INFORMATION ABOUT THE MEETING, VOTING AND PROXIES

Date, Time and Place of Meeting

The Board of Directors of Golfsmith International Holdings, Inc. (the Company) is soliciting your proxy for use at the Annual Meeting of Stockholders (the Annual Meeting) to be held at our corporate headquarters at 11000 N. IH-35, Austin, Texas 78753, on Thursday, May 10, 2007, at 8:00 a.m. (CDT) and any adjournment or postponement of the Annual Meeting. We are initially mailing this Proxy Statement and the accompanying proxy card to stockholders of the Company on or about April 16, 2007.

Record Date, Outstanding Shares and Quorum

Only holders of record of the Company's common stock at the close of business on April 11, 2007 (the Record Date), will be entitled to vote at the Annual Meeting. On the Record Date, we had 15,772,599 shares of common stock outstanding and entitled to vote. If a majority of the shares outstanding on the Record Date are present at the Annual Meeting, either in person or by proxy, we will have a quorum at the Annual Meeting. Any shares represented by proxies that are marked for, against or to abstain from voting on a proposal will be counted as present in determining whether we have a quorum. Abstentions are included in the determination of shares present for quorum purposes. Because abstentions represent shares entitled to vote, the effect of an abstention is the same as a vote against a proposal, except that abstentions have no effect on the election of directors. If a broker, bank, custodian, nominee or other record holder of the Company's common stock indicates on a proxy card that it does not have discretionary authority to vote certain shares on a particular matter, the shares held by that record holder (referred to as broker non-votes) will also be counted as present in determining whether we have a quorum, but will not be counted or entitled to vote on that particular matter. Please note banks and brokers will vote their clients' shares only if the proposal is a matter on which they have discretion to vote (such as the election of directors), or if their client provides instructions on how to vote by following the instructions provided by such broker.

Voting Rights and Voting of Proxies

Holders of the Company's common stock are entitled to one vote for each share they held as of the Record Date. Cumulative voting for directors is not permitted. Directors will be elected by a plurality of the votes cast by the shares of common stock present at the Annual Meeting (either in person or by proxy), which means that the eleven nominees with the most votes will be elected. Approval of Proposal No. 2 requires approval by the holders of a majority of the shares of common stock present at the Annual Meeting (either in person or by proxy). Abstentions and broker non-votes will not have an effect on determining the number of shares voted.

Solicitation and Voting of Proxies

The proxy included with this Proxy Statement is solicited by the Board of Directors of the Company for use at the Annual Meeting. You can submit your proxy card by mailing it in the envelope provided. If your proxy card is properly completed and received, and it is not revoked before the Annual Meeting, your shares will be voted at the Annual Meeting according to the instructions indicated on your proxy card. If you sign and return your proxy card but do not give any voting instructions, your shares will be voted in favor of the election of each of the director nominees listed in Proposal No. 1 and in favor of Proposal No. 2. To our knowledge, no other matters will be presented at the Annual Meeting. However, if any other matters of business are properly presented, the proxy holders named on the proxy card are authorized to vote the shares represented by proxies according to their judgment. Most beneficial owners whose stock is held in street name receive voting instructions forms from their banks, brokers or other agents, rather than the Company's proxy/voting instruction card. Beneficial owners may also be able to vote by telephone or the Internet. They should follow the instructions on the form they receive from their bank, broker, or other agent. The method of voting used will not limit a stockholder's right to attend the Annual Meeting.

Table of Contents

Expenses of Solicitation

The Company will pay the costs of preparing, printing and mailing this Notice of Annual Meeting of Stockholders and Proxy Statement, the enclosed proxy card and the Company's 2006 Annual Report to Stockholders. We will also reimburse brokerage firms and others for reasonable expenses incurred by them in connection with their forwarding of proxy solicitation materials to beneficial owners. The solicitation of proxies will be conducted primarily by mail, but may also include telephone, facsimile or oral communications by directors, officers or regular employees of the Company acting without special compensation.

Revocation of Proxies

If you submit the enclosed proxy card, you may revoke it at any time before voting takes place at the Annual Meeting. There are three ways you can revoke your proxy: (1) deliver to the Secretary of the Company a written notice, dated later than the proxy you want to revoke, stating that the proxy is revoked; (2) deliver to the Secretary of the Company a signed proxy with a later date than the proxy you want to revoke; or (3) attend the Annual Meeting and vote in person. For this purpose, communications should be addressed to R. Scott Wood, Secretary, 11000 N. IH-35, Austin, Texas, 78753, and must be received before the time that the proxy you wish to revoke is voted. Please note that if your shares are held of record by a broker, bank or other nominee and you wish to revoke a previously given proxy, you must contact that entity.

Table of Contents**PROPOSALS SUBMITTED FOR STOCKHOLDER VOTE****Proposal 1****ELECTION OF DIRECTORS**

Our board of directors (the Board of Directors) consists of eleven members, five of whom are affiliated with First Atlantic Capital, Ltd. Our amended and restated bylaws provide that members of our Board of Directors will be elected to one-year terms. The terms of each of our eleven current directors will expire at the Annual Meeting. Charles E. Shaw, currently a director, will be retiring as a director at the Annual Meeting. Thomas Berglund has been nominated to fill the vacancy resulting from Mr. Shaw's retirement. The remaining ten current directors of the Company have been nominated for reelection to serve until the next Annual Meeting or until a successor is elected and qualified. In the case of a vacancy occurring on the Board of Directors during the year, the remaining Board of Directors may elect another director as a replacement.

A stockholder may (i) vote for the election of any one or more of the nominees, or (ii) withhold authority to vote for one or more of the nominees by so indicating on the proxy card. Your shares will be voted as you specify on the enclosed proxy card or as you instruct via the alternative voting procedure described on the proxy card. If you sign, date and return the proxy card without specifying how you want your shares voted, they will be voted for the election of the Director nominees. If unforeseen circumstances (such as death or disability) require the Board of Directors to substitute another person for any of the Director nominees, your shares will be voted for that other person.

Directors are elected by a plurality of votes of the shares represented at the meeting and entitled to vote. The effects of abstentions and broker non-votes are discussed under Information About the Meeting, Voting and Proxies.

Table of Contents**Proposal 2****RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Company's Audit Committee recommends to the stockholders the ratification of the selection of Ernst & Young LLP (Ernst & Young), an independent registered public accounting firm, to audit the accounts of the Company and its subsidiaries for 2007. Ernst & Young has served as the independent registered public accounting firm for the Company since 1994.

Pre-Approval Policy

A representative of Ernst & Young will be present at the Annual Meeting, may make a statement if he or she desires to do so, and will be available to respond to appropriate questions. The Audit Committee pre-approves and reviews audit services performed by Ernst & Young as well as the fees charged by Ernst & Young for such services. To avoid certain potential conflicts of interest in maintaining auditor independence, the law prohibits a publicly-traded company from obtaining certain non-audit services from its independent registered public accounting firm. During fiscal 2005 and 2006, the Company did not engage Ernst & Young to provide any prohibited non-audit services and obtained such services as necessary from other service providers. For additional information concerning the Audit Committee and its activities with Ernst & Young, see Report of the Audit Committee and Committees of the Board of Directors. The Audit Committee pre-approved all audit services provided by Ernst & Young in fiscal 2006. In the future, the Company may engage Ernst & Young to provide certain permitted audit-related and non-audit services in accordance with applicable law.

Fees Paid to Independent Registered Public Accounting Firm

The following table sets forth the aggregate fees billed to the Company for the years ended December 31, 2006 and 2005, by Ernst & Young:

Fees Paid to Independent Registered Public Accounting Firm

	2006	2005
Audit fees	\$ 992,816(1)	\$ 272,270(2)
Audit-related fees		
Tax fees	218,550(3)	375,536(3)
All other fees	1,624	
	\$ 1,212,990	\$ 647,806

- (1) Comprised of
 (i) approximately \$320,000 in fees for the fiscal 2006 financial statement audit, review of financial statements included in the Company's Form 10-Q filings and services that are typically provided by the independent registered public accounting firm in

connection with statutory and regulatory filings or engagements; and
(ii) approximately \$673,000 in fees related to the Company's filing of a registration statement in connection with its initial public offering.

(2) Comprised of fees for the fiscal 2005 financial statement audit, review of financial statements included in the Company's Form 10-Q filings, and services that are normally provided by the independent registered public accounting firm in connection with statutory and regulatory filings or engagements.

(3) Tax services include professional services rendered for preparation of the Company's federal and state income tax returns and for tax consulting associated with regulatory tax agencies.

In the event the stockholders fail to ratify the appointment of Ernst & Young, the Audit Committee will consider the possible selection of other auditors for the subsequent year. Even if the selection is ratified, the Audit Committee, in its discretion, may select a new independent accounting firm at any time during the year if it feels that such a

change would be in the best interest of the Company and its stockholders.

The Board of Directors Unanimously Recommends that you vote FOR Proposal 2.

REPORT OF THE AUDIT COMMITTEE

The following report shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The Audit Committee, as of April 2, 2007, was comprised of Marvin E. Lesser, Glenda Chamberlain and James Grover. Mr. Lesser and Ms. Chamberlain are independent directors, as defined in Item 401(h) of Regulation S-K of the U.S. Securities and Exchange Commission (the SEC) and the rules of the Nasdaq Global Market (Nasdaq). The Audit Committee operates under a written charter, a copy of which is attached to this Proxy Statement as Appendix A and is available in the Investor Relations section of the Company's website at www.golfsmith.com, under Corporate Governance. Consistent with the rules of the SEC and Nasdaq, Mr. Grover will cease to be a member of the Audit Committee prior to June 16, 2007, the first year anniversary of the Company's initial public offering, and the Board of Directors will appoint an independent director in his place.

The Audit Committee includes two independent directors who are determined by the Board of Directors to meet the qualifications of an audit committee financial expert in accordance with SEC rules. Mr. Lesser and Mr. Chamberlain are each independent directors who have been determined to be audit committee financial experts. Stockholders should understand that this designation is an SEC disclosure requirement related to Mr. Lesser and Ms. Chamberlain's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose on Mr. Lesser or Ms. Chamberlain any duties, obligations or liabilities that are greater than are generally imposed on either of them as members of the Audit Committee and the Board of Directors, and their designation as an audit committee financial experts pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the Audit Committee or the Board of Directors.

The primary focus of the Audit Committee is to assist the Board of Directors in its general oversight of the Company's financial reporting, internal controls and audit function. Management has the primary responsibility for preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls and procedures designed to ensure compliance with applicable accounting standards, and applicable laws and regulations. The Company's independent registered public accounting firm is responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards in the United States. Members of the Audit Committee are not auditors, and their functions are not intended to duplicate or certify the activities of management and the independent auditors, nor can the Audit Committee certify that the independent auditors are independent under applicable rules.

In this context, the Audit Committee has met and held discussions with management and the Company's independent registered public accounting firm. Management represented to the Audit Committee that the audited financial statements of the Company included in the Company's Annual Report on Form 10-K for the year ended December 30, 2006, were prepared in accordance with generally accepted accounting principles in the United States, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. The Audit Committee discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees. The Audit Committee's discussions with the independent registered public accounting firm were held both with and without management present, and included the scope of their respective audits, their evaluation of the Company's internal controls and the overall quality of the Company's financial reporting.

In addition, the Audit Committee has discussed with the independent registered public accounting firm their independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and approved the fees for audit services provided by Ernst & Young. During fiscal 2005 and 2006, the Company did not engage Ernst & Young to provide any prohibited non-audit services in light of the possible effect of the performance of such services on the auditor's independence.

Table of Contents

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the year ended December 30, 2006, as filed with the SEC. The Audit Committee has recommended (which recommendation was adopted by the Board of Directors) the selection of the Company's independent registered public accounting firm, subject to stockholder approval.

AUDIT COMMITTEE

GOVERNANCE OF THE COMPANY

Our Board of Directors takes corporate governance very seriously and is committed to sound corporate governance practices. Our Board of Directors has the responsibility for establishing broad corporate policies and for the overall performance of the Company. In accordance with applicable Delaware law, the business of the Company is managed under the direction of its Board of Directors. Pursuant to the Company's amended and restated bylaws (the Amended and Restated Bylaws), the Board of Directors is to consist of not less than five nor more than thirteen directors. Our Board of Directors currently consists of eleven directors. During 2006, the Board of Directors met or took action by written consent 12 times (not including committee meetings). Each of the directors attended at least 75% percent of the aggregate number of meetings of the Board of Directors and committees of the Board of Directors on which they served during 2006.

CODE OF BUSINESS CONDUCT AND ETHICS

The Company has adopted a Code of Ethics for Senior Executives and Financial Officers, which applies to the Chief Executive Officer, Chief Financial Officer, Vice President Finance and Accounting Operations, Controller and any other employee with any responsibility for the preparation and filing of documents with the SEC. Additionally, the Company has adopted a Code of Business Conduct and Ethics which applies to all directors, officers and employees. Copies of each of these codes are available in the Investor Relations section of the Company's website at www.golfsmith.com, under Corporate Governance. The information on the Company's website is not incorporated by reference in this Proxy Statement. The Company will disclose on a Form 8-K amendments to provisions of the Code of Ethics and the Code of Business Conduct and Ethics by posting such amendments on its website. In addition, any such amendments, as well as any waivers of the Code of Ethics for directors or executive officers will be disclosed in a report on a Form 8-K.

INDEPENDENCE OF DIRECTORS

The Company is a controlled company under the Nasdaq corporate governance rules. A controlled company is a company of which more than 50% of the voting power is held by an individual, group or another company. Based on a voting rights and stockholders' agreement among Atlantic Equity Partners III L.P. (Atlantic Equity Partners), and Carl Paul and Franklin Paul, Atlantic Equity Partners will hold more than 50% of our voting power. Among other things, the controlled company exemption eliminates the requirements that (1) a majority of the Board of Directors consist of independent directors, and (2) the Company establish a nominating committee and a compensation committee that are composed entirely of independent directors with a written charter addressing the purpose and responsibilities of the compensation committee. The controlled company exemption does not modify the independence requirements for our Audit Committee. Accordingly, as described above, within one year after the closing of our initial public offering, the Audit Committee will consist entirely of directors that satisfy the independence requirements of the SEC and Nasdaq. In addition, if the Company ceases to qualify as a controlled company in the future, the Board of Directors will be required to be composed of a majority of independent directors and the Compensation and Nominating Committees will be required to be composed entirely of independent directors within one year of the date that we lose the Company ceases to be a controlled company.

Table of Contents

Notwithstanding the controlled company exemption, the Board of Directors has determined that three of its eleven members are independent directors in accordance with the requirements of the Nasdaq Global Market. These requirements include a series of objective tests, including that the director is not an employee of the Company and has not engaged in various types of business dealings with the Company. In addition, as further required by the rules of the Nasdaq Global Market, the Board of Directors has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the Board of Directors reviewed and discussed information provided by the Board of Directors and the Company with regard to each director's business and personal activities as they may relate to the Company and its management. The Board of Directors has reviewed the independence of the current non-management directors under these standards and found Mr. Mondry, Mr. Lesser and Ms. Chamberlain, to be independent. Of the remaining eight directors on the Company's Board of Directors, only one director, James D. Thompson, the Company's Chief Executive Officer, is an employee of the Company.

COMMUNICATIONS WITH THE BOARD OF DIRECTORS

The Board of Directors has established a process to receive communications from stockholders. Stockholders who wish to communicate with the Board of Directors, or individual directors, may send correspondence to them care of R. Scott Wood, Secretary of the Company, 11000 North IH-35, Austin, Texas, 78753.

The Board of Directors has instructed the Secretary to review all communications so received, to determine whether the contents represent a message to the directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for the Board of Directors will be forwarded promptly to the addressee. However, any director may at any time request the Secretary to forward any and all communications received by the Secretary but not forwarded to the directors.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors has designated an Audit Committee, a Compensation Committee and a Nominating Committee. The members of each committee are appointed by the Board of Directors and serve one-year terms.

Audit Committee

The Audit Committee currently consists of Mr. Lesser (Chairperson), Ms. Chamberlain and Mr. Grover. Compensation Discussion and Analysis

This compensation discussion describes the material elements of the compensation awarded to, earned by, or paid to our officers who are considered to be named executive officers during our last fiscal year. Named executive officers consist of the individual who served as our Chief Executive Officer in 2006, the individual who served as our Chief Financial Officer in 2006, and the three other executive officers who received the highest amount of total compensation in 2006. For purposes of this section, named executive officers refers to James D. Thompson, Chief Executive Officer, Virginia Bunte, Chief Financial Officer, Kenneth Brugh, Vice President Real Estate and New Business Development, David M. Pritchett, Senior Vice President Retail, and Frederick Quandt, Senior Vice President Marketing.

Objectives of Compensation Programs

The primary objective of our executive compensation program is to attract, maintain and align management and their activities with the creation of long-term value for our stockholders. To achieve this goal, we have retained third-party compensation specialists to examine and redesign our compensation plans in order to encourage and reward all employees for financial and operating performance and leadership excellence. We have employment agreements with our Chief Executive Officer and Chief Financial Officer detailing compensation. Elements of compensation for other named executive officers consist of: (a) annual salary adjustments based on individual performance; (b) annual bonuses based on achievement of clear corporate goals; (c) stock-based compensation to align executive goals with stockholder value and (d) other benefits.

Setting Executive Compensation

In deciding on the type and amount of compensation for each executive officer, we focus on the market value and current pay of the individual. We combine the compensation elements for each executive officer in a manner we believe optimizes the executive officer's contribution to the Company.

Prior to our initial public offering, and throughout 2006, our Compensation Committee, subject to the control of our private equity owner, generally reviewed and approved the material terms of compensation arrangements with our executive officers, with significant input from our Chief Executive Officer regarding the compensation of other executive officers. In early 2007, we retained AON Corporation to evaluate our compensation philosophy, to administer compensation surveys, and to advise us and provide us with industry data related to executive compensation structures. Our Compensation Committee intends to utilize this data to compensate executive officers in a manner consistent with compensation amounts provided to executives at comparable companies in similar markets. Variations from this procedure may occur as dictated by the experience level of the individual or market factors. Additionally, on an annual basis, we plan to benchmark our compensation structures against peer companies to ensure we are competitive and to establish annual salary increases and equity grants, if any. We consider peer companies to consist of companies with which we compete for talent and for stockholder investment. Examples of our peer companies include specialty golf retailers and other retail peers such as Dick's Sporting Goods, Inc. and The Sports Authority, Inc.

A significant percentage of total compensation is expected to be allocated to incentives as a result of the philosophy discussed above. There is no pre-established policy or target for the allocation between cash and non-cash or short-term and long-term incentive compensation. Rather, we review individual performance and intend to use information provided by AON Corporation to determine the appropriate level and mix of incentive compensation.

Role of Executive Officers in Compensation Process

In 2006, the Compensation Committee, without the participation of Mr. Thompson, our Chief Executive Officer, reviewed Mr. Thompson's performance and qualifications and determined the compensation for Mr. Thompson. For the remaining named executive officers, the Compensation Committee considered recommendations made by Mr. Thompson regarding the performance and qualifications of each named executive officer. Mr. Thompson's recommendations encompassed both base salary and incentive compensation

Table of Contents

for named executive officers. In 2006, the Compensation Committee approved Mr. Thompson's recommendations with only minor adjustments. We intend to follow the same protocol and general considerations for 2007 recommendations, while also considering the recommendations of AON.

Elements of Compensation

Our compensation program consists of four basic elements:

Base salaries

Annual cash bonuses

Stock-based compensation

Other benefits

Base salary

We believe base salaries are an essential element of a competitive compensation program to attract and retain qualified executives. We pay our Chief Executive Officer and Chief Financial Officer base salaries in accordance with the terms of their respective employment agreements which were entered into prior to our initial public offering in June 2006. For other named executive officers, we determine salaries by: (a) identifying a position and responsibilities associated therewith; (b) obtaining a market survey of similar positions in peer companies; and (c) examining the individual's experience and contribution to the organization as a whole. Our Compensation Committee reviews the salaries of our executives annually and grants increases in salaries based on individual performance during the prior calendar year, cost of living adjustments, changes in executive responsibilities and market survey analysis provided by AON Corporation. The Compensation Committee does not anticipate a raise in base salaries for any of the named executive officers in 2007 over 2006.

Annual bonus program

We believe the payment of cash bonuses provides meaningful incentives, rewards performance that benefits our business and is consistent with creation of stockholder value.

Annual bonuses are paid to our Chief Executive Officer and Chief Financial Officer pursuant to the terms of their employment agreements whereby they may obtain between 50% to 120% of their annual base salary as a cash bonus based upon achievement of financial targets established by the Board of Directors. Neither of these officers were paid an annual bonus with respect to fiscal 2006.

Annual bonuses for fiscal 2006 were designed to be earned and paid to other named executive officers at the discretion of our Compensation Committee. Any potential fiscal 2006 bonuses were based upon achievement of EBITDA targets, and paid out, generally, reflecting a number of subjective considerations including the performance of the Company overall and the contributions of these executive officers during the period. None of the executive officers were paid an annual bonus for their fiscal 2006 performance.

We intend to implement a more specific bonus program in fiscal 2007 for executives and other employees. The new annual bonus plan will be consistent at all levels of management, except those with employment agreements, to align activities with overall corporate goals, and will be based on achievement of corporate net income, sales and margin goals.

Stock-based compensation

We believe stock-based compensation provides appropriate long-term incentives to our executives and aligns their interests with those of our other equity holders. The Compensation Committee at regularly scheduled meetings grants options for our executives and the exercise price of our options is the closing price of our common stock upon the date of the grant. Each executive officer, and other management personnel as determined by the Compensation Committee, is initially provided with an option grant estimate when they join

Table of Contents

our company based on their position. Our management receives options in different amounts based upon their respective positions and responsibilities. These grants vest in 20% increments over five years, and no shares vest before the one-year anniversary of the grant. We spread the vesting over a five-year period to compensate executives for their contributions over time. From time to time as we modified our capital structure in the past, we granted additional options to maintain ownership levels or to provide retention incentives for executives.

In the future, our Compensation Committee and Board of Directors may consider awarding additional or alternative forms of equity incentives, such as stock appreciation rights (SARs), restricted stock awards, restricted stock units, performance unit awards, performance share awards, cash-based awards and other stock-based awards under our 2006 Incentive Compensation Plan.

Perquisites and other benefits

The Company maintains a number of other broad-based employee benefit plans in which executive officers participate on the same terms as other employees meeting the eligibility requirements, subject to any legal limitations on amounts that may be contributed to or benefits payable under the plans. Benefits include:

Medical and dental insurance and cafeteria plan: Our medical and dental insurance and cafeteria plan is administered pursuant to Section 125 of the Internal Revenue Code of 1986, as amended. The plan includes medical and dental insurance, medical reimbursement and dependent care reimbursement plans.

401(k) plan: Pursuant to our 401(k) plan we match 50% up to the first 6% of an employee's contribution. 401(k) contributions from highly compensated employees are currently limited to a maximum of 5% of compensation, subject to statutory limits.

Life insurance and accidental death and dismemberment insurance: Pursuant to our Life Insurance and Accidental Death and Dismemberment Insurance plans we pay the premium on a \$10,000 term life insurance policy and a \$10,000 accidental death and dismemberment insurance policy.

Severance pay plan: Our severance pay plan provides severance benefits to our employees should their employment with us be terminated without cause and unrelated to a sale of a division or subsidiary, or as otherwise determined by the severance committee (consisting of Human Resources personnel and management), whereby the employee is entitled to an amount calculated based upon current position, salary and length of service. Our named executive officers are entitled to receive an amount equal to their annual base salary upon termination without cause. No severance pay plan payments were made to our executive officers in fiscal 2006.

Tax Consequences of Compensation.

Our annual tax aggregate deductions for each named executive officer's compensation are potentially limited by Section 162(m) of the Internal Revenue Code to the extent the aggregate amount paid to an executive officer exceeds \$1.0 million per year, unless it is paid under a predetermined objective performance plan meeting certain requirements, or satisfies one of various other exceptions provided under Section 162(m) of the Internal Revenue Code. At our current named executive officer compensation levels, we do not presently anticipate that Section 162(m) of the Internal Revenue Code should be applicable, and accordingly, our Compensation Committee did not consider its impact in determining compensation levels for our named executive officers in fiscal 2006.

Equity Compensation Arrangements

2006 Incentive Compensation Plan

The Board of Directors adopted the 2006 Incentive Compensation Plan (the 2006 Plan) effective June 16, 2006. Under the 2006 Plan we may issue or grant up to 1,800,000 options to purchase shares of our common stock, stock appreciation rights and restricted stock grants or performance units to employees, members of our Board of Directors and third-party consultants. The exercise price of options granted is equal the common stock share price on the date granted. As of December 30, 2006, we had outstanding options to purchase 236,493 shares of our common stock under the 2006 Plan.

The Compensation Committee may provide for the payment of dividend equivalents with respect to shares of common stock subject to an award.

The Compensation Committee administers the 2006 Plan. The Board of Directors may, subject to any legal limitations, exercise any powers or duties of the Compensation Committee concerning the 2006 Plan. The Compensation Committee will select eligible employees, directors and/or consultants of us and our subsidiaries or affiliates to receive options or other awards under the 2006 Plan and will determine the number of shares of common stock covered by those options or other awards, the terms under which options or other awards may be exercised. The Compensation Committee is authorized to interpret the 2006 Plan and awards and to accelerate the vesting or exercisability of awards subject to the limitations of the 2006 Plan. Holders of options, SARs, unvested restricted stock and other awards may not transfer those awards, unless they die or, except in the case of incentive stock options, the Compensation Committee determines otherwise.

If we undergo a change of control, the Compensation Committee may adjust outstanding awards by substituting stock or other securities of any successor or another party to the change of control transaction, or cash out outstanding options, SARs and other awards, in any such case, generally based on the consideration received by our shareholders in the transaction.

Subject to particular limitations specified in the 2006 Plan, the Board of Directors may amend or terminate the 2006 Plan, and the Compensation Committee may amend awards outstanding under the 2006 Plan. The 2006 Plan will continue in effect until all shares of the common stock available under the 2006 Plan are delivered and all restrictions on those shares have lapsed, unless the 2006 Plan is terminated earlier by the Board of Directors.

2002 Incentive Stock Plan

In 2002, we adopted our 2002 Incentive Stock Plan (the 2002 Plan). Under the 2002 Plan, certain employees, members of our Board of Directors and third-party consultants may be granted options to purchase shares of our common stock, SARs and restricted stock grants. Options are exercisable and vest in accordance with each option agreement. As of December 30, 2006, we had outstanding options to purchase 775,065 shares of our common stock under this plan. Following the adoption of our 2006 Incentive Compensation Plan, we have not and do not intend to grant any more options under our 2002 Plan, although options previously granted under the 2002 Plan will remain outstanding and subject to its terms.

Options, stock grants and SARs granted under the 2002 Plan will accelerate and become fully vested in the event we are acquired or merge with another company. In addition, our Board of Directors may, upon a change in control, cancel the options, stock grants or stock appreciation rights, but only after providing the optionees or grantees with a reasonable period to exercise his or her options or SARs or take appropriate action to receive stock subject to any stock grants. Under the 2002 Plan, our Board of Directors will not be permitted, without the adversely affected optionee s or grantee s prior written consent, to amend, modify or terminate our stock plan if the amendment, modification or termination would impair the rights of optionees or grantees. The plan will terminate in 2012 unless terminated earlier by our board of directors.

DIRECTOR COMPENSATION

The Board of Directors has adopted the Non-Employee Director Compensation Plan (the Director Compensation Plan) under which it compensates directors that are not employees of the Company or First Atlantic Capital, Ltd. Directors who are employees of either the Company or First Atlantic Capital, Ltd. may be reimbursed for their expenses, but are not otherwise compensated for service as a director.

The Director Compensation Plan provides for, Martin Hanaka, the Chairman of the Board, to receive an annual retainer in the amount of \$135,000 for services and attendance at meetings of the Board of Directors and an annual grant of deferred stock units (DSUs) in the amount of \$100,000 to be issued following the Company's Annual Meeting each year. Mr. Hanaka became Chairman of the Board in April 2007.

Additionally, the Director Compensation Plan provides a \$25,000 annual retainer for each non-employee director, as well as an annual retainer of \$15,000 for the chair of the Audit Committee, and \$5,000 annual retainers for the non-employee chairs of other standing committees. Directors are paid a fee of \$1,500 for each board meeting and \$1,000 for each committee meeting that they attend, and are reimbursed for any out-of-pocket expenses. The plan also authorizes an annual grant of DSUs in the amount of \$25,000 to be issued to directors following the Company's Annual Meeting each year. For the year prior to this year's Annual Meeting, directors were granted DSUs in an amount prorated from the time of election to the board until May 2007.

CERTAIN TRANSACTIONS

Management Consulting Agreement

In connection with our acquisition by Atlantic Equity Partners in October 2002, we entered into a management consulting agreement with First Atlantic Capital, pursuant to which First Atlantic Capital agreed to advise us on management matters. In particular, First Atlantic Capital agreed to provide advisory services related to proposed financial transactions, acquisitions and other senior management matters related to the business, administration and policies of the Company upon the terms and subject to the conditions set forth in the management consulting agreement. As consideration for its management consulting services, we agreed to pay First Atlantic Capital an annual fee of up to \$0.6 million, payable in advance, in equal monthly installments on the first day of each month, commencing in October 2002 and ending in October 2012. We also agreed to reimburse First Atlantic Capital for all out-of-pocket expenses and other disbursements incurred by it or its directors, officers, employees or agents in furtherance of its obligations under the agreement. We terminated the management consulting agreement and paid First Atlantic Capital a termination fee of \$3.0 million at the closing of our initial public offering in June 2006. We will continue to reimburse First Atlantic Capital for expenses incurred in connection with meetings between representatives of First Atlantic Capital and us in connection with First Atlantic Capital's investment in us for so long as First Atlantic Capital holds at least 20% of our outstanding shares of common stock, but will not otherwise pay any fees under the Agreement.

Management Rights Agreement

We have entered into a management rights agreement with Atlantic Equity Partners effective June 2006.

In the event that we are not, or we cease to be, a controlled company because Atlantic Equity Partners does not beneficially own, on its own or as part of a group, more than 50% of our outstanding common stock, and we are required by Nasdaq regulations to have a majority of independent directors on our Board of Directors, to the extent necessary, the Board of Directors will simultaneously be reduced or increased, as the case may be, in size to nine directors. This reduction or increase would be effective immediately following the first annual or special meeting of our stockholders at which directors are to be elected (a Director Election) or effective immediately upon board action by written consent. The Board of Directors shall remain at this size until the first Director Election after the date on which Atlantic Equity Partners holds less than 10% of our outstanding common stock.

For so long as Atlantic Equity Partners continues to hold more than 25% of our outstanding common stock, it shall retain the right to designate three nominees for election to our Board of Directors, subject to compliance with Nasdaq regulations. If Atlantic Equity Partners continues to hold (1) less than 25% but at least 15% of our outstanding common stock, it will retain the right to designate two director nominees, and (2) less than 15% but at least 10% of our outstanding common stock, it will retain the right to designate one director nominee, and in each case, Atlantic Equity Partners will cause such number of directors nominated by Atlantic Equity Partners to resign as would be necessary to make the number of remaining directors correspond with Atlantic Equity Partners' designation rights unless our Board of Directors decides that any such directors should continue to serve on our Board of Directors. Once Atlantic Equity Partners holds less than 10% of our outstanding common stock, it shall have no right to designate directors. Pursuant to the management rights agreement, for so long as Atlantic Equity Partners owns any shares of our common stock, Atlantic Equity Partners shall have the right to nominate a non-voting observer to attend board or committee meetings of us and our subsidiaries, subject to such observer signing a confidentiality undertaking with us.

To the extent permitted by applicable law, Atlantic Equity Partners will have the right to include in any committee of our Board of Directors, or the Board of Directors or any committee of the Board of Directors of

Table of Contents

any of our subsidiaries, a number of directors equal to or greater than the proportion of directors nominated by Atlantic Equity Partners to our Board of Directors at that time.

Consulting Agreements

In June 2005, we entered into a consulting agreement with Lawrence N. Mondry, one of our directors. Under the agreement, Mr. Mondry agreed to make himself available to us to provide ten days of management consulting services relating to our retail operations and organization during each calendar year of the consulting agreement. We paid Mr. Mondry an aggregate of \$33,000 in fiscal 2005 and \$25,000 in fiscal 2006 for services provided to us under this agreement. The consulting agreement with Mr. Mondry was terminated in June 2006.

On April 5, 2006, we entered into a consulting agreement with Thomas Hardy, one of our directors, that terminated on December 31, 2006. Pursuant to the terms of the consulting agreement, Mr. Hardy provided us with management consulting services related to our retail operations and organization. We paid Mr. Hardy \$25,000 upon completion of the consulting services described.

Agreement to Provide Health Benefits to Our Founders

In connection with our acquisition by Atlantic Equity Partners, we agreed to amend our group health plan so that Carl Paul and Franklin Paul, our founders, will continue to be eligible to participate in our health plan on the same basis as full-time employees. We report these benefits under the plan as non-taxable benefits; based on our determination that such reporting is permissible. Neither we nor Carl Paul or Franklin Paul have agreed to indemnify the other party for any losses that either of us may suffer as a result of this tax reporting or the amendment to the plan.

Stock Option Grants

See Management Stock Options for a description of certain stock option grants to our executive officers.

Employment Agreements

See Management Employment Agreements for a description of certain employment agreements.

Indemnification Agreements and Liability Insurance

We have entered into indemnification agreements with each of our directors and executive officers and have purchased directors and officers liability insurance, appropriate for a public company. The indemnification agreements and our amended certificate of incorporation and bylaws require us to indemnify our directors and officers to the fullest extent permitted by Delaware law.

MISCELLANEOUS

Voting on Other Matters

Management is not aware of any other business to be transacted at the Annual Meeting. The Company's Amended and Restated Bylaws outline procedures, including minimum notice provisions, for stockholder nomination of directors and submission of other stockholder business to be transacted before the meeting. If any stockholder proposals or other business to be transacted properly come before the Annual Meeting, it is intended that the shares represented by proxies will be voted in accordance with the judgment of the persons authorized to vote them.

Proposal of Stockholders for the 2008 Annual Meeting

Any stockholder who intends to present a proposal at the annual meeting in the year 2008 (the 2008 Annual Meeting) must deliver the proposal to the Secretary at 11000 N. IH-35, Austin, Texas 78753:

Table of Contents

not less than 120 calendar days before the date that the Company's proxy statement is released to stockholders in connection with the 2007 Annual Meeting, if the proposal is submitted for inclusion in our proxy materials for that meeting pursuant to Rule 14a-8 under the Securities Exchange Act of 1934; and

not earlier than 120 calendar days and not later than the close of business on the 90th calendar day prior to the first anniversary of the 2007 Annual Meeting, if the proposal is submitted pursuant to the Company's Amended and Restated Bylaws, in which case we are not required to include the proposal in our proxy materials.

The Company is not required to include in its proxy statement and form of proxy a stockholder proposal that fails to meet the requirements for stockholders set forth in its Amended and Restated Bylaws and/or established by the regulations of the SEC.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors, executive officers and persons who own more than ten percent of the Company's Common Stock ("Section 16 Persons") to file reports of ownership and changes in ownership in the Company's Common Stock with the SEC and Nasdaq. Based on the Company's records and other information the Company believes that all Section 16(a) filing requirements for the Section 16 Persons have been complied with during or with respect to the fiscal year ended December 30, 2006, except for the Form 4 of David Pritchett, our Senior Vice President Retail Operations, which was filed late.

Nothing herein is intended to expand applicable standards of liability under state or federal law for directors of a Company.

The Committee relies on the expertise and knowledge of management and the independent auditor in carrying out its oversight responsibilities. Management of the Company is responsible for determining the Company's financial statements are complete, accurate and in accordance with generally accepted accounting principles. The independent auditor is responsible for auditing the Company's financial statements. It is not the duty of the Committee to plan or conduct audits, to determine that the financial statements are complete and accurate and in accordance with generally accepted accounting principles, to conduct investigations, or to assure compliance with laws and regulations or the Company's standards of business conduct, codes of ethics, internal policies, procedures and controls.

It is the responsibility of the Committee to maintain free and open communication between the Committee, the independent auditor and management of the Company.

The Committee shall have the power to retain, without Board approval and at the Company's expense, and terminate, as it deems appropriate, outside counsel, and other experts and consultants to assist the Committee in connection with its responsibilities, and shall have the sole authority to approve such firms' fees and other retention terms.

The Committee may delegate its authority to subcommittees established from time to time by the Committee, which subcommittees shall consist of one or more members of the Committee and shall report to the Committee; provided, however, that in the event the Committee delegates to a subcommittee its authority to pre-approve audit and permitted non-audit services, any determination by the subcommittee to grant such pre-approvals shall be presented to the full Committee at its next scheduled meeting.

IV. Duties and Responsibilities

The Committee shall have the power and authority of the Board to perform the following duties and to fulfill the following responsibilities:
