Current Director Remuneration

Directors who are employees do not receive a retainer or fees for service on the board or any committees. The Chairman of the Human Resources and Compensation Committee and the Chairman of the Nominating/Governance Committee receive an additional annual retainer of \$10,000 and the Chairman of the Audit Committee receives an additional annual retainer of \$25,000. Each member (other than the chairman) of each committee also receives an additional retainer of \$5,000. The board members, other than the chairman, also received a one time grant of 1,400 shares of restricted stock under the 2006 Equity Incentive Plan with the Chairman receiving a grant of 4,200 shares. The Restructuring Committee, which existed for a period of time preceding and during the Company's Chapter 11 Bankruptcy proceeding and which consisted of Messrs. Luke, Beynon, George O. McDaniel and Ronald P. Badie, received a one time payment of \$45,000 each and Mr. Luke received \$25,000 for his assistance to the Chief Restructuring Officer and the search which culminated in the appointment of Mr. Caliel as President and Chief Executive Officer. Directors are also reimbursed for reasonable out-of-pocket expenses incurred in attending board and committee meetings and for their reasonable expenses related to the performance of their duties as directors. Messrs. Lash and Butts have waived receipt of all fees and retainers.

Prior Director Remuneration

All other meeting fees and Committee chairman retainers were the same.

The Company has adopted a code of business conduct and ethics which has been memorialized as part of the Company's Legal Compliance and Corporate Policy Manual and can be found on the Company's website at <http://www.ies-co.com>, under the Corporate Governance section. The manual is also available in print to any stockholder who requests it by contacting Curt L. Warnock, Senior Vice-President, General Counsel, and Corporate Secretary, Integrated Electrical Services, Inc., 1800 West Loop South, Suite 500, Houston, TX 77027.

The Nomination Process

The Nominating/Governance Committee of the Board, which, as described below, is composed entirely of independent directors, is responsible in accordance with its charter for establishing standards for members of the Board and overseeing the performance evaluation of the Board and its members. Based upon such evaluations, the Nominating/Governance Committee recommends to the Board whether existing members should be nominated for new terms or replaced and whether more or fewer members are appropriate.

Table of Contents

The Board, with the assistance of the Nominating/Governance Committee, establishes criteria for the selection of new members. The basic criteria are found in the Company's Corporate Governance Guidelines under Core Competencies of the Board. These core competencies include individuals who are experienced in accounting and finance matters, have been or are currently the Chief Executive Officer of a large publicly traded corporation, have extensive hands-on practical relevant industry-specific knowledge or have skills to look to the future and provide direction for stability and growth. At any given time, in order to maintain a proper balance of expertise, individuals with particular skills may be favored over other candidates who lack such skills but otherwise possess a core competency.

Additional attributes may include a candidate's character, judgment, and diversity of experience, acumen, ability to act on behalf of the stockholders, governmental or community service, a positive record of achievement and a willingness to devote sufficient time to carrying out the duties and responsibilities of Board membership. Candidates must be capable of working with the entire Board and contributing to the overall Board process. Since a majority of the Board is to be independent of management, consideration is also given as to whether or not the individual is independent in accordance with the Company's Corporate Governance Guidelines and the rules and regulations of the Nasdaq Global Market System (Nasdaq) and the Securities and Exchange Commission (the SEC).

When there is an opening or anticipated opening for a director position, Board members are asked to submit recommendations. Outside sources or third parties may be used to find potential candidates and similarly outside sources and third parties may be used to evaluate or assist in evaluating nominees brought to the attention of the Nominating/Governance Committee. Should the Company use the services of a third party, it would expect to pay a fee for such services.

The Nominating/Governance Committee will also consider director candidates recommended by stockholders. Such candidates will be evaluated using the same criteria and standards described above. Any such recommendation must be sent in at the address set forth under the Corporate Governance Guidelines below, not later than 80 days prior to the date of the Annual Meeting. In the event that the date of such Annual Meeting was not publicly announced by the Company by mail, press release or otherwise more than 90 days prior to the Annual Meeting, notice by the stockholder to be timely must be delivered to the Corporate Secretary of the Company not later than the close of business on the tenth day following the day on which such announcement of the date of the Annual Meeting was communicated to the stockholders. The recommendation should also provide the reasons supporting a candidate's recommendation, the candidate's qualifications, the candidate's consent to being considered as a nominee and a way to contact the candidate to verify his or her interest and to gather further information, if necessary. EXECUTIVE COMPENSATION

REPORT OF THE HUMAN RESOURCES AND COMPENSATION COMMITTEE

The Human Resources and Compensation Committee (the Committee) is pleased to present the 2006 report on executive compensation. This report of the Committee documents the components of the Company's executive officer compensation program and describes the basis on which the compensation program determinations were made by the Committee with respect to the executive officers of the Company. The duty of the Compensation Committee is to establish the compensation of the Chief Executive Officer, review compensation levels of senior members of management, and administer the Company's various incentive plans including its annual bonus plan and its stock

option plan.

EXECUTIVE COMPENSATION PROGRAM PHILOSOPHY

The Company's compensation philosophy and program objectives are directed by two primary guiding principles. First, the program is intended to provide levels of compensation sufficient to attract, motivate and retain talented executives. Second, the program is intended to create an alignment of interests between the Company's executives and stockholders such that a portion of each executive's compensation is directly linked to maximizing stockholder value.

Table of Contents

In support of this philosophy, the executive compensation program is designed to reward performance that is directly relevant to the Company's short-term and long-term success. As such, the Company provides both short-term and long-term incentives. The Committee has structured the executive compensation program with three primary underlying components: base salary, annual incentives, and long-term incentives. The Company's compensation philosophy is to (i) compensate its executive officers at a base level that is competitive with salaries near the average salaries paid by companies of similar size and nature; (ii) provide the opportunity for its executive officers to earn additional compensation in the form of annual bonuses if individual and business performance goals are met; and (iii) design long-term incentive plans to focus executive efforts on the long-term goals of the Company and to maximize total return to the Company's stockholders.

BASE SALARY

The Committee utilizes market compensation data that is reflective of the markets in which the Company competes for employees. The Committee generally approves the salaries paid to the Company's executive officers and as part of its responsibilities, the Committee reviews these salaries annually. Individual salary changes are based on a combination of factors such as the performance of the executive, salary level relative to the competitive market, level of responsibility, growth of Company operations, experience of the executive and the recommendation of the Chief Executive Officer. During 2006, salary reviews were undertaken on several occasions. In light of the actions taken to arrange and successfully achieve a reorganization in the bankruptcy proceeding, salary adjustments were not implemented during fiscal year 2006 but were considered and made in December 2006 effective January 1, 2007 for Messrs. Humphrey, Warnock and Callahan for a new annual rate of \$240,000, \$231,750 and \$200,000 respectively.

ANNUAL BONUS

The Company's annual bonus is intended to reward key employees based on Company and individual performance, motivate key employees, and provide competitive cash compensation opportunities. Target award opportunities vary by individual position and are expressed as a percentage of base salary. The individual target award opportunities are set at market median levels, but actual payouts may vary based on performance so that actual awards may fall below the 50th or above the 75th percentile. The amount a particular executive may earn is directly dependent on the individual's position, responsibility, and ability to impact the Company's financial success. In November 2005 the Committee undertook a thorough performance review of the senior management of the Company, including the executive officers. This review focused on individual performance, the individual's position in the Company and their importance to its ongoing operations, and how the individual would be a benefit to the stockholders, creditors and stakeholders. As a result of this review retention bonuses were paid to these individuals, including Mr. Snyder, in varying amounts. Following the Company's successful emergence from bankruptcy in May 2006 the Committee again reviewed the performance of the executive officers in contributing to the positive outcome and as a result of this review bonuses of varying amounts were paid to several of these individuals, not including Mr. Snyder. Finally, following a thorough review of individual performance during the entire fiscal year the executive officers, other than Messrs. Caliel and Snyder, were paid an additional bonus as described on p 16. Pursuant to the terms of Mr. Caliel's employment agreement he was not eligible for bonus consideration for fiscal year 2006 and Mr. Snyder's employment terminated on July 12, 2006.

LONG-TERM INCENTIVES

The Company's long-term incentive plan is designed to focus executive efforts on the long-term goals of the Company and to maximize total return to the Company's stockholders. The key devices the Committee has traditionally used are stock options and restricted stock. Upon the Company's emergence from bankruptcy all out of the money stock options which had previously been granted were cancelled as were the Company's equity incentive plans. Unvested restricted stock which had previously been granted vested at that time as well. The 2006 Equity Incentive Plan was approved by

the Bankruptcy Court as part of the Plan of Reorganization and grants of restricted stock were made to the executive officers. These grants vest in one third increments with the first increment vesting in January 2007 and the other two annually thereafter. With the exception of the stock options

Table of Contents

granted to Messrs. Snyder and Caliel which are described on p. 17, no stock options were granted to this group in 2006.

CEO COMPENSATION

In July 2006 Mr. Snyder resigned as the Company's Chief Executive Officer and President and was succeeded by Mr. Caliel. The compensation of these individuals is described below.

C. Byron Snyder

In light of the actions being undertaken by the Company that culminated in the successful reorganization through the bankruptcy court in May 2006, the Committee considered but deferred any salary increases for Mr. Snyder during 2006. In November 2005 as a result of the review of senior officers undertaken by the Committee discussed above Mr. Snyder was given a retention bonus in recognition of his performance as well as his importance in leading the Company's on going operations and the restructuring efforts.

On February 13, 2006 the Company entered into an Employment and Consulting Agreement with Mr. Snyder as is more fully described under Severance and Employment Agreements on page 19. Mr. Caliel replaced Mr. Snyder as Chief Executive Officer and President on July 12, 2006.

Michael J. Caliel

During the pendency of the bankruptcy proceedings in the spring of 2006, with the assistance of an independent consultant the Company undertook an extensive search to replace Mr. Snyder as President and Chief Executive Officer. The Committee developed the overall compensation proposal which was ultimately accepted by Mr. Caliel by reviewing information concerning the overall compensation paid to Chief Executive Officers of the Company's peer group as well as the general industry, recognizing the fact that the position was unique in light of the Company's emergence from bankruptcy. This required a careful combination of not only current cash salary and bonus opportunity but also a substantial grant of equity to incent long term accomplishments and a retention portion to insure his services for the foreseeable future. As is more fully described under Severance and Employment Agreements on page 18, Mr. Caliel receives an annual base salary of \$500,000 per year and an annual bonus with a target of 100 percent of annual base salary. He was also granted a retention bonus if he is actively employed with the Company on September 28, 2007. Finally, Mr. Caliel received a grant of 25,000 shares of restricted stock which vests as to one third on each of the first, second and third anniversaries of his employment date and a nonqualified option to purchase 100,000 shares of the Company's common stock which vests in a similar manner. Both these grants were made pursuant to the 2006 Equity Incentive Plan.

In establishing the compensation program described above the Committee took into account the possible effects of IRC Sec. 162(m) and believes that the compensation is appropriate and necessary to retain Mr. Caliel's services and therefore an overall benefit to the Company.

No member of the Committee is a former or current officer or employee of the Company or any of its subsidiaries. The following members of the Committee have delivered the foregoing report.

Donald L. Luke (Chairman)

Charles H. Beynon

Robert W. Butts

The foregoing report and the performance graph below and related description included in this proxy statement shall not be deemed to be filed with the SEC except to the extent the Company specifically incorporates such items by reference into a filing under the Securities Act or the Exchange Act.

SEVERANCE AND EMPLOYMENT AGREEMENTS

The Compensation Committee reviews the employment agreements of executive officers on an annual basis to determine the continuing need for such agreements as well as the amount and nature of compensation potentially payable in the event a change in control or other provision is triggered. As a result of this review in 2006, the Compensation Committee made no changes in outstanding agreements, and entered into agreements with Messrs. Caliel and Snyder. It was determined the terms and conditions as well as potential payments under the agreements with Messrs. Humphrey, Miller, Warnock and Callahan were appropriate to retain their services, insure their continued employment and to protect the Company's interest relating to non-competition in the event he left the Company's employ.

On June 26, 2006, the Company entered into an employment agreement with Mr. Caliel. The agreement provided that Mr. Caliel shall commence employment with the Company on July 12, 2006 (the Effective Date). The agreement had no definitive employment term and may be terminated at any time, upon written notice to the other party for any reason, at the option either of the Company or Mr. Caliel. Pursuant to the agreement, Mr. Caliel will serve as the President and Chief Executive Officer of the Company and will also serve as a member of the Board of Directors of the Company during the employment term.

The agreement provides for (i) an annual base salary of \$500,000 per year (which may be increased in the sole discretion of the Company's Compensation Committee), (ii) an annual bonus (the Annual Bonus) with a target annual bonus opportunity of 100% of annual base salary (the Annual Bonus Opportunity). For fiscal year 2006, however, there is no Annual Bonus and for fiscal year 2007, the Annual Bonus shall be comprised of (a) \$250,000 and (b) an Annual Bonus Opportunity of 50% of annual base salary, and (iii) a retention bonus (the Retention Bonus) if Mr. Caliel is actively employed with the Company on September 28, 2007 of (a) a lump sum of \$350,000 and (b) a grant of Company common shares under the Equity Plan with a Fair Market Value (as defined under the Equity Plan) on such date of \$350,000. If after receiving the Retention Bonus, Mr. Caliel's employment is terminated by the Company for Cause (as defined in the agreement) or if Mr. Caliel resigns without Good Reason (as defined in the agreement) on or prior to the two-year anniversary of the Effective Date, Mr. Caliel shall pay to the Company, within thirty (30) days of such termination, a lump sum of \$350,000.

On the Effective Date, Mr. Caliel received grants of (i) 25,000 restricted Company common shares (Restricted Shares) under the Equity Plan which shall vest 1/3 on each of the first, second, and third anniversaries of the Effective Date and (ii) a nonqualified option to purchase 100,000 Company common shares (Option) under the Equity Plan, which shall be governed by the Equity Plan and their respective award agreements to be executed on the Effective Date.

Mr. Caliel shall be eligible to participate in the Company's employee benefit plans as in effect from time to time, on the same basis as such employee benefit plans are generally made available to other senior executives of the Company and shall be entitled to an automobile allowance of \$1,500 per month.

If Mr. Caliel terminates for Good Reason or if he is terminated by the Company without Cause, he is entitled to receive (i) continued payment of base salary then in effect for 12 months immediately following the date of such termination, (ii) the greater of (x) a pro rata portion of his Annual Bonus Opportunity for the fiscal year in which such termination occurs (y) the most recent Annual Bonus awarded to him, (iii) Company paid COBRA coverage, continuation of automobile allowance and outplacement services, each for twelve (12) months immediately following the dates of such termination or until Mr. Caliel obtains comparable employment, whichever is shorter (iv) acceleration of vesting for all unvested equity awards of the Company under the Equity Plan and (v) if such termination is prior to September 28, 2007, a pro rata portion of the Retention Bonus (the Severance Payments).

If Mr. Caliel terminates his employment in connection with a Change in Control (as defined in the Employment Agreement), with such termination to occur on or before the Change in Control and within two years of the Effective Date, he shall receive the Severance Payments, except that the full Retention Bonus shall be paid if the termination is prior to September 28, 2007. If Mr. Caliel terminates for Good Reason or if he is terminated by the Company without Cause within twelve months following a Change in Control, he shall receive the Severance Payments, except that his salary shall continue for 24 months, two times his most recent Annual Bonus will be paid and the full Retention Bonuses shall be paid if the termination is prior to September 28, 2007.

Table of Contents

Mr. Caliel is subject to non-compete and non-solicitation restrictive covenants during the employment term and for a period of one year (or two years if terminated by the Company with Cause or if Mr. Caliel resigns without Good Reason) following the termination of his employment. Mr. Caliel is also subject to restrictive covenants prohibiting disclosure of confidential information and intellectual property of the Company.

On February 13, 2006, the Company entered in an Employment and Consulting Agreement (the Employment Agreement) with Mr. Snyder. The term of the Employment Agreement is from February 13, 2006 through February 13, 2008 (the Agreement Term), unless earlier terminated in accordance with its terms. Mr. Snyder will be employed by IES as its Chief Executive Officer from the Effective Date through the earlier to occur of (i) any date after the date of the Employment Agreement specified by the Board of Directors of the Company and (ii) the effective date of employment of a replacement Chief Executive Officer, which occurred on July 12, 2006 (the Employment Term). Following the expiration of the Employment Term, through February 13, 2008 (the Consulting Term), Mr. Snyder will perform consulting and advisory services for the Company.

Pursuant to the Employment Agreement, Mr. Snyder will receive monthly compensation of \$20,833.33. Mr. Snyder was also granted an option to purchase 51,471 shares, subject to adjustment, of reorganized Company common stock in accordance with the terms of the form of Option Agreement attached as an exhibit to the Employment Agreement and the Equity Plan.

As more fully described therein, the Employment Agreement will automatically terminate upon death or disability of Mr. Snyder and may be terminated at any time by the Company with cause or by Mr. Snyder for any reason. In addition, the Employment Agreement may be terminated by the Company for any reason at any time on or after the 91st day after the date of grant of Mr. Snyder's options. In the event that the Employment Agreement is terminated due to death, disability or by the Company without cause, Mr. Snyder shall nevertheless be entitled to the monthly compensation described above for the remainder of the Agreement Term. If the employment Agreement is terminated by Mr. Snyder for any reason or the Company with cause, then the Company shall have no further obligation to pay the monthly compensation.

During the Agreement Term and for a period of two years following termination of the Employment Agreement, Mr. Snyder is bound by non-competition and confidentiality provisions similar to those of the Company's other senior officers, as more fully described in the Employment Agreement

The agreements with Messrs. Humphrey, Miller, Warnock and Callahan, which have an initial term of three years and were entered into effective September 9, 2005, January 6, 2005, February 15, 2005 and June 1, 2005, respectively, and which, unless terminated sooner, continue on a year-to-year basis thereafter, provide for the annual salary then in effect to be paid to the individuals (which may be increased from time to time) during the term of the agreement. In the event the individual terminates his employment without Good Reason, or is terminated for Cause, both as defined in the agreement, he is not entitled to receive severance compensation. If the individual terminates for Good Reason or if he is terminated by the Company without Cause, he is entitled to receive the base salary then in effect for whatever period of time is remaining under the Initial Term or Extended Term, or for one year, whichever amount is greater. The agreement generally restricts him from competing with the Company for a period of two years following the termination of his employment.

The restriction is removed in the event he is terminated without Cause by the Company, or he terminates for Good Reason. In the event of a change of control of the Company, the individual may receive a lump sum payment due on the effective date of termination of the base salary at the rate then in effect for two years, one year's bonus payment with all goals deemed met in full and two years' coverage under the Company's medical benefit plan on a tax neutral basis. Mr. Humphrey would receive three years' pay, three years' bonus and three years of medical benefits. The above payments would be due to the individual in the event the Company and the individual did not receive written notice at

least ten days prior to the date of the event giving rise to the change of control from the successor to all or a substantial portion of the Company's business and/or assets that such successor is willing as of the closing to assume the Company's obligations under the agreements. They would also be due if on or within six months following the effective date of the change of control the Company terminated the individual other than for Cause or the individual terminates for Good Reason.

Table of Contents**STOCK PERFORMANCE GRAPH**

The following performance graph compares the Company's cumulative total stockholder return on its Common Stock with the cumulative total return of (i) the S&P 500 Index, (ii) the Russell 2000, (iii) a new peer group stock index (the New Peer Group) selected in good faith by the Company made up of the following publicly traded companies: Comfort Systems USA, Inc., Dycom Industries, Inc., Infrasource Services, Inc. and Mastec, Inc. and a previously used peer group stock index (the Old Peer Group) which had been selected in good faith by the Company made up of the following publicly traded companies: Emcor Group Inc., Fluor Corp (Massey Energy Company was distributed as a dividend to Fluor Corp stockholders on December 22, 2000 and the value of such dividend is reflected as a reinvestment), Jacobs Engineering Group, Mastec Inc., and Quanta Services Inc. Due to the Company's disposition of several operating units during the year and the consequential reduction in revenues and scope of operations the Company believes the New Peer Group more accurately represents the Company's Peers. Due to activities such as reorganizations and mergers, additions and deletions are made to the Peer Group from time to time. The cumulative total return computations set forth in the Performance Graph assume the investment of \$100 in the Company's Common Stock, the S&P 500 Index, the Russell 2000, the New Peer Group and the Old Peer Group, on September 30, 2001.

The only compensation that will be paid by the Company to members of the Audit Committee will be director's fees payable by the Company.

Committee Meetings

The Audit Committee shall meet from time to time, as determined by the Chairman of the Committee but at least quarterly or at the request of management or at the request of the Company's senior most internal audit executive or the independent public accounting firm engaged by the Company to perform audit services on behalf of the Company (also referred to herein as the independent auditor).
