, Directors participate in our stock option plan. Messrs. Pitlor, Maxwell, and Jamison each hold options to purchase 70,000 shares of common stock and Mr. Humphries holds options to purchase 80,000 shares of common stock as of March 31, 2004. The exercise price of the options range from \$1.10 to \$7.50 per share.

Employment Agreements

We have employment agreements with each of our executive officers, the terms of which, among other things, specify a base salary subject to annual adjustment by mutual agreement of the employee and us, and a severance payment to the employee upon employment termination without cause. Any severance amounts payable under the agreement are limited to the employee's base salary for not less than four months and not longer than twelve months after employment termination, depending on the employee's years of service. Contemporaneously with the execution of their employment agreements, each of these officers executed an Employee Confidentiality, Inventions, Non-Solicitation, and Non-Compete Agreement, certain terms of which specify the employee shall not disclose confidential information, shall assign to us without charge all intellectual property relating to our business which is created or conceived during the term of employment, shall not encourage employees to leave our employment for any reason and shall not compete with us during the term of employment and for a period of eighteen months thereafter. Also in connection with the execution of these agreements, we granted these officers varying amounts of stock options to purchase our Common Stock at the fair market value at date of grant of \$7.50 per share. In all cases, the options are exercisable for five years or until one year after employment termination (subject to certain termination provisions), whichever date is earlier, and vest in three equal amounts on each one-year anniversary date subsequent to the option grant date.

In January 2002, we entered into a consulting agreement with Joel R. Pitlor, a Director, for management consulting services. Compensation under the agreement is \$2,000 per month. The agreement is renewable annually.

In April 2003, we entered into a consulting agreement with Executive Advisory Group (EAG) for general business advisory services and assistance. Mr. Humphries, a Director, is President of EAG. We initially paid EAG \$4,000 per month for Mr. Humphries' services, but increased the monthly fee to \$6,000 in connection with the increased use of Mr. Humphries' time. We have also granted EAG a five-year option to purchase up to 50,000 shares of our Common Stock, exercisable at \$2.80 per share.

AUDIT COMMITTEE REPORT

Note: The material in this Audit Committee report is not soliciting material, is not deemed filed with the Securities and Exchange Commission and is not to be incorporated by reference into any filing of the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and irrespective of any general incorporation language contained in such filing.

The Audit Committee of the Board of Directors is responsible for providing independent, objective oversight of our accounting and financial reporting functions, external audit functions and systems of internal controls regarding financial and accounting matters and legal compliance. The Audit Committee is comprised of two Directors, each of whom is independent as defined by Nasdaq and SEC rules. Our current written charter for the Audit Committee is attached as Exhibit A to this Proxy Statement.

Management is responsible for our internal controls and financial reporting processes. KPMG LLP, our independent certified public accountants during the fiscal year ended March 31, 2004, was responsible for performing an independent audit of our consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the Audit Committee met on four occasions during the fiscal year ended March 31, 2004 either in person or via teleconference. These meetings involved representatives of management and the independent accountants. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Audit Committee also discussed with the independent accountants the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees). Our independent accountants also provided the Audit Committee written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent accountants that firm's independence.

Based upon the Audit Committee's discussions with management and the independent accountants, and the Audit Committee's review of the representations of management and the independent accountants, the Audit Committee recommended that the Board of Directors include the

audited consolidated financial statements in our Annual Report on Form 10-KSB for the year ended March 31, 2004, filed with the Securities and Exchange Commission.

In accordance with the requirements of the Sarbanes-Oxley Act of 2002, on August 10, 2004, the Audit Committee selected and engaged McGladrey & Pullen, LLP as our new independent accountants to audit our fiscal 2005 financial statements. We are not seeking stockholder ratification of the selection of independent accountants for fiscal 2005. As described elsewhere in this Proxy Statement, KPMG, LLP declined to stand for re-election. Accordingly, we do not know whether a representative of KPMG, LLP will attend the Annual Meeting. If such a representative is present, this representative will be available to respond to appropriate questions and will have the opportunity to make a statement if the representative desires.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our Directors and executive officers, and persons who own more than 10% of our Common Stock, to file with the SEC initial reports of ownership and reports of changes in ownership of our Common Stock and other equity securities. Executive officers, Directors and greater than 10% shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us during the fiscal year ended March 31, 2004 and on any written representation by any of such persons, all Section 16(a) filing requirements applicable to its executive officers, Directors and greater than 10% shareholders were complied with for such fiscal year.

SHAREHOLDER PROPOSALS FOR 2005 ANNUAL MEETING

We must receive shareholder proposals intended to be presented in our proxy materials for our 2005 Annual Meeting at our principal executive offices not later than April 14, 2004.

MISCELLANEOUS

Other Matters

We do not intend to present other items of business and know of no items of business that are likely to be brought before the Annual Meeting except those described in this Proxy Statement. However, if any other matters should properly come before the Annual Meeting, the persons named in the enclosed proxy will have discretionary authority to vote such proxy in accordance with their best judgment on such matters.

Annual Report to Shareholders

Our Annual Report to Shareholders on Form 10-KSB for the fiscal year ended March 31, 2004 (including audited financial statements) accompanies this Proxy Statement.

Forward-Looking Statements

From time to time, and in an attempt to provide assistance in understanding our anticipated future financial performance, we may make written or oral Forward-Looking Statements such as may be contained in our Annual Report to Shareholders, and elsewhere. Forward-Looking Statements are, however, by their very nature, subject to known and unknown risks and uncertainties relating to our future performance that may cause our actual results, performance or achievements, or the industry, to differ materially from those expressed or implied in any such Forward-Looking Statements.

We caution investors that any Forward-Looking Statements made by us here or elsewhere are qualified by and subject to the warnings and cautionary statements contained above and in the Factors Affecting the Business and Forward-Looking Statements sections of our Annual Report on Form 10-KSB to the SEC for the fiscal year ended March 31, 2004.

Independent Auditors

Our Audit Committee appointed KPMG, LLP as our independent auditors for the fiscal year ended March 31, 2004. KPMG served as our independent auditors since fiscal year 1995 and has no relationship with us other than that arising from its employment as independent auditors.

Audit fees

Audit fees billed to us by KPMG for audit of our financial statements for the fiscal years ended March 31, 2004 and 2003 and review of the financial statements included in our quarterly reports on Form 10-QSB for each such fiscal year totaled \$138,321 and \$75,206, respectively.

Financial Information Systems Design and Implementation Fees

We did not engage KPMG to provide advice to us regarding financial information systems design and implementation during fiscal years 2004 or 2003.

All Other Fees

Fees billed to us by KPMG for all other non-audit services rendered to us during fiscal years 2004 and 2003, including tax services, totaled \$42,464 and \$41,149, respectively. Our Audit Committee determined that the provision of these non-audit services was compatible with maintaining KPMG's independence and pre-approved the expenditure of these fees.

Change of Accountants

KPMG served as our principal accountants during the fiscal year ended March 31, 2004. On June 4, 2004, KPMG declined to stand for reelection and informed us that the client-auditor relationship between KPMG and us would cease upon completion of KPMG's audit of our consolidated financial

statements as of and for the year ended March 31, 2004 and the issuance of KPMG's report thereon. In connection with the audits of the two fiscal years ended March 31, 2004, and the subsequent interim period through July 28, 2004 (the date that KPMG completed its audit), there were no disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which disagreements if not resolved to KPMG's satisfaction would have caused KPMG to make reference in connection with its opinion to the subject matter of the disagreement.

KPMG cited two reportable conditions in its communications to our Audit Committee on July 29, 2004 related to the restatement of our consolidated financial statements as of and for the year ended March 31, 2003: (i) the correcting of an error in how we account for our Dutch pension plan and (ii) the correcting of an error in how we record the effect of exchange rates on cash and cash equivalents on our statement of cash flows.

The audit reports of KPMG on our consolidated financial statements as of and for the years ended March 31, 2004 and 2003 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles; except that KPMG's report on our consolidated financial statements as of and for the years ended March 31, 2004 and 2003, contained a separate paragraph stating "As discussed in note 2 to the consolidated financial statements, the Company has restated its consolidated financial statements for the year ended March 31, 2003." We requested KPMG to furnish us with a letter, addressed to the Commission, stating whether KPMG agrees or disagrees with the statements made by us under this item. KPMG's letter is filed as an exhibit to our Form 10-KSB for the fiscal year ended March 31, 2004 in accordance with paragraph (a)(3) of item 304 of Regulation S-B.

On August 10, 2004, our Audit Committee engaged McGladrey & Pullen, LLP as our principal accountants for fiscal 2005. Prior to engaging McGladrey & Pullen, LLP, neither we nor anyone on our behalf consulted such firm regarding the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on our financial statements.

Form 10-KSB

We will furnish without charge a copy of our Annual Report on Form 10-KSB (including financial statements but not exhibits) for our fiscal year ended March 31, 2004 to each person who was a shareholder of us as of July 30, 2004, upon receipt from any such person of a written request for such an Annual Report. Such request should be sent to us at: 2718 Summer Street N.E., Minneapolis, MN 55413-2820, ATTN: Shareholder Information.
