Ex-99.2 Form of Restricted Stock Unit Agreement with Time-Based Vesting

---

**Table of Contents****Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On April 12, 2007 we entered into restricted stock unit agreements with each of our executive officers under the terms of our Amended and Restated 1996 Stock Option Plan. We entered into two agreements with each executive officer, one providing for performance-based vesting and one providing for time-based vesting.

The number of restricted stock units granted under each agreement to our executive officers is as set forth in the following table:

<b>Name</b>	<b>Performance-Based Vesting Restricted Stock Units</b>	<b>Time-Based Vesting Restricted Stock Units</b>
Robert D. Burke	200,000	100,000
Barry E. Clark	50,000	50,000
John Federman	50,000	50,000
Kenneth Z. Volpe	50,000	50,000
Julie M.B. Bradley	40,000	40,000
Louis R. Frio Jr.	40,000	40,000
Clifford J. Conneighton	30,000	30,000
Patricia O Neill	30,000	30,000

Each restricted stock unit is unvested as of the date of grant and represents the right to receive one share of our common stock upon vesting. Upon a change of control, all of the unvested restricted stock units issued to Mr. Burke will vest in full and half of the unvested restricted stock units issued to our other executive officers will vest in full. Each time-based vesting restricted stock unit vests 25% on each of May 12, 2007, May 12, 2008, May 12, 2009 and May 12, 2010 as long as the executive remains our employee on those dates.

The number of performance-based vesting restricted stock units that may vest is first determined based on how close we come to our targets for adjusted operating profit for 2007. Of those units eligible for vesting based on our adjusted operating profit for 2007, they will then vest 25% on each of May 12, 2007, May 12, 2008, May 12, 2009 and May 12, 2010 as long as the executive remains our employee on those dates. However, if during that vesting period we achieve our maximum revenue target, these restricted stock units will then vest immediately.

The above description of these agreements is qualified in its entirety by reference to the form of restricted stock unit agreement with performance-based vesting and the form of restricted stock unit agreement with time-based vesting, which are filed as exhibits 99.1 and 99.2, respectively, to this current report on Form 8-K and incorporated herein by reference.
